(please mark the appropriate box)

If you consider the proposed Main Modification to be UNSOUND, please identify which test of soundness your representation relates to? . Is it consistent with national policy?

Please give us details as to why you think the Local Plan with proposed modifications is NOT legally compliant or sound?

Whereas this paragraph says that 'The Council will support provision of self-build in line with national guidance' previous policies relating to self-build e.g. HOU 04 and HOU 05 specifically strike out the phrase 'considered in accordance with national guidance'. This is inconsistent.

Please set out what changes you consider necessary to make the proposed main modifications to the Local Plan legally compliant or sound.

Re-word relevant parts of HOU 04 and HOU 05 to re-instate the phrase 'considered in accordance with national guidance'.

Would you like to be notified of future stages of the Local Plan? Yes

How would you like to be notified? . By email to my email address
