

Examination of the Breckland District Local Plan (2011-2036)

Hearing Statement - RSPB

Matter 14 – Strategic urban extensions, housing site allocations and settlement boundaries

Swaffham

14.23 Are the allocations justified, consistent with national policy and deliverable, insofar, that the HRA cannot rule out likely significant effects on the Brecks SPA?

We have no objections to the allocations in principle, subject to our outstanding concerns on visitor pressure impacts being resolved, as discussed in our comments on Matter 12.

Watton

14.30 Are the allocations justified, consistent with national policy and deliverable, insofar, that the HRA cannot rule out likely significant effects on the Brecks SPA?

We have no objections to the allocations in principle, subject to our outstanding concerns on visitor pressure impacts being resolved, as discussed in our comments on Matter 12.
