

Dear Planning Policy Team,

Thank you for contacting the Strategic Housing Team in respect of the Swanton Morley Neighbourhood Plan Review.

Having reviewed the consultation documents, we note that Policy 4 - Housing for the Local Community - is unchanged and relies on evidence from the Housing Needs Survey undertaken in 2015.

Whilst we make no objection, we feel that this evidence is coming to the end of its validity. We request the evidence for this policy is reviewed and updated prior to the next review of the Neighbourhood Plan.

Please contact myself or the Housing Enabler if you would like to discuss this further.

Kind regards,

Strategic Housing Policy Manager

Breckland Council
