## 2. Is the impression and character of the village important to you?

If YES, how could it be improved? (312)

1	No more house building
2	Stop allowing new council houses to be built
3	More buses in terms of how many day. Less road closures which seems a council hobby, often for no tangible reason.
4	Please stop building on every piece of available ground in the village
5	Keeping the roads and pavements in a good state of repair.
6	Designated area for dogs to exercise
7	Better proactive development planning, more community activity Better entrance to the village fom A47 Enhanced countryside walks and access
8	Limit development to retain 'village' character
9	There are areas within the village that need a general tidy up and cut back. Although possibly more an owner issue than Parish issue.
10	MORE TREES AND HEDGEROWS. THE CHAIN LINK FENCE AT THE TOP OF THE PLAYING FIELDS WHILST PRACTICAL IS UGLY, COULD BE REPLACED WITH A HEDGE OR HONEYSUCKLE/CLIMBERS PLANTED AGAINST THE FENCE.
11	stop further developments
12	Would like the odd bench around the village to sit and rest when out walking/ exercising
13	By keeping it free from litter.
14	By not having social housing at the Erne's Farm development. For some reason, Necton seems to get the worst quality of housing developments. Also for the Parish Councillors to visit local schools regularly to talk about the negative aspects of litter around the village. We need to catch them early since parenting is obviously failing to get the message across.
15	Measures to slow traffic, less litter, more social spaces/green areas
16	Tidying some areas of the village up that have overgrown or making the residents do it.
17	Speed restrictions needed on all roads. Pedestrian crossings. Less houses being built.
18	This is the first time I've heard of the 'service centre' term and it certainly does not feel like Necton is considered important by Breckland: The village is now getting to a size that the infrastructure cannot cope with the number of residents, cars, need for Doctors, dentists and other facilities. Road junctions, entrances to & exits from the village can no longer cope with the traffic. Many road users including the buses use the co-op garage turning as a route out for a left turn on to the A47. Whilst I don't see too much of a problem with this, the junctions with the A47 are dangerous and give the impression that Necton is a difficult place to access. We need a roundabout or traffic lights at Tuns Road/A47 junction and also there's the possibility to open up a further exit from the old road that goes down the side of Charnwood in St Andrew's lane (especially after all the new houses are built on the field behind Charnwood). At the very least make Tuns Road wider to allow a left turn lane to ease congestion at busy times. In addition, if the grass areas were mowed as needed, trees maintained and developments only allowed in conjunction with road and service improvements, it might feel less like Necton was being ignored by Breckland who allow builders to dump more housing on us & ignore ongoing concerns about the needs that come with an expanding population.
19	less traffic
20	The Co-Op coming has cleaned up the entrance to the village which is great. The community centre and fields aren't welcoming to dog owners though, I think that is a shame. Anything that helps nature should be welcomed - wild meadow areas etc.
21	Entrance from the A 47

## 2. Is the impression and character of the village important to you?

22	Ensuring that verges are cut regularly
23	More footpaths for safe country walks
24	No more dog mess. It is everywhere. Even on grass footpaths. Weeding of pavements and litter picking.
25	More litter picking. More seating. Safer driving
26	Less car noise
27	none
28	I'm content as it is.
29	Make sure people's hedges are cut back off path and brush up shingle.
30	When we first moved here in April 2021, the roads / pathways were untidy and grass / weeds needed attention. Better now.
31	20mph limit to allow greater safety.
32	Extend footpaths.
33	Remove litter.
34	See Q3! I'd love a village green but appreciate it is unlikely.
35	By not getting too built up.
36	The footpaths and green spaces within the older estates (Brackenwoods, Elisabeth and Jubilee) need investment - repairs, more trees, better horticultural management. They all look tired, unloved and unfriendly. More seating within these spaces would promote more social interaction. The village lacks a centre point, but could have a number of 'centres' with the installation of street furniture that promotes connections.
37	Cleaner road / pavement edges - weeds removed.
38	Kerb edges could be cleaned and weeded - certain footpaths are hard to access because of overgrown weeds
39	Tidy the old school area.
40	Plant a lot more trees.
41	Better quality developments. More trees.
42	Entrance to village spruced up. Restrict the building of more new homes.
43	Get dog walker to pick up dog poo! More litter picking.
44	No more building of houses
45	Cleaned up on main through routes ie Tuns Road and St Andrews Lane
46	Hedges could be cut more
47	More flowers / plants in public area
48	More public footpaths on the perimeters
49	Clean up village entrance next to Costa Coffee Slipway to left out of village
50	Make safer to get into the village off of A47
51	Keep it litter-free Keep it original, as much as possible
52	Verges were overgrown also hedgerows Need litter bins in addition to the dog bins

53	It is always nice to like where you live
54	Tidy it up needs plants / flowers
	NEEDS A FOCAL POINT LIKE A VILLAGE GREEN
56	BETTER RUBBISH/LITTER MAINTENENCE, BETTER WEED CONTROL/MAINTENENCE IN PUBLIC USE AREAS

63	WASTE LAND REUSED
64	UNSIGHLY PLOTS OF LAND BEING REVAMPED
	LESS BUILDING, TRY AND KEEP IT A RURAL SETTING. TOO MANY PA'S PASSED
66	general cleanliness and tidiness
67	Encourage residents to cut back hedges etc from footpaths. Council to clean up kerbs etc.
68	When verges are cut properly and the cuttings cleared from the gutters and going down the drains
69	Village green and pond would be nice

79	BY OPENING THE ;OCAL SURGERY AGAIN. TO ALLOW PEOPLE INSIE "NOT" STAND OUTSIDE IN THE COLD AND WET
80	kerb appeal, road maintenance, drainage issues resolved - there is pretty much always room for improvement in anything but Necton is not in bad shape.
81	VERGES CUT MRE OFTEN. A FEW FLOWER BORDERS TUB DOTTED AROUND
82	VERGES & STREET GUTTERS TO BE CUT & CLEANED
83	Better branding. A more modern and current impression of our village can be achieved through updating the styling of all of our public notices and digital media. E.g. the council website, any printed publications that go out to the village (e.g. Necton Parish News), public signs, notices, event advertising (both printed and online). Some are looking a bit outdated and tired - I think Necton is much more vibrant. Good branding looks at the whole picture and asks questions about how to present Necton across all formats, all the time (physical and digital) It can be used across the board to immediately improve the impression

## 2. Is the impression and character of the village important to you?

	of Necton in the eyes of residents and visitors. We have some great peer run community groups on Facebook that can be joined but a really good public page on Facebook and Instagram that can present Necton in a modern and vibrant way and also provide up to date info on all aspects of village life would be great.

88	<p>I would like to see some areas of the village refreshed and tidied up:            Bus shelter near the shop/postoffice needs a lick of paint and maybe a seat for the elderly            Bench near the shop - it sits in front of a bin also used for dog waste which in the summer becomes very smelly - could it be moved a few feet away?            There is always plenty of rubbish/wrappers outside the shop - could a waste bin be situated outside?            There are plenty of dog bins around the area (which unfortunately some irresponsible owners fail to use).            Could some dog signs be put up around the village advising dog walkers of their responsibilities?            Could a better sign be put up welcoming you to Necton on the Hale Road? A planter box underneath?            There are not many green areas but could some bulbs/bushes be planted to bring colour into the village say around benches for example?</p>

### 3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?

If YES, how could it be improved? (448)

1	lean it up. It's an embarrassment
2	Widen the road so more cars can egress the village, move the sign to the opposite side to facilitate this. Build a roundabout.
3	it could be maintained better and kept clean
4	Something a little brighter & welcoming
5	Maybe create a colourful wildlife area with bee friendly wildflowers rather than just gravel/stones
6	Easily overlooked
7	Junction for traffic is tricky. This is not helped by cars speeding on the A47, accidents occur relatively frequently.
8	It looks tired and with the Costa trees it can be missed.
9	Filter lane for left turning traffic with roundabout on junction with A47
10	Keeping it free of litter and overgrown vegetation. And maybe a Welcome to Necton would be good.
11	Flowers, seating.
12	you cannot see it until you are leaving Necton, it is soleless and devoid of any charm
13	create a slip road from Norwich direction
14	It would benefit from a regular clean up as it is always covered with leaves and rubbish (therefore a bit of an eyesore at the entrance to the village)
15	Additional lane (Left hand sweep) leading out of the village
16	A good tidy up and some attractive planting with possibly a seating area.
17	Making the junction wider for safer and easier access to the A47
18	Change the junction for better A47 access
19	SEATING, KEEP THE TREES, PLANTING
20	PLEASE PLEASE remove the concrete bollards and widen the road.enabling a double car exit Alternatively do away with that exit so we all use the new mini roundabout by the co op another solution create a ROUNDABOUT ON THE A47 before some is KILLED The buses DO NOT USE THIS EXIT and prefer to go to the co op roundabout to gain access to the A47
21	By planting a welcome to our village site with a figure of the Neketona Warrior and seasonal planting of flowers etc.
22	Planting ornamental low growing shrubs which would encourage bees (it will need to be maintained which isn't happening now). Several families volunteered in the past to take care of this area but were never contacted by the Parish Council. WHY NOT? We need to engage the community as much as possible.
23	A roundabout may assist with the constant queuing traffic. The entrance to the village and the space there looks unkempt and really serves no purpose - it's wasted space. It may perhaps be beneficial to plant some low-Mai tenancy flowering shrubs to brighten up the area

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

24	Impossible to say as whatever happens it will need maintaining
25	Seating
26	Tidied up and appearance made more suitable to encourage people to use this area more.
27	The area by the sign is OK, but the A47 needs a roundabout!
28	This area is unsightly and does nothing to improve the impression of the village as you enter/leave. As above cut a swathe through it to allow a left turn lane. It serves absolutely no purpose: You're hardly going to sit there, whilst choking on the fumes from the waiting traffic, listening to the noise of the A47/Costa/petrol station. Useful piece of land to help create that much needed roundabout. If we're stuck with it as is, get rid of the shingle & plant loads of flowering bushes & trees. The sign itself needs to be in a more prominent position & lit up or it might as well not be there.
29	Used to improve the junction with the A47. The junction is dangerous. People using the Costa drive through, their headlights blind you as you travel along the road toward the junction. If the area could be used to assist in the practical issues such as that it would be useful to the village.
30	flowers
31	More flowers/greenery etc as it is never going to be a good place to go and sit!
32	Re more the the sharp corners on the entrance from The A47 safer for traffic entering and leaving which is a   SORE
33	Planting wildflowers
34	The vacant area opposite Costa is an eyesore and gives a bad impression for a village entrance
35	Bring back the seats
36	Seating and plants
37	It always looks shabby but do not know how to improve it.
38	Looks untidy.
39	Remove it, no one uses it and provide a left filter lane onto A47 or better a roundabout.
40	Make a slip road for left hand turn.
41	Kept tidy, maybe flowers.
42	Clearing weeds, removing gravel, planting flowers / placing pots.
43	Improve the screening from the A47 side (native hedging and trees) and create an urban garden that provides meeting/seating space. This would benefit COSTA, so could be an ideal shared project.
44	The turn is too close to the garage entrance - lower speed limit.
45	A mini-roundabout to reduce the excessive 50mph with 2 turnoffs, dangerous at present.
46	Landscaped
47	Expand left lane to Swaffham - improve safety.
48	Tidied up
49	Village gate. Electric bike charger shelter.
50	Clean it up and plant the whole area up
51	Could it be used to improve access to A47?
52	Paint the "Welcome to Necton" sign.
53	Tidied up - rubbish collected Road exit widened
54	Made more colourful and tidy

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

55	Use for slip road
56	More distinctive sign
57	Grass + picnic benches
58	Exit Necton through CO-OP road and enter Necton at Necton turn-off on the A47.
59	?
	Incorporate it into part of a roundabout
61	Perhaps a wild flower area - or just a neat grassed area
62	More trees planted in the background, make the Necton sign more visible to the eye. If not possible re-position.
63	At the moment it's attracting litter
64	Improve the filter lane onto A47
	The community garden should be there
66	Use it for traffic turning left onto A47
67	USE TO IMPROVE JUNCTION LAYOUT - PERHAPS LEFT FILTER LANE
68	REMOVE IT AND REPLACE WITH SLIP ROAD BUT RETAIN VILLAGE SIGN IN ANOTHER LOCATION NEARBY
69	Landscaping / maybe school project
	WEED + REPAINT THE SIGN. INSTALL PLANTERS - AS AN EXAMPLE SEE TE COMMUNITY GARDEN ON CAMPINGLAND SWAFFHAM
71	Could do with a roundabout - lower speed restrictions
72	Regular maintenance & cleaning
73	Kept tidy and weeded
74	Make a proper garden
	Needs to make Necton more welcoming. Flower beds maybe.
76	Paint the sign Just keep it clean and tidy!
77	Remove all shrubbery and make nice grass area
78	This an utter waste of space
79	Make more of a feature of it ie flower beds etc
	Could be cut off and used as a sip road to get onto the A47
81	A good roundabout
82	It could be made into a slip road for vehicles wanting to turn left, therefore avoiding hold ups.
83	AREA USEED WHERE THE SEAT IS "RE-USED"!
84	THE SPACE WITH THE SEAT REMOVED TO GIVE MORE SPACE
	GRASSED AREA WITH A NECTON SIGN LIKE THE ONE NEAR THE CHURCH. FLOWER BEDS
86	ROUNDAABOUT
87	The road could be widened to allow traffic to flow easier
88	Larger, more visible sign showing both Costa and Necton together with clear indication of 2 seperate slipways. Reduce speed limit to 40mph

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

89	To widen road near A47
90	Just keep it tidy!
91	Simplify and make the ground around the sign easy to maintain yet interesting
92	Roundabout urgently needed onto A47 - use this area to help create a roundabout
93	Tidy up, looks scruffy
94	Large icons and arrows
95	Flower garden maybe
96	Sign painted and tidied up around It's the first impression
97	ENTRANCE TO NECTON/LEAVING NECTON (SLIP ROAD)
98	CHANGE TO EASY MAINTENANCE GARDEN WITH SCRUBS AND SMALL TREES
99	SLIP ROAD FOR SWAFFHAM, GENERAL TIDYING UP, REPOSITION NECTON SIGN
100	ROAD COULD BE WIDENED TO ALLOW EXIT FROM VILLAGE EASIER
101	WIDEN THE ROAD TO ALLOW QUEINF TRAFFIC TO TURN LEFT
102	USE SPACE TO IMPROVE JUNCTION AND RELOCATE SIGN
103	Y MOVING PART OF THE EXIT, TOO THE A47 TO ALLOW VEHICLES STRAIT IN OR PUT OF THIS JUNCTION
104	It's an area of congestion but could be improved with landscaping and planting, a roundabout entrance to the A47 would help a lot too or slip roads.
105	MAKE IT INTO A SLIP ROAD TO JOIN A47 WESTBOUND
106	USED FR LEFT TYRN LANE ONTO A47. MOVE SIGN FURTHER TOWARDS VILLAGE
107	BY MAKING JUNCTION SAFER TO EXIT
108	PAVED/SITTING AREA WITH SUITABLE SHRUBS
109	Visibility is an issue I notice. 1. Because it is hidden behind and amongst foliage and often in shadow. 2.The sign in itself is not bad but because you can see through the letters it does not stand out against a very busy visual background. I would suggest that could be improved by either having a larger sign with a solid background that emphasises the wording (this could also help it to hold its own next to the very large Costa signs. But the downside of this option is that the styling of the sign could date more quickly.) Or an alternative option would be to simplify the background so the letters pop more. The gravel is a very busy background (lots of dots of different colours that sign kind of disappears into visually) - a solid colour like plain grass or landscaping that is a plain colour that is a different shade or colour to the sign. It would be possible to have some brighter colour planting very close to the sign to draw your eye to the sign. I love planting that enhances - the planting here does not seem to be complimenting the sign but rather competing with it - so a more sensitive landscaping scheme would also help. The current gravel landscaping also attracts lots of weeds which gives the area a bit of a neglected feel.
110	BETTER MAINTAINED WITH SOME LIGHTING
111	ROAD MANAGEMENT WIDEN THE JUNCTION IE TO PROVIDE FILTER ROAD TO SWAFFHAM
112	SLIP ROAD ONTO THE A47 FOR TRAFFIC GOING TOWARDS SWAFFHAM
113	HIRE A GRDENER
114	I understand two Parish Councillors have volunteered to paint the 'Welcome to Necton' sign which will mean that you see it when you drive into the village. There also needs to be attention to planting here and on the green on the other side of the road as you turn left from the A47 into the village. Another suggestion would be to ask highways if they would be interested in widening the exit/entrance and let them have the land.
115	SHELTER, MORE FLOWERS + COLOUR, REPAINT SIGN

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

116	PERHAPS CONSULT A LANDSCAPE ARCHITECT
117	More floral arrangements
118	EITHER WILD FLOWER IT OR KEEP IT TIDY AT THE MOMENT IT DOES NEITHER
119	EASY JUST A PACKET OF WILDFLOWER SEEDS WOULD BE FANTASTIC TO HUMANS AND WILDLIFE.
120	SPEND MONEY ELSEWHERE
121	BARRELS/RAISED BEDS WITH FLOWERS IN ( IT IS POINTLESS PUTTING SEATING THERE, WHO WANTS TO SIT NEXT TO THE BUSY A47?!) THE NECTON SIGN IS NICE BUT MERGES WITH THE BACKGROUND. TASTEFULLY BRIGHTEN THE SIGN OR MAKE IT STAND OUT A BIT MORE.
122	CONSTRUCT A ROUNDABOUT
123	USE IT TO IMPROVE THE JUNCTION TO SWAFFHAM
124	SLIP ROAD TO A47
	TOTALLT UNNECESSARY. COULD BE ERMOVED AND ROAD ENTRANCE IMPROVED. IT IS ILL KEPT AND GIVES A BAD IMAGE TO ANYONE ENTERINMG.
126	Leaves and debris cleared.
127	SIGN PAINTED. AREA PLANTED ATTRACTIVELY, SEATING PROVIDED VILLAGE MAP PROVIDED
128	A BENCH WOULD BE NICE AND SOME OF THE TREES TO COME DOWN COS CAN'T SEE WHEN COME OUT NEW RD ONTO TUN RD
129	RENOVE AND INCREASE ROAD ACCESS
	BY MAKING THE AREA MORE GARDEN LIKE WITH A MORE COLOURFUL SIGN
131	MAYBE SOME BENCHES/PICNIC AREA WITH SOME PLANTS/FLOWER ADD SOME COLOUR
132	A ROUND ABOUT IS NEEDED. SPEED LIMIT ON A47 TO BE REDUCED
133	MAKE IT MORE VISIBLE IT HARDLY STANDS OUT
134	The seating area is hardly noticeable, and due to its location next to the A47, it's never used (has it ever been?).  The "Necton" signage is difficult to read. If signage had solid backing behind lettering, readability would improve.
	Larger sign into Tuns Road. Confusing that it's so soon after the Costa entrance.
136	IMPROVE JUNCTION WITH A47 WITH A ROUNDABOUT
137	ALMOST INSIGNIFICANT! VERY DRAB BETTER PLANTATION & SIGNAGE
138	SOME MORE PLANTING
139	Planters to provide year-round colour, perhaps?
	Tidy up, new sign
141	Seating and flower beds. General maintenance to stop the weeds.
142	Seating and flowers. Remove the weeds.
143	More flowers / plants
144	Better kept plants and flowers etc It needs to show we are proud of our village
	Move some of the garden over to make room for car to turn left
146	Regular maintenance Perhaps some flower tubs to brighten it up

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

147	By moving Costa Coffee
148	Made into a roundabouts
149	Made in a roundabout
150	Provide benches and hedged surrounds to encourage people to stop and enjoy a coffee and chat
151	Seating area
152	SOME NICE MINIMUM MAINTENANCE PLANTING
153	IT NEEDS TO BE CHEERED UP WITH FLOWERS ETC.
154	Add a bit of colour perhaps flower beds / planters
155	The area needs to be opened up as it is not really visible. There is recreational seating there which needs to be more attractive. The proximity of Costa & garage means it could provide a more prominent space for relaxation. It would also be the ideal place for a display board giving a brief resume of the establishment of the village and the history of the locale.
156	Clearing it. Clean lines, modernise it, get rid of plants, or plant new ones. It looks scruffy.
157	THE ROAD OUT OF THE VILLAGE NEEDS TO BE STRAIGHTENED AND WIDENED
158	Add a bit of colour perhaps flower beds / planters
159	PUT A FEW TREES/BUSHES THE SIGN SHOULD BE MOVED TO THE GRASS AT THE TOP ON THE OPPOSITE SIDE OF TUNS ROAD
160	HAVE BUSHES AND PLANTS PUT AROUND COSTA. TURN OFF LIGHTS AT NIGHT AT COSTA
161	STRIP BACK SO THE SIGN IS VISBLE AND PLANT FLOWERS TO MAKE THE VILLAGE MORE INVITING
162	Needs to be tidied up.
163	CLEAN AREA UP NEAR NECTON SIGN. MAKE IT MORE APPEALING FLOWERS SEATING AREA
164	This area needs to be cleaned up.
165	Cut back so you can join the A47
166	FLOWER BEDS FENCED OFF FROM COSTA. SEATING AND CHART SHOWING HISTORY OF VILLAGE AND INFORMATION
167	Make it more noticeable.
168	Filter lane for traffic going left.
169	Slip road on A47 to Swaffham
170	Slow A47 down to 30mph. Pelican crossing at top.
171	As above
172	It needs cleaning up and hedge cutting
173	Embarassing
174	SIGN DIMINISHED BY COSTA GARDEN AREA BENCH WOULD IMPROVE SITE
175	TOO HIDDEN, NEW SIGN
176	Reduce the size of the eyesore wasteland and create a left lane/right lanes for cars coming out of Necton. Unnecessary delays and traffic is caused by cars queueing to get out of necton and other cars unable to turn out the other way.
177	Benches
178	Larger sign
179	Tidied up

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

180	Make road wider
181	Some colourful shrubs General cleaning and tidying Regular maintenance
182	Used as better access to A47 towards Swaffham
183	Made more clean and tidy and road made wider
184	Overgrown Maybe flowers
	Kept tidy and add plants
186	By getting rid of the weeds
187	Keeping it clean and tidy - somewhere to sit
188	PLANT FLOWERING TREES AND SHRUBS
189	PLANTING TREES
190	TIDIED UP. USED FOR SOETHING ELSE
191	EITHER A ROUNDABOUT OR A CAR PARK TO PICK UP BUS PASSENGERS SO PEOPLE DON'T PARK ON JUNCTION AT ST ANDREWS LANE - VERY DANGEROIS NOW ROADS BEEN NARROWED
192	LANDSCAPED AND MAINTAINED
193	LANDSCAPED AND MAINTAINED
194	As stated above, before I read this question. Benches and seating would not be a good idea as it will increase littering and gathering of youths.
	it always looks uninviting - I think adding some plant life would be great
196	Flowers would be nice
197	Trees and hedges need tidying up
198	Flowers on grass verges
199	MOVE THE SIGN TO THE VILLAGE HALL. REPLACE THE AREA WITH A SLIP ROAD TOGETHER WITH THE AREA OPPOSITE TO ALLOW BETTER ACCESS TO THE A47. THE ROAD COULD BE WIDENED ALSO LEAVING THE A47 COMING FROM DERHAM WOULD BE SAFER
	Kept more tidy and colourful
201	Yes, tidy up with large painted sign 'Welcome To Necton'
202	FEEL IT COULD BE MORE WELCOMING FLOWER, BENCHES LIGHTS
203	Get rid of it. Nobody in their right mind wants to sit beside a busy road, and the junction is awful at busy times, make it bigger.
204	GIVE US A TRAFFIC FILTER LANE LEFT AS WAS PROMISED YEARS BACK + PLANT UP REMAINING AREA WITH SHRUBS
	Complete makeover - Paved - No shingle - Good planting
206	MAKE A FILTER LANE TO TURN LEFT ONTO A47 TO ENABLE EASIER ACCESS AND EASING BUILD UP OF TRAFFIC
207	Cleaned up.
208	DO AWAY WITH THE AREA AND INCREASE THE WIDTH OF THE ROAD INTRODUCE A ROUNDABOUT
209	Cars not parking on footpaths. Boundary's should be cut back to make walking and driving safer.

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

	As Necton getting bigger and bigger - then make this space into a slip road to ease exiting to Swaffham area and this will cut down queues to get onto A47.
212	Either a open style shelter for those waiting for public transport or A garden with slight screening from A47 or Better access to A47
213	
214	
215	
216	
217	
218	
219	
220	
221	GIVEN TO NORFOLK COUNTY COUNCIL AS PREVIOUSLY AGREED BY PARISH COUNCIL TO IMPROVE ROAD JUNCTION
222	Widen the road to allow traffic to turn left towards Swaffham. Also enforcement of speed limit which could be reduced from 50 to 40 mph
223	Some sort of planted feature. Maybe stacked half barrels like in Swaffham.
224	Flower troughs or barrels.
225	Flowers
226	AS A LEFT FILTER TURNING ONTO THE A47 OR IF NOT FILLED WITH FLOWERS/TROUGHS/BASKETS
227	Better sign - a warm welcome and some bright shrubs.
228	Keep it clear of weeds / rubbish.
229	KEPT TIDY SO MORE VISIBILITY ESPECIALLY WHEN EXITING ON TO A47
230	BY ALLOWING THE LAND TO IMPROVE WESTBOUND A47 ACCESS FROM VILLAGE
231	Flowers
232	Filled with flowers in the summer
233	Flower beds and plant trees
234	Planting some flower beds
235	Kept tidy
236	Pity a slip road did not go ahead
237	Left turn lane onto A47 badly needed
238	Do away with it and widen road
239	By opening a slip road to the A47, to ease the hold up out of the village.
240	A roundabout
241	Planted up with colourful plants

### 3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?

242	Definitely even before Costa was there. A slip road or roundabout needs to be placed. I lived in necton for 40 years the amount of accidents that have occurred at the top of A47 is awful
243	Since Costa and Co-op opened there have been lots of close calls due to teh heavy traffic particularly at peak times. The exit from Necton gets very busy causing long bottlenecks at times and difficulty leaving teh village, also making it difficult for traffic coming into teh village at these times. Widening the junction and having a roundabout or traffic lights would improve the entrance and make it safer.
244	By improved planting
	Remove shingle area to make road wider
246	Flower beds and attractive sign
247	Get rid of unused area where bench used to be. Make better use by making exit onto A47 better. Looks messy
248	Slip road onto A47
249	The entrance/exit to the village requires urgent improvement as more traffic uses the A47 and more vehicles turn in / out of the village. Road widening / roundabout / a complete re think putting safety as the main issue.
	Gravel area should be weeded on a regular basis and trees should be tended / pollarded. Not cut down.
251	Replace fresh gravel and keep weeds off. Pollard trees.
252	Improve the current junction
253	Open it up more. Don't ever see anyone in it.
254	The sign does not stand out. It needs painting white. The gravel need shrubs and planters on it The area does not stand out and probably missed by many visitors
	Better maintenance - it has now been weeded, but was very untidy before
256	Make it into an A47 roundabout and save lives! Speed cameras
257	As maintaining is a problem, make it low maintenance and welcoming
258	Stop vehicles using the entrances as a short cut - lower speed limit on main road
259	Provide A47 roundabout
	IT NEED A GENERAL CLEAN & TIDY UP ALSO A SAFETY MEASURE FOR CROSSING A47
261	WAHTECER HAPPENS TO THE AREA IT NEEDS TO BE KEPT TIDY AS IT IS THE FIRST THING YOU SEE COMING INTO THE VILLAGE
262	DVELOP INTO A FLOWER GARDEN
263	A MUCH NEEDED ROUNDABOUT TO STOP CONGESTION
264	MAINTIANED. ALTHOUGH GIVEN THE COSTA /COOP EYESORE IT PROBABLT DOSN'T MATTER
265	MAKE A PLEASANT GARDEN WITH SEATS AND EMPLOY A GARDENER FOR A COUPLE OF HOURS A WEEK. THE EXTRA COST PER HOUSEHOLD WOULD BE MINIMAL
266	BARRELS/TUBS OF PLANTS AROUND THE SIGN TO BRIGHTEN THE AREA
267	WHY ON EARTH THE TWO SEATS REMOVED?? THERE ARE NOT ENOUGH SEATS IN NECTON
268	PAINT THE SIGN TO MAKE IT MORE VISIBLE. WEED MORE OFTEN. BULBS PLANTED UNDER GRAVEL
269	COMING IN AND OUT OF THE VILLAGE I HARDLY NOTICVE IT - EYES FOCUSED ON THE A47 TRAFFIC SEEMS MORE IMPORTANT FOR SAFETY. A MORE PROMINENT NECTON SIGN MAYBE.
270	LANDSCAPE, PAINT SIGN AMD MAKE SIGN MORE PROMINENT

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

271	REGULAR WEEDING & RAKING THE GRAVEL
272	EASIER ACCESS TO TURN RIGHT TO DEREHAM FROM NECTON. A ROUND ABOUT WOULD BE MUCH BETTER + 40MPH LIMIT ON A47. FAR TOO LONG WAITING TO GET OUT OF TURNING
273	WITH PRETTY BEDDING PLANTS & FLOWERS
274	FAR BETTER USE OF THE AREA WOULD BE TO BE GIVEN OVER TO IMPROVE TEH A47 JUNCTION. A MUCH IMPORVED SAFER ENTRANCE TO THE VILLAGE IS IMPERATIVE
	IT NEEDS MAKING INTO A SLIP RODA ON TO THE A47
276	FIND A WAY TO PERMANENTLY REMOVE WEEDS AND GRASS ETC.
277	ROAD COULD BE WIDENED AS LORRIES CAN CUASE PROBLEMS
278	TURNING FOR NECTON INTO THE COOP ARE CONFUSIING AND DANGEROUS
279	SAFER ACCESS TO A47 ESPECIALLY TURNING TOWARDS DEREHAM
	Land for better junction
281	Clearer, safer markings
282	Remove trees and make left hand turn slip road.
283	The 'Welcome To Necton' could be better designed.
284	Provide traffic lights for safety.
	Gardens / flowers
286	Planters, flowers etc.
287	Raised beds, wild flowers
288	The Necton sign could be brighter. Some flowering shrubs could be good in the entrance area
289	Widen the entrance onto A47
	Opened up for turning left
291	By removing trees and improving road layout
292	By getting rid of and making it into a wider road junction for people turning left
293	Move sign to the green on other side The road could be widened to get out to Swaffham easier
294	The area is not accessible and spending money on this area would be a waste of funds
	Seating
296	Maintain regularly and weed
297	Keep weeded regularly
298	Seating and maintaining
299	Paint the Necton sign. Put a weed barrier down and i.e. gravel
	Widen the road to give better access to A47 to Swaffham and ease congestion
301	Cut down poplar trees and use area to widen approach to A47
302	COULD BE TURNED INTO WIDLIFE HAVEN. BUT IT IS IDEAL FOR LEFT HAND SLIPWAY.
303	LANDSCAPED - FEATURE + FLOWERS
304	TO GET RID OF AND IMPROVE JUNCTION AT TOP OF ROAD. MORE HOUSES BUILT THE JUNCTION BECOMES MORE DANGEROUS

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

305	THE ENTRY OFF THE A47 NEEDS TO BE PRETTIER
306	A ROUNDABOUT
307	TIDIED UP AND KEPT UP WITH THE MAINTENANCE. ALWAYS LOOKS SCRUFFY
308	CURRENT STATE IS AN EYESORE. RELOCATE THE UNISPRING METAL SIGN- ERPLACE WITH THE COLOURFUL "NECTONA" SIGN. PLANTS FLOWERW SHRUBS HAVE A WELCOMING ENTRANCE OFF MAIN ROAD TO VILLAGE - SO WE'RE PROUD OF WHERE WE LIVE
309	MAKE A SLIP ROAD ON THE LEFT HAND SIDED TO EASE TRAFFIC
	Use it to widen approach to A47 for left turns and also cut down poplar trees for better vision
311	TRAFFIC LIGHTS OR ROUND ABOUT
312	LOOKS UNTIDY BETTER USED AS SLIP ROAD ON TO A47
313	IT JUST NEEDS TIDYING UP BRIGHTENING WITH SOME COLOURFUL FLOWERS AND SHRUBS ANOTHER ON OF THIOSE VIKING STATUES
314	Maybe Tuns Road could be slightly widened to help queueing traffic at the top of road. Improve area where Necton sign is
	Remove the sign to other side of road into Necton then have 2 lanes left / right turns onto A47.
316	More seating. Flower bed
317	Tidy up
318	Get rid of it to improve junction access \ egress
319	Expertly designed shrubbery planting.
	Would the sign be more visible on the other side of the road? The Necton near church is nicer!
321	Slip road, foot bridge to bus stop
322	The Necton sign needs painting, it's dull. The gravel is full of weeds
323	More plants, more tidy
324	It would look better to be grassed with some raised beds to give colour all year round as you enter the village. Paint sign. Maybe a tree at Christmas.
	Tidy up
326	Better sign plus several hydrangea in tubs
327	Use it to improve exit onto A47.
328	Nice plants to add colour
329	By improving the "garden" - making it "WKP" or making it into filter lane for Swaffham
	YES WIDEN THE JUNCTION
331	MORE COLOUR, PLANTS AND ALSO A PATH WAY TO CROSS FOR PEDESTRIANS
332	ROUND ABOUT OR FILTER LANE TO SWAFFHAM
333	WITH SOME NEW PLANTING
334	PAINT TEH WELCOME TO NECTON SIGN (GOLD, BLACK) RAISED BEDS WITH FLOWERS, SEATING AREA, GRASS WILDLIFE POND MAP OF NECTON
	REMOVE SIGN AND MAKE IT INTO THE SLIP ROAD WE WERE PROMISED FOR LEFT TURN OR ROUNDABOUT
336	GRASS - PLANTS IT'S NOT A VERY USAEBLE LOCATION BUT COULD LOOK MUCH NICER
337	ROUND -ABOUT OR SLIP ROAD

