If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to?

Please give us details as to why you think the Local Plan with proposed modifications is NOT legally compliant or sound?

Does not meet NPPF 15. The planning system should be genuinely plan-led. Succinct and up-to-date plans should provide a positive vision for the future of each area; a framework for addressing housing needs and other economic, social and environmental priorities; **and a platform for local people to shape their surroundings.**

Please set out what changes you consider necessary to make the proposed main modifications to the Local Plan legally compliant or sound.

Re-instate "It can be demonstrated that there is appropriate support by the parish council".
