

Consent Statement

Please note that by giving this consent, you are agreeing to the Breckland Council Operational Partnership Team discussing your circumstances with other professionals, including but not limited to Norfolk Constabulary, to gather information and provide the best support possible.

Consent to Use Information

To assist in providing services to you, we seek your consent to share information about you with our partners. This will include but is not limited to:

- The information on this form
- Referral information including reasons for requesting support
- Details of any information, advice, guidance, support, assessments and direct services that are or have been provided to you and your family

1. Why Do We Need Your Personal Information?

Partners need to collect and share personal information about residents seeking support in order to:

- Provide joined up and comprehensive advice, guidance, assessments, services and support as early as possible
- To prevent an escalation of need and difficult circumstances
- Evaluate and assess how these services have benefited you and your family

2. How Information is Collected, Stored and Shared?

We will collect your personal information, store it securely in a written/electronic form on our system and with your consent, share it with relevant partners. All partners comply with data protection legislation.

Personal information will only be used for the purposes as outlined above (1.) and will not be shared for any other reason, or with partners not signed up to our agreements.

Please click the link that is located at the bottom of the form to view our Community Privacy Notice webpage for more information.