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

338	SAFER ACCESS & VISIBILITY ONTO A47
339	ROUNDBOUT
	ROUNDBOUT AND 40 MPH LIMIT
341	IDYED UP AND CUT BACK. BETTER SIGNAGE FOR COOP/COSTA AND NECTON TURN OFFS
342	PLANT WITH DECORATIVE TREES
343	A PRETTY WILD FLOWER GARDEN DURING THE SPRING AND SUMMER WOULD BRIGHTEN IT UP
344	MORE FLOWERS AND NATURE
	By cutting off the corners giving better access to Swaffham + Dereham
346	PUT THE SEATING BACK, HAVE FLOWERS GROWING IN TUBS, KEEP THE GRASS CUT
347	THE JUNCTION COULD BE WIDENED TO ENABLE ACCESS FOR CARS TURNING LEFT ON TO THE A47. PAVE OR GRAVEL THE REST TIS WOULD SAVE MAINTENANCE COSTS. MAKE VILAGE SIGN CLEARER
348	MAINTENENCE FREE PLANTING AND LANDSCAPING. THIS IS THE MAIN ENTRANCE TO OUR VILLAGE + NEEDS TO BE IMMACULATE TO GIVE THE RIGHT IMPRESSION
349	To cut the corner back to expand the road to have a roundabout at the top of Necton.
	Make the road in only, out by garage A little seating park for Costa
351	Kept tidy. Maybe a flower bed and an uplighter
352	Wider junction, or roundabout to be built near area, make area smaller
353	Make it smaller with landscaping so some of the edge of it could be used to widen junction as it's a bottleneck and too narrow as it bends.
354	Access - maintenance - planting, seating.
	By using it! Either for cars to park waiting for people off the buses / and a bike rack
356	Cut back to widen road to the junction
357	AREA IS NOT USED SO REMOVE SIGN AND TURN INTO LEFT TURN LANE AS PREVIOYUSLY PROMISED.
358	CURRENTLY NOT AN ATTRACTIVE ENTRANCE - FLOWER BOXES ETC?
359	MORE ATTRACTIVE HEDGING/SCREENING OF COSTA MORE ATTRACTIVE HEDGING AND MAINTAIN THE AREA
	MAKE IT MORE ATTRACTIVE AS A PLACE TO REST
361	ACCESS TO JUNCTION IMPROVED/LESS RUBBISH
362	THE ROAD NEEDWS WIDEN TO IMPROVE TRAFFIC FLOW FROM THE VILLAGE O TO THE A47. THIS SOULDN'T BE AN ISSUE AS THIS PIECE OF LAND SERVES NO PRUPOSE.
363	SLIP ROAD TO A47, PARKING FOR THOSE USING THE X1
364	TEH POSITION LIMITS POSSIBILITIES. BEST USE WOULD BE TO IMPROVE THE JUNCTION. IT IS INCREASINGLY DIFFICULT TO TURN RIGHT ONTO THE A47 WIDEENING THE JUNCTION WOULD GIVE BETTER VISION.
	FLOWER BEDS AND GRASSED (WHO WOULD CARE FOR IT?)
366	LARGER BRIGHTER SIGN, LIGHTING SEATING BETTER ACCESS
367	PAINT SIGN AND LANMDSCALE
368	SLIP LANE FOR VEHICLES TURNING LEFT

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

369	WE NEED 2 MINI ROUND ABOUTS TO MAKE IT EASY FOR US TO GET ONTO A47
	AN EYESOER SELL THE LAND AND MOVE THE SIGN TO THE PLAYING FIELD
371	Re-designed attractively
372	Bigger sign and shrubs trimmed back.
373	We need a roundabout onto the A47, make this part of it.
374	Improve access safely to A47
	This is a dead area. Road should be opened up to allow people to turn left onto A47, currently a bottle neck
376	A surface that does not allow weeds through so easily.
377	Kept tidier - greener?
378	Never seen the bench used. Perhaps an areas of plants would be nice
379	Slip road and junction
380	Traffic island / traffic lights
381	The grassed area between costa & Necton sign / garden needs tending to more often not once or twice a year, makes it look untidy
382	Tidying up and planted up
383	Cleared up and cared for.
384	Traffic lights / or roundabout
	Nice landscaping would help
386	Desperate for roundabout.
387	Move it Make it a slip road to turn left.
388	Keep it tidy!
389	Wider road, roundabout
	Block off view of Costa, large flower tubs
391	Needs separating from Costa to the little green with sign post
392	Traffic lights and / or roundabout.
393	Flowers
394	Bark dressing to suppress weeds Spring and summer bulbs. Perhaps remembrance soldiers for this time of year
	Traffic lights or roundabout
396	Make junction wider so easier to get out
397	40mph zone instead of 50mph. Roundabout would be good
398	Doesn't need to be so big. Just a small piece of grass + sign would be adequate but could be used to make the entrance a bit wider.
399	Traffic control / roundabout. To make entrance and exit from Necton easier
	Widen the road splay when turning left
401	Tree - bench

### 3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?

402	Just maintenance
403	Remove the village sign to the Dereham side and make a better slip-road to Swaffham
404	Flowers, welcome
	Could be opened for better access to and from our village than just a bench
406	Make a garden
407	A featured landscaped area and prominent village sign
408	A47 bend to Swaffham should be less sharp
409	The turn into Necton needs to be improved. The sign needs to be a colour that will stand out.
410	Brightened up some how as it has quite a sombre air about it (like its a memorial) - I thought it was odd the first time I saw it.
411	Removal of obscuring foliage
412	Remove and widen road for improved junction
413	A slip road to Swaffham
414	Maybe a nice planted / garden area. If not better road junction is needed urgently
415	Better visibility when exiting and entry into Tuns Road pinch point / too narrow at the curve
416	By making it a wider junction / slip road to turn left out of the village. A practical use for what is really a waste ground.
417	General improvement needed - this area is an eyesore. What purpose does it serve? Not suitable to sit in currently, danger to children as near traffic.
418	That area needs to be turned into a roundabout junction
419	Widen to enable easier access (should warrant traffic lights to ease exit)
420	Tidy up and landscaping + maintain
421	Tidy up by planting a tree or two and placing flower boxes. Also provide a new sign to replace the one already there.
422	First area for Necton In Bloom society to improve
423	Widen the junction and mini roundabout
424	Put another sign up before you get to the entrance
	At entrance put up more street lighting, its very dark when you turn into village
426	Roundabout or traffic lights, better lighting Am confident waiting to happen with loss of life
427	It's too small to do anything with so just tidy it up.
428	Tidy the grass
429	Rubbish removed
	More sign to a more central point in the village to create a slip road to turn left
431	More welcoming, more of a statement.
432	Developed to improve access in and out of the village, flow of traffic.
433	Dont know but not very welcoming
434	Trees cut backs safer access onto the A47.
	Wild flowers

**3. There is an area at the entrance of the village from the A47 (beside COSTA coffee) with a NECTON sign. Do you think this area could be improved?**

436	Wild flowers area rather than shingle - no one sits there so a waste of space that could look better
437	Plant trees
438	Fill with shrubs
439	Should have been adapted into a roundabout to improve safety. Can think if no other use for land in such a location.
440	Make it into a slip road onto A47. It would improve visibility considerably.
441	Plant with low maintenance shrubs, looks terrible now
442	Cut back the area to widen the road and improve traffic flow
443	Needs to be widened and the bollards removed so the when 2 lorries meet, there isn't a queue onto A47
444	The bend in Tuns road is very dangerous and should be replaced by a straight T-junction with long lanes for exiting left and right.
445	As above, either re-configured to enhance traffic flow, by reducing the size of the site, or create an interesting view.
446	Widen the entrance onto A47
447	MAKE THE OPENING BIGGER - EASE CONGESTION
448	REMOVE IT SOMEWHERE ELSE IN THE VILLAGE WOULD BE BETTER

Do you have any suggestions for improving shopping in Necton? (196)

1	Easy access & parking
2	I believe we have everything we need to satisfy most of the villagers.
3	The shop has a small variety of products and is overpriced but most village stores are.
4	Any additional shops would be welcome. Its difficulty to know what would add value in the village.
5	Needs a bakery.
6	Modernisation - the post office doesn't have most of what we shop for. Thankful for the Co-Op.
7	The Necton shops are expensive in comparison to the Co-Op etc, therefore for me personally it is not important to retain the village shops, however I do feel it is important for the elderly residents in the village to keep the shops
8	CHARITY SHOP FOR THE VILLAGE, MONEY COULD GO TO SUPPORT VILLAGE ACTIVITIES AND PROJECTS
9	very happy as it is
10	No
11	There need to be less junk food in the shop and more interesting healthy options. In the 35 years we have lived in Necton, the shop has never sold wholemeal flour for example.
12	The village shop is marvellous - I can usually find what I need and the staff are great, as are the opening hours. Having the butchers is also beneficial although I don't use that quite so regularly.
13	Some of the staff could be a little more friendly and chatty, they are a hub of the village after all!

15	
20	
	Village shop and Post Office is excellent. Please keep.
23	The parking arrangements outside the Premier and butchers is appalling. The space could be reserved / marked for accessibility. Local shoppers should be encouraged to walk, with provision aimed at those who need to drive. Passing through shoppers could be accommodated on the main road. The retail block is ugly looking and the recent extension has not improved it.
24	Nothing needs improving. Excellent facilities so nothing needs improving.
26	No
27	No, it's quite good.
28	No
29	No More shops would be good
31	Very important especially for the elderly

34	No, excellent staff always willing to help. No only parking

46	VILLAGE SHOP (PREMIER) IS EXCELLENT, BIG VAIETTY FOR SMALL SHOP.
47	LOCAL PRODUCE SHOP

## 5. How important is it to you to retain village shops? Please tick one box

48	MORE VARIED ITEMS TO PUT ON SHOW
49	Additional shops to what we have, improving parking options for the shop/post office on Chantry Court
	A BETTING SHOP, TATTOO SHOP & BODY PIERCING
51	ALL GOOD WITH SHOP/BUTCHERS
52	I believe village shops and services are a lifeline to village life. I would like the council to be actively helping these businesses to thrive and also pursuing new ones to come and complement our current shops. Shopping facilities make Necton a very attractive location both for residents and visitors.
53	MORE SELECTION IN NECTON SHOP, MORE OWN BRANDS
54	NO
55	BETTER PRODUCE AVAILABLE
56	To improve the shopping experience I believe is down to the 2 shops in question. A coffee shop in the village would be lovely as Costa is not very inviting!
57	I WOULDN'T BUT IF I WAS TO SAY SOMETHING MAYBE MORE STAFF LESS WAITING TIME BUT I KNOW THAT CAN'T ALWAYS BE THE WAY.
58	SURELY THERE ISN'T ANY ROOM
59	Post opening times in the magazine as sometimes it is difficult to know, particularly if you are in full-time work.
	NO - BUT KEEP IT SPACIOUS
61	IT IS PERFECT AS IT IS, AS WE HAVE CO-OP AT THE END OF THE VILLAGE. CAR BOOTS WOULD BE GOOD & TO RAISE MONEY
62	BETTER PARKING SPACES
63	HELPFUL FRIENDLY STAFF - EXCELLENT BUTCHERS, POST OFFICE AND STORES
64	THE EXISTING SHOPS PROVIDE AN EXCELLENT SERVICE
	ADEQUATE AS IT IS. DOESN'T NEED MORE SHOPS
66	I THINK SHOPPING FACILITIES ARE ADEQUATE FOR S VILLAGE OF THIS SIZE
67	PERHAPS EXPAND IT OWING TO THE INCREASING POPULATION
68	Small cafe/tea room, good meeting place when shopping. Note incredible success of the Great Massingham village store and cafe. A real hub for the village.
69	IMPROVED PARKING
	WOULD BENEFIT FROM FARM SHOP/GREEGROCERS SUPPORTING THE LOCAL COMMUNITY.
71	More variety, add full time pharmacy eg Boots
72	Parking for butcher and shop terrible.
73	Additional parking at Post Office.
74	Better customer parking
	No - it has all I need
76	NO
77	Wider range of medicines (avoid trips to Swaffham for items)
78	Have a hair dressers
79	HAIRDRESSER AND DENTIST
	FINE AS IS

85	NO Post office is an important feature in the village due to the amount of elderly residents who would struggle getting into town.

102	Make it more easy to visit the butchers
103	If more houses are built, then more shops!!
104	The shops are well stocked and service the village well
105	A greater range of provision is needed to meet the demand; people travel daily to Swaffham and Dereham to shop. Customers are within the village so why not provide for them. Increased housing but no improved shopping facilities ! Planning for new housing should be forced to include shopping facilities - the range of facilities could be monitored by the Parish Council.
106	Adequate selection thank you
107	None
108	Offer leaflets delivered to local houses. Delivery service.
109	No, things work as they are
110	No more development
111	Seating locally
112	MAKE PARKING EASIER FOR PEOPLEWHO STRUGGLE
113	I THINK WE ARE VERY LUCKY TO HAVE 2 SHOPS AND A WELL STOCKED BUTCHERS. NOT ONLY FOR OUR VILLAGE BUT THE VILLAGES AROUND US.
114	IT'S GOOD AS IT IS

115	IT WOULD BE NICE TO HAVE OTHER SMALL INDEPENDANT REATIALERS ( PERHAPS IN THE VILLAGE HALL)
116	THE SHOPS ARE WELL SIRUATED AND SELL A GOOD RANGE - FURTHER SHOPS WOULD HAVE A DETRIMENTAL EFFECT ON THE CURRENT FACILITIES
117	KEEP SHOP AS IT IS

154	Perhaps enlarging the floor space
155	HAVE MORE SHOPS AROUND NECTON, THEY ARE ALL TOO CLOSE TOGETHER AT TIME IT IS HARD TO GET IN AND OUT OF CHANTRY COURT
156	IMPROVE PARKING BY VILLAGE SHOP, PAVEMENT IS DIFFICULT FOR DISABLED

Do you have any suggestions for improving the Post Office in Necton? (184)

	Being able to collect packages instead of oing inot Swaffham would be helpful.
	I don't think it can be improved upon. It is open long hours, the staff are nice and efficient. It is brilliant!
8	I am a regular user of the Post Office. The only improvement I would suggest is the queuing system is a little haphazard - perhaps some clearer signage about where and how to queue.

## 18. Do you have any suggestions for further uses of the Community Centre that would encourage you to use it more?

	Activies for teenagers
	Relatively new to the community, most of my time here facilities haven't been open & since they have, not had a chance to experience them.
3	It's not just about the community centre. There are also facilities at the school which can be used such as the school hall and kitchens and the huge playing field and all weather pitch.
4	More social/club groups
5	Craft fair, indoor boot sales,
6	I have a concern about the number of cars entering and leaving the centre if larger events where to take place
7	Indoor Gym/Weights/Swimming pool
8	Table tennis
9	IT NEEDS A MAKEOVER OR DEMOLISHING AND REBUILDING. IT IS A FUNCTIONAL BUILDING BUT LACKS CHARACTER
10	Social events for semi retired, age 55 to 65yrs approx
11	Summer and Winter Craft Fares. Learning activities for adults and children.ie Art classes, Crafts, Dancing Classes.
12	The Centre is large enough and more events would be a great nuisance to neighbouring residents. Why is the volume at outdoor events always SO LOUD unnecessarily? We can hear every word from Festival announcers all the way to our home in Ivy Todd. Why? It would encourage me to use the venue if there were a wider range of courses/clubs.
13	No

Please indicate additional sports that you would like facilities for: (117)

1	Tennis
2	Bowls, something for the older folk (of which there are many)
3	I would be interested in Badminton but I guess this could be done better maybe inside the school hall
4	The whole area is no dogs allowed, a dog friendly area would be nice. Including dog poop bins.
5	I can't add anything here.
6	Tennis
7	Badminton
8	A tennis court
9	No children of my own.
10	
11	Does the playing field and play area have CCTV and is it monitored? Finding used condoms and various bloody sanitary items beside the children's play area is unacceptable.  I don't think we need more sports facilities since the MUGA is rarely used.
12	Skate park for scooters and skateboards
13	I have a dog and dogs aren't allowed. I have to go running with him around the village, which can be unsafe, it would be nice if dogs on leads were allowed in the park or at least around the outskirts.
14	None
15	none
16	Badminton.
17	Skate park for everyone / BMX track.
18	Petanque, a sport for all ages, but particularly valuable for maintaining mobility in later years. A trod / path around the perimeter of the pitches - this would support walking for health, with signage

## 23. Do you have any suggestions for improvements to the Sports and Social Club that would encourage you to use it more?

1	Some entertainment, more comfort
2	I have been here once to watch football and it was very unwelcoming and never returned. Maybe they could be a little more friendly to new people!
3	it could be made bigger to be honest
4	Relatively new to the community, most of my time here facilities haven't been open & since they have, not had a chance to experience them.
5	I haven't used it. It's more difficult for leisure time when you have a young family. I may use it more as the children grow up.
6	No
7	Restaurant
8	I have previously used the Sports & Social Club and whilst I don't think there is anything wrong with the facilities, certain members who are involved in the volunteering unfortunately spoil it with their foul mouths and attitudes, including swearing in front of the youths!
9	We need to make an effort and join.
10	THE CONTAINERS AND GENERAL APPEARANCE IS SCRUFFY AND UNINVITING. IT SERVES A PURPOSE BUT ITS A CLUB AND WILL ALWAYS HAVE A LIMITED APPEAL. MAYBE IF IT HAD A MAKEOVER AND AN EXTENSION FOR A MULTIGYM WITH EQUIPMENT WHICH COULD GENERATE AN INCOME FOR PAID MEMBERS OF STAFF TO RUN IT ON A DAILY BASIS
11	They need to clear up the area to the left of the Club which is littered with plastic items and broken electrical equipment. It is an unsightly mess.
12	I never hear anything about it but I also don't look.
13	To know how to access it; what it does and when.
14	quiz nights
15	Making it dog friendly!
16	Whilst not something this household would use it is vital that the younger generation have something to do
17	No
18	no
19	We're not sure how to find out what is on.
20	I know absolutely nothing about it!

**23. Do you have any suggestions for improvements to the Sports and Social Club that would encourage you to use it more?**

21	The Club doesn't feel very inclusive, it focuses on football, darts and pool.
22	Put on fundraisers for Necton causes
23	Enlarging to cater for larger groups.
24	Possibly advertising any events planned
	This should all be together with community centre
26	LARGER LOUNGE SMARTER MORE MODERN INTERIOR
27	ACTIVITY ROOM FOR TABLE TENNIS
28	IT'S A GREAT SOCIAL HUB BUT PER MY ABOVE COMMENTS IT'S VIEW OF "SPORT" IS TOO NARROW MEANING AT THIS TIME I DON'T FIND IT THE MOST WELCOMING PLACE. I AGREE THAT SOME OF THIS VIEW IS BORN OF MY OWN IGNORANCE.
29	Have proper opening times
	Needs to be bigger
31	NO
32	MAKE IT LARGER
33	Would be good to have a Necton cricket team
34	No
	IMPROVED NOTICE OF EVENTS AND FOOTBALL FIXTURES + OPEN HOURS. MORE ROOM
36	AGAIN I THINK IT IMPORTANT FOR THOSE THAT DO
37	MORE INCLUSIVE OF OTHER SPORTS, NOT JUST FOOTBALL
38	NONE THAT I CAN THINK OF
39	Finding information on what it offers already.
	NONE
41	MERGE WITH THE COMMUNITY CENTRE - SURELY WOULD BE MOST SENSIBLE & ORGANISATION + THIS HAVE FOR A SMALL VILLAGE?
42	More information about it. I did a Google search as I didn't know anything about it and I couldn't find anything online. As mentioned in one of the earlier questions - a well-managed, central Facebook/Instagram page that highlights what's going on in all the village facilities would be great.
43	MORE PROMOTIONAL MATERIAL
44	No comment.
	NONE
46	NO
47	SHOULD BE INTEGRATED INTO THE COMMUNITY CENTRE
48	EVENTS OPEN TO THE PUBLIC DURING DAYTIME
49	NEEDS JOINING TO HALL
	AGAIN BETTER ADVERTISING OF WHAT'S GOING ON AND WHEN, NOT JUST ONLINE
51	More advertising
52	No
53	Larger, more seating With update facilities
54	NO

### 23. Do you have any suggestions for improvements to the Sports and Social Club that would encourage you to use it more?

55	It's rather remote from the road and access is not that easy. I am not sure I would visit it on my own.
56	I live alone, and being female, I don't know how relevant it is? What is in there? just a bar?
57	PROBABLY A BIT LARGER
58	BINGO, QUIZ NIGHTS, RACE NIGHTS
59	QUIZ NIGHTS BINGO
	ADVERTISE AND ENCOURAGE RESIDENTS TO USE IT. THERE IS NOTHING ON THE WEB SITE ABOUT WHAT GOES ON THERE.
61	REFURN
62	Not very friendly to new people, set in their ways
63	For it to be more Social Club and not feel like it's there for football club.
64	No
	VILLAGE ASSET
66	BIGGER. PERHAPS A YOUTH CLUB ONCE A WEEK FOR TEENAGERS
67	Being more inviting and welcoming. Lounge area to be bigger, arcade games and facilities for the children to keep them entertained. Advertisements of events happening and signs to show what is on offer. Outside kitchen kiosk to sell hot food and drinks when football is on.
68	Bingo more often.
69	no
	NOT IMPORTANT TO ME BUT SHOULD BE MAINTAINED FOR YOUNGER MEMBERS OF THE COMMUNITY
71	Its important to me because I know how much others enjoy it, even though I don't use it myself. A nicer walk (as above) and being able to pop in whilst walking the dog would change that
72	COFFEE/CHAT
73	There are plans in place for an extension to the social club which can only improve the clubhouse.
74	JOIN IT TO THE COMMUNITY CENTRE
	It is good for families.
76	I would like to know more about it and how you join it and what it provides.
77	Important to update facilities to be used for private hire
78	Hopefully the extension to the club and the bar will be great! Long time overdue!
79	Rifle Range
	centre too small, unattractive
81	Possible improvement by joining it physically with the community centre to provide a greater range of opportunities.
82	No
83	None
84	Would not use it as too far to walk to it and most days I do not have transport. Automatic village resident membership
86	ALSO NEEDS TO BE BIGGER
87	NO. I KNOW WHERE IT IS AND WHAT IT DOES

**23. Do you have any suggestions for improvements to the Sports and Social Club that would encourage you to use it more?**

88	MAKE IT MORE INVITING OR MERGE WITH VILLAGE HALL
89	BETTER ADVERTISE WHATS THERE
90	LARGER PREMISES OPEN LONGER THROUGH THE SUMMER MONTHS
91	I THINK IT'S GOOD THAT IT EXISTS BUT I HAVE MY OWN SOCIAL CIRCLE/SPORTS
92	Better decor, more comfortable seating.
93	Can't say.
94	Regular opening times, advertised better as you can not tell its open unless going right to the building
95	No
96	MAKE IT CLEARER WHO CAN USE IT
97	ITS TOO SMALL
98	BETTER LIGHTING TO MAKE IT MORE WELCOMING
99	JUST NEEDS TO BE EXTENDED TO ACCOMODATE MORE PEOPLE
100	No
101	MAKE IT BIGGER/NEW SOCIAL CLUB AS PART NEW VILLAGE HALL
102	A separate seating lounge away from the TV
103	An understanding of the services it offers
104	No suggestions
105	Make it bigger + open 7 days a week Daytime internet cafe
106	DON'T KNOW WHAT IT OFFERS SO WOULD BE NICE TO KNOW EHAT THIS OFFERS TAT THE PUB AND COMMUNITY CENTRE DOSN'T - ALWAYS SEESM TO BE BUSY OR IS THIS JUST THE FOOTBALL
107	THE WOMENS WC FACILITIES ARE BARE, BASIC AND GLOOMY 9 UNLESS THEY HAVE BEEN ERVAMPED SINCE NECTON FESTIVAL 2019
108	BEER GARDEN
109	To separate sports area from social club area. A lot of people don't like the the sports area overwhelming the social area
110	I CANNOT USE IT BUT BELIEVE IT TO BE OF BENEFIT TO THE VILLAGE
111	To move the pool table, TV into an extension to give more room for socialising where the bar is
112	Cribbage night, quiz night
113	No
114	IT IS GOOD FOR PEOPLE WHO ARE ACTIVE IN SPORT TO AVECLUB TO CATER FOR THEM
115	TO BE MADE LARGER
116	I PERSONALLY DON'T USE IT BUT THINK IT IS AN EXCELLENT FACILITY IN THE VILLAGE
117	INCREASED AREAS , MORE ADVERTISIG OF EVENTS ETC. PAID STAFF
118	EXTEND BAR AREA - WORK MORE WITH THE COMMUNITY CENTRE
119	NOT FOR US, BUT FOR THE COMMUNITY
120	THE VILLAGE NEEDS IT
121	Broader interest events

### 23. Do you have any suggestions for improvements to the Sports and Social Club that would encourage you to use it more?

123	No	
124	Improve make the sports hall bigger an extension	
125	Regular opening hours not just when a game is on the TV or field	
126	No	
127	Needs to be larger.	
128	Outdoor area for summer	
129	Open more frequently with more events to suit all tastes	
130	Publicising events	
131	How do you find out what happens in the Social Club??	
132	More publicity, events, opening, etc.	
133	Give better feature in newton parish news. explain membership costs. Do not know much about it. It would become important to me if I was a member, though I enjoy the windmill if I was honest.	
134	Bigger	
135	A larger space would encourage more use with an increasing development of the village	
136	Larger	
137	Could really be part of a wider village hall building	
138	Reintroduce social events, themed evenings, Christmas decorations!	
139	BIGGER SO CAN HOST BIGGER EVENTS AND HAVE SPACE FOR OLDER CHILDREN TO USE/HANG OUT	
140	BIGGER LOUNGE/BAR AREA, NEW DECOR, LIGHTING FOR YOUTH AND ADULTS

If YES, please outline them here: (80)

1	Am unaware of activities hosted by the church.
2	ART EXHIBITIONS, CRAFT FAIRS, PLANT FAIRS AND COFFEE MORNINGS
3	Some mobile phone transmitters on the roof.
4	Car parking
5	It already facilitates a number of community events, which may be for fundraising, but they feel inclusive and provide a welcome to all residents, not just the congregation.
6	Remove pews to make it a viable space for classical music
7	It would be lovely for the bell ringers to practice during the day. Not in the evening! Some people dislike that noise.
8	MORE MUSIC EVENTS. COFFEE MORNINGS
9	EXHIBITIONS & CRAFT FARES
10	OTHER USES TO BRING IN REVENUE LIKE AN INDOOR MARKET
11	LUNCH CLUB FOR RETIRED RESIDENTS

14	Working towards making as much of it as multi-functional as possible. And working on continually improving all areas of the church to bring it up to modern standards and current styling expectations. Creating a beautiful prayer space that is open daily - available for people to come and sit quietly - letting the stresses and busyness of life wash away. A non-threatening space to offer their own prayer and to sit and be refreshed.
15	EDUCATION - CHILDRENS GROUPS, BOOKS + ACTIVITIES FOR ABOVE
16	I probably might go to Church a bit more often if its wasn't so 'clicky'
17	MORE FLOWERS MORE COLOUR. PAONT FENCES KEEP HEDGES TRIMMED
18	IN SCOTLAND I WENT TO ONE WITH A CLIMBING WALL

If YES, please outline them here: (151)

1	Is there a carpark?
2	There is no car park as far as I know. Local roads take the impact.

**29. Do you have any ideas for improving car parking for visitors to the Church? Please tick one box**

3	Sorry confused how can you extend the churchyard and then ask for ideas for car parking can't you just use some of the extended churchyard ?
4	Please ask them to park in the sports field parking instead of outside our home.
5	The playground carpark is just a few feet away. There should be no parking on the road
6	I believe visitors of the church should use the car park for the village hall and walk down to the church, to keep cars off the road
7	Could the Church and school somehow merge into the field in the middle. That way the burial ground could be extended and car parking could be developed for both Church and school use.
8	UNLESS THEY ARE DISABLED, CHURCH GOERS SHOULD USE THE COMMUNITY CENTRE CAR PARK. DOUBLE YELLOW LINES SHOULD BE PUT ONTO THE ROAD PROHIBITING PARKING AS AT TIMES IT IS VERY UNSAFE
9	double yellow lines along the road as parked cars restrict the view if cumming out of the junction so church goers will have to use the playing field car park
10	The church at large owns the land between the Rectory and the school. Use some of that for extending the yard and parking.
11	Have some to stop people having to park on the main road.
12	No idea
13	Could the 'rough' car park next to the park be surfaced and a path to the church / signage be put in place?
14	Shared use of the community carpark, perhaps there's scope to increase capacity. The Diocese could help by enabling some provision within their land adjacent to the current rectory.
15	The field between church and school should be used for village pond, and extension of burial ground and church parking.
16	Use playing field car park
17	To stop vehicles parking on the road, if possible to build one at the back of the church as there is restricted parking at the front
18	Double yellow lines and use car park at village hall. It's despicable how the road is clogged up. The cars hardly park safely
19	Use village hall car par
	USE FIELD BETWEEN RECTORY AND SCHOOL
21	DIRECT USERS TO CAR PARK ON PLAYING FIELDS
22	MAKE USE OF THE COMMUNITY CENTRE CAR PARK IT IS ONLY A SHORT WALK.
23	USE SOCIAL CLUB PARKING + WALK DOWN
24	CAR PARKING IS A PROBLEM, IS THERE LAND TO OPEN UP? ALSO GRAVEL PATH UP TO CHURCH IS NOT SUITABLE FOR WHEELCHAIRS OR MOBILITY SCOOTERS.
	CHANGING TO MORE NATURAL ENVIRONMENT WOULD BE GOOD. PLANT MORE TREES IE ASHES INTERNMENT
26	CARS CAN USE VILLAGE HALL CAR PARK + SHORT WALK DOWN
27	USE SPACE NEXT TO RECTORY FOR CAR PAR. ENCOURAGE MORE WALKING
28	Not without disrupting other established areas.
29	VERGE NEAR TO SCHOOL - USE PLASTIC MATTING FOR OFF ROAD PARKING. CAN HELP WITH SCHOOL DROP OFF PARKING.
30	ADVISE CHURCH VISITORS TO US EXISTING CARPARK AT COMMUNITY CENTRE

31	ALTHOUGH PARKING ON ROAD IS NOT IDEAL, BUT IT IS WHERE TO EXTEND TO WITHOUT DISTURBING GREEN SPACES
32	HAVE A SEPARATE CAR PARK TO PREVENT ROADSIDE PARKING
33	THERE IS PARKING AVAILABLE NEXT TO RECREATION GROUND
34	USE PARKING FACILITY AT RECREATION GROUND
35	Ask them to use the village hall car park instead of using the pavement and grass verges. I appreciate that many may have disabilities so maybe dedicated spaces inside the grounds near the church entrance could be considered.
36	BUT I THINK BETTER PARKING SHOULD BE TALKED ABOUT
37	USE COMMUNITY CENTRE
38	BY MAKING SCHOOL ROAD ONE WAY FROM TUNS ROAD TO CHNTRY LANE CARS CAN PARK ON ONE SIDE OF THE ROAD, ALLEVIATING THE CURRENT PROBLEM.
39	USE THE GLEB LAND
	DURING THE WEEK COULD USE THE VILLAGE HALL CAR PARK IF NOT BEING USED FOR ANYTHING ELSE
41	PLASTIC OR CONCRETE INSERTS INTO THE GRASS WHERE SPACE PERMITS ( EG SEE SWAFFHAM)
42	CARS CAN PARK IN THE CARPARK UP THE ROAD
43	MAKE AREA INSIDE CHURCHYARD
44	BAT BOXES ETC. TO BE PUT IN TREES. FIELD NEXT TO RECTORY COULD TAKE AWAY PARKING PROBLEM OFF TUNS ROAD AND SCHOOL ROAD
45	EITHER INCREASE THE SIZE OF THE CHURCH CAR PARK OR ADD A LAYBY OFF THE MAIN ROAD TO AVOID RESTRICTING THROUGH TRAFFIC.
46	There needs to be a dedicated car park for church visitors. On Sundays, many cars are parked in the street, restricting traffic flow. If the existing Community Center parking area is improved (e.g. tarmac surface), it should be used by church visitors.
47	AVOID PARKING IN THE MAIN TUNS ROAD
48	Visitors should park at the recreation ground - not on the road.
49	Use field next to church for school parking weekdays and church weekends
	Use the field between church and school for a large enough car park for both
51	Park cars at the community centre and walk if possible
52	Use the playing field car park, making it safer on the main run through Necton
53	Park at the playing field
54	Encourage more use of the recreation ground car park
	USE THE CAR PARK
56	MAKE THEM PARK IN THE VILLAGE HALL CAR PARK INSTEAD OF IN TUNS ROAD CAUSING A HAZARD TO OTHER ROAD USERS
57	YELLOW LINES NEAR CHURCH & REQUEST CHURCH GOERS TO USE COMMUNITY CENTRE CAR PARK
58	There is a large carpark a short walk from the church, some people are just too lazy to use it.
59	Use car parking at village hall

**29. Do you have any ideas for improving car parking for visitors to the Church? Please tick one box**

60	Making the roads outside the church Double yellows to stop the road being blocked by the parked cars. The parking outside the church on the gravel can be for disabled visitors and others will have to park further down at the village hall or even walk
61	Wildlife friendly but not untidy.
62	Q28 REUSE SOUTH SIDE ON CHURCH YARD
63	People should be encouraged to use the parking area by the community centre, rather than parking on the roads, especially on the bend in School Road.
64	the church should encourage use of the parking at the playing field to avoid blocking the roads. Encourage village hall.
66	use some of the sports field
67	Use the land behind the church for parking along with adding a village green and access by foot to the playing fields, hall and social club
68	MORE PLANTING FOR WILDLIFE - PLANTS IDEA FOR RETIRED COMMUNITY
69	ALLOW PARKING IN THE COMMUNITY CENTRE/PLAY AREA CAR PARK Use community centre car park
71	Use the village hall car park
72	Make use of car park on sports field
73	There is a field next to church yard
74	27. - corners and bordering paths 28. - demand will need to be met 29. - Car parking developed to get traffic off the road; churchyard extension in field next to the rectory (Church land??) Surfcing an area for the parking of cars
76	Have not visited the church yet so do not know where parking would be better placed.
77	Make use of playing field car park instead of roadside parking which causes congestion
78	Use community centre car parking
79	Park in community centre
80	THE CHURCHYARD WILL NEED EXTENDING AS IT IS NEARLY FULL. PARKING COULD BE MADE IN THE FIELD NEXT TO THE RECTORY
81	A PATH FROM THE COMMUNITY CENTRE CAR PARK (ALTHOUGH PEOPLE CAN PARK THERE NOW & WALK ALONG GOOD PAVEMENT, BUT THEY DON'T)
82	REOPEN THE CHURCH CAR PARK AT THE NORTH SIDE OF THE CHURCH. THIS WOULD REDUCE THE PARKING PROBLEM IN TUNS ROAD AND SCHOOL ROAD WHICH CAN BE VERY DANGEROUS
83	USE THE CAR PARK BY THE VILLAGE HALL IT'S ONLY 100 YARDS UP THE ROAD
84	MAYBE USE THE FIELD NEXT DOOR TO RECTORY THAT IS NOT USED AS FAR AS I KNOW I THINK PEOPLE SHOULD USE THE HALL CARPARK IF IT HAS SPACES INSEAD OF PARKING ON THE ROAD
86	USE SOME OF THE CHURCH GROUNDS FOR PARKING
87	VISITORS SHOULD PARK AT COMMUNITY CENTRE/PLAYGROUND AND WALK 3 MIN INSTEAD OF BLOCKING THE WHOLE ROAD
88	A local church yard where I have a relative, wildlife friendly, you can't see where to walk and very untidy.
89	Double yellow on main road!

