compliant or sound?**

On page 20 (HOU05) there is no reason specified for the change to the policy, almost all other changes are justified in the "reason for change" column, whereas this one stands out by the absence of any justification. I am particularly interested in the exact justification for removing the clause requiring Parish Council support, noting that Parish and Town Councils are elected bodies, with legal responsibility and bound by statute including the Local Government Act 1972. They are not conceptually different from the District Council
