

The district wide map shows Whissonsett with a settlement boundary. This is incorrect. The map below correctly shows Whissonsett without a settlement boundary. Other policies that affect Whissonsett have not been added to this map and the District wide map should continue to be used to reference these.

## Amendment to district wide map - Scarning and Whissonsett

The district wide map shows Scarning with a settlement boundary. This is incorrect. The map below correctly shows Scarning without a settlement boundary. Other policies that affect Scarning have not been added to this map and the District wide map should continue to be used to reference these.