**29. Do you have any ideas for improving car parking for visitors to the Church? Please tick one box**

90	Use the village hall parking
91	Putting car park on field next to rectory Wildlife friendly only if it doesn't mean destroying and moving old graves that are looking tired.
92	There should always be a current burial ground Cremation is not everyone's choice
93	CAR PARK AVAILABLE AT RECREATION GROUND
94	USE THE FIELD IN SCHOOL RD NEXT TO RECTORY OR OLD SCHOOL SITE
95	POSSIBLY THE VILLAGE HALL AS NEEDED
96	ASK PROPLE TO USE THE COMMUNITY CENTRE CAR PAR WHEN ATTENDING CHURCH, RATHER THAN ALONG THE ROAD SAME FOR FOOTBALL
97	There must always be ground for burials. Not everyone wishes to be cremated. Could car parking be improved on north side of church. I would not support the current graveyard being wildlife friendly but would support it around graves in older part of graveyard.
98	BETTER CAR PARKING
99	Parking off the road it's a pain
100	As well as improving parking in existing churchyard, explore possibility of car parking for church and school in School Road between the Rectory and the school.
101	Get them to use the village hall parking
102	No idea, but better parking if needed
103	But it needs improving
104	THE CHURCHYARD IS NEARING CAPACITY ANYWAY
105	PARK AT THE VILLAGE HALL AND WALK. NOT ON THE GRASS OR PAVEMENTS.
106	1. CAR SHARING CO-ORDINATION TO REDUCE NUMBER 2. DROP OFF AT CHURCH THEN PARK IN VILLAGE HALL CAR PARK 3 YELLOW LINES ON SCHOOL ROAD, OFTEN A CHICANE BY RIDICULOUS, SELFISH PARKING AND DANGEROUS JUNCTION WITH TUNS ROAD.
107	USE THE COMMUNITY CAR PARK NOT THE ROAD
108	A CAR PARKING AREA FOR TEH CHURCH AND SCHOOL COULD BE MADE BETWEEN THE CHURCH AND SCHOOL IN SCHOOL ROAD
109	PARKING RIGHT ON THE CHURCH GATEWAY AND JUST AROUND THE CORNER IS ANACCIDENT WAITING TO HAPPEN. NO PARKING ON TUNS ROD AND SCHOOL ROAD USE THE VILLAGE HALL CAR PARK 200 YDS AWAY
110	By visitors to the church to be encouraged to use the car park by village hall and having a gateway to footpath
111	CAR PARKING IS REASONABLE IF YOU ARE ABLE BODIED. CHURCHYARD NEEDS SOLID PATHWAYS FOR DISBALED. I CANNOT SAFELY VISIT MY HUSBANDS GRAVE.
112	To use the village hall / social club car park and not park in road
113	Use the car park at the community centre, not to park down School Road
114	Church visitors could utilise the car park for community centre / sports / social club to release the pressure from parking on road.
115	All visitors to the church should park in the community car park
116	The parking is dangerous outside the church, but can't think of a way to resolve the problem.

**29. Do you have any ideas for improving car parking for visitors to the Church? Please tick one box**

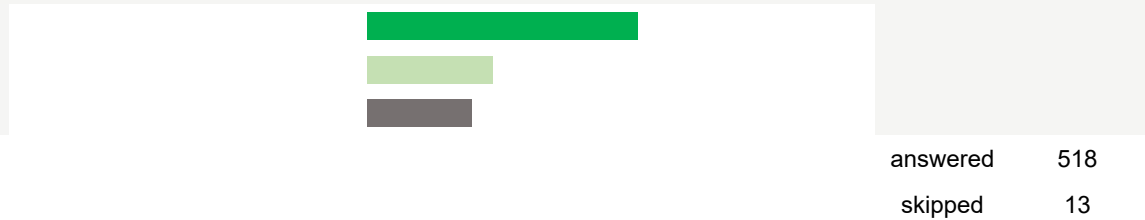

117	USE COMMUNITY CENTRE CAR PARK. YELLOW LINES ON TUNS AND SCHOOL ROAD VTO PREVENT INCONSIDERATE AND DANGEROUS PARKING
118	USE THE DERELICT OLS SCHOOL AS PARKING
119	ENCOURAGE VISITORS TO USE THE VILLAGE HALL CAR PARK IF IT IS DRY OTHERWISE THEY WILL STEP IN PUDDLES AND MUD.
120	CAN'T THEY PUT A PATH FROM COMMUNITY CENTRE INTO THE CHURCH YARD VIA EDGE OF FOOTBALL FIELD
121	SEEN OTHER LOCAL CHURCH WHICH ARE MEANT TO BE WILDLIFE FRIENDLY BUT INSTEAD THEY ARE OVERGROWN AND INACCESSIBLE.  PARK AT VILLAGE HALL
122	WORSHIPPERS SHOULD USE THE COMMUNITY CENTRE CAR PARK INSTEAD OF CLOGGING UP THE HIGH STREET
123	USE VILLAGE HALL CAR PARK MORE NOTICE AT CHURCH GATE
124	WILDLIFE AREA IN CHURCHYARD - WOULD NEED CAREFUL CONSIDERATION SO AS NOT TO OBSTRUCT PEOPLES ACCESS TO GRAVES PARKING - USE THE VILLAGE HALL CARPARK, BUT DIFFICULT ON SUNDAYS IN FOOTBALL SEASON
125	THERE ARE MANY IMPROVEMENTS THAT COULD BE MADE THE COST OF WHICH IS PAID FOR ON;Y BY THE WORSHIPPING COMMUNITY. MONEY DOES NOT COME FROM ANYWHERE ELSE. GRANTS ARE SOME PROVIDED, BUT NOT USUALLY BY COUNCIL AS RELIGIOUS SITES ARE OFTEN EXEMPT.
126	AREA AT NORTHWEST OF CHURCHYARD PATHWAY TO KITCHEN FOR DELVERIES
127	USE THE CAR PARK AT THE SOCIAL CLUB + WALK (SIMPLE)
128	27. The Rosary in Norwich is a good example 28. With COVID, a good idea 29. Create a parking area in School Road beyond the church
129	Should park in playing field car park NOT on road outside church, this is on a blind bend.
130	Perhaps an area beside the church house, using the field
131	Plant more shrubs
132	A good car park that could be used for the school as well because as we all know children cannot walk anymore
133	Park in community centre car park and stop blocking road
134	Try to purchase field near church to park on.
135	Use a small part of the recreation ground nearest to the church for parking only
136	I feel people should be able to put what they want on a grave, not to be told. A grave should tell you about the person, not what the reverend wants.
137	Extend into the field below the graveyard to include additional capacity and hard area for parking. Possibly including a community fruit orchard
138	The field next to rectory could be ideal as parking with path behind rectory leading to church. Such parking could help with school parking too!
139	People should be encouraged to park in the village hall car park and walk the very short distance to the church
140	Designated area on church yard? Options very limited.
141	Part of the church yard / field / rectory garden needs to be hard surfaced so that cars can park there for all church services. The parking may need to be organised by 1 or 2 'parkers'. Currently road parking

**29. Do you have any ideas for improving car parking for visitors to the Church? Please tick one box**

	outside the church is very dangerous both for drivers and pedestrians, plus for those getting in and out of cars!
144	Possibly at the rear if there is space
	Provide information for disabled parking and direction for parking not just on the road, particularly blacking junctions at school road

**30. Village School**

1	More clubs, a lot is sport related but there could be other youth type clubs for playing indoor games
2	A full nursery 0-5 would be nice and would create local jobs. The old school building is ugly and unused.
3	
4	Something for the teenagers in the village
5	not sure
6	I have no idea what is available other than Little Oaks.
7	Maybe something for teenagers as the younger generation seem to be catered for.
8	Before and after school care that can be paid for by childcare vouchers.  This also covers holiday care as well not just the odd day and for something that stops at 3pm.  There are not enough childminders in the village.
9	Not really child care but Cars should not be allowed to park outside the school with their engines running or on the grass verges
10	A nursery - what about the old school buildings on School Rd?

If YES, please describe them (138)

1	Difficulty getting a face to face appointment (or any appointment), admittedly I have only lived here during the pandemic, but would like to see easier access & more opportunities to see a doctor
2	Manor Farm clinic needs to re-open
3	visitors to the surgery not to park on the road as there is ample carparking available by both surgeries
4	Like most places, since the pandemic it has been difficult to access medical care except privately. The hours open are limited at the best of time at Manor Farm on the Pickenham Rd.
5	Happy at the moment
6	Being constantly being sent to Swaffham for appointments. This surgery is always under staffed
7	Not staffed enough. Have to go To Swaffham for most things. Why is the surgery closed on Thursdays
8	Cannot see a doctor they want phone calls, photos. That is not how a surgery should be run.
9	Difficult getting appointments. Dentist needed!
10	I drive to Swaffham for appointments. If I didn't have the luxury of a car, I may feel differently - I've never even been offered an appointment in Necton (registered with Manor Farm).
11	Excellent facilities for size of village.
12	NHS health care is breaking down in Britain so our provision is ok, just! Difficult to get an appointment this year.
13	More women doctors
14	Have to go to Swaffham when you can finally get an appointment A dentist would be good in Necton
15	The doctors ent missing at the outset of COVID and remained so
16	More access to doctors
17	The doctors rarely come to my surgery so I have to travel to Swaffham Manor Farm. Not always convenient. Luckily, I drive but some residents don't.
18	Getting face-to-face appointments and limited opening hours for the dispensary
19	WOULD LIKE FACE TO FACE INTERVIEWS
20	EXTENDED OPENING TIMES TO MAKE FULLER AND BETTER USE OF THESE BUILDINGS
21	MORE ACCESSIBLE
22	MOST PEOPLE HAVE VOICED THERE ISSUES ON THIS MATTER A LEAST A YEAR AGO
23	CURRENTLY WAITING OVER 35 MINS FOR TELEPHONE TO BE ANSWERED. WHY CAN'T WE SEE A DCOTOR?. WHERE HAVE THEY ALL GONE.
24	Firstly, the Doctor's surgery is fantastic - love having that in the village. My issue is suggesting a Dentist. This is a great need for the whole area and to have this service within Necton would be amazing. Can I ask the council to pursue inviting a dental practice to come to Necton. The new one in Marham is a national company that may be looking to expand in this area?

**36. Healthcare We are fortunate to have two surgeries. We would welcome your views concerning local health improvements. Do you have any issues with the provision of healthcare services in Necton?**

	NO PROBLEM AT PRESENT - BUT WITH MORE HOUSES & GREATER POPULATION WILL PATIENT'S NEEDS BE MET IN THE FUTURE
26	MORE HOUSES = MORE PEOPLE = LONGER APPOINTMENT WAITING TIMES
27	A LACK OF INTEREST IN THEIR PATIENTS
28	THE ISSUE HERE IS SURELY THE NHS AND DOCTORS THEMSELVES RATHER THAN THE PARISH COUNCIL
29	EXCEPT THEY CAN OPEN NOW AS COVID IS HERE TO STAY - WE NEED TO BUILD OUR OWN IMMUNITY
	UNDER THE PRESENT COVID 19 WE JUST HAVE TO BE SAFE
31	MY MOTHER WHO IS 90 HAVE TO HAVE TRANSPORT TO SWAFFHAM FOR APPOINTMENT TAXI FARES PAYABLE AT £20
32	WE LOVE OPUR DOCTORS AND NURSES AND OTHER STAFF THEY ARE STRETCHED TO THE LIMIT NOW. HOW ON EARTH WILL THEY COPE WHEN THE 70+ NEW HOUSES ARE OCCUPIED.
33	PLOWRIGHT SURGEY IS NOT VERY ACCESSIBLE SHOULD BE OPEN NOW, LIKE EVERYWHERE ELSE. SAD TO SAY NOT A VERY GOOD OPINION OF DOCTOR NURSES EXCELLENT.
34	UNABLE TO SEE A DOCTOR!!
	PLOWRIGHT RECEPTIONIST AND SURGERY FAR LESS THAN HELPFUL
36	FACE TO FACE MEETINGS WITH DOCTORS ARE MORE DIFFICULT AND WAITING TIMES HAVE INCREASED
37	There seems to be an insufficient number of GP services to support the current number of residents in the village. Expanding residential development will make this worse if not addressed properly.  Even pre-COVID, surgery opening hours have been reduced over the years. Why can't both surgeries be open Monday–Friday?
38	Poor opening hours - should open on weekends and evenings
39	Usually I have to go to Swaffham to get an appointment with a doctor  Manor Farm. There are no doctors to see you in the Necton Surgery
41	Would like to see evening appointments for those who work full-time
42	Be nice if you could see doctors some times
43	DISABLED PARKING IS VERY POOR. UNABLE TO SEE A DOCTOR FACE TO FACE.
44	I know the Plowright surgery has a pharmacy but this is just for dispensing prescribed medicines. A pharmacy so that people could seek advice on minor ailments would be an asset to the village and save a journey into Swaffham/Dereham.  PERHAPS A NHS DENTAL SURGERY
46	THE OAK FARM SURGERY IS ONLY PART-TIME, COULD IT BE RE-OPENED FULL TIME AS WE DON'T ALL HAVE CARS TO GET TO SWAFFHAM
47	NEEC BOTHR SURGERIES TO BE OPEN FULL TIME
48	Need more doctor's appointments
49	CAN'T SEE A DOCTOR LOTS OF OLDER PATIENTS CAT ACCESS ELECTRONICALLY AND DO WANT TO DISCUS MEDICAL ISSUES ON THE PHONE. WALK IN DENTIST REQUIRED  Opening hours should be extended.
51	No doctor app. which should be available for older residents.
52	Open six days a week

**36. Healthcare We are fortunate to have two surgeries. We would welcome your views concerning local health improvements. Do you have any issues with the provision of healthcare services in Necton?**

53	Would like to see a doctor
54	Getting to see a doctor in the current times
	Doctors to be more accessible face to face (Plowright)
56	VILLAGE ASSETS
57	SHORTAGE OF GPs IF ALL HOUSES TO BE BUILT. WHO DECIDE WHEN WE NEED AN EXTRA DR? ONE SURGERY IS ONLY OPEN REDUCED HOURS THE OTHER NOT FULL TIME.
58	THEY ARE OPEN LONG ENOUGH AND ITS NEARLY IMPOSSIBLE TO GET AN APPOINTMENT.
59	Cannot get an appointment to see a doctor ( I know this is down to the surgery and not the Parish Council).
	availability of appointments at the surgery due to very limited opening times means having it in the village is not very relevant and the vast majority of the time we have to travel to Swaffham for appointments.
61	IMPROVE NECTON SURGERY OPENING HOURS AND SYNCHRONISE PHRACY HOURS IN LINE WITH SURGERY
62	WHY WOULD I THEY ARE AMAZING ESPECIALLY THE YOUNG LADY WITH GLASSES, DARK/LIGHT BROWN SHOULDER LENGTH HAIR. SHE IS ACE
63	Can never get an appointment, I might as well not have a doctor. I tried to change to a different surgery but they wouldn't let me, as I already had a doctor. I have given up, I have not had a health check up in 8 years.
64	Doctors to be able to see patients rather than speaking on the phone.
	EXTEND OPENING TIMES
66	Very very very difficult to get an appointment
67	Would like doctors and nurses to come to Oak Farm Surgery 3 times a week as they used to.
68	Face to face doc app.
69	It would be nice to be able to see and speak to a doctor in person
	LIMITED SERVICE NOT ADEQUATE FOR CURRENT RESIDENTS IN THE VILLAGE
71	The lack of face to face GP appointments
72	I really appreciate having 2 surgeries in the village and being able to collect my prescription from them
73	Very hard to get appointment Need doctors to provide more surgery time
74	More access to doctors, face to face
	Not at the moment!
76	No face to face appt.
77	Better social care
78	Availability - Greater full time usage will be required to meet the needs of our growing village.
79	Have not registered with a GP yet. Two surgeries : 1 closed during covid, neither have offered walk in vaccine
	face to face appts are scarce
81	accessibility - doctors don't see patients anymore
82	THE FACILITIES ARE GOOD
83	WAS HAPPY WITH SERVICE PRE COVID

**36. Healthcare We are fortunate to have two surgeries. We would welcome your views concerning local health improvements. Do you have any issues with the provision of healthcare services in Necton?**

84	EXCELNT TO HAVE SURGERIE(S) COULD POSSIBLY DO WITH MORE DOCTORS, BUT THAT S A NATIONAL PROBLEM
85	AS AN OLDER PENSIONER WE NEED EASIER ACCESS FOR "FACE TO FACE£ APPOINTMENTS WITH DRS. I REJECT IDEAS FOR PHONE AND COMPUTER "LONG DISTANCE" APPOINTMENTS. WHAT HAPPENED TO OUR OLD FAMILY DRS
86	MORE HOURS OF OPENING, INCLUDING SATYRDAYS
87	DUE TO COVID THERE ARE RESTRICTIONS IN SURGERIES, THESE NOW NEED TO BE ADDRESSED, TO IMPROVE PATIENT VISITS
88	WE ARE LUCKY TO HAVE TWO SURGERIES IN A PLACE AS SMALL AS NECTON
89	MORE ABOUT NHS /DOCTORS THAT ARWE EASIMG SYMPTOMS WITH MEDS RATHER THAN LOOK WHERE IT'S COMING FROM/FIND REASON
90	Would like Manor Farm to have doctor and a community car scheme.
91	The provision is there but not the service
92	Poor service so we transferred to Swaffham
93	Manor Farm doctors excellent
94	Excellent to have 2 surgeries in the village
95	NO ISSUES - VERY SATISFIED WITH PLOWRIGHT SURGERY
96	TO CONSIDER WHEN ALLOWING MORE HOUSING IN VILLAGE THAT HEALTHCARE CAN PROVIDE FOR THE ADDITIONAL PEOPLE
97	NOT ENIOUGH PAPER TO WRIT ON MATTERS TO BE DISCUSSED WITH THE SURGERY IN QUESTION
98	WITH THE CURRENT RATE OF DEVELOPMENT THE INFRASTRUCTUER NEEDS TO DEVELOPED TO MEET INCREASED DEMAND
99	I am currently registered with Plowright surgery. I have lived in Necton over 2 years now and I have never seen a doctor only a nurse practitioner at the surgery
100	Excellent service by Plowright
101	Sometimes hard to get an appointment
102	Plowright have been excellent
103	RUDE STAFF ALWAYS
104	PATIENT PARKING AT OAK FARM SURGERY. PLEASE DO NOT PARK IN THE ROAD IT IS A HAZARD UE THE CAR PARK AT THE REAR.
105	ALWAYS GO TO SWAFFHAM
106	By combining the doctors into one surgery and using the other one for a full time NHS dentist. The village is expanding rapidly, 100 homes in 3 years, and access to doctors is very hard.
107	At present one of doctors only open a couple of days per week. Could that doctors not be made into a NHS dentist as no one in the area are taking on patients or have a building made available.
108	We don't see doctors face to face any more, not even babies
109	(Manor Farm) doctors should be open 5 days a week, not 3 days.
110	Need Manor Farm to get back to better service for their patients
111	CONCERNED OAK FARM SURGEY WILL NOT RE-OPEN AND JUST REMAIN AS DISPENSARY
112	LIMITED OPENING TIMES, LACK OF HOME VISITS, DISPENSARY AVAILABILITY
113	FEEL THAT SOME ISSUES ARE JUAT QUICKLY OVERLOOKED

**36. Healthcare We are fortunate to have two surgeries. We would welcome your views concerning local health improvements. Do you have any issues with the provision of healthcare services in Necton?**

114	Other than appointments now online, not in person - but that seems to be a national issue, so difficult to see what Necton can do differently.
	More face-to-face appointments
116	Face to face doctor appointments in person
117	A health centre for mental health issues, regarding and for support groups
118	It should have a dentist then the village would be perfect!
119	Surgeries should be open all day and a doctor available
	I would like to see Oak Farm Surgery to have doctors and nurses back as it is not easy to get to the surgery in Swaffham
121	Open more frequently
122	Obviously not enough doctors as people can't get to see one nowadays
123	Currently perfectly adequate
124	I think attending face to face should be accessible, however, the surgery is friendly and helpful, particularly the dispensary
	Currently we are expected to queue-up outside surgery when collecting medication etc. it would be beneficial if a shelter could be erected for inclement weather.
126	Extend the footplate of the practice to allow more medical staff and reduce the need for villagers to travel to Swaffham for medical treatment
127	Difficult to see a doctor face to face
128	Plowright - staff are pleasant but would not say the same of one of the doctors. Therefore would change practices in the future.
129	Its wonderful! We're very lucky to have 2 surgeries in our village, and ours (Oak Farm) is excellent!
	The service is great. But why do people park on Pickenham Road when there is adequate parking in the car park causing disruption and a danger.
131	Dispensary times are too short
132	Have better cover outside in winter would be great improvement
133	Plowright surgery only part-time!
134	Availability to get a doctor to see you side the covid outbreak
	Times available to see nurse / doctor - closed at lunchtimes and difficult to make appointment.
136	Opening times - difficult for people who work outside of Necton to make appointment after work.
137	Amount of time doctors are closed
138	We don't seem to have any GP coverage at present. When will we get back to normal?

### 37. BT Telephone Kiosk

The Parish Council recently purchased the telephone kiosk in Tuns Road for the benefit of the village. It is already a Grade II Listed Building and has been refurbished. What do you think the Telephone Kiosk should be used for?

Answer Choices	YES	NO	Response Total
Book exchange (as at present)	85.02% 352	14.98% 62	414
Defibrillator	71.23% 312	28.77% 126	438

Other (please describe) (62)

1	I have concern about possible vandalization and therefore litter around the village
2	As there has already been some vandalism of items in the box how can this be avoided in future.
3	Please install a defibrillator
4	Defibrillator at the shop would be helpful, as otherwise it's the other end of the village to obtain this in times of need.
5	I would be happy to see it used for any purpose that benefits residents of Necton
6	Books are already provided for with the mobile library and the lovely Little Free Library down on Chapel Road. The kiosk could be more imaginatively used. Perhaps, it could be a Necton History Hub - where info about the village history is laid out in imagery and perhaps some audio that can be accessed via a QR code.
7	I ONLY SAY NO TO DE-FIB AS THERE IS ALREADY ONE AT THE VILLAGE HALL AND THE ADDED SPACE NEEDED WOULD REDUCE AVAILABLE SPACE FOR OTHER PROVISION FOR LITTLE GAIN.
8	Why was it painted red! Should have had a contest at the school to design the box? Kids have a great imagination!
9	LIBRARY
10	Isn't there already a d/fib at the community centre.
11	All great ideas!
12	IT IS WHAT IT IS. AN OLD BT PHONE BOX
13	I love all these suggestions
14	IT WOULD BE POSSIBLE TO INCLUDE SEED SWAP AS WELL AS BOOKS
15	THE EXISTING DEFIBRILLATOR I IN A GOOD PLACE
16	A WORKING TELEPHONE LINKED TO THE SAMARITANS WOULD HELP
17	Free BT Wi-Fi hotspot. Could be useful for residents without residential broadband access.
18	CODE THE DOOR TO PREVENT THIEVES FROM USING IT
19	I think the defibrillator should be at the community centre closer to the sports facilities.
20	NOT BIG ENOUGH FOR BOOKS, WASTE OF TAX PAYERS MONEY

### 37. BT Telephone Kiosk

The Parish Council recently purchased the telephone kiosk in Tuns Road for the benefit of the village. It is already a Grade II Listed Building and has been refurbished. What do you think the Telephone Kiosk should be used for?

21	HAVING A DEFIBRILLATOR IN MORE THAN 1 PLACE IS IMPORTANT AND IT IS EASILY ACCESSIBLE BEING AT THE JUNCTION OF MANY ROUTES
22	Give training in use of defibrillator and CPR
23	TELEPHONE
24	I have no preference as they are all good ideas. while a defibrillator is a great thing to have in the village it is better placed at the playing fields.
26	Already have a defibrillator at community centre
27	MAYBE LOST AND FOUND ITEMS - WITH SECURE BOX
28	Waste of funds
29	No idea Seeds could be poisonous if someone decided to be a nuisance
31	Not sure
32	Worried about vandalism if Defibrillator
33	A great idea .....but is it sited in where there is greatest footfall !
34	Emergency telephone Ornamental
36	INFORMATION SHOULD BE POSTED ON THE PARISH NOTICE BOARD
37	I LIKE THE BOOK EXCHANGE, HOWEVER HARDLY EVER ANY CHILDRENS BOOKS. I ALSO LOVE THE IDEA OF A PLANT/SEED EXCHANGE
38	SPEED CAMERA LORRY DRIVERS WOULD PAY LOTS ON FINES
39	Add notice for children to respect kiosk, Book exchange is an open invitation for kids to ruin!
41	Do not know? Unsure.
42	I'm pleased it has been preserved.
43	Any of these.
44	I BELIEVE THER IS ALREADY A DEFIBRILLATOR AT THE COMMUNITY CENTRE No idea
46	DEFIBRILLATOR COULD BE SOMEWHERE ELSE IN VILLAGE
47	OTHER COMMUNITIES HAVE A WEALTH OF IDEAS THAT COULD BE USED
48	THE NEAREST DEFIBRILLATOR IS AT LITTLE DUNHAM
49	PROTECT FROM VANDALISM - WIFI CCTV CAMERA NEEDED? + JIGSAWS DEFIBRILLATOR BESTTER NEARER THE VILLAGE HALL
51	VANDALISM HAS BEEN A PROBLEM HOW CAN WE PROVIDE SUCH FACILITIES IF THEY ARE TRASHED? DEFIBRILLATOR - THERE IS ONE AT THE VILLAGE HALL IS THIS TO BE MOVED? IF THIS IS FOR A NEW ONE IT BNEEDS TO BE AT THE OTHER END OF THE VILLAGE
52	CCTV POINT ( TO PROTECT PHONE BOX AND MONITOR AREA)
53	DEFIBRILLATOR SHOULD BE OUTSIDE THE POST OFFICE/SHOP - IT IS MORE CENTRAL

### 37. BT Telephone Kiosk

The Parish Council recently purchased the telephone kiosk in Tuns Road for the benefit of the village. It is already a Grade II Listed Building and has been refurbished. What do you think the Telephone Kiosk should be used for?

54	DEFIBRILLATOR MORE HELPFUL OUTSIDE POST OFFICE
55	MAGAZINES AS WELL AS BOOKS
56	It's a shame it's not for 999 use etc
57	Defibrillator - good idea for village but not kept in telephone kiosk - somewhere like shops or pub.
58	The book exchange is a lovely idea.
59	Defib should be mounted either at church or shop
60	Make the area accessible and a pleasant place to visit, maybe a seat to sit
61	Book exchange - This is the best initiative in the village recently. Particularly good for elderly people or those without transport. Excellent choice of books, novels, biographies, cookery books...
62	Book exchange is an open invitation for kids to ruin!

If YES, please specify which (72)

1	the library
2	I'm not aware of any but there must be some.
3	The windmill if it isn't already and mill near it
4	Possibly - not sure of which ones specifically but retaining older buildings helps to maintain the history of the village
5	I would have said the farmhouse at Erne Farm but sadly that has been demolished already!
6	The windmill
7	There's the old blacksmiths, bakery, pubs, couple of churches, etc, all now residential. Plus, I think a stable from Necton Hall is still standing.
8	1) The old mill, on Mill St. 2) The pair of cottages on School Road, at the junction with Chantry Lane. One is currently on the market and the description states "Boasting external masonry of traditional Norfolk soft red bricks in Flemish bond, bedded between slaked lime mortar with a flush point finish and the masonry detail above the windows have traditional cut brick arches with hand-crafted individual shaped voussoir bricks. Together with this, the external walls are at least 9 inches thick with the internal masonry detail comprising of the traditional method of brick, flint, horse hair, lime infill with a lime finished plaster."
9	But not sure

19	THE MILL IN MILL STREET
	THE OLD LIBRARY IN SCHOOL ROAD THE COTTAGES ON SCHOOL ROAD OPPOSITE CHANTRY LANE THE WINDMILL IN MILL STREET
21	IT IS TOO LATE BUT BEFORE THE HOUSING DEVELOPMENTS MOVE IN THERE WAS LARE HOUSE ON OAK FARM LAND WHICH WENT BACK TO THE YEAR 1812
22	POSSIBLY
23	WINDMILL PUB AND OLD BAKERY NEAR KETTS HILL
24	The Windmill Pub and any associated buildings still existing.  Only because, as a new resident, I am not very familiar with these buildings.
26	The old library
27	Pub
28	THE OLD LIBRARY + OLD POST OFFICE + LITTLE HOUSE OPPOSITE ON CORNER OF TUNS ROAD BY CHURCH
29	IT'S A BIT LATE TJHERE WAS A BEAUTIFUL BARFN AT ERNE FARM. KNOCKED DOWN PRELY FPR PROFIT
30	i am not sure about other historic buildings in Necton. I haven't lived here long enough to really know the history of the village.
31	church
32	OLD RECTORY
33	THE OLD RECTORY
34	I think that the local history is not always reflected in the listed building status and as such the village has already lost some buildings of local interest  Not aware of any.
36	The old school and swimming pool - not historic but what a mess
37	I think all the village should be protected, the new build estates are all characterless boxes
38	no it was the one on the new build that's just been knocked down
39	THE OLD POST OFFICE  ALTHOUGH IT IS A PRIVATE RESIDENCE - THE OLD LIBRARY/READING ROOM
41	Probably - a comprehensive village survey of buildings would be required.
42	Dont know

44	WHITE COTTAGE  IT IS ATERRIBLE SHAME THAT ERNE FARM ON PICKENHAM RD WASN'T PROTECTED

If YES, do you have you any suggestions for improvements to the existing green open spaces? (141)

1	Most are dirty with dog poop so more bins would be appreciated.
2	Accessibility is not always obvious, more signage.
3	Wildflowers / owl boxes
4	more required and open space secured particularly around the church and up to the old pit site
5	They should remain protected
6	THE PLAY AREA FENCE WHILST FUNCTIONAL IS UNATTRACTIVE, MORE TREES COULD BE PLANTED
7	The green area marked at the end of Elizabeth drive i thought had planning permission ???
8	No
9	This map needs a key to differentiate the dark green from the lighter green. I don't consider the light green areas on the map to be green OPEN spaces. If you walked in these areas the farmer would be after you for trespassing. Much of it is agribusiness or development land around Kingfisher estate.
10	Yes, green space is incredibly important. I've lived in Necton for a long while but wasn't aware of some of the green space identified on the map - so perhaps some signage to inform people where and what it is?
11	remove ivy, regular tree care & pruning, allow wildlife to flourish i.e. keep it tidy but not manicured...
12	Not all of the spaces are accessible - the one on St Andrews Lane is blocked off, I think. All of the green spaces could be kinder to wildlife - more wild areas etc - a bit like out towards Ivy Todd.
13	Tree planting on the green space in Wynfields
14	Making them more wildlife friendly
15	No.
16	More wildlife habitats, more planting, more seating.
17	More trees! Creation of mini-meadow pockets with mowing of paths rather than the entire space. More seating to encourage people to sit, listen and enjoy being outside - vitally important within the estates where there are more residents of older age and living alone - they need hyper-local green spaces that they can access easily.
18	More seating
19	What do you mean by OPEN. I am sure Spratt would object if I made use of his OPEN SPACE. The dirt farmers who bought the land from Necton Hall Estate stuffed the villagers.
20	Use the old school playgrounds
21	Ensure they are looked after fully + properly
22	MAKE THEM AVAILABLE TO THE PUBLIC
23	RE-WILDING, WORKIN GROUPS AND A COMMUNITY COMPOST INITIATIVE
24	Plant trees and hedges to the boundaries to help the wildlife
25	Trees to benefit the planet

#### 41. Do you value the existing green open spaces in the Village, as identified on Map 1?

26	Keep them green!
27	No
28	Seating areas
29	I'D LIKE TO SEE MORE OF THE GREEN OPEN SPACE USED TO MAKE GARDES + PICNIC AREAS, BENCHES FOR THE LESS MOBILE.
	MORE TREES, BULB UNDERPLANTING, SEATING
31	NO
32	BENCHES FOR POUR RETIRED RESIDENTS TO REST EG OUTSIDE SHOP, TELEPHONE KIOK
33	NONE
34	Clearly indicating where there is access to green areas where it's not so obvious, the the triangle on St Andrews Lane perhaps
	BETWEEN NECTON & HOLME HALE
36	CREATE WILDLIFE ENVIRONMENT
37	WHAT IS HAPPENING TO THE MARL PIT?
38	Is there ability to walk around these areas? If not, can access be agreed?
39	SEED BOMBS TO HELP WILD LIFE MOWED PATHS FOR WALKING
	Map of walking routes locally
41	INDICATION OF USAGE
42	TO COMBAT CO2 YES PLANT WHERE EVER POSSIBLE
43	NOT TOO NEAR PAVEMENT AS WHEN LEAVES DROP THEY GET VERY SLIPPERY
44	STOP MORE BUILDING
	SEATS PLEASE
46	FOR SERCO TO MAINTAIN THEM BETTER
47	REMOVE LEAF LITTER. WHERE I LIVE I'M HAVING TO REMOVE MYSELF THE LEAF LITTER ETC FROM OUR CUL DE SAC ROAD AS IT ACCUMULATES QUITE A BIT
48	More trees and planting. Meeting areas, benches, table possibly?
49	LINKING, THEM FOOTPATHS
	Provision of seating
51	Better signs for walking tracks
52	IT WOULD BE NICE FOR THE PUBLIC TO HAVE MORE ACCESS TO THOSE SPACES AND MORE ACCESS FOR DOGS
53	MAKER COMMUNITY CENTRE CAR PARK BIGGER USINF SOME OF THE FIELD
54	BY ADDING MORE SPECIES OF TREES AND HELP THE PLANT BRITAIN GREEN INITIATIVE
55	Stop people dumping garden waste in the copse and clearing the undergrowth from around some of the trees in Elizabeth Drive
56	GET RID OF THE MARL PIT
57	CONDITION OF PLANNING THAT PUBLIC SPACE IS LEFT FOR TREE PLANTING
58	KEEP THE ENVIRONMENT AS NATURAL AND BASIC AS POSSIBLE
59	A green space that allows dogs would be great (though I do support not having them on the playing field).

