**If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to?** . Is it justified?

**Please give us details as to why you think the Local Plan with proposed modifications is NOT legally compliant or sound?**

Beetley Parish Council feels that the wording of this modification is ambiguous as it does not state what is an appropriate scale of development. The wording for support has been removed.

**Please set out what changes you consider necessary to make the proposed main modifications to the Local Plan legally compliant or sound.**

Appropriate scale should be specified clearly and the criterion 3 reinstated.
