

Subject: Re: Notification of re-consultation on all Main Modifications to the Breckland Local Plan

Ah but wouldn't it be nice if a restored and beautiful village centre could qualify our village to be incorporated into the Breckland of which, since time immemorial, it once was an important part? The benefits which might accrue from increased tourism, which are already visible within the Breckland since the area was defined some six years ago, would be tremendous. We could have so much to offer, and to gain.