#### 41. Do you value the existing green open spaces in the Village, as identified on Map 1?

60	no
61	Planting more trees
62	More trees and flowering bushes to increase natural habitat and shelter for both animals and humans
63	I still haven located Marl Pit - signposts?
64	MAKE THEM MORE CLEARLY ACCESSIBLE
	Not cutting down od existing mature trees in new housing developments!!
66	More wildlife friendly
67	Don't build on them!
68	The green areas are very good for wildlife and one of the main attractions when we moved here
69	Grass cut more frequently Copse given more attention (kept clear)
	A balance of trees and wild flora, with seating, should be considered
71	Public access
72	Make them available for public access
73	compulsory purchase of land to prevent building
74	No
	PUT A FEW SEATS IN THEM
76	MAKE SURE TE AREAS ARE CUT MOER REGULARLY AND NOT LEFT AS THEY LOOK UNTIDY
77	BETTER ACCESS TO GREEN SPACE WITH SIGNS
78	KEEP THEM
79	NO, BUT LETS STOP BUILDING ON EVER PATCH OF AVAILABLE SPACE OT THERE'LL BE NONE LEFT.
	MORE TREE AND WILD FLOWER AREAS
81	KEEP THEM AND DO NOT BUILD ON THEM
82	ENSURE THEY ARE KEPT AS GREEN OPEN SPACES
83	ENSURE THEY ARE MAINTAINED - WEED CONTROL GRASS CUTTING AND ROAD SWEEPING NEED IMPROVING.
84	Maybe some seats!
	Benches so they can be enjoyed by all. Mini play park to reduce the numbers using the main park
86	No
87	NEAR IVY HOUSE
88	INCREASE THE SIZE OF SPACES CREATE WAKING PATHS/ROUTES WHERE POSSIBLE
89	TOO MANY HOUSES BEING BUILT IN VILLAGE ON GREEN SLACES
	I'M NOT SURE ALL THE SITES ARE ACCESSIBLE
91	KEEP THEM AS OPEN SPACES AND DON'T BUILD ON THEM
92	YES I DO BUT THERE IS ONE BEHIND MY PROPERTY WHICH HAS BEEN HIGHLIGHTED, WHICH IS PRIVATE LAND NOT OPEN FOR PUBLIC USE. PLESAE CORRECT
93	MAKE THEM AN AREA FOR NATURE STUDY ENCOURAGE WILDLIFE DEFINATELY STOP BUILDING ON THEM

#### 41. Do you value the existing green open spaces in the Village, as identified on Map 1?

94	COULD PLANT MORE TREES
	No
96	Don't sell them off
97	Circled area: Move the dog poo bin away from seating bench. (The circled area on the map is the green area between Mason's Drive and Briar Close.)
98	The old first school field
99	SURELY ALL GREEN SPACES ARE TAKE FOR HOUSING I.E. URN FARM AND THE OLD DUCK POND IN MILL STREET
	PROTECT THEM FROM BEING BUILT ON - NECTON'S BIG ENOUGH
101	DIDN'T CONSIDER THE GREEN SPACE AROUND THE CHURCH AS "OPEN" ARE THERE PLANS TO AMKE THE ONE OFF ST ANDREWS LANE ACCESSIBLE/OPEN IN THE FUTURE THEN?
102	SOME SPRING FLOWERS PLANTED DAFFS ENCOURAGED
103	MAKE GREEN SPACES AS PER MAP BETTER AVAILABLE
104	MORE TREES AND PLANTS TO INTRODUCE WILDLIFE
	By planting trees in field adjacent to Erne Farm new build site the other side of cart track
106	BETTER SIGNAGE NOT SURE WHICH GREEN SPACES YOU ARE ALLOWED ON. MORE SEATING TO STOP AWHILE AND ENJOY
107	WHERE POSSIBLE A GREEN BELT ALL ROUND THE VILLAGE
108	PLANT MORE TREES
109	More benches and wild flower beds.
	No
111	OPEN UP THE MARL PIT TO THE PUBLIC- EVEN IF ONLY A PORTION OF IT CAN BE OPENED INTILALLY
112	MORE LEFT AS WILDFLOWER MEADOW WITH PATHS AND SEATING
113	SEATS AND WILDLIFE FRIENDLY PLANT AREAS
114	MORE FOIOTPATHS PLEASE! IF YOU PLANT MORE TREES - THERE WILL BE MORE COSTS - THINK BEFORE YOU PLANT TOO MANY - THEY NEED TO BE LOOKED AFTER.
	MORE BENCHES
116	MORE FOOTPATHS
117	We need a park
118	As wildlife friendly as possible please!
119	Preserving them!
	Not sure what the green space on St Andrews Lane is for
121	Plant more trees and shrubs
122	Do not build on them!!
123	Plant more trees
124	Pathways
	Access to Whitby's Plantation from Oaks Drive
126	There has just been a 100 yer beech cut down behind our garden.

#### 41. Do you value the existing green open spaces in the Village, as identified on Map 1?

128	Near play area - extend park
129	Making them more into gardens and planting more trees
130	Carefully positioned seating
131	Plant a community fruit orchard
132	Village Green / small park / with trees , land scaling / shrubs with seating and picnic area.
133	Tree planting around the playing field / recreation ground and all green space areas
134	More seating areas
135	Make them accessible to all not just footballers
136	Improved play area. The area Elizabeth Drive, Jubilee Way could be improved and cleared up. the area from Hale Road path to Masons Drive could be improved
137	Better signage for walkways - more dog poo bins.
138	Wild flower areas Fruit trees Shrubs
139	Clear willows from old marl pit and plant more wild / friendly species
140	More benches (not picnic tables) for older people to rest on in existing green open spaces + alongside Hale Road and Tuns Road. At the moment, lack of benches mean that the elderly have to sit on garden walls
141	More accessibility

If YES, please describe where would you like them to be located: (184)

1	Not sure where you would put them though
2	Wherever possible
3	Land left of Ramms lane adjoining Brackenwoods With walking access from Brackenwoods to this land
4	Land between Brackenwoods and Raams Lane so no more building can be approved there. With a footpath between Brackenwoods and Teams Lane.
5	Anywhere possible
6	linking school road with the football pitch, and hale road towards the allotments
7	PITY THERE AREN'T MORE SPACES FOR MORE, BE GOOD IF WE COULD ALLOCATE POTENTIAL AREAS
8	Anywhere Possible

## 42. Do you think we should have more green spaces?

9	I think the church should do the right thing and turn most of the land between the rectory and the school into a village green and nature reserve for the villagers. They don't get a great deal of rental money from the current farmer.
10	There is little capacity really in the centre of the village but there is potential on the edges - St Andrew's Lane, Ramms Lane.
11	Maybe off North Pickenham Road?
12	The dog walking area on North Pickenham Road is excellent, another in another part of the village would be welcome.
13	Wherever possible! Less concrete, more green!
14	The current infrastructure can barely cope with heavy rains therefore any new builds will only exasperate the problem. Don't know.
16	Yes if possible. Definitely keep what we have.
17	As widely as possible.
18	Where-ever they can be fitted - at cul-de-sec areas of estates such as Brackenwoods, Jubilee and Elisabeth. Along footpaths, where grass verges and small fruit trees could be planted or re-instated.
19	In green spaces Whitby's Plantation where they kill hedgehogs and anything that reduces pheasant numbers.
21	I would like to access Peddar's Way via a footpath
22	Woods near corner of Chantry Lane & Town Farm
23	There are some "light" green areas shown on the map. Could landowners be encouraged to give "permissive" entrance to this land?
24	As above At the moment sufficient, but will need more as the village expands
26	They would all have to be on the edge of the village
27	FIELD NEXT TO ERNE FARM DEVELOPMENT - ALLOTMENTS AND WILD FLOWER MEADOW 100M STRIP ON WEST SIDE OF RAMMS LANE
28	WITHIN A 2 MILE RADIUS OF VILLAGE CENTRE AND AGAIN AVAILABLE TO THE PUBLIC
29	I HAVE ANNOTATED THE MAP (land between town farm development and hale road - editor). I DO NOT BELIVE ANY OTHER LAND AROUND THE VILLAGE EITHER PUBLIC OR PRIVATE SHPOULD BE GIVEN OVER TO DEVELOPMENT, Surrounding the village
31	NORTH PICKENHAM ROAD
32	ANY SPACE AVAILABLE
33	potential housing sites, eg opposite new builds on Mill Street
34	Very difficult with all the building going on in the village! If possible
36	Ramms Lane / Hale Road
37	WE USE ALLOTMENT AREA EVERY DAY + THE WALKS AROUND IT
38	DO WE NEED ALL THE SPACE GIVEN TO FOOTBALL PITCHES?
39	SOMEWHERE NEAR TO SPORTS AREA/OR WHERE LAND CAN BE OBTAINED SUFFICIENT AT PRESENT AS VILLAGE EXPANDS - MAY NEED MORE BY NEW BUILDS

## 42. Do you think we should have more green spaces?

41	GREEN SPACE FOR PLAYING NEAR NEW HOUSING ON NORTH PICKENHAM ROAD
42	LAND NEAR ERNE FARM DEVELOPMENT
43	It would be great if any residential infilling in the area behind Brackenwoods & Chantry Lane included green space. There is a clear dearth of green space in the whole area between School Rd, Hale Rd and Ramms Lane relative to the rest of the village.
44	I THINK THERE ARE ENOUGH GREEN ARERAS FOR EVERYONE TO ENJOY
45	ideally, within the housing/built up areas and also on the outskirts of the village. Maybe when infilling planning applications come in - spaces set aside for open green spaces could be a consideration as part of the planning. There is already a nice tree-lined avenue off Chantry lane to the Town Farm development. Maybe the field to the south of it (which on the map has a green space marked in the middle of it could be opened up to join the avenue and be a good walking space?
46	WITH PLANNING RESTRICTIONS THE BUILDING OF MORE HOUSES FOR FUTURE, THE PARISH COUNCIL NEEDS TO INFORM WHERE IT MAY BE POSSIBLE.
47	HALE ROAD OPPOSITE KINGFISHER DRIVE
48	There is very little scope for green spaces within the village.
49	I THINK GREEN SPACE IS IMPORTANT FOR THE ENVIRONMENT BUT WOULD'T KNOW WHERE.
50	ANYWHERE TO PREVENT FURTHER BUILDING
51	LAND ON SCHOOL ROAD BETWEEN CHURCH AND SCHOOL. OLD SCHOOL PLAYING FIELD 'CENTRAL'
52	THE FIELD BOUNDED BY SCHOOL ROAD THR SCHOOL FIELD RECREATION GROUND AND CHURCH ROAD. PLANTING TREES ON THUIS SITE AND THE CREATION OF A VILLAGE GREEN. NEW FOOTPATH FROM RECREATION GROUND TO THE SCHOOL COULD PASS THROUGH THIS AREA.
53	HA HA ON "BROWN" SITES ONLY
54	PRESERVE THE ONES WE HAVE, WHEN NEW ESTATES BUILT GREEN SPACES SHOULD BE INCLUDED
55	THERE IS A GOOD AREA BEHIND KINGFISHER DRIVE A PARK OR GREEN AREA THERE WOULD BE ACCESSIBLE FROM BOTH KINGFISHER AND JUBILEE SO JOIN BOTH.
56	WITHIN NEW HOUSING DEEVLOPMENTS WITH SEATING
57	REPLACE EXISTING GARAGES ON HALE ROAD (WHICH ARE AN EYESORE)
58	ANYWHERE WHERE THEY WOULD IMPROVE THE AREA
59	NEXT TO THE RECTORY
60	Convert the former first school site into a green space for residents. Turn any existing vacant (undeveloped) plot into a communal green space.
61	Anywhere available.
62	TO THE SOUTH OF VILLAGE
63	SMALL FIELDS IN HALE ROAD/RAMMS LANE
64	Anywhere
65	Area between school and church to create a village centre (village green)
66	A green space beside a new car park between the village and school with pond and picnic area to create a village green
67	I would love more green spaces but not sure where to put them
68	The land outside on the left and right on your way out towards Holme Hale

## 42. Do you think we should have more green spaces?

69	In and around the village
70	At the south or south west of the village
71	New developments need to provide green space (which I think is required when granting planning)
72	I would like more footpaths
73	THERE SEEMS TO BE A LOT OF UNUSED FIELDS (HALE RD/ RAMMS LANE AND OTHERS, CAN'T SOME OF THESE BE MADE USE OF.
74	FIELD BETWEEN HALE ROAD AND RAMMS LANE
75	IN AND AROUND THE RIVER WISSEY AND ALONG THE ALLOTMENTS
76	Not sure
77	Where
78	When new housing developments are built.
79	WOULD VATTENFALL FINANCE PURCHASE OF LAND FOR VILLAGE FOREST - ABOUT 4 ACRES? WISSEY FLOOD PLAIN OFF HALE ROAD
80	NOT SURE JUST KEEP WHAT WE HAV
81	Use the land where the old Infant School is and turn this into a green space
82	As much green space as possible - I would love it if the area of the old first school could have been used as a village green space (but I understand why that would not be possible).
83	Just stop more housing
84	I'M NOT SURE WHERE BUT I'D LOVE A FISHING LAKE BUT I DON'T THINK THATS POSSIBLE TO JUST BUILD
85	I don't think it is possible, it is all privately owned and being sold to developers
86	AROUND THE OUTSKIRTS OF THE VILLAGE WHEREVER SPACE IS AVAILABLE
87	<p>The field behind the church to become multi use, some hard standing for regular church use and more traditional village green layout.</p> <p>The field with natural pond directly south of Erne Farm, this already is a beautiful wildlife area that could be managed better with perhaps limited public access to say a viewing platform and fenced path to give better access to the allotments. (and to River walk)!</p> <p>The fields north of the river Wissey to have river walkway/ footpath to make a fantastic river side path linking Browns Lane with Hale Road and in tern Ramms Lane and School road providing a wonderful circular village walk linking playing fields, social and community halls, school, church, shops, and allotments and off lead dog area.</p>
88	ON SURROUNDING FIELDS RATHER THAN MORE HOUSES
89	WHITBYS PLANTATION
90	Opposite the school
91	In the heart of the village which doesn't look possible.
92	Off Hale Road and behind the Heron Way and Kingfisher Close and behind Elizabeth Drive.
93	Between the village and A47 Around the village
94	Where the new houses are going to be built!
95	Stop building
96	It would be nice but I would rather we kept teh once we have to maintain the well being of the village life
97	see next section
98	No idea

## 42. Do you think we should have more green spaces?

99	Site/land on School Road .....land behind Brackenwoods should be protected as green land with trees around its perimeter. The village needs to get the farmers on the same wavelength
	Where possible
101	Wherever available
102	as above
103	RAMMS LANE AREA WOULD BE GOOD
104	THE LAND LEFT AND RIGHT AS YOU LEAVE NECTON FIELD NEXT TO CHURCH/RECTORY/SCHOOL
106	KEEP CHURCH FIELD AS A GREEN SPACE. FIELDS OFF OF RAMMS LANE
107	ON THE OLD SCHOOL SITE
108	IF POSSIBLE THE FIELD BETWEEN THE SCHOOL AND RECTRY NEXT TO THE CHURCH WOULD MAKE A LOVELY VILLAGE GREEN ALSO ALLOW FOR A PATH TO SCHOOL FROM A PARKING AREA
109	POSSIBLY EXTEND PLAYING FIELD EASTWARDS? BEHIND THE HOUSES IN CHANTRY
111	OPPOSITE THE SCHOOL
112	BUT YOU ARE RUNNING OUT OF SPACE WITH PEOPLE KEEP BUILDIG HOUSES
113	THE PLAYING FIELD ARE EXCELLENT GREEN SPACES ALREADY
114	LIKE A DOG FIELD WOULD BE NICE Where can we have them so built up.
116	Opposite school
117	NORTH PICKENHAM ROAD TOWARDS THE RIVER WISSEY. AROUND ALLOTMENT AREA. HALE ROAD TOWARDS RAMMS LANE AND AROUND THAT AREA
118	WE ARE WELL SERVED BY WALKING OUTSIDE THE VILLAGE
119	IT SEEMS IF THERE ARE GREENSPACES THEY WASTE NO TIME BUILDING ON THEM OPEN SPACES ARE ESENTIAL FOR WELLBEING
121	FARM LAND NEAR THE CHURCH ON SCHOOL ROAD AND A POND AND PLANT TREES AS WELL
122	ANY SPACES AVAILABLE
123	THE OLD SCHOOL
124	WHITBYS PLANTATION
125	Adjacent Rams Lane
126	The field between the vicarage and the school, could that be a village green and maybe parking for church
127	No specific area
128	But don't see any spaces left
129	Space should be left on all new build areas Old first school field / community garden / picnic area
131	UNFORTUNATELY TAKEN FOR HOUSING
132	WALKS ALONG THE RIVER WISSEY

## 42. Do you think we should have more green spaces?

133	ERNE FARM WOULD HAVE BEEN A GREAT SITE AT THE BACK OF THE WAR MEMORIAL - SO PEOPLE CAN REFLECT.
134	THE FIELD LINKING SCHOOL ROAD WITH TEH P[LAYING FIELD MARLPIT?
136	BUT NO MORE NEW HOUSES NEEDED
137	BROWNS LANE - NEW ESTATE - AS PROMISED
138	PEDESTRIAN ACCESS ALONG PICKENHAM ROAD IS INADEQUATE. IF IT COULD BE IMPROVED THE FILED + ALLOTMANTS WOULD BE A BETTER ASSET
139	FIELDS TOO IMPORTANT FOR GROWING CROPS TO USE AS GREEN SPACES By keeping the village as small as possible and stop all new building developments
141	ANY NEW HOUSING DEVELOPMENTS SHOULD HAVE GREEN SPACES PLANNED IN THEM.
142	Next to Erne Farm
143	New to the area so not familiar yet
144	The old school field opposite main school, which is currently down for houses, currently not maintained, is an eyesore. OLD 1ST SCHOOL
146	WHEREVER FEASIBLE
147	NEW DEVELOPMENTS SHOULD INCLUDE GREEN SPACE
148	THEY NEED TO BE ROUND THE PERIMETER OF THE VILALGE, LINKED BY A SERIES OF FOOTPATHS. I BELIEVE NECTON HAS LOST FOOTPTHS OVER THE YEARS. CYCLE PATHS WOULD EB GREAT FOR YOUND AND OLDER PEOPLE.
149	IT IS DIFFICULT TO SAY AT THE MOMENT, BUT WILL BECOME MORE IMPORTANT AS LARGE NUMBERS OF HOUSES ARE BUILT EG ERNE FARM DEVELOPMENT 1) OLD SCHOOL SITE 2) BETWEEN BRACKENWOODS AND RAMMS LANE
151	Wherever a site is available
152	Where they will be available to easily enjoy
153	You can never have too many but no sure where, and to be fair we are surrounded by countryside.
154	As circled on map (green areas surrounding heron way, jubilee way). This could be a fantastic environment for wildlife which is so important today. Its an area which could attract a variety of birds and mammals, something farmland fails to do. North Pickenham Road by allotments
156	Keep and look after the ones you have got.
157	North Pickenham Road by allotments
158	Towards Ramms Lane. Somewhere safe to let dogs off lead
159	Wherever possible If possible
161	North Pickenham Road
162	We would but the keep building houses
163	At top of Tuns Road by A47, off St Andrews Lane
164	East and west of village

## 42. Do you think we should have more green spaces?

165	On the east side of the village
166	(Marked with an X on the map) The fields between the church and school
167	These have unfortunately been sold off ie bottom of Hale Road / junction of Chantry Lane - poor insight on doing so for short financial gain.
168	The first school site?
169	At the edge of the village
170	By river wissey if not farming land
171	Off Ramms Lane
172	Ketts Hill, in the old sand pit what we used to call 'The Hills'
173	Dont know
174	School Road and do up old school as village hall.
175	?
176	The old school playing field should have been a green space not developed like everywhere else. Everywhere we could have had a green space has been built on over the last 20 years.
177	Opposite the school on land where the old school is falling down, an eyesore and waste
178	At the entrance to the village from A47
179	Anywhere and everywhere
180	Somewhere central to village, to form a focal point
181	Hard to say, random 'green' + 'wild' areas in the form of large gardens and small fields lend to a rural feel but most of these have been built on.
182	Part of the old site of the first school
183	Field off Ramms Lane and backing off houses in Chantry Lane
184	I would love to see a general tree planting scheme in the village. Where are all the trees?

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

If YES, where do you suggest it could be sited? (251)

1	On the old 1st school land
2	Instead of building houses opposite the school use the area of the old school as a community hub for youth clubs, cafe, a village pond etc
3	Obvious place is near the Community Building or by the rec, alternatively in North Pickenham Road where possible.
4	See answer to question 42
5	between the church and school in school road. Access would also be possible from the playing field /sports social club.
6	It's difficult as it would be on one of the outer edges of the village, purely due to space within the centre of the village.
7	Could the recreation field be extended so that joins the church and school.
8	WHERE THE DISUSED SCHOOL BUILDING IS. ASK ONE OF THE LOCAL FARMERS TO DONATE A SECTION OF FIELD BECAUSE IN TIME THE VILLAGE WILL GET BIGGER AND A LOT OF THE LAND MAY GET BUILT ON. FIELDS ALONG THE TUNS ROAD AT THE BACK OF BRACKENWOODS PERHAPS COULD BE USED AS A VILLAGE GREEN, PICNIC AREA.
9	Walkable for residence with seating, possibly small cafe/ hut to buy a cuppa, drink, even if open restricted times. Pavements are very uneven and troublesome for people with walking issues or wheelchairs
10	see answer 42
11	A village green would be wonderful - however location is a challenge. There seem to be some unused buildings and land opposite the school which could potentially be viable.
12	Maybe somewhere near the current recreation ground
13	There appears to be nowhere central where this could be provided - the only option might be land around the recreation ground but I don't know what's available or if this belongs to the school
14	Re design the play area- improving the facilities for children age 5 plus. in doing so in the re design incorporate a pond or picnic area. A community area
15	Wherever there is space. It's concerning the permissive paths, near Ivy Todd, that so many dog walkers use, are not protected or guaranteed. They could be given village green status.
16	? The meadow between school road and the sports field
17	No idea.
18	Perhaps within a conservation area which would further protect that area.
19	Unfortunately everywhere suitable is built on.
20	School Road.
21	Not lived here long enough to suggest.
22	The development of Necton didn't radiate from a central point and there was no consideration of creating such a point when the Mason Estate was sold off the the highest bidders. Perhaps finding a single central

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

	<p>point may be too challenging now as the village has 3 nuclei - the main one being Tunn's/Hale Road and area to the east; the second being the Pickenham Road area and third being the area north of the A47. Perhaps building on from the existing recreation grounds, extending into the Diocese land and linking to School Road would provide a place that is accessible and most central.</p> <p>Whilst it would never be a village green by traditional definition, the emerging community woodland off Kett's Hill - with a future footpath not far from the school - could be a space with pond, picnic area, seating, dappled meadow, etc. A place for many activities and outdoor performances of the arts. It is nestled between St Andrew's and Kett's Hill, making it a hyper-local central place.</p> <p>Another location should be found on the Pickenham Road side that would have a similar 'hugged' feeling, thereby balancing between both sides. Ideally, adjacent to the current development, there's a wetland that could provide a different environment for local enjoyment.</p>
23	Don't know
24	Between the burial ground and the school. The church commissioners are another body that raped the village when the Hall was sold.
25	Field next to Rectory or Old Swimming Pool and area.
26	Difficult!! It would need to be attached to the existing playing / sports field to be of most amenity value.
27	The old school playground + field
28	That would be the decision of the local council - re - planning permission!
29	Unfortunately, that is the issue Seems nowhere is suitable.
30	It would never be the centre of the village so would it get the care / use the purchase would be profitable
31	Laugh joke
32	Opposite the school on that awful site
33	FIELD BETWEEN RECTORY AND SCHOOL
34	AQUISITION OF THE FIELD BETWEEN THE SCHOOL AND PLAYING FIELD. WITH HINDSIGHT THE AREA ONCE OCCUPIED BY TE 1ST SCHOOL COULD HAVE BEEN BETTER UTILISED FOR ALL BUT SADLY WILL BE ANOTHER BLOODY HOUSING AREA.
35	Part of the playing field
36	Close to town centre
37	I understood it was to be included in the new development of Erne Farm
38	NEAR THE A47 ENTRANCE TO ENHANCE LOOK
39	AT THE ENTRANCE TO THE VILLAGE TO ENHANCER APPEARANCE
40	DON'T KNOW, EVERYWHERE IS BUILT ON.
41	TRAIANGULAR PIECE OF LAND (OFTEN SET ASIDE) ON CORNER OF ROAD TO IVY TODD
42	Difficult to say, so many houses now we are running out of green spaces
43	No idea
44	Where adult fitness area is in playing field
45	Near play area
46	Anywhere in he centre
47	Ramms Lane / Hale Road
48	Not sure.
49	NATURAL POND IN FIELD NEXT TO ERNE FARM WHICH HAS MUCH WILD LIFE

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

50	SEE QUESTION 41 YES PLEASE
51	WITHIN WALKING DISTANCE OF THE VILLAGE SO LOCALS CAN ACCESS
52	NO PRACTICAL VILLAGE GREEN. NEEDS TO BE AT THE CENTRE OF THE VILLAGE
53	OLD SCHOOL BUILDING COULD HELP WITH CURCH PARKING TOO
54	FIELD BETWEEN RECTORY AND SCHOOL
55	Perhaps in the area between Brackenwoods and Ramms Lane. It could perhaps also help some of the drainage issues by having a pond?
56	ENHANCE THE EXISTING REC GROUND
57	GOOD QUESTION
58	Despite this being difficult to achieve. This would be so beneficial and future-proofing for the next generations. I wonder about buying up a closed business like the Garages and bungalow for sale in Tuns Road near the Costa or the Old School grounds on School Road? I'm wondering if possible future funding from Vattenfall for environmental projects could help. The other possible location could be off the Brackenwoods estate that backs onto fields and has good road access. I don't know if it's still available but if the old school location was possible. The school building itself could be repurposed and rented out as small business units for the village that could be used for art workshops and studios/ small local businesses etc.
59	IELD NEAR PARK
60	WITH PLANNING RESTRICTIONS THE BUILDING OF MORE HOUSES FOR FUTURE, THE PARISH COUNCIL NEEDS TO INFORM WHERE IT MAY BE POSSIBLE.
61	THE EXISTING FACILITIES PROVIDE ROOM FOR PICNICS
62	The land between the Church and the School,
63	MARKER ON MAP - BETWEEN RECTORY AND SCHOOL NECT TO EXISTING PLAYING FIELD.
64	THE DIUSED SCHOOL SITE
65	OLD SCHOOL PLAYING FIELD AS ABOVE IT'S FULL OF WILDLIFE
66	NOT SURE IT IS POSSILE. IT WOULD BE LOVELY TO PROVIDE BENCHES AROUND THE VILLAGE FOR THE ELDERLY TO HAVE A REST & ENJOY THE P[LACE TOO
67	THE FIELD BOUNDED BY SCHOOL ROAD THR SCHOOL FIELD RECREATION GROUND AND CHURCH ROAD. PLANTING TREES ON THUIS SITE AND THE CREATION OF A VILLAGE GREEN. NEW FOOTPATH FROM RECREATION GROUND TO THE SCHOOL COULD PASS THROUGH THIS AREA.
68	IMPOSSIBLE TO ESTABLISH NOW TOO MUCH BUILDING DEVLOPMENT GOING ON
69	VERY DIFFICULT ALL LAND IN MIDDLE OF VILLAGE ALREADY DEVELOPED . OLD SCHOOL PLAY FIELD BUT WHERE DOES MONEY COME FROM TO PURCHASE
70	MORE CENTRAL, POSSIBLY ON PICKENHAM ROAD
71	ALLOTMENTS AREA ON NORTH PICKENHAM ROAD/BROWNS LANE INCOROPRATING RIVER WISSEY
72	NECTON IS AS IT IS, WHY KEEP CHANGING IT
73	BEHIND DOCTORS
74	MAYBE MAKE USE OF THE OLD CHOOOL THAT JUST SEEMS TO HAVE BEEN LEFT OVERGROWN AND ABANDONED (OPPOSITE NECTON PRIMARY SCHOOL)
75	NEXT TO THE RECTORY
76	IS ANY LAND AVAILABLE NEAR THE COMMUNITY CENTRE? IT WOULD BOOST THE SPORTS AND SOCIAL CLUB.

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

77	South of North Pickenham Road—there is plenty of space and close to the river/creek. The bridge/creek area could be better developed, cleaned, and a nice attraction to any picnic area. This would significantly enhance the appearance of the village from the south entrance.
78	Think this is real lack in the village, it doesn't seem to have a 'heart'.
79	SOUTH OF THE VILLAGE
	OLD SCHOOL SITE IN SCHOOL ROAD
81	Ramm's Lane?
82	Anywhere
83	Between church and school
84	Between the church and school
85	Maybe on one of the fields just by the trod
86	Extend the recreation ground around behind the church. Families with young children already picnic at the play area so expanding that would not only make it more of a focal part of the village but would also expand the influence of the sports and social club and the church.
87	By the recreation ground
88	SCHOOL ROAD, GREEN SPACE
89	DEPENDS WHERE IT IS
	Field between school field / church yard and recreation ground
91	Needs to be sited close to the community centre & sports fields, possibly along from the school nearer to the church.
92	The field between the school field and the church yard and the recreation ground
93	FIELD BETWEEN HALE ROAD AND RAMMS LANE
94	IT WOULD NICE TO HAVE IT AS AN ADDITION BUT I ALSO THINK WE HAVE A LOT TO OFFER ALREADY- MAYBE THE OLD SCHOOL AS A GREEN AREA NEEDS TO BE DOG FRIENDLY
	Don't know all areas of the village to comment
96	WHERE THE OLD JUNIOR SCHOOL WAS GOOD FOR CHILDREN TO HAVE OPPOSITE SCHOOL
97	POSSIBLT MOVE SPORT AREA AND CLUB, RELOCATE IDEALLY VILLAGE GREEN SHOULD BE NEAR THE CHURCH
98	Not sure
99	NEAR AS POSSIBLE TO VILLAGE CENTRE
	NO WHERE OBVIOUS DON'T TOUCH SPORTS FIELDS
101	The disused and run down old school
102	School Road - field between the church and school
103	Would be nice but not sure where as land is owned by people already and houses everywhere. Maybe old school site.
104	Shame the area by old school could not be used
	TOILETS ESSENTIAL - VANDALISM. PONDS HAVE TO BE FENCED FOR CHILD SAFETY
106	SUCH AN AN AREA IS LIKELY TO ATTRACT VANDALISM AND WOULD REQUIRE CONSTANT CLEANING & MAINTENANCE FOR SAFETY & HYGEINE PUPOSE
107	NOT SURE

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

108	VILLAGE LACKS A CENTRE + A GREEN CUOLD HELP PROVIDE THIS
109	A VILLAGE GREEN SHOULD BE NEAR THE CENTRE OF VILLAGE UNLIKE THE PLAYING FIELD NEAR A47. THE OLD SCHOOL PRPOERT WOULD BE IDEAL AS A VILLAGE GREEN AND LARGE CAR PARK
	REAR OF CHURCH TOWARD NEW SCHOOL
111	FIELD BETWEEN CHURCH AND SCHOOL
112	HALE ROAD ON THE LEFT JUST BEFORE RAMMS LANE
113	HALE ROAD ON LETF JUST BERFORE RAMMS LANE
114	Near allotment area
	If located in a sensible area and is well maintained it would be good - an information board with local history would be a nice addition.
116	Sorry, no idea.
117	AS LONG AS IT'S A FISH POND WITH NICE BIG CARP
118	There isn't anywhere except the sports field
119	Attached to playing field
	IN THE AREA WHERE THE CLOSED SCHOOL IS
121	On site of old school
122	Behind the church with some parking for disabled, children etc with a larger car park for events at the old school site. Which could also be used for the village school events. etc
123	I'VE NO IDEA WITH ALL THE BUILDING GOING ON
124	Near the community centre
	ADJACENT TO THE VILLAGE HALL CAR PARK BOUNDARY TO THE DRAIN AND SCHOOL ROAD BOUNDARY
126	Opposite the school
127	DIFFICULT TO SAY
128	NOT SURE OF SURROUNDING AREA BUT DOWN BOTTOM OF N PICKENHAM ROAD
129	SOUND IDEA, BUT THE PRACTICALIES
	?
131	Near the sports area
132	NOT! Adjacent to earn farm development
133	You tell me, the original one has bungalows on!
134	The facilities that we have already meet the needs of the village, and we have teh play area and sports field if needed
	off The Follies
136	Not sure
137	Use some of the sports area
138	Not sure where you could put it
139	No idea
	Area as mentioned in 42 above is probably the only option left.

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

141	Sorry, do not know Necton well enough
142	But where?
143	Don't know
144	Somewhere central in the village
	LOVELY IDEA BUT NOT PRACTICAL
146	IT SHOULD BE IN THE CENTRE OF THE VILLAGE - PERHAPS NEAR THE CHURCH
147	FIELD NEXT TO CHURCH/RECTORY/SCHOOL
148	I DO THINK IT WOULD BE NICE BUT DON'T THINK THERE IS AN OBVIOUS SPOT. THE SPORTS FIELD SHOULD BE KEPT FOR SPORTS.
149	A VILLAGE GREEN WOULD NEED TO BE CENTRAL TO THE VILLAGE. SUGGEST THE SPORTS GROUND BE MOVED TO ANOTHER AREA LESS CENTRAL AND ADOPT THE SPORTS FIELD FOR A VILLAGE GREEN.
150	IF POSSIBLE THE FIELD BETWEEN THE SCHOOL AND RECTRY NEXT TO THE CHURCH WOULD MAKE A LOVELY VILLAGE GREEN ALSO ALLOW FOR A PATH TO SCHOOL FROM A PARKING AREA
151	FIELD TO THE EAST OF THE PLAYING FIELD
152	IN FRONT OF PLAYING FIELDS
153	OPPOSITE THE SCHOOL
154	IT WOULD BE LOVELY, THE ONLY PLACE I CAN THINK OF WOULD BE WHERE THE OLD SCHOOL WAS.
155	THE SPORTS AREA AND IT'S LOCATION ALREADY GIVES THE APPEARANCE OF A VILLAGE GREEN. TRYING TO CREATE ONE WILL NOT WORK. THE IDEA OF A VILLAGE GREEN IS NOT NEEDED ENHANCE THE PLAYING FIELD INSTEAD
156	UNSURE BUT PART OF TE FOOTBALL GROUND ALTERED
157	OLD SCHOOL?
158	Good question
159	The village hall field works perfectly well
	As near the church as possible
161	Opposite school site / disused swimming pool
162	Opposite school
163	No idea - would help to keep a village 'feel' - amongst all the new guilds
164	Sports & Social Club area
	Erne's farm
166	If the parish council stop agreeing to new building, there would be space for a village green!
167	However realise finding a suitable place would be difficult.
168	THERE IS ALREADY A PICNIC AREA ON THE RECREATION GROUND. SINCE THE CLOSURE OF "ERNE FARM" WITH SUSEQUENT BUILDING, LARGE AMOUNT OF WILDLIFE WAS DISAPPEARED EG BARN OWL, BATS, FIELD FARES, REDWINGS NO LONGER ARRIVE IN THE CONNECTING FIELDS HERONS AND ORANGE FOOTED GEESES ONCE THRIVED IN THE FIELD WITH POND AND FALLOW DEER
169	DEPENDS ON WHERE AND WHAT

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

170	WHERE THE OLD SWIMMING POOL IS OPPOSITE THE SCHOOL
171	ANYWHERE THERE IS A LARGE ENOUGH SPACE TO PROVIDE FOR FAMILIES TO PICNIC ON INSTEAD OF BUILDING HOUSES
172	REPLACE THE SPORTS AREA - THIS IS NOT AN ESSENTIAL FACILITY FOR ALL RESIDENTS. MOST USERS ARE NOT EVEN FROM NECTON!
173	THE OLD SCHOOL
174	Unsure as I don't know the village that well
	Off Browns Lane
176	Use the sports field
177	Between the Rectory and the school (also include car parking for church and school)
178	Ramms Lane
179	The field between the vicarage and the school, could that be a village green and maybe parking for church
	St Andrews Lane
181	Infant school site? No obvious central location - tucked away it would be open to misuse
182	Not easy as needs to be central
183	Old school field
184	No - a village green would normally be in centre of village.
	BETWEEN HALES ROAD AND NORTH PICKENHAM ROAD SOUTH OF THE VILLAGE NEAR THE RIVER WISSEY
186	THERE WAS A POND IN A FIELD BETWEEN ERNE FARM AND THE BRIDGE IN NORTH PICKENHAM ROAD
187	THE OLD FIRST SCHOOL PLAYING FIELD
188	NEXT TO RECTORY
189	NEAR THE SCHOOL/RECTORY
190	USE SOME OF THE FOOTBALL FIELD
191	RAMMS LANE THE WAY WOULD HAVE TO BE MADE SAFE FOR PEDESTRIANS. IT COULD BE MADE ONE WAY FOR VEHICLES. ALSO WITH ACCESS THROUGH TO CHANTRY LANE
192	DON'T KNOW WHERE
193	AS CLOSE AS POSSIBLE TO THE CENTRE OF THE VILLAGE
194	A VILLAGE GREEN IS A FOCAL POINT OF MANY VILLAGES, WE'VE NEVER HAD ONE AND THERE IS NOWHERE TO LOCATE ONE IN THE CENTRE OF THE VILLAGE
	The old school site
196	Not very familiar with the area so difficult to comment
197	Between School Road & the sports field on the farm field next to the church house
198	The old school field opposite main school
199	On the old first school site
	Sounds nice but don't know where it could be situated
201	OPPOSITE SCHOOL ON THE DERELICT SITE

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

202	MAYBE ON THE HALE ROAD WHER THE OLD GARAGES ARE OR ONE OF THE FILELD OFF PICKENHAM ROAD ON WAY TO ALLOTMENTS
203	WHERE THE OLD 1ST SCHOOL WAS, BUT MOW PLANNING FOR HOUSING GRANTED THAT IS OUT OF TEH QUESTION
204	TOO LATE NOW AS COUNCIL HAVE ALLOWED BUILDING ON EVERY AVAILABLE SPACE EG 1ST SCHOOL FIELD
	NEEDS TO BE IN CENTRE OF VILLAGE. ONLY POSSIBILITY SEEMS TO BE THE FIELD IN SCHOOL ROAD BETWEEN SCHOLL AND RECTORY
206	FIELD NEAR THE SCHOOL BEHIND THE CHURCH THERE IS VERY LITTLE SPACE CENTRALLY ELSEWHERE.
207	IS THERE A CENTRAL AREA TYAT CAN BE USED?
208	OLD FIRST SCHOOL SITE
209	SOMEWHERE CENTRAL
	NEVER GOINGVTO HAPPEN SO WHY ASK? THE FIELD NEXT TO THE RECTORY OR OLD SCHOOL SITE
211	Not sure!
212	No idea
213	Possibly the space by costa shop (Q3) which is reasonably close to community hall parking
214	It would be a great idea for families
	St Andrews Road
216	St Andrews Road
217	Where the play area is big enough, more picnic tables and a built barbecue
218	It needs to be on a main road and visible
219	Near by the allotments?
	Don't know the village well enough to know
221	Browns Lane
222	We already have picnic tables and parking We don't need the upkeep of a pond
223	Somewhere acceptable to all
224	Either the pit or on Hale Road or down Ramms Lane
	Between the school and church
226	No we have a nice field, where would you put another one.
227	The green space off The Follies
228	Utilise car park and part of sports ground close to village hall - relocate existing parking area into sports ground
229	I cannot see any suitable area larger enough. A new area would need to be created, possibly near the sports grounds
	Its.a shame you couldn't place it where the old school is.
231	Marked with an X on the map. (The fields between the church and school)

### 43. A Village Green for Necton?

Do you think that a village green, possibly with picnic area, parking and a pond, would enhance the appearance of the village?

