**To which proposed Main Modification does your representation relate? Please state the relevant reference number that you are commenting on from the Schedule of Proposed Main Modifications e.g. MM1**

MM4

**Do you consider the proposed modification is:** . Legally compliant?  
 (please mark the appropriate box)

**If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to?** . Is it consistent with national policy?

**Please give us details as to why you think the Local Plan with proposed modifications is NOT legally compliant or sound?**

The opening line of Paragraph 170 of the NPPF sets out that plans and policies should "contribute to and enhance the natural and local environment". It does not limit its positive intentions by stating "where possible". The NPPF also does not use the term "where possible" in relation to the built or historic environment.

**Please set out what changes you consider necessary to make the proposed main modifications to the Local Plan legally compliant or sound.**

The plan will be consistent with national policy if the second bullet says "Protect and enhance the natural, built and historic environment"

**Would you like to be notified of future stages of the Local Plan?** Yes

**How would you like to be notified?** . By email to my email address
