To which proposed Main Modification does your representation relate? Please state the relevant reference number that you are commenting on from the Schedule of Proposed Main Modifications e.g. MM1

MM6 and MM7- Policy GEN 04

**Do you consider the proposed modification is:
(please mark the appropriate box)**

If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to?

Please give us details as to why you think the Local Plan with proposed modifications is NOT legally compliant or sound?

The proposed Main Modifications in relation to heritage and archaeology appear to reflect and align with Historic England's response to the Planning Application, which were carefully considered and addressed where possible, through revisions to the planning application and/or explained in supporting material submitted with the planning application. These matters were highlighted to the Planning Committee to inform their consideration of the planning application. The proposed Main Modifications in relation to infrastructure provision/health care etc. appear to reflect and align with Statutory Consultee responses to the Planning Application and which have been taken into account/addressed/explained in the planning application and supporting material. These matters were also highlighted to the Planning Committee to inform their consideration of the planning application. The proposed Main Modifications in relation to the size of the SUE, quantum of development etc., are mostly factual points reflecting the planning application and other dwelling completions in Attleborough.