232	It would be lovely but clearly is not at all practical as no such space is available at the centre of the village. We do find these questions to be quite ridiculous as it is not something you can offer.
	Part of existing playing field was originally open and beautiful but now fenced and ugly. Edge of village in Hale Road only option - people use trod so nice green area would be ideal and create lovely impression of village
242	?
	Exactly where! It could have been at the old School play area ! Somewhere families could meet after school and holidays !
246	Field next to school
	Very difficult, the heart of the village has in recent decades been built up, maybe on the field behind the football pitch

If NO, what additional routes can you suggest? (143)

1	Wherever we can get permission for.
2	There is a need for safe footpaths due to the traffic in the village I can only suggest meeting with local landowners
3	There is a definite need for safe footpaths in and around the village as traffic is ever increasing with the constant building of additional housing. In some parts there are no pavements to walk safely with dogs or children therefore it is important to have safe places off the highway to walk. I appreciate that most of the land surrounding the village is farmland and am grateful that some permissive footpaths are available to walk on but would like more.
4	Any available - for more dog walks
5	routes that go somewhere not just in a short circle. Woodland walks ( Whitby's plantation or Necton woods area maybe, follow the Wissey?)
6	WE NEED A FOOTPATH TO HOLME HALE AND SWAFFHAM
7	Not walked any of them
8	Necton to Swaffham. Getting through Spratts Farm is the problem but after that the Peddars Way can be accessed.
9	The permissive foot paths (especially those between Ivy Todd and Necton) are so well used by dog walkers, walkers, joggers, riders - losing these would have such a negative impact on the health and mental welfare of numerous residents. The roads are too narrow to use safely - if the grants end, can alternative funding be sourced to ensure the permissive paths are retained?
10	A circular route to/from Holme Hale where you didn't have to walk in the road would be lovely
11	There are very few circular routes you can do to either holme hale or Ivy Todd
12	I go running on the roads and they can be a nightmare! Along St Andrews Lane there are fields but we have to run/walk in the road. A footpath there would improve safety and make journeys easier for drivers. Also protecting the permissive pathways should be a priority.
13	Anywhere that is safe and pleasant to walk is especially important to enhance any village. Lockdown has only highlighted this need and perhaps it is more important to recover footpaths than ruin the village with more housing stock and turning it into a town.
14	Ability to walk to Swaffham or Fransham
15	Getting further day to Swaffham
16	Don't know.
17	Path from Necton to Holme Hale.
18	The car park by the park / Community Centre <-> school, to prevent congestion and improve safety for children going to and coming from school. Plus from Hale Road, Necton into Hale Road, Holme Hale.
19	We need a safe walking route to Swaffham and that rules out any footpath along the A47, where one would need ear plugs and oxygen mask. An extension to the Hale Road road that would continue into Holme Hale, would provide a safe circular walk coming back the Pickenham Road past the allotments. Field paths are wonderful for those well accustomed to walking, but we need to think about the novice walkers and provide accessible surfaces to encourage young parents and others with reduced mobility.

## 45. Footpaths

### Are you satisfied with the provision of footpaths in Necton?

20	From Grove Lane Ivy Todd to Goggles Lane Fransham. From Tuns Rd to N Pickenham Rd via Hecton Hall farm. From Grove Lane to Spicers Corner via The Old Turnpike.
21	See question 42.
22	Lodge Lane to Fransham North Pickenham Road to Swaffham Ivy Todd to Bradenham
23	Necton would benefit from circular walking routes. Could landowners / farmers be approached to allow walking on their tracks (if not field edges)?
24	School Road to Chantry Lane - Ramms Lane - then to Ketts Hill
25	Need more footpaths / need to slow traffic currently using roads.
26	Ketts Hill
27	A circular walk of approx 10 km
28	They are not maintained by local authority
29	ALONG ST ANREWS LANE BETWEEN GROVE LANE AND KETTS HILL
30	SCHOOL ROAD - CHANTRY LANE TO RAMMS LANE AND RAMMS LANE TO KETTS HILL. WOULD BE GOOD IF CURRENT TRODS WERE MAINTAINED!!
31	Any or all
32	Ketts Hill
33	IN THE VILLAGE FOOTPATHS ARE PROVIDED BUT THE CAMBER ON THEM IS AWFUL FOR MOBILITY SCOOTERS.
34	POSSIBLY REINSTATE SOME OF THE HISTORIAL PATHS/BRIDLEWAYS CLOSED OFF. MAY LINK THEM INTO A "ROUND ROBIN" WALK. IF COFFIN ROUTES CAN BE PROVED EASIER TO REINSTATE CLOSED OFF AREAS.
35	CYCLE ROUTE TO SWAFFHAM
36	REINSTATE STOPPED UP PATHS
37	Anything that networks paths together is a good thing. Being able to re-establish some of the long walks like to Swaffham, would be great. And anything that would allow for safe crossing of the A47 would be a huge plus to walkers and cyclists.
38	KETTS HILL NEEDS A FOOTPATH/TROD WAS AGREED BY PARISH COUNCIL OVER 2 YEARS AGO TO FINANCE. APPRECIATE FINNCE - BUT IT IS THE ONLY ROAD IN THE VILLAGE WITHOUT A FOOTPATH
39	Absolutely not. There are very few walking options already. Permissive paths ceasing would be devastating. Having to drive out of the village to find a decent walk is ridiculous and terrible for the environment. We definitely need good walking options within walking distance of the village for exercise - for good mental and physical health for the villagers. May I ask the council to pursue the option of entering into a new permissive path agreement with the landowners which could perhaps be council managed? And maybe extended to new routes too?
40	I understand there used to be more footpaths around Necton. Is it possible to get any reinstated? Could farmers be persuaded to allow permissive pathways around fields such as the one at Ivy Todd/Chapel Street and Ramms Lane? It would be good to be able to walk from North Pickenham Road to North Pickenham. Also, Watery Lane at Ivy Todd has a short footpath leading to a field. Could the farmer be persuaded to allow walkers so they can get to Lower Road and Hale Road?
41	PATHS NEAR THE SCHOOL I DO A LOT OF WALKING AND IT'S MAIN ROAD AS PATHS ARE OVERGROWN AND NOT LOOKED AFTER.
42	NOTHING SAFE FOR CHILDREN FROM ST ANDREWS LANE . DISCRMINATION AS ITS A POOR AREA - NO SIGNS 'NARROWING' UNSAFE DUE TO TREE OVERGROWTH.

## 45. Footpaths

### Are you satisfied with the provision of footpaths in Necton?

	PHIL PATIENCE PARKS ON FOOTPATH!! MAKING JUNCTION HAZARDOUS FOR PEDESTRIANS AND CARS.
43	IF PEOPLE RESPECT THE PERMISSIVE PATHS HOPEFULLY THEY COULD REMAIN
44	A PATH FROM BLACK DRIFT TO THE DOG WALKING AREA AT THE ALLOTMENTS WOULD BE NICE, BUT I THINK THAT IT IS PARTIALLY IN HOLME HALE TERRITORY!
45	FOOTPATHS NEED TO LINK LODGE FARM TO TOP FARM IN FRANSHAM AND THEN COULD WALK TO BRADENHAM
46	OPEN UP THE OLD FOOTPATHS
47	MOST VILLAGES HAVE MANY MARKED FOOTPATHS. IDEALLY YOU SHOULD BE ABLE TO ACCESS ALL PARTS OF VILLAGE (EG TROD ON PICKENHAM ROAD THROUGH TO TROD ON HALE RODA)
48	CUT THROUGH FOOTPATH FROM OAKS DRIVE TO MAIN ROAD IN ANY DIRECTION
49	DIRECT ROUTE ALONG DITCH FROM BLACK DRIFT TO RAMMS LANE. RAMMS LANE TO BRACKENWOODS.
50	I THINK THAT FOOTPATHS WOULD IMPROVE SAFETY ON ST ANDREWS LANE.
51	Without the permissive paths, there would be very few places to walk, think more footpaths would be a real asset to the village.
52	ROUTE BETWEEN HALE ROAD (KINGFISHER DRIVE) TO BLACK DRIFT) AND BROWNS LANE (ALLOTMENTS/DOG WALKING AREA
53	WOULD BE GOOD TO SEE A FOOTPATH LINKING HALE ROAD WITH BROWNS LANE/ALLOTMENT AREA/DOGWALKING AREA
54	Footpath on St Andrews Lane More field walks (map annotated with suggested walk along the outside of the field between '3' and '4')
55	Marked in highlighter on map: 1. Along st Andrews Lane 2. Along track to Francham 3. From Tuns Road along A7 to Peddars Way 4. Across field near (or to) footpath 11 to track to Francham
56	Could we add more trod towards Holme Hale?
57	Needs more
58	The village is not connected by footpath with anywhere else. It is important to have footpaths that link to Holme Hale and Ivy Todd. A long term aim should be to link to Swaffham by footpath.
59	Need a footpath to Holme Hale
60	THE TRODS ON BROWNS LANE NEED MAKING INTO FOOTPATHS TO STOP CARS AND LORRIES USING THEM PLUS MAKING THEM WHEELCHAIR FRIENDLY
61	Re instatement of paths from Necton to Swaffham & Little Fransham
62	i would like more footpaths, around fields like in Holme Hale
63	BUT I DON'T WALK VERY MUCH
64	OPENING MORE FOOTPATHS/ BRIDLEWAYS WOULD BE GOOD
65	OPENING UP MORE FOOTPATHS/BRIDLEWAYS WOULD BE GOOD
66	It would be nice to have more paths between local villages where we did not have to walk along roads. It would also be awesome to have a path wide enough that we could ride bikes safely
67	I would like more footpaths between Necton and local villages to allow more places to walk from the village. I would love to have a path like "Stan's Walk" in Watton - this is a tarmac track between Watton

## 45. Footpaths

### Are you satisfied with the provision of footpaths in Necton?

	and local village which allows a safe place for children and adults to cycle, walk and run. I am sure that a path like this locally would get a lot of use.
68	I FEEL THERE SHOULD BE A PATH ON THE SAME SIDE AS THE CHURCH DOWN SCHOOL ROAD. THANK YOU
69	I don't know
70	EXTEND NO 8 AND 9 OPEN UP NECTON COMMON
71	Ketts Hill and St Andrews Lane
72	From Chantry Lane to Ketts Hill.
73	Part of the fields south of Ernes farm to the river Wissey and then along the river Wissey from Browns Lane to Hale Road.  Another behind the church to connect School Road with the playing fields.  Footpath to Swaffham would be awesome but would need to be multi use for push bikes and electric bikes
74	Trods have degraded and North Pickenham one is dangerous in places
75	FROM FOX COVERT TO BLACKDRIFT PASSING NECTON COMMON
76	Necton to Swaffham
77	More access to unused fields in Browns Lane / North Pickenham Road
78	Through route via the Follies and Necton Hall to Swaffham
79	Path down Browns Lane to allotments should be improved.
80	Provision of the present must be looked upon as a minimum.....increase the number of footpaths around field perimeters .....again get the farmers onside.  Village field pathways ??
81	Everywhere where possible
82	Routes needed to be put anywhere land is available to convert to a footpath. A circular route somewhere would be perfect.
83	ACCESS SOME OF THE FIELDS
84	A CIRCULAR ROUTE VIA THE FOLLIES & ERNE FARM. A ROUTE VIA NO 8 THROUGH TO LOWER ROAD.
85	WELL DONE FOR GETTING THE TRODS
86	I AM A CYCLIST SO ONLY USE LOCAL ROADS ( BUT ALL OLD FOOTPATHS SHOULD BE KEPT FOR RAMBLERS)
87	UNSURE BUT CURENRY TKY USED AS A CONSTANT CUT THROUGH BY DOG WALKERS WHO SOME SHOW NO RESPECT TO PEOPLES PROPERTIES.
88	Farmers have discouraged / restricted access to paths e.g. Ivy Todd (some may be withdrawn soon)
89	Woodland walk would be beneficial
90	The footpaths and trod paths that we already have are not looked after and are used more so cars can pass regardless to pedestrian being on the paths.
91	More paths for school children and paths we have should be clear of trees / shrubs and dog poo! i.e. Driving instructor near school / cars on Chantry Lane / paths down Ketts Hill to St Andrews Lane
92	Is it possible to reintroduce the public footpaths that were lost last century or make the permissive paths permanent?

## 45. Footpaths

### Are you satisfied with the provision of footpaths in Necton?

93	SOMETHING AROUND WHITVY'S PLANTATION. ICE HOUSE PLANTATION AND GARDEN COURT. KEEP ROUTES 4 AND 5 ON MAP AVAILABLE
94	FOOTPATHS SHOULD BE SHOWN IN NEWSLETTE SO MORE PEOPLE ARE AWARE OF THEM
95	FOOTPATH UP ST ANDREWS
96	Ramms Lane, St Andrews Lane
97	From south end of Rams Lane westward to Browns Lane. North / south on western fringe of village.
98	A walkway around the entire village could be considered
99	From Ramms Lane, across to Necton Common, onto crossing footpath to join RUPS8.
100	Pickenham Road to allotments entrance
101	LINK BETWEEN LEATHER BOTTLE LANE AND BLACK DRIFT. EXTEND HALE ROAD TROD THROUGH TO HOLME HALE - THE BENDS NEAR THE RIVER ARE NOT PLEASANT IF WALKING.
102	THERE ARE A LOT OF FIELDS AND BOUNDARIES WITH NO ACCESS, A FOOTPATH/BRDILEWAY TO SWAFFHAM?
103	A PATH TO HOLME HALE VIA HALE ROAD. A PATH TO HOLME HALE X ROADS VIA NORTH PICKENHAM. A PATH TO WENDLING ALSO.
104	ST ANDREWS LANE AND KETTS HILL HAVE SO MANY YOUNG ERSIDENTS AND THERE IS NO FOOTPATH/PAVEMENT. TREES AND HEDGES SHOULD BE ERVIEWD AS MANY ARE OVERHANGING THE PATHS/ROADS AND OBSTRUCTING VISION. ESPECIALLY TOP OF KETTS HILL!
105	By upgrading footpath to allotments and dog walking area in North Pickenham Road
106	NOT SURE THE TROD DOWN PICKENHAM ROAD IS UNSEABLE NEAR THE CORNER AS CARS/VANS/LORRIES GO UP ON IT AND MAKES A SLOPE PEOPLE ARE FALLING OVER
107	Lots of repairs needed Not wheelchair friendly or pushchair friendly
108	Past the field on Ivy Todd Road to Ivy Todd. So for a safer circular walk back to village from Chapel Lane
109	NEGOTIATE WITH LOCAL FRAMS FOR MORE PERMISSIVE PATHS AROUND FIELD BOUNDARIES ALSO A TROD LONK FROM NECTON TO HOLME HALE
110	I DIDN'T EVEN KNOW SOME OF THESE EXISTED SO BETTER SIGNAGE WOULD BE VERY USEFUL AS I ENJOY WALKING OFF ROAD
111	MOST OLD FOOTPATHS HAVE BEEN BUILT OVER
112	IF FOOTPATHS IN NECTON LOST TO LAND OWNERS THEN THEY NEED TO BE RE-INSTATED AS PART OF RAMBLERS CAMPAIGN TO SAVE LOST PATH. THIS HAS TO BE DONE BY 2026
113	IMPORTANT THAT FOOTPATHS ARE PROVIDED. THEY ARE FREQUENTLY USED BY DOG WALKERS/RAMBLERS. ROUTES LINKING TO THER VILLAGES EG HOLME HALE ACROSS NECTON COMMON WOULD BE WELCOME. ALSO FRANSHAM AND NORTH PICKENHAM
114	LINKED PATHS THAT FORM A CIRCULAR ROUTE PTHAS THAT LINK GREENSPACES WITH OTHER VILLAGES EG FRANSHAM, HOLME HALE VIA NECTON COMMON
115	TUNS ROAD (SCHOO, RAOD TO A47 WIDEN HALE ROAD TO HOLME HALE, BROWNS LANE TO CHURCH LANE
116	WALK THROUGH THE OLD FOLLIES
117	SOME NEED UPDATING
118	NO 9 RE-OPEN TO FRANSHAM SO A CIRCULAR WALK CAN BE CREATED
119	A map of local paths already accessible would be useful, and ways to join them together to make flexible safe routes

## 45. Footpaths

### Are you satisfied with the provision of footpaths in Necton?

120	Have never identified a safe path to Swaffham, so suggest a footpath Necton - Swaffham
121	Paths from North Pickenham Road down the river wissy
122	Why is no 10 never cleared even with requests to owners NCC. They do not care!
123	Do not know area very well
124	From St Andrews Lane all the way to the school (Ketts Hill)) urgently.
	Necton to Swaffham Necton to Fransham
126	Necton should link up to the Peddars Way and into Swaffham
127	Some circular routes
128	Yes if permissive paths can be retained
129	Town Farm to Ramms Lane or Brackenwoods to Ramms Lane
	A footpath to Necton Common, possibly from Black Drift
131	Footpath to Necton Common
132	Footpath connecting Necton to Swaffham, cycle route / walking route.
133	We are happy and do use a lot of these for walks but it would be nice to maintain their accessibility into the future.
134	More needed eg access always used to be accessible mid - Ramms Lane to Black Drift, now marked private
135	Need on start go Ketts Hill, School Road end
136	Chantry Lane / Mill Street / Tuns Road. Street lighting very poor Hale Road, Ivy Todd, Ramms Lane, trod to Holme Hale.
137	Footpath along Hale Road is uneven, have seen many people fall over.
138	In need of some repair, mobility access not there.
139	Circled on Map - Ivy Todd Road and Chapel Road circular route
	Any that can be made available.
141	Around every field
142	Tracks usable by cycles to Fransham and Swaffham would be nice
143	There are no paths to the west, towards Swaffham, and the verge of the A47 is not an option. Ideally, a footpath down the track beside the Erne Farm development across to the Polygards public footpath would give access to Swaffham.

If so, please describe the problem: (125)

1	when it rains heavily the corner of our road flods as the drains get blocked
2	We have a pond on Woodward Avenue but we don't believe it was ever connected properly by Hopkins Homes. No water comes through an outflow pipe supposedly connected to the drains at the top of Woodward Avenue.
3	Our garden area (chantry court) is forever flooded.
4	Heavy rain brings heavy surface water in Mason Drive. The run off doesn't provide sufficient drainage quickly enough.
5	I don't understand why when you agree planning permission for new houses don't you ask for this problem to be addressed as part of the planning agreement For example the new homes recently agreed on North Pickenham Road
6	regular flooding of the GREEN area on Elizabeth Drive also bungalows and houses
7	But I do have an issue with a landowner not clearing their ditch
8	Elizabeth Drive was constantly flooded last winter until Necton Management cleared the drains on their land but we're just above the water table so the lower end of the Drive is worse hit. We await this winter's storms
9	Ivy Todd Rd floods but luckily the farmers clear the drains and the water subsides. That is the worst it gets for us.
10	When it rains heavily the water sits and takes ages to soak away and the drains clearly cannot handle it. Goodness knows how much worse this will become with the continuing over development of the housing stock.
11	Not lived here long enough to know yet.
12	Not yet.
13	We have only lived here one and a half months and had our outside sewer drain fill up/over flow twice, and Anglian water has come out twice. It's concerning what it will be like in the future.
14	Too much building / infill
15	But I sympathise with those who do.
16	The front of my home gets waterlogged
17	Blocked drains down Ivy Todd Road so a river ensues down the road into the brook.
18	Front garden floods in heavy rain
19	Blocked drains on road + in ditch!
20	IT DOESN'T AFFECT ME PERSONALLY BUT YOUR BLURB ABOVE HIGHLIGHTS WHY I AM OPPOSED TO FURTHER AD-HOC DEVELOPMENT OF THE VILLAGE.
21	Heavy rain leaves our garden under water. Sewers overflow into garden, health hazard.
22	Most of the dykes are not maintained. Why!!

## 46. Flooding

### Do you have an issue with surface water flooding?

23	EVERY TIME THERE IS HEAVY OR CONTINUOUS RAIN MY GARDENS RE FLOODED AND THE SEWERS OVERFLOW.
24	Lawn, driveway , and garage all flood regularly with heavy or persistent rainfall
25	DRAINS + DITCHES NOT KEPT CLEAN RESULTING IN LOCALISED FLOODING. VERGES AND BANKS BROKEN DOWN BY LARGE MACHINERY + NOT REPAIRED. WHERE IS THE DUTY OF CARE
26	ABOUT EVERY 8 YEARS OR SO FLOODING OCCURS ALONG NTH PICKENHAM ROAD - FLOODING OUR GARDEN.
27	No major flooding issues but problems because of uneven road surfaces that I've come across. Once pot holes develop things quickly deteriorate - for example Mill Lane which gets a lot of use for pub users and school users, not to mention the residents, has lots of surface problem areas.
28	OUTSIDE MY HOUSE BUT NOT ROADS NEAR ME
29	TRY CLARING THE DRAINS DOWN TUNS ROAD
30	EXCESS SURFACE WATER AT BOTTOM OF ELIZABETH DRIVE HOPING THIS ISN'T IMPACTED BY NEW DEVELOPMENT O N PICKENHAM ROAD. EXCESS SURFACE WATER CAUSING TOILETS TO RISE SEVERLY DUE TO BAD DRAINAGE. WE HAD AN ISSUE WITH THE LAST WINTER + SPRING 2020/21. PARISH COUNCIL ARE AWARE
31	NOT YET!
32	Driveway, garage and front/rear gardens flood during heavy rain.
33	Bridge on St Andrews Lane sometimes floods.
34	Flooded road at 'bridge' in St Andrews Lane
35	GARDEN GETS FLOODED IN SOMRE AREA
36	THE DRAINS FLOOD IN PART OF ELZABETH DRIVE
37	GARDEN FLOODS IN HEAVY RAIN. WATER RUNS OFF FROM COSTA ALONG LANE AND STOPS THE GARDEN DRAINING AWAY
38	LACK OF DRAINAGE IN NORTH PICKENHAM ROAD
39	GARDEN FLOODED 2021 RIVER OVERFLOWED AND DITCHES WER NOT MAINTAINED.
40	Because leaves are not cleared in Mill street, this causes water to go down the Avenue
41	The bank sides have been eroded by large farm vehicles. No drainage.
42	Drainage in general
43	THE DRAINS IN SCHOOL ROAD CANNOT COPE WITH HEAVY DOWNPOURS. BEING LOWEST POINT WATER FLOODS INTO MY PROPERT THIS HAS BEEN AN ISSUE FOR APPROX 40 YEARS
44	Our houses were built on a high water table and therefore our garden is always saturated, and turns into a bog when it is has rained
45	Rain off roof. When lots of rain, drain overflows.
46	Domestic manholes fill up causing problems during heavy rain
47	Land around bungalow waterlogged ages after rain
48	<p>CHANTRY LANE CULVERT - THE CAPACITY OF THE CULVERT IS INSUFFICIENT FOR THE AMOUNT OF SURFACE WATER GENERATED WITHIN THE CATCHMENT AREA NORTH OF THE CULVERT.</p> <p>FOLLOWING A HEAVY THUNDERSTORM IN 1982 SOME PROPERTIES IN CHANTRY LANE WERE FLOODED. THERE HAVE BEEN SEVERAL INSTANCES SINCE WHEN FLOODING WAS AVERTED BY THE FIRE BRIGADE PUMPING WATER AND RAW SEWAGE FROM THE LOW POINT OF CHANTRY LANE TO THE DRAIN SOUTH OF THE CULVERT. THERE IS INSUFFICIENT FLOOD PLAIN BETWEEN THE VILLAG AND THE WISSEY TO TAKE THE FLOOD WATER. THE LAST FLOODING IN CHANTRY LANE WAS IN 2007. NCC AND BRECKLAND COUNCIL WERE MADE</p>

57	NOT PERSONALLY BUT SOME NEIGHBOURS HAVE
58	MILL STREET IS QUITE OFTEN FLOODED DURING HEAVY RAIN AND A BUILD UP OF LEAVES CAUSING THE AVENUE TO BECOME FLOODED AND GARDENS SUFFERING EXCESS WATER.
59	AROUND THE BACK AREA OF NECTON FARMS LTD LARGE TRACTORS BREAKING DOWN THE BANKSIDE WICH MOVE INTO TH MIDDLE OF THE ROAD AND CAUSING FLOODING ACROSS WHOLE OF ROAD AFTER HEAVY RAINS - NO DRAINAGE STSTEM
60	No but expect more homes to in the future especially with new homes being built close to the flood planes for the river.
61	AS YOU KNOW NECTON HAS MANY NATURAL SPRINGS AND BUILDING HAS BECOME THE NORM MY OWN HOUSE HAS BEEN NEERLY FLOODEDE DUE TO POOR DRAINAGE
62	Road and car park flood every time we get a storm or heavy rain outside our house.
63	The estate off Hale Road needs urgent drainage help.

65	After heavy rain, back garden floods, almost up to the bungalow.
66	Not at the moment!
67	Surface water very slow to drain
68	My problem is that planners seem unable to organise retension ponds to slow down runoff.
69	My garden totally floods after heavy rain. Very worrying.
70	THE BUILDING OF WOODWARD AVE HAS INCREASED EXISTING DRAINAGE ISSUES FOR SCHOOL ROAD. THIS AND & POOR DRAINAGE OF CHURCH FIELD LEAVE GARDENS UNDER WATER IN WET PERIODS
71	TOO MUCH BUILDING ON FLOOD PLAINS EG ERNE FARM
72	AFTER A HEAVY RAINFALL THE FRONT OF MY BUNGALOW AND MY DRIVE IS FLOODED ABOUT 3" AND I AM WORRIED THAT THE WATER MAY ENTER MY PROPERTY.
73	I THINK PEOPLE SHOULD REFRAIN FROM DUMPING RUBBISH IN DITCHES, WHERE I LIVE THE DITCH IS PART OF OUR DEEDS TO BE MAINTAINED BY THE HOUSEHOLDER
74	SO FAR I HAVE NOT BEEN TROUBLES WITH FLOODING - SUGGEST DITCHES ARE DUG OUT ALL ROUND VILLAGE.
75	STREETS GET FLOODED ELIZABETH DRIVE & CHANTRY LANE THAT I KNOW OF
76	The above words all sound good but we need to see action taken AFTER consultation with locals.

## 46. Flooding

### Do you have an issue with surface water flooding?

77	Chantry Lane problems with "overgrown" plants and not cleaned out
78	In bad rainfalls garden flooding and soak-aways unable to cope. Have 3 water butts
79	Drains backing up when pumping station fails, road flooding and standing water
80	The cleaning of gutters and drains. All full of weeds on the side of roads so water accumulates, puddles etc.
81	DITCHES ALONG CHAPEL ROAD GET BLOCKED AND TRACTORS DESTROY THE DRAINS WITH THEIR FAT TYRES, PREVENTING EFFECTIVE RUN OFF.
82	HALF OUR GARDEN BECOMES VERY BOGGY. WE USED TO LIVE OFF KINGFISHER DRIVE AND THERE WAS AHUGE PROBLEM EVEN RESULTING IN NO TOILET FACILITIES DUE TO THE DRAINS UNABLE TO COPE
83	EXCESS WATER FROM FARMERS FIELD NEXT TO CHURCH DYKES AND DITCHES NOT CLEANED OUT. ALL DITCHES IN THE AREA REQUIRE CLEANING OUT NEW DRAINAGE REQUIERD ON SCHOOL ROAD NECT TO CHURCH
84	Christmas eve 2020 my garden was completely flooded along with my neighbours, my toilet was full of water which couldn't be flushed for several days.
85	Drains always blocked when heavy rain.
86	Bottom of our garden gets flooded
87	THE SOAK AWAT DRAIN AT THE END OF ST ANDREWS LANE/KETTS HILL IS NEVER MAINTAINED PROPERLY BY COUNCIL AND IS VERY OFTEN GRASSES OVER (JUST ONE EXAMPLE)
88	CHANTRY COURT, FOOLDING IN HEAVY RAIN. NECTON IS ON A FLOOD PLAIN STOP BUILDING!
89	EXTENSIVE PUDDLES ON CHAPEL ROAD AFTER HEAVY RAIN - NOWHERE FOR WATER TO DRAIN
90	NO IMPROVEMENT TO THE DRAINAGE SYSTEM WITH NWE HOUSES RUNNING IN TO OLD SYSTEM PLUS SURFACE WATER
91	CHANTRY COURT ALWAYS FLOODS (OUTSIDE HOUSE FLAT) ROAD
92	WHEN I LIFT MY WATER METER COVER WATER IS WITHIN 35CM BELOW GROUND. AW HAVE INVESTIGATED AND IT IS NOT A LEAK IT IS THE WATER TABLE. WITH GOBAL WARMING AND RISNG SEALEVELS WE NEED MORE THAN A NECTON PLAN TO SORT OUT FLOODING IN NECTON
93	Not being able to flush loos after persistent heavy rainfall (this is before Erne Farm development is up and running)
94	MORE MONEY AND DETAILED PLANNING FROM BRECKLAND COUNCIL SHOULD BE MADE AVAILABLE ON ANY NEW BUILDINGS
95	When raining consistently toilet not able to use, also garden will flood from the garden behind us.
96	CHAPEL LANE BY IVY HOUSE REGULARLY FLOODS - NO DRAIN IN THE ROAD. POND ON THE FIELD ACTUALLY OVERFLOWED THIS YEAR. ALSO AT MERGER OF IVY TODD ROAD AAND CHAPEL ROAD BOTH ROUTES BLOCKED
97	ENCOURAGE RESIDENTS TO KEEP DRAINS, DITCHES ETX=C CLREAR ESPECIALLY NERA THEIR PROPERTY
98	DON'T HAVE A PROBLEM. BUT MILL STREEET USED TO HAVE A PIT FOR EXCESS WATER WHICH IS NOW FILLED IN AN POSSIBLY BUILT ON IN THE FUTURE
99	HAVE HAD WATER RUN INTO GARAGE DURING HEAVY RAIN
100	FLOODINMG IN ELIZABETH DRIVE & JUBILEE WAT
101	WE HAVE A DITCH AT THE BOTTOM OF OUR GAREDN, WHICH IS IN GOOD CONDITION AND HAS NEVER FLOODED. THERE WAS SOME CONCERN LAST YEAR AND PEOPLE WHOSE PROPERTIES FLOODED WERE CONCERNED IT COULD HAVE BEEN CAUSED BY OUR DITCH!!

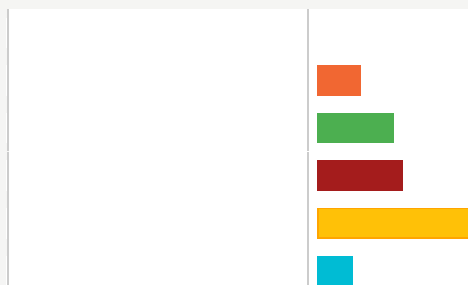

## 46. Flooding

### Do you have an issue with surface water flooding?

102	REGULARLY NEAR CUT THROUGH CHANTRY COURT NEAR BRIDGE
103	GREAT MASSINGHAM
104	ALLOTMENTS!! MOVE ALLOTMENTS CLOSER TO VILLAGE TO CREATE BETER CUMMUNITY AND SAFER
105	When we have heavy rain, we are unable to flush our toilets. Only when Anglian Water send tankers to pump out the pumping station on North Pickenham Road does the problem ease.
106	In heavy rain I can't use my toilets; and my back garden always floods after persistent rain
107	No but garden never fully dries out, even in summer, always soggy.
108	Our garden gets standing water and we've had sewage spill over into our garden multiple times - this is the worst thing about living here.
109	Garden has large amount of surface water. Sewers overflow at front and back of property. This has happened many times during wet weather.
	During heavy rain we have raw sewage coming up in our rear garden and flooding up to 4" deep
111	All waterways need updating
112	Get ditches and drains cleared immediately. Get something done now not 10 years time!
113	Most of the gullies are not maintained. Why?
114	In heavy downpours the drain can't cope, our drive floods, so does porch
115	When we have heavy rain, raw sewage comes up in rear garden up to 4" deep. Also covers our front lawn ( 1/2 of it) and covers rear lawn
116	Not personally but bottom of Chantry Lane / Hale Road area historic + noted
117	My 'issue' is simply that we MUST NOT continue building houses in the flood plain! It's crazy!
118	The ditches and small streams are continually blocking up. These need to be cleared and managed at least once a year.
119	In the autumn leave are aplenty and are blocking the route to the drains and also in the drains. Also ditches are clogged which stops the flow of water.
120	If there are flooding issues why are more housing being built over whelming sewage systems / water usage.
121	Chapel Road and Ivy Todd Road often flooded in heavy rain.
122	Drains become blocked (due to mud on road from lorries / tractors?) causing water flooding on Chapel Road and Ivy Todd Road.
123	Just sewage
124	Near bridge on St Andrews Lane
	My back garden had standing water and our septic system couldn't function properly, requiring emptying 3 times in 3 months.

