Whole document

Anglian Water previously commented as part of the earlier Main Modifications consultations in February and April 2019.

Having reviewed the current schedule of main modifications we consider that this does not raise any new issues for Anglian Water. As such we would ask that our previous representations on the main modifications to the Local Plan are considered by the Planning Inspector.

Do you consider the proposed modification is: . Legally compliant?
(please mark the appropriate box) . Sound?

If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to?

Would you like to be notified of future stages of the Local Plan? Yes

How would you like to be notified?