If YES, please describe (111)

1	More frequent and quicker times to Norwich
2	More frequent timetable
3	More busses at peak times, the excel 7:29am bus to Norwich is too over crowded with people already have to stand from Necton to Norwich. No covid protocols are followed and you are forced to sit at very close proximity to others or risk not getting to work on time.
4	No direct bus route to Fakenham
5	BETTER PRICED TICKETS
6	May when i get less mobile in my older years
7	A better service needs to be run on a daily basis.
8	Cost is inhibited to use all the time and frequency of service
9	A safe crossing to the other side of the A47 would help greatly
10	Cost Time- the evening bus from norwich stops coming to Necton extremely early in the evening.
11	It's expensive! I use to it not take a car to Norwich, it would be cheaper for me to drive.
12	Earlier bus on Saturday morning
13	Increased service.
14	A bus stop near the school
15	Bus stop with seating and shelter
16	LATER RETURN SERVICES SMALLER BUSES WITH MORE FREQUENT SERVICE DURING THE DAY
17	TIMETABLE DOES NOT ALLOW FOR MY SHIFT PATTERN
18	The time for the number 11 doesn't link up with the Excel to Kings Lynn Why!!
19	Made frequent
20	Peak hour routes within village. My place of work is 12 minutes by car, but I would have to allow 2 hours if I were to use the current bus service
21	More frequent service to more destinations

## 51. Would improvements need to be made for you to use the bus more?

22	MORE FREQUENT SERVICES
23	frequency of buses. Right now I'm fine driving but there may come a time when I am bus dependant so improvements here would always be welcome.
24	I NEED BETTER LEGS PLEASE :)
25	TIMETABLES EXTENDED DURING THE EVENING. SAFETY - ELECTRONIC INFORMATION AT BUS STOPS INFORMING PEOPLE OF WHERE THRIE BUS MIGHT BE.
26	MORE REGULAR SERVICE UNABLE TO GET HOME FROM NORWICH AFTER 8PM BUSES STOP AT DEREHAM
27	At present I drive or cycle so cannot comment.
28	BETTER SHELTERS SAFER CROSSING
29	REDUCTION IN SPEED LIMIT TO CROSS ROAD
	THE XL BUS SERVICE IS FANTASTIC, FAR TOO DANGEROUS A SPOT TO ACTUALLY USE IT ON A REGULAR BASIS, WHICH IS A BIG SHAME
31	A WAY OF SAFELY CROSSING THE A47
32	MORE STOPS EG KINGFISHER DRIVE
33	FOR BUS TO NORWICH TO COME THROUGH THE VILLAGE PREVIOUSLY THERE WAS A FORTNIGHTLY COACH SERVICE NOW CEASED

	MORE REFQUENTLY
51	FREQUENCY, COST BUS STOP OPPOSITE OR NEAR JUBILLE WAY/ NORTH PICKENHAM ROAD
52	More bus stops

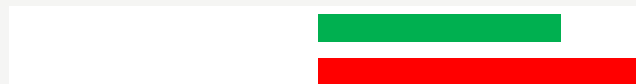

## 51. Would improvements need to be made for you to use the bus more?

53	BUS STOP TO NORWICH SAFER
54	A route from Necton to Fakenham would be handy

77	FREQUENCY, DESTINATIONS - DIRECTION OF TRAVEL RELIABILITY I.E. ON TIME COST
78	BETTER LIGHTING ON A47 TO CROSS SAFELY. ALSO REDUCE SPEED LIGHTS AT BUS SHELTER FOR SAFETY
79	BETTER TIMETABLE IN THE EVENINGS
	TRAVELLING BY BUS IS SIMPLY TOO SLOW & INCONVENIENT COMPARED TO TRAVELLING BY CAR
81	More frequent
82	Not at the moment
83	Foot bridge to bus stop
84	More reliable, wifi, cheaper
	Greater service frequency
86	n/a
87	Better bus stop

## 51. Would improvements need to be made for you to use the bus more?

88	MORE ROUTES, MORE FREQUENT SERVICE
89	REGULAR AND MORE AFFORDABLE
	SEATING IN WAITING AREA. ALSO I DONT LIKE WAITING IN A NARROW AREA AND BEIG IN THE WAY
91	.
92	NEED MORE BOUSES THROUGH THE VILLAGE ON A SATURDAY TO GWT TO SWAFFHAM MARKET AND OTHER CITIES IT IS A LONG WALK FOR MANY UP TO THE A47
93	For the bus to go
94	CHEAPER FARES
	RE-INTRODUCTIO OF BURY ST EDMUNDS ONCE A MONTH
96	MORE FREQUENT BUSES INTO VILLAGE
97	TIME TABLES & DESTINATIONS MORE PROMINENT IN THE VILLAGE. PRINT IS TOO SMALL AT BUST STOPS
98	More frequent service
99	A bus service to Downham Market. Buses later at night (have to get taxi from station as bus already stopped)
	So the number 11 is on time to meet the XL to Kings Lynn at Swaffham!
101	Something to get to Kings Lynn Hospital without having to change buses 3 times
102	Cheaper fares
103	Not improvements to the service which appears to be very good but my inability to drive would mean I use service more often
104	Speed limit reduce to 40mph or even 30mph Pedestrian crossing lights
	Cost + convenience prohibitive.
106	More frequent no.11 connect buses would mean I'd be able to use it more often and therefore do better working hours (I cannot drive)
107	More often
108	Getting a safer route across the very busy A47
109	No but puling out of Necton is just as dangerous. Consider road user as well
	Price
111	I suffer bad travel sickness if not driving or laying down in a vehicle

## 52. Do you cross the A47 to access the bus stop?

## 53. If YES, do you think improvements need to be made to this crossing area?

Answer Choices	Response Percent	Response Total
1 YES	72.40%	202
2 NO	27.60%	77
	answered	279
	skipped	252

If YES, describe what improvements you think need to be made (194)

1	A bigger island for safety and signs noting crossing children/pedestrians and a reduction to 40mph in the 50mph zone
2	The top one near the petrol station is dangerous and busy. It is a main road.
3	I guess I would say a stop light crossing but slowing/stopping the traffic flow is not a good idea. Maybe overhead footbridge.
4	More lights.
5	Build a footpath only bridge over the A47
6	Crossing the A47 is intimidating
7	Wider area for standing to cross on the Norwich (Eastern bound side) of the A47.
8	TRAFFIC LIGHTS OR BYPASS
9	It needs to be better lit and more substantial for the safety of those crossing the A47.
10	Pedestrian crossing
11	Yes a pedestrian crossing is essential. Maybe a traffic light system would be an improvement.
12	yes there needs to be a safe pedestrian crossing with traffic lights, tied into traffic lights at the junction of A47/Tuns road
13	Safer crossing the A47
14	Can't see what could be done to make safer apart from traffic island.
15	Zebra or Pelican Xing.
16	Assuming you mean the A47 crossing area. Lights or get the Norwich bound bus to divert into the top of Tun's Road rather than asking pedestrians to cross the A47.
17	More visible signage.
18	The crossing area is too close to the village turn in.

### 53. If YES, do you think improvements need to be made to this crossing area?

19	Pedestrian lights
	This so called refuge area does not meet regulations and needs to be widened and the signage improved.
21	Traffic light on roundabout or Pelican crossing.
22	Footbridge would be the only safe way or underpass - if dual carriageway were done it would help - less traffic on old road.
23	More warnings there is a crossing + well lit
24	Controlled crossing
	Construct a roundabout or controlled zebra crossing or footpath bridge
26	Motorised pedestrian crossing - urgently needed
27	However a central island would make it a little safer especially for the elderly and parents with prams / pushchairs
28	BETTER SIGNAGE AND LIGHTING 40MPH SPEED LIMIT
29	TRAFFIC LIGHTS THE COOP MISSED AN OPPORTUNITY TO DO THIS OR A ROUND ABOUT TO CONTROL TRAFFIC FLOW
	Speed limit reduced at Necton junction / CO-OP garage etc. Larger crossing island
31	Markings on road to show people cross
32	Light controlled pedestrian crossing
33	Lighting
34	Zebra crossing
	Could have a stop and go to cross the road
36	PEDESTRIAN CROSSING FOR OLDER AND DISABLED
37	A ZEBRA CROSSING TO IMPROVE SAFETY FOR ELDERLY PERSONS
38	Traffic lights would help especially for children crossing to use the bus stop
39	ROUNDAABOUT OR TRAFFIC LIGHTS PLEASE ASK 30MPH ON A47
	TRAFFIC NEEDS TO BE SLOWED DOWN. MAYBE ROUNDAABOUT OR TRAFFIC LIGHTS FOR CROSSING.
41	PEDSTRIAN CROSSING
42	Not using it right now but there is usually always room for some improvement :o)
43	BETTER LIGHTING + SLOWE SPEED LIMIT
44	ENSURE LIGHTING WORKS OR IF IS BROKEN IS FIXED ON A MORE URGENT BASIS
45	ZEBRA/PELICAN X'ING + LIGHTS
46	I've not used it personally but I'm a bit shocked to hear that people need to cross the very dangerous A47
47	FLYOVER (SMALL)
48	TRAFFIC LIGHTS
49	THE CROSSING IS DANGEROUS FOR USERS
	Although I do not use the bus I do believe that this needs to be addressed.
51	SLOWER TRAFFIC

### 53. If YES, do you think improvements need to be made to this crossing area?

52	REDUCTION IN SPEED LIMIT TO CROSS ROAD
53	PLEASE GET A CROSSING IN PLACE AND REDUCE SPEED LIMIT BEFORE SOMEONE IS KILLED.
54	A PEDESTRIAN CROSSING AND/OR TRAFFIC LIGHTS
	A ZEBRA CROSSING
56	THE WHOLE JUNCTION NEEDS IMPROVING
57	FIRSTLY SPEED SHOULD NEVER BE 50 ALONG THAT STRETCH PEDESTRIAN CROSSING WOULD BE GOOD
58	PELICAN CROSSING FOR PEDESTRIAN
59	ROUNDAABOUT OR TRAFFIC LIGHTS
	TO BE MADE SAFER TO AVOID PEDS AND CYCLISTS WAITING IN THE MIDDLE POSSIBLY INSTALL LIGHTS
61	TRAFFIC LIGHTS OR SOME SORT OF SAFE CROSSING AREA TO SLOW THE CARS RIGHT DOWN. VERY DANGEROUS ROAD/PLACE TO CROSS.
62	SPEED LIMIT TO BE LOWERED FOR DUNHAM AND NECTON TURNINGS. ROUNDAABOUT OR BRIDGE FOR DISABLED PEOPLE
63	Safety should be considered. A Pelican or Zebra crossing could be an improvement.
64	Aafety crossing.
	POOR JUNCTION - SHOULD OF HAD A ROUNDAABOUT. POORLY PLANNED.
66	Crossing with lights, move bus stop too CO-OP car park.
67	Road is too fast
68	Slower or stationary traffic. Currently unsafe
69	Speed reducing measures
	Safer crossing
71	Flyover
72	Traffic lights
73	Slower speed limit and wider traffic islands or a pedestrian crossing as there is in Middleton.
74	Safe pedestrian crossing and lower speed limit.
	TRAFFIC LIGHTS AND A LOWERING OF THE SPEED LIMIT TO 30 WITH CAMERAS IN OPERATION
76	YES A ROUNDAABOUT AT THE JUNCTION
77	MAYBE THE 50MPH REDUCED TO 40MPH AND EXTENDED A LITTLE BIT LONGER MORE CHANCE TO CROSS THEN.
78	SLOWER SPEED LIMIT OR EVEN PEDESTRIAN CROSSING OR BRIDGE
79	TRAFFIC LIGHTS FOR PEDESTRIANS TO CROSS. CAN TAKE 15 MINUTES TO CROSS DURING RUSH HOUR.
	LIT MORE AND MADE A LOT SAFER BY MAKING ISLAND BIGGER AND LIT MORE . VERY DANGEROUS
81	TRAFFIC LIGHT SYSTEM
82	Slow traffic down to 30mph
83	Very dangerous. Something needs to be done before someone gets seriously hurt.
84	With all new housing in village and surrounding villages with the amount of traffic would need a roundabout at top of Tuns Road. Many near misses there. Will soon be a fatal.

### 53. If YES, do you think improvements need to be made to this crossing area?

85	ROUNDAABOUT CROSSING AREA - LIGHTS
86	MOVE INTO NECTON
87	Traffic lights
88	40 speed limit
89	Overhead walkway bridge
90	THIS ROAD IS BUSY AND POTENTIALLY HAZARDOUS TO ANYONE CROSSING AND ESPECIALLY CATCHING THE X1 TO SCHOOL. IT NEEDS TO BE HIGHLIGHTED AS A PEDESTRIAN AREA
91	YES A CROSSING, YET THAT MAY CAUSE EVEN MORE PROBLEMS HOLDING UP TRAFFIC GETTING OUT OF VILLAGE TO A47
92	With new developments in the village, entering the A47 by foot or by car, is becoming dangerous. Traffic lights required.
93	I FEEL THEY SHOULD BE TRAFFIC LIGHTS UP THERE I THINK IT'S VERY DANGEROUS
94	TRAFFIC LIGHTS Roundabout to A47
96	TRAFFIC LIGHTS - WOULD ALSO SLOW TRAFFIC DOWN
97	If traffic lights could be installed a Pelican Crossing would help
98	But a roundabout would be good.
99	A RAMPED FOOTBRIDGE OR PELICAN CROSSING Slow traffic to 40mph. a roundabout or traffic lights would also be useful.
101	For safety reasons - lights or roundabout.
102	AREA OF SOME CONCERN REGARDING SAFETY OF PEDETRIANS ON A47
103	Lower speed limit (30)
104	Crossing or traffic lights
105	We need a proper crossing, the island is not safe enough A zebra or pelican crossing.
106	a roundabout or traffic lights at the Necton entrance would allow for pedestrians to cross the A47 safely to access the bus facilities
107	Traffic lightsand slower speed limit as in Fransham
108	speed limits and lights
109	Pelican crossing This has to be a priority for bus users travelling Norwich bound.
111	Large roundabout giving village access incorporating tunnel walkways
112	Traffic lights - push button
113	IT IS DANGEROUS ESPECIALLY NOW WE HAVE TWO EXITS AND EXTREMELY BAD FOR CHILDREN GOING TO SECONDARY SCHOOLS. THE THOUGHT OF CROSSING THAT ROAD TERRIFIES CHILDREN.
114	A BIGGER ISLAND TO CROSS ROAD A LOT! A ROUNDAABOUT FOR TRAFFIC. BUSES PICK UP FROM COSTS COFFEE THEN PEOPLE NO NEED TO CROSS A47.

### 53. If YES, do you think improvements need to be made to this crossing area?

116	CTROSSING THE A47 IS VERY DANGEROUS TRAFFIC RARELY SLOWS ENOUGH TO MAKE SAFE AND THE JUNCTION FROM DUNHAM MAKES IT EXTREMELY DIFFICULT. NEEDS BRIDGE OR PELICAN CROSSING.
117	SLOWING DOWN THE TRAFFIC TO 40MPH
118	WARNING SGNOF PEDESTRIANS CROSSING IMPROVED LIGHTING
119	THE SPEED LIMIT NEEDS TO TO 40MPH AS LORRIES GAIN MOMENTUM, COMING DOWN THE ROAD TO OVER 50MPH IT WORKS IN FRANSHAM
	MORE LIGHTING AND SPEED LIMIT 40MPH WIT SPEED TRAPS
121	AN ACTUAL CROSSING BUT PROBABLY NOT WORKABLE
122	IT'S HARD ENOUGH TO CROSS IN A CAR WORRYING FOR THE KIDS SO TRAFFIC LIGHTS, ZEBRA CROSSING ANYTHING TO SLOW THE TRAFFIC
123	Reduction of speed limit
124	Provision of traffic lights would make it safer
125	Yes - currently I am unable to cross this road unaccompanied due to my lack of sight Safe crossing (possibly bridge) would be wonderful for me and improve overall safety.
126	Accessible crossing, possibly bridge
127	Pedestrian crossing
128	Traffic lights
129	Not sure what you can do, can't use pedestrian crossing - bridge??
	THIS IS A VERY BUSY & POPULAR BUS STOP. PEDESTRIAN LIGHTS ARE NEEDED
131	AN ISLAND IN THE MIDDLE OF THE ROAD TO ALLOW ONE LANE TO BE CROSSD AT A TIME
132	BETTER LIGHTING ON A47 TO CROSS SAFEY. ALSO REDUCE SPEED LIGHTS AT BUS SHELTER FOR SAFETY ESPECIALY WHEN CHILDREN ARE CROSSING FOR SCHOOLS VERY DANGEROUS IN WINTER WHEN DARK.
133	PEDSTRIAN LIGHTS AND SPEED CAMERAS
134	WALKWAY OVER RTHE TRAFFIC
	ZEBRA CROSSING, SPEED CAMERAS - TRAFFIC MUCH TOO FACT ON A47
136	BETTER LIGHTING + PEDESTRIAN CROSSING ON A47
137	A FOOTBRIDGE OVER A47
138	Zebra crossing - with lights
139	Make it safer
	Reduce speed. limit to 40mph
141	Improved pedestrian safety area mid-carriageway
142	Foot bridge
143	Put a safety barrier
144	Pedestrian crossing controlled by traffic lights
	Roundabout would make traffic slow up a little
146	Zebra crossing / traffic lights
147	The crossing is dangerous especially for children - pelican crossing - but junction at top of Necton needs improving also

### 53. If YES, do you think improvements need to be made to this crossing area?

148	CLEARERE PATHS EITHER SIDE AND BETTER LIT. POSSIBLY BETTER SIGNS/WARNINGS FOR TRAFFIC
149	SIGNS WARNING OF PEDESTRIANS
	40MPH LIMIT ON A47 THERE ARE OFTEN ACCIDENTS WITH SO MANY EXITS ETC.
151	ROUNDBOUT
152	40 MPH AND A ROUND ABOUT
153	A DECENT BARRIER BETWEEN ROAD LANES
154	NEEDS TO BE LOOKED AT AS A WHOLE, JUNCTION, SPEED, CROSSING BUS STOPS ETC. LORRIES SHOULD NOT PARK IN BUS STOP IN TUNS LANE BETWEEN COSTA AND COOP.
	By having a Pelican crossing adjacent to the bus stop (limit speed limit to 30 miles an hour)
156	ZEBRA CROSSING
157	Traffic lights
158	Zebra crossing
159	The speed coming up to crossing should be reduced and signs to warn motorists
	IDEALLY DUAL A47 AND BY-PASS NECTON ALTOGETHER, OTHERWISE REDUCE THE SPEED LIMIT TO MAKE CROSSING SAFER
161	YES BUT DON'T KNOW WHAT
162	THE JUNCTION WITH A47 NEEDS TO BE REVIEWED & SAFETY IMPROVED
163	ROUND ABOUT AT THE JUNCTION OF A47 TUNS ROAD REDUCE SPEED LIMIT TO 40MPH
164	INCORPORATE TUNS ROAD, COOP ENTRANCE, DUNHAM ROAD INTO A LOZENGE ROUNDBOUT WITH A SUBWAY
	DANGEROUS, CROSSING, LIGHTS OVERPASS? BETTER LIGHTING
166	A CROSSING WOULD BE VERY HELPFUL TO MANY YOUNG ONES IN THE VILLAGE ESPECIALLY FOR SCHOOL - IT CAN BE DANGEROUS
167	YES WE NEED A BETTER CROSSING FOR CHILDREN DEFINATELY
168	VERY DANGEROUS TO CROSS - 40MPH ON A47 THROUGH NECTON JUNCTION
169	40mph speed limit
170	Whole area needs to be changed to make it safer - Its a staggered junction, 2 bus stops, a service roads crossing and the road floods!
171	Slower traffic so less dangerous to cross.
172	We need a roundabout
173	Pedestrian Crossing
174	More marking on road
	Maybe pedestrian lights to help less mobile cross easier, and mothers with prams
176	40mph speed limit would help
177	The Main road should have a 40mph speed limit so it's safer for people to cross
178	A pelican crossing / reduce A47 speed limit to 40mph
179	Pedestrian lights
	Defiantly, I don't feel safe crossing the A47 when its busy

If NO, please comment: (200)

1	the village shop is terrible at certain times of the day with cars parked up on the pavement and people having to walk on the road
2	School area often chaotic during drop off & pick up times. Premier shop often busy. Cars parking on main road outside Doctors surgery.
3	School parking is atrocious but this is nothing new. We looked at a trod from the village hall car park but it was a ridiculous amount of money (never thought the price was challenged) and I never believed parents would actually be bothered to walk their children to school! They are in a rush to get to work so having to walk for 10 minutes back to the village car park isn't an option.
4	Shop and butcher has almost no spaces, this area is always overfilled and obstructed.
5	Church excluded
6	Outside the church and weekends is hard to navigate past; and parking at the local shop can sometimes be difficult it people blocking peoples drive ways.
7	The problem with the community centre car park overflowing onto Tuns Road is that all traffic from the A47 comes down this road including emergency vehicles I think that double yellow lines is the only solution
8	Very busy at shop at times. Parking on pavements meaning you have to walk into road to get past which is potentially dangerous. Parents waiting for children to get on or off the bus are some of the worst offenders.
9	Please ask Church users to not park on Tuns Road but to use the sports field car park. On football days there is not enough parking - people park on Tuns Road again.
10	if only people would use the playground carpark and walk a short way
11	Only outside the church during busy times, and the at some time lack of driving ability of people in regards to rules of the road / speed.
12	The areas around the Church, School, Shop and Butchers can get quite congested but not easy to resolve.
13	With all the housing developments which have been permitted in the village the shop will be inaccessible for parking. I don't see a solution due to the location.
14	Parking at the shop and the church is very limited
15	Issues around the school, village shops and church
16	The more housing built in the village it is obvious that more parking areas would be needed.
17	Not around the church
18	particularly around the post office and doctor surgeries. People park on the road and are not mindful of other traffic.
19	Outside the school
20	Except for the church.
21	Parking for the village shop is abysmal.

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

22	See previous comments in relation to the Premier shop.
23	The village shop needs greater provisions (healthier). Parking perhaps under the tree by the road sign and seat.
24	Local shop needs more Shop parking on road blocks driveways every day
26	The school needs parking area
27	Yes, except the church.
28	Gets jammed outside the church on Sundays but it's not a problem
29	Extend village hall parking Weekends football + the poor church parking the road is unsafe
30	TUNS ROAD ALMOST IMPASSABLE WHEN WEDDINGS AND FUNERALS ETC. SCHOOL ROAD CHAOS AT SET DOWN AND PICK UP AND MANY CARS PARKED ON ROAD ALL DAY.
31	Not enough near shops
32	School parking
33	School needs more parking
34	Not a lot of parking at the shop. But small car park at tieback of shop which is not used.
35	There is no parking for school traffic
36	Dr. surgery car park needs to be used more, stop cars parking just inside Pickenham Road, double yellow lines would be good.
37	Not at peak times
38	Parking near church and mini-market could be provided
39	More parking needed near shop It is not possible. Sorry no ideas
41	No comment as I don't own a car
42	Outside the school is bad, they park on grass verges block driveways and sometimes the road
43	NOT FOR CHURCH OR SHOP
44	VILLAGE SHOP NEEDS PARKING DIFFICULT AT TIMES WITHOUT PAVEMENT AND OR VERGE PARKING.
46	CHURCH PARKING SHOP PARKING
47	CHURCH + SUNDAY FOOTBALL IS A PROBLEM WITH PARKING
48	The church as you've already raised. Also the shop/post office on Chantry Court
49	SCHOOL ROAD URGENTLY NEEDS OFF ROAD NEAR THE SCHOOL VILLAGE SHOP HAS POOR PARKING
51	DOCTORS REQUIRES MORE NECTON SHOP REQUIRES MORE
52	APART FROM SCHOOL PARKING
53	Unless disabled, people should be walking anyway!

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

54	IF ON SUNDAYS CHURCH SERVICE & SUNDAY FOOTBALL IS HAPPENING IT'S VERY DANGEROUS TO DRIVE BY ALL PARKED TRAFFIC.
55	I have seen the community centre being very full and then parking down tuns road, which makes driving down there trickier.
56	TOP OF SCHOOL ROAD - PEOPLE PARK TO CLOSE TO JUNCTION. DRIVING INSTRUCTOR ON PATH BY SCHOOL RED CAR IN CHANTRY LANE PUTS PRESSUEW ON NARROWINGS
57	DIFFICULT TO SEE HOW PARKING OUTSIDE SHOP AND BUTCHERS COULD BE IMPROVED. PARKING OUTSIDE THE SCHOOL IS A MAJOR PROBLEM MAKING SCHOOL ROAD ONE WAY (FROM TUNS ROAD TO CHANTRY LANE) WOULD HELP. PLU UTILISING THE GRASSED AREA BY THE SCHOOL AS PARKING.
58	ACCESS TO THE VILLAGE SHOP AND POST OFFICE
59	PROBLEM IN AROUND THE SHOP PEOPLE PARK SO WHEN AT JUNCTION YOU CANNOT SEE WHAT IS COMING. LAND BEHIND THE SHOP SHOULD BE USED FOR PARKING AND PEOPLE WALK A FEW YARDS
60	SHOPPING AREA ALWAYS CONGESTED
61	FUNERALS ETC HELD AT THE CHURCH CAN CAUSE TRAFFIC PROBLEMS WITH ON ROAD PARKING
62	As mentioned, more parking is needed for the Church. Improved parking is also needed for the shop/butcher area.  The parking by the village community centre, isn't big enough to accommodate large numbers of cars, with cars spilling onto the main road (e.g. league football matches).
63	COMMUNITY CENTRE AND CHURCH PARKING BLOCKS TUNS ROAD
64	CHURCH PARKING TOO SMALL ESP WHEN EVENTS ARE HAPPENING AROUND THE SOCIAL CLUB/PLAYING FIELD MEANING ROAD BECOMES "BLOCKED" OBSTRUCTED BY PARKED CARS.
65	CANNOT SEE HOW IT CAN BE IMPROVED
66	Better parking for church, shop and school.
67	Church, school and shop parking is inadequate
68	Very little off-road parking round the shop, church, surgeries and school
69	Parking for shop / Post Office is awful People park where they shouldn't with no thought for anyone else
70	Church goers should use the car park at the field
71	PREMIER STORE PARKED DO SO DANGEROUSLY ON THE CORNERS AND ON THE PAVEMENTS ETC.
72	VERY LITTLE NEAR THE SHOPS & DR'S SURGERY
73	IF THE PAVEMENTS WERE WIDER AND TREES AND BUSHES CUT BACK I WOULD WALK MORE
74	CARS PARKED ON PAVEMENT WHEN THERE'S FOOTBALL IN THE SPORTS FIELD. PAVEMENTS ARE FOR PEOPLE
75	COMMUNITY CENTRE CAR PARK NEEDS ENLARGING TO DOUBLE THE SIZE (STOP CARS PARKING ON ROAD)
76	THE RECREATION GROUND AS NOT ENOUGH PARKING ESPECIALLY ROURNAMENTS OF FESTIVALS ARE GOING ON IT BLOCKS THE ROAD WHICH CAUSES ISSUES.
77	Parking outside the church causes problems. People parking on pavements is particularly annoying when having to walk in the road.
78	OT ENOUGH NEAR POST OFFICE, VILLAGE SHOP, PARKING ON BENDS ETC.
79	Very poor shop locations

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

80	Apart from the church
81	On Tuns Road during events ie football etc
82	School parking terrible Parking on School Lane opposite church - cars too close to the junction
83	School
84	Post Office / village store, limited parking
85	CHURCH PARKING CAN BE TRICKY, SCHOOL PARKING IS HAZARDOUS AT DROP OFF/COLLECTION
86	CHURCH AND SCHOOL
87	THERE NEEDS TO BE MORE PARKING AT THE SCHOOL
88	Community Centre parking & Pub parking are both good People should park more sensibly near the shop and the school - maybe it would be better if more people walked rather than driving to these places? Parking outside the shop on the junction with Tuns Road are especially dangerous as it blocks the view of other motorists, and people seem to leave their cars on bends, pavements and junctions near the school instead of parking more sensibly a bit further away and walking.
89	The parking for the playing field and the pub is good and well used. The parking for the shop should be enough yet people constantly park on the junction which is dangerous and inconsiderate. Parking around the school is often terrible with people parking on junctions, verges, pavements and bends - the school tries to discourage this but while people who live within the village insist on driving it will not change. I do not feel more parking is needed but people need to act responsibly and walk rather than drive if they live in the village. Education rather than parking is needed.
90	The parking is a safety issue outside the school.
91	The church always causes problems
92	BUT WHERE WOULD IT GO? AS FOR EXAMPLE THE THE VILLAGE SHOP IS SURROUNDED BY HOUSES, BUT COULD DO WITH MORE PARKING
93	There are a lot of parking on pavement - whilst engine kept running
94	The church and playing fields need more parking especially for larger events.
95	Not at community centre when you have several events taking place
96	But when more houses are built then there will be issues at school, shop and church
97	Parking outside shop can be hand
98	NOT ENOUGH NEAR VILLAGE SHOP
99	The church, village hall, playing field and school all cause congestion when used.
100	Spar shop / post office / butchers needs more parking.
101	CARS ARE OFTEN PARKED HALF ON AND HALF OFF THE PAVEMENR POUTSIDE THE SHOP/PO/BUTCHERS. IDEALLY UNLESS A BLUE BADGE HOLDER, PEOPLE SHOULD WALK.
102	Not enough outside the local shop and butchers
103	NOT ENOUGH CLOSE TO THE SHOP OR THE DOCTORS
104	people block the road so that they can use the shop
105	Parking is a bit difficult near the butchers and post office.
106	People parking on the pavement near the church Ditto parking on the road next to the shop/post office
107	Parking outside of the church

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

108	Near the shop!
109	It can get busy near the shop but it is managed well as most people walk there as it is central to the village
110	there are only 3 spaces at the post office and butchers leading to parking on the pavement to leave space for passing cars
111	As the village grows, parking will be much harder
112	School Road is the number one nightmare (outside the school)
113	church and sports ground sometimes congested
114	Only parking is at top end of village by sports club etc. The village is being expanded away from this area with little thought for parking. Tuns Road often congested by church.
115	People do not use doctor's car park provided (Plowright surgery)
116	designated spaces need putting in around shop area to prevent 'single use parking by idiots'
117	SHOP/BUTCHERS ALWAYS CONGESTED
118	WE LIVE IN A SMALL VILLAGE I BELIEVE MORE PEOPLE COULD WALK TO/FROM THE SHOPS
119	THE PARKING IN FRONT OF THE SCHOOL AND IN THE CLOSE VICINITY IS DANGEROUS AT THE START AND CLOSE OF SCHOOL
120	I JUST HOPE ERNE FARM NEW RESIDENTS DO NOT CAUSE PROBLEMS IN N PICKENHAM ROAD
121	PARKING IS A HAZARD AROUND THE CHURCH AS AT THE SHOPS
122	CHURCH
123	NOT FOR CHURCH VISITORS
124	CONGESTION IN AREA ADJACENT TO MINI MARKET/BUS STOP NORTH PICKENHAM ROAD & SURGERY
125	THERE IS SOMETIMES A LOT OF ROAD PARKING IN FRONT OF THE CHURCH
126	PARKING BY THE SHOP & SCHOOL COULD BE IMPROVED
127	Too much parking on pavements and drives stand empty.
128	Church + shop
129	Too many cars park on Tuns Road when sports activities are on.
130	Saturdays and some evenings there is not enough parking for all football clubs at the park
131	Parking near church can be a nightmare but parking near school needs looking at - especially with new build opposite.
132	Parking at shop and church can be difficult Parking at the school is really dangerous at times blocking roads
133	THE JUNCTION NEAR THE SHOP IS ALWAYS CONGESTED Accident waiting to happen
134	VILLAGE SHOP AND BUTCHERS - CARS DOUBLE PARK AND ON CORNERS AT JUNCTION
135	SCHOOL AND CHURCH NEED BETTER PARKING
136	People park haphazardly - blocking Tuns Road / Chantry Court
137	Church
138	Easier said than done!
139	Church parking and football, not great to get past

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

140	Church
141	There is not any proper parking facility
142	Very busy near shops
143	Not enough parking outside school
144	VERY OFTEN A JOB TO PARK BY VILLAGE SHOP
145	NEAR THE SCHOOL AND POSTOFFICE/SHOPS
146	THE PARKING BEHIND THE SHOPS WAS TAKEN AWAY NOW IT IS A NIGHTMARE AT BUSY TIME IF YOU LIVE NERA THE SHOP.
147	TUNS ROAD WHEN FOOTBALL AND CHURCH IS TOO BUSY
148	USE OF CARS TO VISIT FACILITIES NEED TO BE DISCOURAGED
149	NOT FOR THE CHURCH AND FOOTBALL
	AROUND POST OFFICE/BUTCHERS/SHOP IS A DISASTER ZONE
151	PEPOLE SHOULD WALK MORE
152	NOT ENOUGH AT SCHOOL OR SHOP
153	IT IS VERY DIIFICULT TO PARK OR GET IN OR OUT OF CHANTRY COURT AT TIMES WITH CARS PARKED EVERYWHERE. USED TO BE ABLE TO PARK BEHIND THE SHOPS BUT NOT ANY MORE.
154	PARKING NEAR SHOPS IS OFTEN CONGESTED AND LORRIES PARK NEAR THE BUS STOPS CAUSING A HAZARD FOR BUS PASSENGERS
	By the Post Office / butchers could do with more parking
156	Near local shop, church as unsafe parking on side of road, school - totally inadequate.
157	Outside the church, outside the school
158	Outside the church and particularly outside the school
159	CHURCH AND SCHOOL PARKING IS A SIGNIFICANT ISSUE. PEOPLE FREQUENTLY PARK INCONSIDERATELY AND EVEN DANGEROUSLY
	THE SCHOOL NEEDS PARKING AREA
161	PEOPLE JUST NEED TO BE MORE CONSIDERATE WHERE THEY PARK - TOO MANY PARENTS DRIVE THEIR CHILDREN TO SCHOOL
162	NO, BUT MOST PEOPLE COULD PROBABLY WALK
163	PARKING AT THE SHOPS IS AN ISSUE
164	RESTRICTIONS NEEDED ON ROADS NEAR VILLAGE SHOPD, PLOWRIGHTS SURGERY AND AT SCHOOL
	PROBLEM AROUND PREMIER AND BURCHERS, LAND BEHIND SHOPS COULD BE USED AND PEOPLE ENCOURAGED TO WALK
166	NO PARKING AT CHURCH - NO PARKING AT SCHOOL - THIS IS A REAL ISSUE
167	CHURCH, VILALGE SHOP, PLOWRIGHT SURGERY VERY INADEQUATE
168	PARKING NEAR PREMIER SHOP/PO/BURCHERS NEEDS TO BE IMPROVED AND POOR PARKING POLICED
169	WIDEN ROADS ESPECIALLY THROUGH ROADS (TUNS ROAD/HALE ROAD)
	SCHOOL DROP OFF IS AN ACCIDENT WAITING TO HAPPEN USE SOME OF THE OLD SCHOOL LAND FOR PARKING?
171	THE SHOP NEEDS MORE PARKING AT TIMES BUT WE KNOW THERE IS NO ROOM

## 56. Parking / Roads

### Do you believe there is adequate parking near to facilities in the village?

172	A BIT MORE PARKING BY THE SHOP - BUT REALISE THERE IS NO SPACE THERE
173	The church parking is not good
174	Need parking area at shop / post office instead of parking all over the road But people cannot park!!
176	Not for the church
177	Post Office / shop, cars block vision and access at junction
178	Difficult to park near shops
179	The shop becomes very dangerous with the amount of cars parked out there Not enough parking area
181	No disabled spaces at present
182	Not a lot of parking at the shop, but where can you make more?
183	Post Office and shop is a problem to park
184	The road in front of the church, when there is a funeral is often blocked and it can be dangerous trying to turn out of School Road towards the A47
185	Church / school / shops
186	Not for village shop or in front of the church Difficulty exiting School Road when cars are parked in front of the church
187	Congested at village shop / butchers.
188	The church, school and village shop all need better parking facilities
189	Parking at school in term times is chaotic.
190	Especially near the shops
191	No - Saturdays football parking, church, School Road = the way the park on verge that is now more mud leading to school
192	Parking around the shops is limited. COOP has greatly improved shopping capabilities and parking
193	Not enough by shop / post office
194	With the further expansion of family housing in Necton this will increase cars and services. Improved designated parking would be beneficial to prevent parking unsafely. Cars park on road / corner.
196	Cars park on corner by shops and outside of doctor surgery blocking view
197	Not enough parking when there is more than 1 football match in progress
198	Road often blocked by church goers
199	The church can be a problem, particularly with big events.
200	SCHOOL PARKING IS A JOKE. VILLAGE HALL CAR PARK OVERFLOW ON FOOTBALL DAYS (TO BE EXPECTED AND IS MONITORED) CHURCH PARKING IS A PROBLEM IN SCHOOL ROAD

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

If YES, what alternative parking arrangement would you recommend? (265)

1	Issue parking tickets
2	Takes away accessibility  to pathways.
3	I thought that is was against the highway code How about enforcement from local police to ram this message home
4	There should be no parking on pavements and verges and certainly not on bends it is illegal. Needs to be enforced maybe some timely visits from local police would be in order.
5	Less sports field - more parking
6	and in the entrance to School road
7	creation of small lay by areas
8	People need to stop being lazy, and learn that a short walk is safer for all.
9	The school could do more to encourage families to walk. Remove the verges to widen the roads.
10	There is enough - everyone needs to park sensibly
11	Encourage car users to park better
12	When new building are planned there should be provision for a min of 2 cars within the property
13	But would need parking facilities ie church
14	Widening the road in the areas where there is most parking on verges.
15	But I don't want to see loads of restrictive white lines appearing around the shop.
16	Designated parking areas close to the amenities if possible
17	Parking near the recreation ground and walking
18	Park where safe for others and walk!
19	I honestly don't know.
20	Only where it is dangerous
21	less cars
22	If you mean parking on the pavement and verges - as in mounting them and blocking access for people trying to get by, this should be discouraged. If you mean - alongside - it's not an issue for me. I would like to see signs or a campaign encouraging parents to turn their cars off while they do the school run wait. That's an easy eco fix and would make it nicer when you walk by their exhausts.
23	Parking in drive ways
24	Encouraging people to park in a suitable place and walk the rest of the way! Also encouraging people to use parking that is already available (eg the surgery car park rather than the road)
25	Just using Ofer spots.
26	People should walk more ie school, shop, doctors.

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

27	Don't know.
28	User parking at sports field.
29	There is adequate parking on the road or in car parks.
30	Disabled spaces where necessary, then better use of the community centre car park + encouragement to create / maintain / use footpaths.
31	Signage and ground markings. Enforcement.
32	Don't know
33	Not needed. Residents should all use present facilities.
34	Parking Pullins to be constructed
	Laybys
36	Allow more in-garden parking
37	Walk or cycle more!!!
38	Designated parking areas
39	Walk
	More parking areas.
41	It's illegal in some circumstances, parking needs enforcement
42	Drivers know the rules
43	Use of traffic warden or double yellows
44	USING FIELD BETWEEN RECTORY AND SCHOOL WOULD RELIEVE MOST OF THESE ISSUES
	LEAVE THE CAR AT HOME. LOCALS WALK OR CYCLE
46	ONLY DISCOURAGE ON BENDS AS THIS IS UNSAFE ALREADY. LIMITED WAIT TIMES FOR PATHS AND VERGES.
47	More law enforcement
48	It is already illegal but never (underlined) enforced
49	A LOCAL POLICE SUPPORT OFFICER TO DETER BAD PARKING
	PARK IN THE ROAD WHERE CONDITIONS ARE APPROPRIATE. I.E. WIDTH OF THE ROAD ETC..
51	Stop the parking,!!
52	More spaces
53	Just walk a bit further if possible
54	Specified parking areas
	A path from the car park across to the back school field, the kids could walk over safely!
56	PARKING ON KERBS IS NOT ALLOWED, DO THEY NOT KNOW. BAD AT DOCTORS AS WELL PLOWRIGHT.
57	IF AVAILABLE USE NEARBY LAND TO MAKE SPACES FOR CAR PARKING.
58	NEW PARKING AREAS OR ENCOURAGE WALKING
59	BUT YES WHERE IT CUASES CLEAR OBSTRUCTION
	PARK AS PER DRIVING TEST
61	REMOVAL IF CAUSING A PROBLEM!

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

62	It doesn't bother me when there are no other alternatives and if they don't completely block the pavements for pedestrians with pushchairs or shopping trolleys for example. Some areas have no or little street parking and creating congestion in narrow roads is also a hazard. It's not an easy solve.
63	MORE POLICE/COUNCIL ENFORCEMENT OF OBSTRUCTING A PUBLIC PATH
64	VILLAGE HALL CAR PARKS
65	No so worried about verges or pavements where there is enough room for prams and electric wheelchairs. ONLY concerned if parking prohibits disabled users and pram walkers using the pfootpath. I am concerned about the safety of parking on bends for visibility, especially near road entrances.
66	USE DRIVES, DOCTORS MADRE BIGGER SOLUTION FOR NECTON SHOP (PARKING)
67	PEOPLE COULD USE THEIR LEGS AND WALK
68	ROAD LAYBYES WHERE POSSIBLE
69	The School parents are the worst for this at drop off/pick up times. The verges around the school are virtually non existant and so uneven. In the rain they turn into muddy pits. Parents are now parking on the green verges at the top of Chantry Lane into School Road and Ketts Hill. I appreciate some parents drive to the school before going to work, but there are a number of parents who should walk! Can wooden bollards/posts be put in place to stop this happening? Parents could park at the Community Centre and walk or maybe some of the school playing field could be given up to a parking area.
70	BIGGER PARKING AREA AT PARK. SPACES PAINTED SO PEOPLE DON'T TAKE UP TOO MUCH SPACE BUT ALSO NOT HAVING TO SMALL SPACES AS MOSTLY FAMILY USE THE AREA
71	MANY PEOPLE DO NOT USE THEIR DRIVE, SAME FOR VISITORS AND NOT ENOUGH DRIVERS USE THEIR SENSE ON BENDS
72	UNSURE! VERGE OUTSIDE SCHOOL ON JUNCTION COULD BE WEIDENED
73	IT ISN'T ALLOWED ROADS ARE FOR CARS, PATHS ARE FOR PEOPLE, BENDS YOU CA'T SEE ROUND.
74	CONSIDERATE, LEGAL PARKING ON RAODS VERGE PARKING AND PAVEMENT PARKING IS TOTALLY UNNECESSART AND UNACCEPTABLE.
75	WE HAVE TO WALK ON THE ROAD WHEN TAKING THE GRANDCHILDREN TO SCHOOL . IT IS VERY DANGEROUS
76	PEOPLE PARK AWAY FROM BENDS OK AND WALL A FEW EXTRA YARDS AFTERN PARKED ON PAVEMENT AND DRIVEWAY WITH NO VEHICLES ON IT. DANGEROUS FOR PEOPLE WALKING, WHEELCHAIRS SCOOTERS ETC HAVE TO GO ON ROAD. I THOUGH PAVEMENT WAS FOR PEDESTRIANS NOT CARS.
77	PEOPLE WALKED MORE
78	ON PEOPLES DRIVES
79	PARK ON THE ROAD
80	PEOPLE SHOULD PARK IN THEIR DRIVES
81	IT'S A PROBLEM COUNTRYWIDE
82	DIFFICULT TO MANAGE. ONLY SOLUTION WOULD BE DOUBLE YELLOW LINES ON BENDS
83	HAVE LAYBYS INSTALLED IN PROBLEM AREAS
84	Enough, dedicated parking spaces.
85	Some small lay bys, but difficult to know how these could be provided from existing land.
86	BETTER PARKING FACILITIES AT SHOPS AND CHURCH
87	ADDITIONAL CAR PARKING FOR THE CHURCH
88	Double yellow lines to prevent dangerous parking.

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

89	More parking available where you need it to be.
	More parking available where people need to park
91	Unsure
92	Park on the road
93	Off on side of road there are more cars want to use doctor car park instead
94	Use car park round back of shop Use community centre car park
	A lot of parking outside on verges of properties
96	Park at the playing field car park
97	Park at playing field
98	OFFICIAL PARKING SPACES OR EVEN SOME PERMITS ON;Y. I THOUGHT IT WAS ILLEGAL TO PARK ON BENDS AND PAVEMENTS.
99	VERY HEAVY FINES WOULD SOON STOP THEM
100	There are garages on Hale Road which do not appear to be in use so maybe that area could be made available for short-term parking.
101	IT SHOULD BE BUT THE ROAD IS NARROW FOR THE TYPE OF TRAFFIC COMING THROUGH THE VILLAGE
102	USE THE PROPER CAR PARK AND HAVE SOMEONE PATROLLING
103	COMMUNITY CAR PARK
104	ENCOURAGE PEOPLE TO USE THE PARKING ALREADY PROVIDED
	IF IT IS A WALKING DISTANCE TRY NOT DRIVING.
106	Often there is room on people's drives and no need to park on the pavements.
107	PARKING IN CAR PARK FOR CHURCH AND LIESURE AREA
108	WHAT ALTERNATIVE IS THERE
109	It's illegal
	People to park in own garages and driveways, not outside neighbour's property.
111	Educating drivers on the highway code and basic common sense
112	Pavements are for walking.
113	I use a mobility scooter and sometimes I cannot get past
114	Shame that instead of old school being made car park area
115	PARK SAFELY ON THE ROAD WHERE POSSIBLE. DO NOT PARK ON PATHS WALK IF YOU ARE ABLE ALTERNATIVE PARKING IS NOT A NECESSITY AND THERE WOULD STILL INADEQUATE SPACE IF DEVELOPED.
116	IT CAN BE DANGEROUS . IT CAN CHEW UP VERGES
117	People need to park safely and walk a little further to destination.
118	People parking on the pavements mean that you often have to walk into the road, when taking children to school this is unnecessarily dangerous.
119	Could be in sports field car parkland chidden could walk to school A path wouldn't be much of a problem to install
	BUT THERE IS LIMITED PARKING SO THIS WOULD BE A BIG PROBLEM, SO SOME PEOPLE HAVE NO CHOICE

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

121	I thought pavement parking was already illegal! Of course it is only as good as the enforcement, as with any rule.
122	WHEREVER POSSIBLE RESIDENTS SHOULD PARK IN THEIR OWN FRONT GARDENS
123	Leave car at home more often
124	All vehicles should park on the road. If then a vehicle needs more room then it will have to mount the pavement or verge. Whilst not great at least the pavements are free for use by those that would find it difficult or dangerous to go round a parked vehicle.
125	REGARDING THE SCHOOL AND CARS PARKED IT'S DANGEROUS - SOME FAMILIES COULD WALK OR CAR SHARE
126	Use driveways
127	Using Garages as per planning permission. Making use of drives Not owning more than one vehicle per person
128	MORE PEOPLE USE THEIR DRIVES BETTER
129	Normally people do not park on road and use path or verge instead, please use all available laws to stop this.
130	Parents should be encouraged to walk or car share as should worshippers.
131	DOUBLE YELLOW LINES ON BENDS
132	Walking to the shops, leave the car at home
133	MORE PARKING SPACES
134	YES AND NO REGARDS TO SAFETY ISSUES
135	parking for the shop
136	Double yellow lines and provide suitable car parking spaces
137	Enforce the law on parking
138	Parking in driveways
139	Parking on allotted drives
140	Near the shop and church, very dangerous.
141	Unsure
142	do not know
143	Cars part too close to junction by Plowright doctors
144	Outside Plowright centre, cars often park close to junction. Should be double yellow lines.
145	Parking facility provided on land next to the Rectory to remove cars parked outside of housing opposite the church.
146	Park on road only
147	Residents must park on drive or road NOT on grass areas etc. Visitors must park same. Parking bays / double yellow lines needed in places.
148	Park safely even if it means a short walk.
149	Plan roads with greater width
150	The law says cars should be on the road (not pavement). Police job
151	Difficult to say, lack of space.
152	Educate drivers

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

153	MORE PARKING SPOTS
154	PEOPLE PARK IN THEIR DRIVES, WALK TO THE SHOPS
155	NO ONE SHOULD PARK ON BENDS - BUT SHORT TERM VERGES AND PAVEMENTS OK.
156	REOPEN THE CHURCH CAR PARK AT THE NORTH SIDE OF THE CHURCH. THIS WOULD REDUCE THE PARKING PROBLEM IN TUNS ROAD AND SCHOOL ROAD WHICH CAN BE VERY DANGEROUS
157	DRIVEWAYS ARE FOR OCCUPANTS AND ON THE ROAD FOR VISITORS
158	CREATE A PATH FROM THE RECREATION GROUND. CUT OFF THE USE OF PART OF SCHOOL ROAD AT THE BEGINNING AND END OF THE SCHOOL DAY OR MAKE ROAD ONE WAY.
159	PEOPLE SHOULD NOT PARK ON GREEN VERGES
	SHOP/POST OFFICE/BUTCHER IS VERY LIMITED THE CHURCH/TELEPHONE BOX IS BAD AT TIMES
161	STONE BOLLARDS ERECTED ON VERGES, CARS SHOULD NOT PARK ON PAVEMENTS OR BENDS
162	IT SHOULD BE OBVIOUS REALLY TO THE DRIVER - I GUESS YELLOW LINES ARE THE ONLY OPTION
163	PEOPPLE SHOULD USE THEIR DRIVEWEAYS WHERE POSSIBLE
164	PEOPLE AER OFTEN TOO LAZY TO WALK FAR FROM THEIR CAR OUTSIDE CHURCH SEEMS TO BE THE WORTS AREA
	AT PLOWRIGHTS I DO WISH PATIENTS WOULD USE THE CAR PARK INSTEAD OF THE ROAD
166	PARK SOMEWHERE ELSE AND WALK
167	When properties built, larger drives or less cars
168	Yes it is dangerous and causes many near misses.
169	Issue polite notice to better manners
170	Parking for school drop off
171	Park on the side of the road not the pavements as you can only get one car passed even if you are on the pavements - think of others (i.e.) pushchairs, wheelchairs and elderly
172	A local free parking area.
173	isn't it illegal? Enforcement action / notice Phil Patience is a pure example, car near narrowing at chantey lane.
174	Drivers need to think where they are parking and do it safely.
	Use car park on Tuns Road
176	ONLY JUST ABOUT, ON BUSY TIMES CARS PARK ON ROAD CORNERS
177	ENCOURAGE OTHER FORMS OF TRANSPORT BY PROVIDING CYCLE RACKS TO PARK BIKES
178	MAKE THE CARPARK NERAR THE PLAY PARK TARMAc AND HAVE A PATH FROM THE PLAYING FIELD TO THE SCHOOL
179	PACIFIC PARKING FOR THE SHOP
	YELLOW LINES IN SCHOLL ROAD FROM TUNS ROAD TO THE RECTORY
181	Use car park near recreation ground
182	LIMITED PARKING TIME, FINES FOR OVER PARKING
183	I HAVE NEVER FOUND PARKED CARS TO BE A PROBLEM IN THE VILLAGE
184	There is a grass area near the butchers. Can this be made into a parking area?

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

185	People use their drives not pavement
186	It is or should be illegal anyway.
187	Realistically the "bell mouth" to Chantry Court is always going to be used by shoppers and mostly it is not a problem
188	Using driveways
189	Most people have parking, just don't give a thought for pavement users
	Parking lot needed
191	More use of mini lay-bys where possible
192	Encourage more people to park up driveways when they have them
193	OPEN UP CAR PARK AT REAR OF SHOPS
194	SOMETIMES IT CAN'T BE HELPED
	MORE PARKING NEEDED FOR THE SHOPS ( CAR PARK AT REAR?)
196	ANYWHERE BUT VERGES, PAVEMENTS AND BENDS
197	IT'S ILLEGAL AND DANGEROUS YELLOW LINES USE VILLAGE HALL CAR PARK
198	PARKING ON PAVEMENTS SHOULD DEFINATELRY BE DISCOURAGED
199	SCHOOL ROAD ONE WAY ONLY WITH PARKING ON ONE SIDE WHERE SAFE ELSEWHERE YELLOW LINES
200	DON'T PARK THERE. EMPTY YOUR GARAGES AND PARK THEM THERE, ALL NEW HOUSES SHOULD HAVE ADEQUATE GARAGES/PARKING.
201	IN A DRIVE, OR ON THE ROAD BUT NOT THE PAVEMENT.
202	It is illegal to park on corners
203	IT SHOULD BE BANNED IT MEANS PEOPLE WITH MOBILITY SCOOTERS HAVE TO GO IN THE ROAD.
204	IT'S TOO LATE THIS COULD EASILY HAVE BEEN PREVENTED IF MORE ATTENTION TO NDETAIL WAS IN PLACE WHEN DWELLINGS WERE IN THE PLANNING STAGES.
	To make houses with drives to be used. Cut out pavements to have house painting as per shop.
206	Double yellow lines
207	People could walk instead of jumping in the car every time
208	Motorists should find legal parking!
209	Should have used old school field as car park.
210	The old school field could have been partly utilised as parking for parents when collecting and dropping children to school.
211	Residents should park in their driveways. It is illegal to park on pavements.
212	The bottom of the school field could be used for parking. Yellow lines on bends
213	Problem being in certain areas there isn't an alternative
214	ROAD MARKINS TO PREVENT PARKING (PLUS ENFORCEMENT) CEATE A SCHOOL CAR PARK - LET TEH CHURCH USE IT TOO
	PARKING IN PASSING BAYS IS NOT AN OPTION ON CHAPEL ROAD AND SHOULD BE DISCOURAGED
216	WALK MORE

## 57. Do you believe parking on verges, pavements and bends should be discouraged?

217	WHEN HOUSING IS BEING APPROVED PARKING SHOULD BE THOUGHT OF
218	USE THE COMMUNITY CENTRE OE DRIVE WAYS
219	MORE USE OF PLOWRIGHTS CAR PARK & OVERFLOW OPPOSITE. USE 1ST SCHOOL FIELD AS CAR PARK/VILLAGE GREEN
220	PARKING ON PAVEMENTS SHOULD BE ILLEGAL. PEDESTRIANS SAFETY SHOULD BE A HIGHER PRIORITY. INCOBSIDERATE PARKING IS A MAJOR PROBLEM AND IN SOME CASES DANGEROUS
221	PARKING AT SCHOOL
222	CAN'T THINK OF ANY OTHERWISE PEOPLE WOULD NOT PARK ON PAVEMENTS
223	WIDEN ROADS ESPECIALLY THROUGH ROADS (TUNS ROAD/HALE ROAD)
224	LAYBYS PARK SENSIBLY AND WALK
226	OBVIOUYSLY
227	The church parking is not good
228	Theres no room to do anything else
229	People should use the available parking, not park in bend just because easier. No easy answer.
231	Parking on bends and on T-junctions should be stopped. Drivers should park further down
232	When development takes place - there should be more parking and less houses
233	It is against law to park on pavements.
234	? On a pavement. Difficult for parens with push chairs
236	No need to park on pavements. These people need to be charged. Why is this not happening?
237	Don't see any alternative
238	Marked parking bays near shop.
239	Don't know None - just fewer drivers not using their common sense
241	Park on the road. Footpaths are for walking on.
242	Marked spaces in safer areas, markings to stop unsafe parking
243	There is none and none available
244	Villagers who can walk should be discouraged from using a vehicle.
245	If there is no parking, you should not be parking on a path. Cars pay road tax not that tax, paths are for walking and thinging about prams and wheelchairs
246	Have yellow lines on dangerous bends
247	?
248	Parking in the field below the church towards the school
249	In most cases the are already alternatives - people just don't use them. As said re church / school use field adjacent to rectory and hard surfaced.
251	Walking, if better pavements, some areas too narrow, lighting along Tuns Road inadequate, some covered by trees.

## 58. Are there any areas in the village where a change of speed restriction should be introduced?

8	The hamlet of Ivy Todd from Rose Farm/Clay Pit Farm to Ivy Todd Bridge. Two cars recently miss the turn at an extreme speed and ended in the Ivy River. Leakage from the vehicles has polluted the waterway. We get at least one car every evening going an excessive speed.
9	Speed reduction/traffic calming measures are urgently needed on St Andrew's Lane - vehicles largely ignore the speed limit. There are multiple households with children down that road - and animals - and it is used as a 'cut-through' to get to the school or bypass the village to get to Holme Hale. It's also a rat run to get to Ivy Todd. If the speed limit cannot be enforced then traffic calming measures (like speed humps or chicanes) are required.
10	Holme Hale Rd the speed restriction sign needs to be moved
11	All through the village, cars speed down Tuns Rd. Hale Rd. North Pickenham Rd. Chantry Lane to name a few.
12	Main road out to Holme Hale would be better to limit to 40 mph
13	North Pickenham Road by the new houses
14	tuns road and school road.  Tuns road as it is not wide enough for the large vehicles that use is, lorries etc and cars often have to mount the path to allow the lorry etc to pass. reducing the speed would at least limit the risk of injury.
15	tuns road 20 mph
16	Ivy Todd Rd, St Andrews and Chapel Rd - they're not suitable to be 60mph. I'd also like to see safety measures at the Co-Op, St Andrews Lane/Tuns Road junction. When traffic is queueing for the A47, the view to the left is blocked and it's impossible to turn right or get over to St Andrews Lane without edging out, potentially causing a crash. A mirror would be useful here.
17	Should be 20 mph all thro the the village
18	Chantry Lane has regular speeders
19	On the A47 out side the village it should be taken down to 40mph
20	20mph throughout village to boundaries.
21	St Andrews Lane, Hale Road. On Hale Road, there should be traffic calming measures - cars race down there all the time. Changed speed limits are not sufficient.
22	Tun's Road/Hale Road - the current 30 should be further reduced, ideally by way of barriers to force a slow down on the village entry from Hale Road. The flashing SAM is not enough to encourage speed reduction.
23	Near shops & surgery.
24	St Andrews Lane where there is a conflict with pedestrians who have nowhere to go to avoid the traffic.  All roads leading in to the village particularly North pickenham road/Browns Lane
26	St Andrews Way (needs road narrowing at bridge to stop HGVs) Ivy Todd Road Chapel Road Ramms Lane
27	1. The whole of St Andrews Lane 2. Tuns Road
28	North Pickenham Road / Tuns Road
29	St Andrews Lane should be 30 -> national speed limit highly dangerous  Reduced speed through the village
31	Through the centre of the village
32	The whole village from end to the other needs traffic restrictions
33	Chantry Lane

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

34	20mph Tuns Road - Hale Road
35	EXTEND 30MPH LIMIT IN ST ANDREWS LANE FROM GROVE LANE TO JUNCTION WITH KETTS HILL. NEW 40MPH SPEED LIMIT IN RAMMS LANE - WHICH SHOULD BE DESIGNATED AS A QUIET LANE WITH PEDESTRIAN PRIORITY.
36	20mph throughout
37	ST ANDREWS LANE SHOULD BE RESTRICTED FOR ITS LENGTH, LIKEWISE NORTH PICKENHAM ROAD.
38	Hale Road constant speeding there
39	Tuns Road, Hale Road
40	At the Necton / A47 junction - it needs to be reduced, especially with the two separate entrances into Necton and the CO-OP garage.
41	Chantry Lane, Mill Street
42	Whole of Chantry Court and Hale Road
43	Tuns Road, Hale Road, Masons Drive, Oaks Drive, North Pickenham Road
44	As you enter Necton from the Holme Hale Road the sign says 30 mph but are coming at 40-50 mph to enter this part of Necton
45	Chantry Court
46	POLICE TO DETER ILLEGAL PARKING
47	ALL BUILT UP AREAS SHOULD BE 20MPH, SOME ROADS ARE LIKE A RACE TRACK, ESPECIALLY SCHOOL RUN.
48	CAMERAS IN TUNS ROAD FREQUENTLY USED BY YOUNG DRIVERS AT OVER 80MPH
49	Traffic speeding down main road ignoring 30mph. Better signing needed.
50	On A47 junction to village, also Pickenham Road / Browns Lane when the big estate is built!
51	Everywhere just 30mph
52	NO TO MY KNOWLEDGE
53	PEOPLE NEED TO ADHERE TO CURRENT LIMITS
54	A47 JUNCTION TUNS ROAD
55	Sadly people drive down Tuns/Hale Rd all too quickly, especially at the A47 end. I'm not for adding to congestion but it would be great if people could respect the 30mph that we already have. Bringing things down to 20mph may not be feasible so maybe one or two extra speed monitors would help with this?
56	30MPH ALL THE WAY DOWN HALE ROAD, WITH SPEED CAMERAS TO ENFORCE IT
57	ST ANDREW LANE - NEEDS TO BE 30MPH THROUGHOUT - 60MPH ALONG THIS LANE IS RIDICULOUS.
58	MANY VILLAGES HAVE A 20MPH - THIS WOULD BE BETTER OR A SPEED CAMERA AT SOUTH END OF HALE ROAD
59	MASONS DRIVE THROUGH TO OAKS DRIVE CARS DRIVING FAST DOWN THESE ROADS SINCE NEW PROPERTIES.
60	MASONS DRIVE/BENGY'S ROAD AREA
61	TUNS ROAD & HALE ROAD
62	TUNS ROAD AND HALE ROAD
63	Leaving the village toward Holme Hale - people just speed both ways. Can the speed limit be reduced to 40mph? Would anyone take any notice.

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

	How about a Community Speed Watch Team? I believe this has been suggested by a Parish Councillor already.
64	NORTH PICKENHAM ROAD INTO BROWNS LANE AND BACK FROM SHOP GOING TOWARDS HOLME HALE
65	NARROWINGS - I LIVE THERE SEEN SOME VERY CLOSE CALLS . I PUT MY LIFE IN THE HANDS OF THE GODS EVERYTIME I LEAVE MY PROPERTY - I SEE LOTS OF THINGS - CHILDREN ON BIKES - THAT PUT MY HEART IN MY MOUTH
66	HALE ROAD HAS SPEEDING CARS, THAT CAN BE LOWERED.
67	TUNS/HALE ROAD - TRAFFIC CALMING MEASURES DESPERATELY NEEDED BEFORE SOMEONE IS KILLED BY THOUGHTLESS ILLEGAL SPEEDING MOTORISTS
68	PAST THE SCHOOL THE INTRODUCTION OF SPEED BUMPS ON SCHOOL ROAD. TUNS ROAD WOULD ALSO BENEFIT FROM SPEED BUMPS OR TRAFFIC CALMING MEASURES
69	TUNS ROAD TO THE END OF THE VILLAGE
70	SLOWER IN HALE ROAD
71	SPEED LIMIT ON A47 SHOULD BE DROPPED TO 40 MAX AND 20 THROUGH VILLAGE
72	TUNS ROAD, THEY SPEED DOWN THERE SOMETIMES.
73	SHOULD ONLY BE 20 THROUGH THE VILLAGE
74	A47 SHOULD BE 40MPH FOR A LONG DISTANCE PLUS LIGHTS AT JUNCTION.
75	NORTH PICKENHAM ROAD - MANY CARS DRIVE WAY TOO FAST ALONG THERE - DAY AND NIGHT.
76	TUNS ROAD/HALE ROAD. WALKING A DOG A COUPLE OF WEEKS AGO CAR WENT PASR OUT OF THE VILLAGE DOING AT LEAST 70MPH. THIS WAS AFTER KINGFISHER CLOSE HEADING TO HOLME HALE
77	IN THE VICINITY OF THE SHOP, NORTH PICKENHAM ROAD ETC THE SPEED SHOULD BE ERDUCED TO 20MPH
78	I live at the bottom of St Andrews Lane. Some dreadful speeding, it seems hardly anyone adheres to the 30mph limit where the houses begin. Also, coming the other way from the 60mph sign. Have been shocked by this.
79	HALE ROAD BETWEEN KINGFISHER AND RAMMS LANR (30MPH) BROWNS LANE - 30MPH FROM NORTH PICKENHAM TO ALLOTMENTS
80	30 MPH LIMIT IN HALE ROAD SHOULD BE EXTENDED TO JUST PAST RAMMS LANE. CARS TRAVEL ST SPEED MAKING IT CHALLENGING WHEN PEOPLE ARE WALKING ALONG THE ALL TOO NARROW TROD, WHICH IS QUITE POPULAR
81	WOULD NOT MAKE ANY DIFFERENCE . PROPLE IGNORE
82	20mph throughout the village.
83	St Andrews Lane needs to be 30mph A47 should be 40 not 50mph Width restriction on weak bridge on St Andrews Lane
84	St Andrews Lane should be 30mph along the whole lane. A47 around village entrance should be 40mph. There should be a width restriction in St Andrews Lane.
85	A47 reduced to 40mph as per Little Fransham
86	Pickenham Road
87	School Lane Main road through the village

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

88	Chantry Lane is a rat run. 20mph through the village
89	Main road
90	Hale Road to Holme Hale
91	Main round through the village - sleeping policemen
92	Hale road
93	The speed through Hale Road should be reduced to 20 mph, particularly when approaching the shop and Plowright surgery. This is a regular crossing spot for schoolchildren and the elderly.
94	A47 and the area around the village shop
95	A47
96	20MPH THROUGHOUT THE VILLAGE
97	The whole village should have a 20 mph zone within its environs and definitely within the most built up areas
98	IF PEOPLE KEPT TO 30MPH IT WOULD BE OK
99	THE WHOLE VILLAGE ESPECIALLY FROM A47 AND THE ROAD OUT OF THE VILLAGE TO HOLME HALE
100	TUNS ROAD, HALE ROAD AND ST ANDREWS LANE
101	TUNS ROAD ALWAYS BOY RACERS SCREECHING TYRES AND SPEEDING LATE IN THE NIGHT. LIMIT OF 20 -25MPH
102	TRAFFIC BUMPS PUT IN TUNS ROAD FAR TOO MANY BOY RACERS USING IT MORE FREQUENTLY AT NIGHT WITH NO REGARD TOSPEED LIMITS. NEEDS TO BE 20MPH TO STOP THIS.
103	All roads in village should be 20mph
104	Tuns Road / Hale Road, especially the bend near Mill Street. Chantry Lane, this is now a race track day and night
106	A47 at the junctions near to the service station. Lower speed limit 50 to 40 mph.
107	Browns Lane - North Pickenham - Hale Road
108	The 50mph a47 at the top of Necton should be a 40mph like Fransham
109	Hale Road Holme Hale Road into Necton down 15 mph
111	A47, 40mph not 50
112	The 30 mph sign should be put further down Holme Hale Road
113	RAMMS LANE. A 47 REDUCED TO 30MPH
114	A47 SHUOLD BE EDUCED TO 40MPH TO ALLOW SAFER CROSSING. THROUGH HALE & TUNS ROAD THERE NEEDS TO BE MORE SPEED DETERENTS JUST NEED TO ADHERE TO WHAT I PLACE ALREADY
116	CHAPEL LANE AND IVY TODD ROAD
117	A 20 MPH SPEED RESTRICTION SHOULD BE IMPLENENTED ALL OVER THE VILLAGE
118	Ivy Todd and Ramms Lane
119	Yes, the whole village should be 20mph. 20 in all the side streets would be much better

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

121	30MPH IS ADEQUATE IF ADHERED TO. SPEED CAMERAS WOULD BE USEFUL
122	Tuns Road / Hale Road
123	THE BEND IN THE ROAD FROM TUNS ROAD INTO HALE ROAD. MAKING EXIT FROM MILL STREET QUITE HAZARDOUS
124	A47 CHANGE FROM 50 TO 40MPH
	Entire length of Chantry Lane
126	All of the housing estates...especially Masons Ave and the roads off of it. 20miles per hr
127	Reducing the speed limit would have no effect Only speed bumps do this
128	Hale Road through to Tuns Road
129	North Pickenham Road
	North Pickenham Road
131	A47 50 MPH REDUCED TO 40MPH AND ENFORCED BY AVERAGE SPEED CAMERAS
132	All residential roads ,Chantry Lane , School Lane , Mill St. etc
133	TUNS ROAD AND HALE ROAD SUGGEST 20MPH
134	Everywhere should be 20mph
135	MILL STREET IS DREADFUL. MOTORBIKES THAT ARE SO NOISY & MUST BE DOING MORE THAN 30MPH. IT IS DISGRACEFUL BEHAVIOR BY A FEW RESIDENTS AND NOTHING IS DONE ABOUT IT. CAR SPEEDS ARE BAD TOO.
136	20 through the village
137	St Andrews Lane should be 30 maximum the whole length of it.
138	30mph the whole village
139	Through the village
	A47 junction and School Road
141	20mph all the village
142	Mill Street and School Road
143	Hale road 20mph
144	20mph for all the village
	Browns Lane meeting North Pickenham road
146	A47
147	Tuns Road
148	Difficult to police but Tuns Road too fast.
149	Blanket 20mph would remove confusion and improve safety
	Current speed limits need to be adhered to.
151	All roads 20mph
152	A 20mph limit needs to be throughout the entire village
153	A47 changed from maximum of 50 to 40mph
154	40mph between Necton and Holme Hale

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

155	Shops. Chantry Court speed limits. Road is not suitable for heavy lorries - narrow road Speeding delivery vehicles (vans)
156	PERMANENT 20MPH NEAR SCHOOL
157	CHANTRY LANE (IT'S USED AS A RACE TRACK)
158	YES, COMMUNITY CENTRE CAR PARK ENLARGED
159	A 20 MPH SPEED LIMIT FOR THE WHOLE VILLAGE AND ADOPT THE WIDTH LIMITS AS THEY HAVE IN WESTON LONGVILLE. THIS WOULD REDUCE HEAVY LORRIES SUING THE VILLAGE AS THROUGH TRAFFIC
160	20MPH THROUGH THE VILLAGE AND WITH TRAFFIC CALMING MEASURES
161	SCHOOL ROAD. TUNS ROAD SPEED LIMIT FREQUENTLY IGNORED
162	DON'T WANT ANY BLANKET 20MPH LIMITS
163	I AM NOT SURE, BUT IS NOT GOOD FOR PRAMS OR WHEELCHAIRS
164	TUNS ROAD, HALE ROAD NTH PICKENHAM. ALL THE DELIVERY VANS, LORRIES ETC SPEED ALONG THESE ROADS
165	AROUND THE ESTATES 20MPH IS SAFER
166	NUMBER PLATE RECOGNITION, CARS IGNORE SPEED LIMIT
167	ALL RESIDENTIAL AREAS SHOULD BE 20MPH AS ARE ANY NEW DEVELOPMENTS
168	HALE ROAD SHOULD BE 20MPH FROM KINGFISHER TO WINDMILL STREET
169	A47 JUNCTION REDUCE TO 40MPH
170	TUNNS ROAD, HALE ROAD - RACING ROAD AT NIGHT/EVENINGS
171	The village is a 30mph, people need to adhere to that! Need speed cameras entering / exiting village.
172	Road through village 20mph speed limit. Speed camera needed at Kingfisher Drive.
173	The 50mph on A47 should be reduced to 40mph
174	Reduction to 40mph on A47 by CO-OP, Costa
175	A47 - 40mph
176	Hale Road
177	A bigger car park by the sports field.
178	A47 drop to 40mph same as Fransham
179	Whole village 20mph
180	A47 needs to be a lower speed limit through the village which would also help people crossing road for buses
181	Near school
182	When leaving the village towards Holme Hale along Hale road, consider 40mph Many people walking along road.
183	North Pickenham Road
184	Near Hale Road - North Pickenham Road by shop and doctors
185	Near Hale Road - Pickenham Road, stop at doctors
186	Mill Street - need speed cameras - they come round the corner too fast and nearly hit my daughter

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

187	The A47 needs to be 30mph. The Necton / CO-OP junction is a black spot!
188	30mph out of village should be extended to join up with the Holme Hale board
189	Chapel Road
	IS THERE SPARE GROUND NEARBY WHICH CAN BE USED
191	IVY TODD REDUCE LIMIT TO 30MPH
192	TUNS ROAD AND HALE ROAD, NORTH PICKENHAM ROAD, CUL DE SACS REDUCED TO 20MPH MAXIMUM
193	OK OUTSIDE PEPOLES HOUSES, BUT NOT ON BENDS
194	TUNS ROAD 20MPH
195	TUNS ROAD 20MPH
196	CHAPEL ROAD SHOULD NOT BE 60MPH AS CHILDREN LIVE THERE, WALKERS USE IT A LOT AND THERE ARE BLIND BENDS. THIS ROAD IS DANGEROUS AND NEEDS TO BE ADDRESSED
197	HALE ROAD, LEADING TO CHANTRY COURT AO MANY YOUNG CHILDREN. CARS ROAR UP THERE
198	TRAFFIC CALMING AND SPEED BUMPS NEEDED ALONG TUNS AND HAL ROAD
199	TUNS ROAD INTO HALE ROAD NORTH PICKENHAM SPEED BUMPS
	ON SCHOOL ROAD POLICE AWARE OF SPEEDING CARS BUT NOTHING HAS BEEN DONE ABOUT IT. SPEED BUMPS?
201	Chapel Road
202	ST ANDREWS LANE TO MANY BENDS LOTS OF DOG WALKERS SHOULD BE 30MPH
203	OUTSIDE THE SCHOOL 20MPH LIMIT
204	HAVE THERE BEEN ANY EXCESS SPEED ACCIDENTS IN THE VILLAGE
205	North Pickenham Road leading out of Necton just past old Erne Farm site is 60mph, far too fast for a narrow lane and soon new housing there too.
206	Chantry Court should have a restriction of 20mph. Vehicles are a danger to children and adults travelling at high speed
207	All of it Tuns Road 20mph
208	Ramms Lane / Ketts Hill
209	A47, 50mph to 40mph 30mph St Andrews Lane
211	Junction A37 - Necton
212	The A47 needs to be 40 as it was when the CO-OP was being built. Made a big difference getting out.
213	Tuns Road important 20mph
214	Maybe around shops and surgery area on the Hale Road Speed limits in the village are not kept.
216	Outside the school
217	Hale Road - specifically between no's 2 and 20 - cars / lorries / farm vehicles race down - need traffic calming also.
218	THE WHOLE OF ST ANDREWS LANE SHOULD BE 30MPH IT IS VERY NARROW WITH 3 BLIND CORNERS

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

219	40MPH ON A47 NEAR ENTRANCE TO VILLAGE 40MPH FROM KINGFISHER ALONG HALE ROAD THROUGH TO HOLME HALE
220	PEOPLE DON'T STICK TO THE CURRENT ONES ANYWAY
221	ST ANDREWS LANE NEEDS TO BE 30MPH. NARROW LANE WITH BLIND BENDS.
222	SCHOOL ROAD- PARTICULARLY IN FRONT OF THE SCHOOL
223	THE MAIN ROAD THROUGH NECTON - GETTING CHILDREN TO SCHOOL IS A BAD TIME
224	20MPH ON TON ROAD AND PASTED SHOP
225	20MPH MASONS DRIVE
226	SCHOOL ROAD 20MPH. CHANTRY ROAD 20MPH. PERHAPS WHOLE VILLAGE
227	On the A47 limit to be 30 / 40 miles per hour what is now 50 m.p.h.
228	OUTSIDE THE SCHOOL AND OUTSIDE THE SHOP SHOULD BE 20MPH
229	Outside the shops & blind bend
230	School if there is none and on approach to the shop and the recreation area
231	Ivy Todd Road, Chapel Lane 40mph max not 60, especially when lack of footpaths
232	Chapel lane / Ivy Todd Road. However, there is speed limits throughout the village but this is not discouraging certain individuals who still speed, especially at weekends outside the school.
233	ST ANDREWS LANE, RAMMS LANE, CHAPEL ROAD, IVY TODD ROAD
234	HALWE ROAD PROPLR DRIVE VERY FAST OUT OF THE VILLAGE TOWARTDS HOLME HALE.
235	THE SCHOOL COULD CREATE PARKING BY USING SOME OF THEIR PLAYING FIELD. RESIDENTS TO USE THEIR DRIVEWAYS IF THEY HAVE ONE
236	IT WOULDN'T BE SO BAD IF PEOPLE ADHERED TO THE SPEED LIMIT THROUGH THE VILLAGE, BUT A 20MPH WOULDN'T GO AMISS. VEHICLES CONSTANTLY COMING THROUGH IN EXCESS OF 30MPH
237	MAIN VILLAGE STREET AT RECREATION GROUND AND ALL JUNCTIONS. MILL STREET & AN VILLAGE SHOPS ETC.
238	MORE FLASHING SIGNS TO REMIND PEOPLE OF LIMIT
239	40MPH ON A47 NEAR JUNCTION
240	CHANTRY LANE END OF MILL STREET (BLIND BEND) 20MPH ST ANDREWS LANE 30MPH
241	MASONS DRIVE & SPEED RESTRICTIONS AND YELLOW LINES ON BENDS. CARS AND DELIVERY VANS PARK ON BENDS & IT'S DIFFICULT TO SEE ONCOMING TRAFFIC
242	TUNS ROAD, HALE ROAD & SCHOOL ROAD
243	THE DRAINS ALONG HALE ROAD ARE LIKE BAD POTHoles CREATING DAMAGE TO CARS AND BUILDINGS. THEY ALL NEED TO BE LIFTED UP A FEW INCHES.
244	Not sure
245	On the A47, 40mph (A47 / Tuns Road junction)
246	On the A47 a 40mph would help with leaving the village. Lt Fransham has a 40mph with less exits!
247	Current speed limits should be enforced. the people who currently break the speed limits aren't going to take any notice of any changes.
248	A47 should be a 40mph. 20mph through rest of village
249	Chantry Lane North / South Pickenham Lane / Road

## 58. Are there any areas in the village where a change of speed restriction should be introduced?

250	A47 reduce from 50 to 40mph please
251	Think it should be 20mph through the village
252	Just want speed limits enforced
253	Chantry Lane / School Road / North Pickenham Road
254	Chantry Lane especially near road narrows
	Yes by the shops down to 20mph and on the A47 going past down to 40mph
256	School Road - Tuns Road
257	Mill Street far too fast (speed camera)
258	Not necessary if drivers obeyed the 30mph speed limit
259	Main road through village. Need to stop car races at night
	Don't know but random speed checks might help
261	More control of speeding through the village.
262	Number plate reader for speeding cars
263	Chantry Lane! Especially during term time! What happened to the one-way system for the school? It worked well. Enter by School Road, exit down Chantry Lane
264	20mph near school and shop
	A47 junction should be reassessed and speed limit reduced. (danger spot)
266	Near Ramms Lane
267	Hale Road - shops area
268	All areas of the village should be 30mph
269	Tuns Road and Hale Road should have flashing speed signs
270	1. Sharp bend Tuns Road / Hale Road by The Follies. 2. Sharp bend in Chantry Lane by entrance to Croft Meadow (new development)
271	Road marking 'slow down' at sharp bend to Tuns Road and Mill Street, also Lower Mill Street / Chantry Lane
272	Reduce the speed on the A47. Reduce the speed on Tuns Road and Hale Road, possibly also on School Road
273	Tuns Road
274	All estates should be 20mph
275	Mill Street School Road
276	40mph on A47 - also a reduced speed limit through areas in village 20mph!. due to some people driving very excessive / too fast
277	Definitely Tuns Road, too narrow, with no give way space for buses and trucks, Traffic calming ie speed bumps
278	On Browns Lane the 30mph should be extended out to the allotments / dog walking area
279	Hale Road bottom towards Holme Hale - cars exceed 30mph frequently. Speed bumps?
	In all housing estates and by the school, church and shops the speed limit should be reduced to 20mph.
281	Not the village as such but the A47 should be dropped to 40mph as in Fransham.
282	Tuns Road, 20mph please

**58. Are there any areas in the village where a change of speed restriction should be introduced?**

283	Entry onto A47 make 40mph. 20mph from community centre to just past shops / med centre, due to blind bends / school bus drop off point along Tuns Road and pacing onto Tuns Road
284	20mph throughout the village
285	Hale Road speed bumps, single right of way, etc. All because of the amount of through traffic. School Road, school run parking.
286	Hale Road. It's like a race track at night times.
287	A47 40mph limit
288	Throughout the village to prevent cars racing through the village especially along Tuns Road / Hale Road and Pickenham Road
289	People just need to drive the limit
290	Chapel Road, Ivy Todd Road.
291	Chapel Road / ivy Todd Road
292	St Andrews Lane is too fast
293	A47
294	St Andrews Lane needs to be 30mph
295	St Andrews Lane (has blind bends - dangerous for walking!!)
296	A47 drop to 40mph same as Fransham
297	ALL ROUND THE VILLAGE COULD DO WITH RANDOM COMMUNITY SPEEDS GUN SURVEY. DUNHAM DO IT/

### 59. Small Businesses Would you like to see better provisions for small businesses in Necton?

Answer Choices		Response Percent	Response Total
1	YES		43.29% 184
2	NO		56.71% 241
		answered	425
		skipped	106

If YES, please describe where you consider small business development could take place. (95)

1	Ask the business owners what they need and hopefully that will work
2	I am a small business owner having started up this year and I hope to grow my business over the coming years and employ local people. I believe a community hub/trading day could work where people in Breckland can come and buy locally produced food/gifts etc. Maybe it could be held at the community centre on a particular morning or the old school site (Community Hub)
3	A takeaway and restaurant or coffeshop or cafe would nice.
4	An area of advertisement would be good - a simple board to allow people to advertise, as costs of other advertisements can impeded their ability to show of the things they do.
5	The garage area in Tuns road is a mess. Clay pit farm and Mona farm are ideal areas although the road infrastructure isn't.
6	The Old Car sales area across from Costa Coffee.
7	Small workshops on land between the chicken farm and Kingfisher estate on the Holme Hale Rd. Screened by hedges and trees.
8	The old garage in Tuns Rd is looking rather messy, how about there.
9	I personally don't know where the areas would be.
10	Opportunities to advertise free of charge so local businesses can support each other - and locals know the businesses are there.
11	Within the retail block of Premier and Butchers, there's capacity for a work-hub, where work at homers could book office space, meeting venue. The old school could be another similar venue. Perhaps other opportunities for small light industry could be provisioned at the old garages on Tun's Road. These are 3 buildings (brownfield status) that could be revitalised for supporting small local businesses, which in turn might reduce dependence on private transport if these facilities were prioritised for residents.
12	Hale Rd by chicken factory.
13	Don't know enough about village yet?
14	Council need to support small business!
15	LOCAL FARMS SHOULD BE ENCOURAGED TO CONVERT YARDS AND BUILDINGS FOR SMALL BUSINESSES.
16	Village hall pop-up sales
17	OPTIONS ARE LIMITED BUT CRAFT FAIRS + VILLAGE FETS PROVIDE A "WINDOW" FOR SOME LOCAL COTTAGE INDUSTRIES.
18	A dentist NHS
19	Don't know
20	NEW AREAS OUTSIDE MAIN VILLAGE AREA. POSSIBLY SPECIAL RATES TO ENCOURAGE LOCAL PEOPLE.

## 59. Small Businesses Would you like to see better provisions for small businesses in Necton?

21	A local NHS Dentist, vet, hair salon, fish n chip shop would all do well here. We have several small business operating out of residential homes but having a bit of a centre or hub with good parking for some businesses would be useful.
22	I would like to see disused business premises bought up, divided into small units and rented out for small businesses e.g. the garage and bungalow currently for sale on Tuns road near Costa and also the disused school on School Road. There may be others places I'm unaware of but safeguarding locations for small business use would be great.
23	BUILDING NEXT TO COOP (OLD CAR SALES)
24	A coffee shop would be good other than Costa. Maybe at the top of Tuns Road.
25	NOTICE BOARD DISPLAYING WHICH BUISNESSES ARE IN THE VILLAGEE TO HELP FIND THEM
26	UNSURE: MORE LENIENT RULES FOR THOSE WORKING FROM HOME
27	HAIRDRESSER
28	UTILISE PRESENT BUILDINGS/EXISTING PREMISES
29	BY EXISTING
30	NEAR THE GARAGE AND COSTA COFFEE ETC.
31	The former car sales garage by the entrance of the village could be utilised better for small businesses: pop-up spaces, stationary, craft store, book store/library, charity stores etc. We need to be forward-thinking.
32	As previously stated, I would like to see a cafe/tea room, as in Castle Acre and Great Massingham.
33	TOP OF TUNS ROAD
34	NOT PRACTICAL
35	By stinky chicken farm
36	Where Ramms Lane meets Hale Road
37	Ideally the area around the junction with the A47 would be best place for a business development to avoid increased traffic through the village.
38	a'hot desk' office facility perhaps redeveloping the area where the retail car linking to the garage workshop just off the A47 or maybe development of the community centre could provide this nad htere would be reciprocal education/employment opportunities for village residents.
39	OLD GARAGE BY COSTA
40	MAYBE - IF GOOD INTERNET AVAILABLE
41	VILLAGE WOULD BENEFIT FROM MORE SHOPS
42	Redundant existing premises
43	Faster internet connection. Business board that those who live in Necton can advertise.
44	GREEN FIELD ADJACENT TO A47 AND THE COOP STORE
45	On the site next to the Davey Cox garage near Costas.
46	THE COMMUNITY CENTRE
47	Top of Tuns Road.....small units developing skills in all ages
48	Land already allocated for building
49	If planning is applied for for housing then offices / small shops should be incorporated into plans
50	Build a trading estate by compulsory purchase.

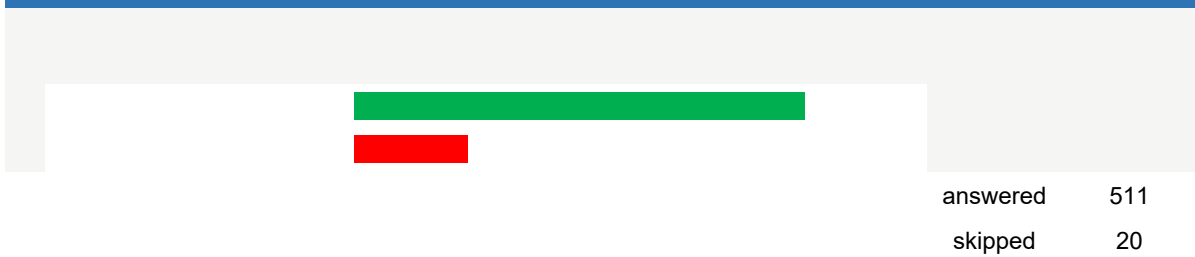

## 59. Small Businesses Would you like to see better provisions for small businesses in Necton?

51	NEAR TO THE A47
52	Shop could have more stock / variety
53	Nursery
54	Not sure
	I like the current facilities
56	20 THROUGHOUT THE VILLAGE
57	SOME FACILITIES TO RENT ROOMS ON A MONTHLY BASIS SUCH AS THERAPY ROOMS ETC
58	ALONG CVILLAGE TUNS/HALE ROADS. BROWNS LANE WHERE PEOPLE WALK
59	SPORTS AREA HOW OFTEN DOES THIS GET USED - COULD PRODUCE REVENUE
	THE VACANT SHOP NEXT TO THE BUTCHER COULD BE USED FOR HAIRDRESSERS/BARBERS
61	Top of Tuns Road
62	Adjacent A47
63	Additional shops including bakers and chemist
64	Conversion of redundant farm buildings - would provide rental income for farm
	Internet cafe / business hub
66	Top of Tuns Road here old car garage / showroom currently stands - complete eyesore!
67	POSTERS IN THE ;POST OFFICE/SHOP
68	HELP GETTING STARTED
69	BETWEEN NECTON AND HOLME HALE
	MORE HAIRDRESSERS, PET SHOPS, BETTING SHOPS. LOCAL PRODUCE PROMOTED
71	Maybe around the school
72	MAYBE SMALL BUSINESS UBIT AREA
73	HALE ROAD ALL THE WAT TO HOME HALE SHOULD BE 30MPH
74	ST ANDREWS CLOSE TO A47 AREA
	AROUND VILLAGE GREEN (OLD FIRST SCHOOL OR GREEN SPACE)
76	THE OLD DOBBS GARAGE
77	EMPTY SHOP NEXT TO PREMIER
78	Shops but not industry
79	Past allotments.
	A bakery and cake shop
81	Dentist Hairdressers
82	Make industrial space near any new developments
83	Take-away / fish and chip shop
84	I think it would be great to have an area for small artisan businesses to trade so small businesses could get help establishing
	Not in particular
86	Not sure

### 59. Small Businesses Would you like to see better provisions for small businesses in Necton?

88	Small units if possible.
89	If a green and pond was built locate a cafe there. As previously mentioned by Wissey if possible.
90	Current building in Tuns Road could be better utilised.
91	An open discussion with local land owners, farmers! may offer opportunities
92	The old garage area behind the costa etc. or where the garden centre was (too late now!)
93	The old first school
94	Redundant farm buildings.
95	It can be encouraged for domestic properties to sell outside their homes. The stalls on Mill Street make an interesting example.

If YES, where / how? (89)

1	No idea
2	better advertisement of these facilities
3	A hotel would be good, why not?
4	It would be lovely to see Claypit farm extended their facilities.
5	Touring site on one of the green areas to the edge of the village
6	I would be happy to see increased camping facilities on Claypit Farm and Necton Farm (Kings) so long as that was accessed from the Ivy Todd Road, not Chapel Rd.
7	Clay Pit Farm is the ideal spot for expansion. Clearly this is a popular site for tourists.
8	I personally don't know the answer to this question.
9	There's an error here - two questions show on my screen. Would you like to see these facilities grow? Would you like to see better provisions for small businesses in Necton? I say yes to both
10	How about some camping facilities?
11	Promotion of local history, areas of hyper-local interest that would minimise the use of private transport by holiday makers.
12	Wilding areas with clamping either side of The Black Drift and Ramms Lane.
13	Campsite
14	No view on this
15	Have information sheets of walks around area
16	VARIOS WOODS AROUND NECTON COULD BE USED FOR GLAMPING SITES.
17	?
18	Specialist thoughts are needed
19	NOT AS WE HAD TO GET RID OF OUR CARAVAN AS WE LIVE IN MAISON DRIVE
20	COULD ENCOURAGE NEW WOODLAND AREAS, NATURE TRAILS + CAMPING.
21	WHERE THE LOCAL FARM IS, AND HE DOES IT OVER THE SUMMER.
22	Possibly adding more space to the garage and Co-op for development of this kind would be very accessible to the village but also non-locals from the A47. There is an area opposite the school that seems rather derelict - reviving the community swimming pool or repurposing the area for retail/small business if that's not an option. Not sure what other areas maybe available but having adequate space for parking and expansion, without creating congestion in central areas would be good.
23	WOULD BE GREAT FOR THOSE BUSINESSES
24	SUSTAINABILITY ONLY

## 62. Tourism

### Would you like to see these facilities grow?

	I would like the council to encourage the planning of air B&Bs and holiday lets. I think it's a great way to bring income into the village. And yes, creates employment for our community,
26	Not sure where or how.
27	IT'S HELPING PEOPLE OF NECTON
28	THE CAR PARK AT THE SPORTS COMMUNITY HALL
29	ROADS WOULD NEED IMPROVEMENTS
	THE TRAFFIC IS BAD ENOUGH ANYWAY
31	THE CHURCH IS A CONSTANT ATTRACTION FOR VISITORS FROM ALL OVER THE COUNTRY - MANY FROM OVER THE WORLD
32	PRIVATE LAND/EXISTING HOUSING USED
33	ON OUTSKIRTHS OF VILLAGE WHERE APPROPRIATE
34	THELANE SERVING THE CLAY PIT FARM CARAVAN PARK IS NOT ADEQUATE FOR CARAVANS ETC. THIS COULD B EXPANDED IF THER WAS ALTERNATIVE ACCESS.
	But would need to be well regulated.
36	ONE OF THEY KEY THINGS ABOUT NECTON IS HOW QUIET & PEACEFUL IT IS.
37	NOWHERE TO PUT ALL THESE FACILITIES. VILLAGE OUT OF SPACE ALREADY
38	Camping and caravan site would be good
39	Increase in existing tourism facilities would be good.
	Small business hub could be provided at community centre
	AT THE CAMP SITE NEAR IVY TODD AS THAT WOULD BRING MORE TPOURISTS MAYBE ADVERTISING IT MORE.
41	ANYWHERE ANYHOW - HOTEL
42	ALLOW TEMPORARY ERECTION OF DWELLINGS FOR HOLIDAY LETS FOR THOSE WHO HAVE THE SPACE AND INCLINATION
43	As we are not a tourist hotspot that needs this to underpin the local economy encouraging more would be likely to increase traffic and pollution.
44	Foot paths, river walk, nature bird watching field as already suggested to make everything better for everyone.
	ON SURROUNDING FILEDS AROUND VILLAGE
46	THERE ARE VARIOUS SITES WITHIN THE VILLAGE BOUNDARY SUITABLE FPOR CARAVANS/CAMPING WOULD NOT LIKE PROPERTIES USED AS SECOND HOMES OR SHORT TERM RENT.
47	Land at the end of North Pickenham Road next to the houses on Elizabeth Drive for camping/ caravans.
48	PERHAPS A SMALL STE FOR CARAVANS/ CAMPER CANS ETC FOR OVERNIGHT STAYS
49	POSSIBLY
	Holiday lets and camping sites
51	I feel happy with what is here
52	Where possible
53	Not aware of camping site but a large touring site would be nice. If possible to extend current site. There should NOT be holiday lets. Houses are needed for living in.
54	incentives to farmers to diversify (incentives = planning not financial)

## 62. Tourism

### Would you like to see these facilities grow?

55	BEFORE TOURISM PERHAPS TEH SAFETY OF CHILDREN GOING TO SCHOOL IN THE DARK MORNINGS WITHPOUT THE SCHOOL BUS FACILITY SHOULD BE ADDRESSED- IT IS THE MOST DANGEROUS CROSSING POINT ON THE A47 FOR CHILDREN GOING TO NETHERED, NORTHGATE OR BEYOND
56	MAKE THE VILLAGE PRETTIER, REMOVE THE COSTA/ COOP EYESORE. STOP HOUSING DEVELOPMENT.
57	BETTER ACCESS AND SITE WOULD BE HELPFUL
58	NECTON TO ADVERTISE MORE, SO PEOPLE ARE AWARE OF THE ACCOMODATION AVAILABLE, IF THEY HAVE REALTIVES LOOKING FOR PLACES TO STAY - PERHAPS IN THE LINK
59	MAYBE BIKE PATHS, FRUIT & VEG MARKET TAKE PIZZA
60	Not sure.
61	Independent cafe at park
62	Self-catering cottages
63	Small scale caravan / camping - not holiday lets - removes housing stock
64	Necton is convenient for all areas of Norfolk - again a cafe / gift shop with local info would be good.
65	B&B
66	A MATTER BEST DESCRIBED BY THOSE IN THE BUSINESS.
67	BY ALLOWING THE OWNERS PERMISSION RATHER THAN BRECKLAND REJECTING IT BECUASE THEY WANT MORE HOUSES
68	A caravan / camping site with facilities and car parking.
69	Did not know about camping site. Necton is growing too big as it is.
70	CARAVAN PARKS ON FARMS ARE FINE AS THEY HELP FARMERS INCOME
71	YES, BUT BIT LATE NOW EVERYWHERE BUILT UP
72	NOT SURE AS ROAD SYSTEM AROUND VILLAGE IS NOT ADEQUATE
73	ANYWHERE
74	BETTER WALKS, LONGER PUB OPENING TIMES FOOD RAKE AWAY COULD BE PUB PIZZA TAKE AWAY
75	More holiday lets
76	Leaving it to the coast
77	Expansion of existing
78	Large caravan site would be good
79	Ramms Lane area
80	Advertise Nectons holiday facilities
81	Additional facilities / shops on the land beside the CO-OP and Costa
82	Not sure
83	Tourists support local shops
84	More space / interesting build / creative builds
85	Its a question land available.
86	Generally in the Ivy Todd area

## 62. Tourism

### Would you like to see these facilities grow?

87	Maybe another camping site and more B&B and lets
88	Modestly, where they already are is fine. The old shire horse farm site would have been good.
89	I would like to see the existing businesses flourish, because they promote all our local benefits and amenities.

## What type of housing would you like to see built?

### 65. Are there any additional sites where you consider more development would be appropriate?

Answer Choices	Response Percent	Response Total
1 YES	8.15%	38
2 NO	91.85%	428
	answered	466
	skipped	65

If YES, please describe where (including any reasons / comments): (74)

1	North of the recreation ground off St Andrews Lane?
2	West of Tunns road between Eastgate Lodge and the A47 outside the red boundry then a better access route to the centre of the village could be created from the A47, reduce traffic by the community centre and playground and reduce traffic pressure on School Road
3	Just a note the GREEN area at the end of Elizabeth drive always floods when there is heavy rain
4	If more house built need more services for villages
5	When we first came to Necton in 1986 most houses had large gardens, some with vegetable plots. The residents became greedy and the village suffered from infill. We seem to be stuffed with every ugly, downmarket development going. The houses on the garden centre site are stuffed in like chicken coops. Now Erne's Farm is going to be social housing. More development is unsustainable!
6	However, if future sites were needed, they should focus on the Swaffham side of the village, again, making it easier for public transport links and walking/cycling routes to the town that supports this village. The 72 new homes on the edge of the village on Pickenham Road will increase traffic on that road, in both directions. Yet, there's no strategic plan to widen the road past the village boundary or create a trod or footpath. That road is already a diversion route for the A47, yet it is in places only single vehicle wide.
7	West of the village with access to the A47 and the North Pickenham Rd. Any other development will overload access to the A47 by existing means.
8	Don't know

**65. Are there any additional sites where you consider more development would be appropriate?**

9	There will always be places to build as farmers will sell for the right price
10	EXTEND BRACKENWOODS HALFWAY TOWARDS RAMMS LANE, BUT KEEP 100M GREN SPACE ALONG RAMMS LANE
11	I RECOGNISE DESPITE MY OBJECTIONS HOUSING WILL BE BUILT SO MY ANSWER ABOVE REFLECTS WHAT I CONSIDER THE MOST NEEDED ALTHOUGH I MAINTAIN NONE SHOULD BE BUILT
12	Already over crowded schools and doctors
13	Thetford
14	Enough school places early years Surgery patient numbers etc etc required before more houses
15	Infrastructure needed to cope with more housing after 2036 - it's struggling now in several areas
16	?
17	RAMMS LANE BEHIND BRACKENWOODS
18	Land west of Ramms Lane and north of School Road both make sense for residential infilling.
19	SWAFFHAM HAS THE INFRASTRUCTURE AND CAN COPE, WE ARE A VILLAGE
20	THERE IS INSUFFICIENT INFRASTRUCTURE WITHIN VILLAGE TO SUSTAIN FURTHER HOUSING
21	Looking at the plan it looks like it might make sense to allow additional housing on the land between School Road and St Andrews Lane
22	TO MANY HOUSES ALOUD TO BE BUILT
23	BECOMING TOO BUSY
24	TEH VILAGE DOES NOT HAVE THE INFRASTRUCTURE TO SUPPORT MORE HOMES. THE LIMITED GREEN SPACE WOULD NO DOUBT BE ENCROACHED ON AND THE TRAFFIC ISSUE @ A47 JUNCTION WORSEN - ANOTHER ACCIDENT THERE TODAY 16/11/21
25	THERE ARE ENOUGH NOW STOP THE BUILDING PLEASE.
26	IT IS A SMALL VILLAGE SCHOOL FULL DOCTORS FULL FLOODING NEEDS SORTING BEFORE MORE USING THE DRAINS
27	Off the A47 towards Swaffham, next to the Coop, Already large lay bys there.. But only small development, maybe 10 houses maximum, definitely not large estate. Access directly from A47 would prevent traffic problems within the existing village boundary.
28	Position of settlement boundary should stretch out to St Andrews Lane and Ramms Lane
29	The position of the settlement boundary should be reviewed
30	The area between School Road and around St. Andrews Lane, would be close to the recreation ground, church and school. Also the land between Brackenwoods and Ramms Lane is a possibility.
31	ST ANDREWS LANE
32	More homes would only add more traffic and add to the problem at junction Tuns Road A47
33	No new homes as would make more traffic in the village and would add to problem getting out on to A47 which is already very dangerous.
34	NOT ON GOOD AGRICULRURAL LAND
35	AREA BETWEEN HALE ROAD AND TOWN FARM
36	AREA BETWEEN TOWN FARM AND HALE ROAD
37	We need dentists

**65. Are there any additional sites where you consider more development would be appropriate?**

38	I feel that the village has expanded to a point where further homes will put undue pressure on the local facilities and road infrastructure. The Erne's Farm development is putting a lot of houses on a site that should have been preserved for local history and also a site with traffic issues - all those extra houses will mean even more cars turning into Tuns Road on an already busy junction. More development will put a strain on school spaces.
39	DEFINATELY NOT. TOO MUCH BUILDING GOING ON ALREADY. VILLAGE IS GETTING SPOILED
40	Not within the settlement boundary The fields north of the Wissey already flood more than the map shows. A47 Adjacent to Co Op with the provision of more trees to help with pollution and noise. This could be larger number of homes as it wont put pressure on the already busy Necton roads
41	ADJACENT TO THE SETTLEMENT BOUNDARY BETWEEN BRACKENWOODS AND RAMMS LANE AS ORIGINALLY ENVISAGED.
42	LOCAL DOCTORS, SCHOOL ETC UNDER PRESSURE AT EVEN THIS CURRENT TIME.
43	Between Ramms Lane and Chantry Lane. wasted space perfect for development.
44	The land behind the school area and the other side of the road markets yellow, rather than build up more in teh village making it overcrowded.
45	Necton Management own land on Hale Road. That could be used
46	Improve on water problems first
47	Building must be stopped until supportive provisions are made
48	Ramm's Lane to be pedestrian and cycle only
49	Sort out the flood plain opening up more land for trees
50	BECUASE OF FLOODING AND TROUBLE AT A47 JUNCTION TO GET OUT.
51	HOW CAN YOU EVEN CONSIDER BUILDING IN THIS VILLAGE WITHOUT FIRST SUPPLYING WATER/POWER/SEWERAGE/SCHOOLS/DOCTORS
52	Sewage system cannot cope now, This should be increased to cope with current and future needs
53	Not sure.
54	Fields backing onto Ramms Lane? Hale Road
55	Starter homes, affordable housing, family homes and accessible homes are needed from the 283 planned builds
56	IN THE TOWNS THETFORD, KINGS LYNN DEREHAM WATTON
57	THE TIRED INDUSTRIAL UNITS ON TUNS ROAD NEAR DAVY COS NEED REDEVELOPMENT
58	Between A47 and The Follies with access directly to A47.
59	1 INFIL BRACKENWOODS TO RAMMS LANE 2 BEHIND THE GROVE
60	RAMMS LANE
61	RAMMS LANE
62	AREA BOUNDED BY ST ANDREWS LANE AND AREA BOUNDED BY RAMMS LANE
63	WE ARE A SMALL VILLAGE SND AS YOU POINT OUT DRAINAGE IS AN ISSUE ALREADY . ROADS ARE BUSY, DOCTORS ARE FULL. I THINK WE HAVE ADDED TO THE VILLAGE ENOUGH ALREADY.
64	1) BEHIND BRACKENWOODS TOWARDS RAMMS LANE 2) INFIL BETWEEN KINGFISHER AND ELIZABETH DRIVE
65	Adjacent to the A47 west or eastwards

**65. Are there any additional sites where you consider more development would be appropriate?**

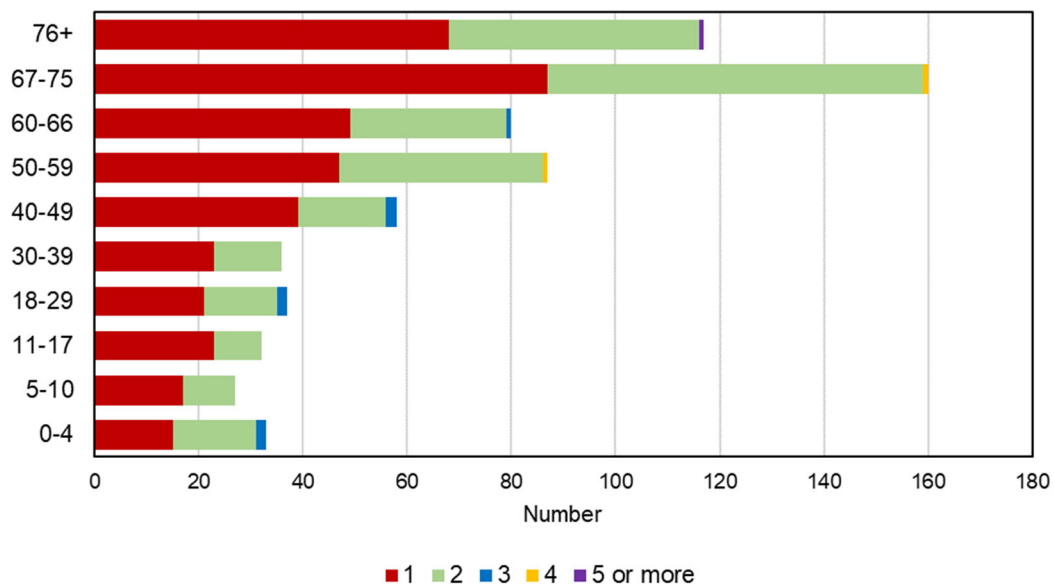

66	services NEVER increase with increase in population and developers NEVER keep to their promises of investment in communities.
67	1. The grove off School Road 2. Edge of village
68	Ramms Lane, but the roads need to be improved into the village first
69	(map circled - green area between heron way and jubilee way) Its already surrounded by housing and within the boundary
70	Not sure about the area
71	Question. Are the plans to extend the electric site
72	Holme Hale
73	Shaded area, but these should be 'eco' homes and affordable, it could be done.
74	BEHIND BRACKEN WOODS OFF ST ANDREWS LANE
