Foreword

On behalf of Swanton Morley Parish Council and the Neighbourhood Plan Steering Group welcome to the Swanton Morley Neighbourhood Plan.

There will always be some people who say that they do not want to see any changes to Swanton Morley but as can be seen from the historical photos provided on pages 11 & 12, this process of development is not something new. Our ancestors had the same challenges throughout the history of the village. What was undoubtedly considered by them to be modern we might now consider to be picturesque and provides some visually attractive characteristics. Political, economic, social and technological changes mean that Swanton Morley must do what it has always done which is adapt and grow to suit a modern age. This Neighbourhood Plan has been produced to assist in this process and help us plan for the next twenty years of growth.

Neighbourhood planning was introduced by the Government's Localism Agenda to ensure that local communities are closely involved in the decisions that affect them. Through the aspirations and needs of the local community of Swanton Morley, matters have been identified which will help to determine how our village changes over the coming years.

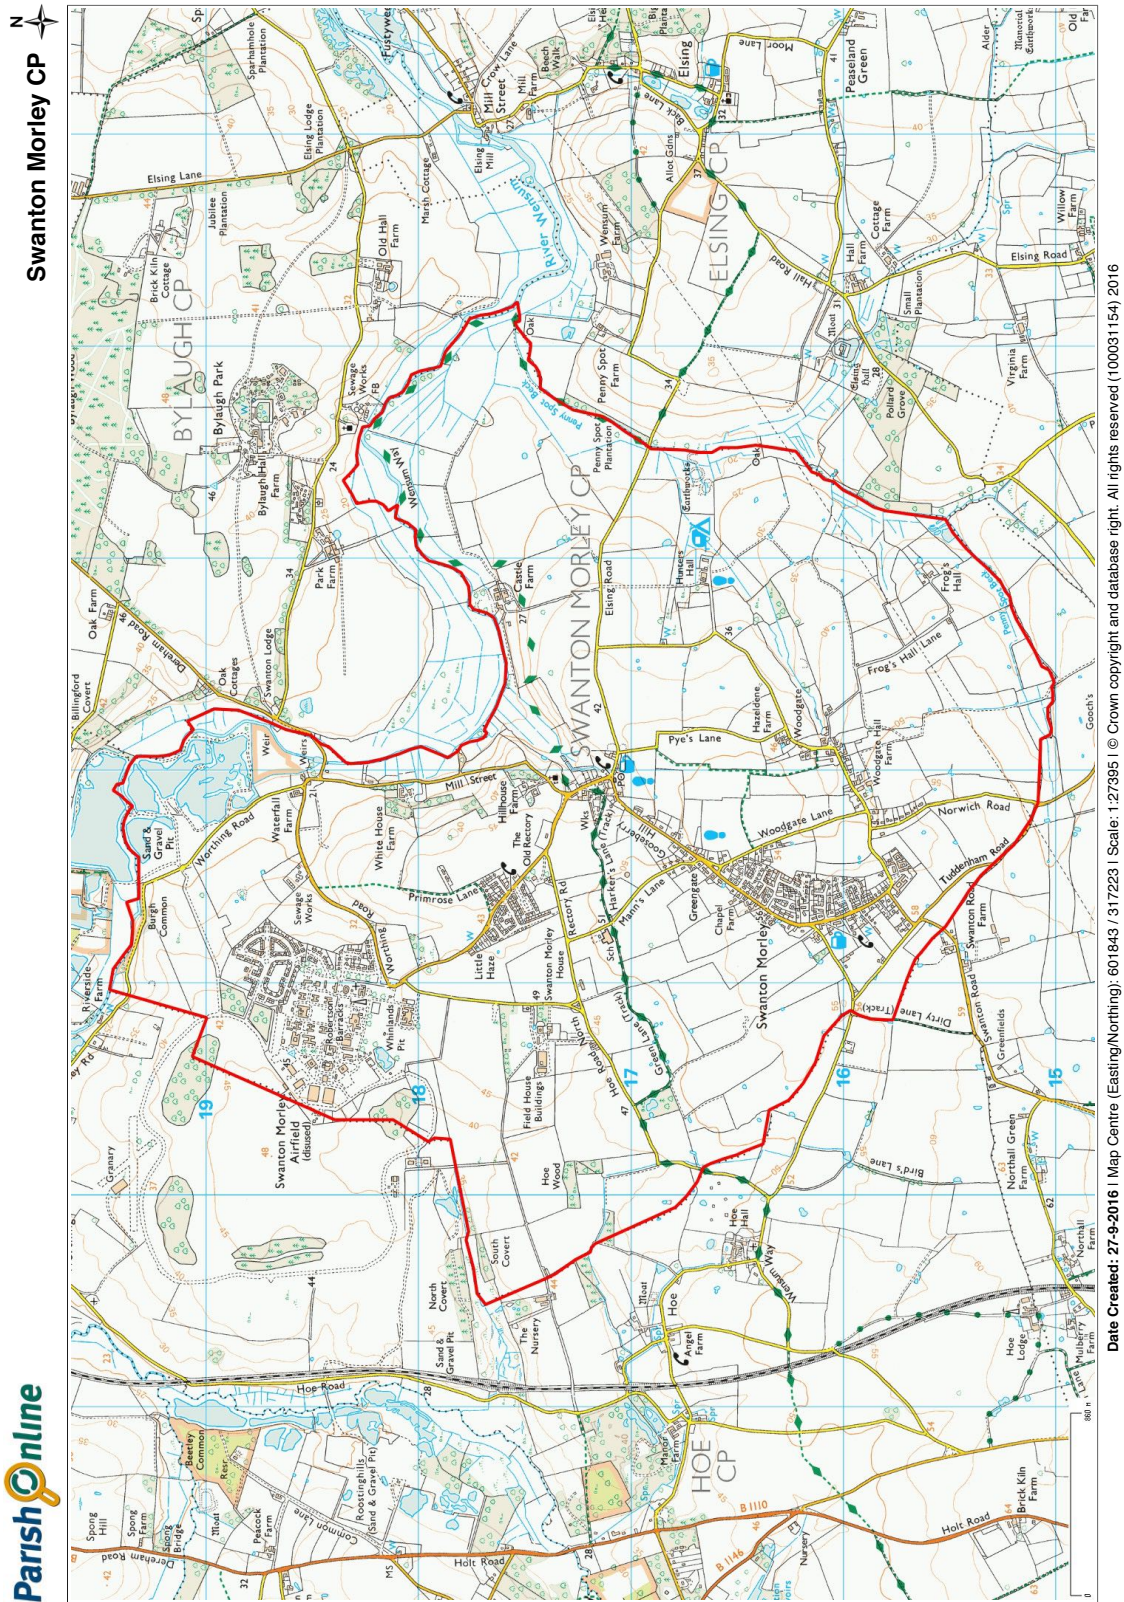

In developing the Neighbourhood Plan for Swanton Morley over the course of 2015 and 2016 the Steering Group has worked through a number of processes and steps, which are outlined in Section 3 of this document. Following the pre-submission consultation this document will be submitted to Breckland Council for their consideration prior to being subjected to an independent examination.

Once the Swanton Morley Neighbourhood Plan has passed its examination local residents will get the final say at a local referendum. With a positive vote, highlighting the support of the community, the Swanton Morley Neighbourhood Plan will be 'made' and along with Breckland Council's Local Area Plan it will be the starting point for deciding how future development should take place in Swanton Morley. This will include the type and quality of that development to ensure that it meets local objectives and needs as well as protection for areas we all feel are important.

On behalf of the Parish Council and residents of Swanton Morley I would like to thank all those who have worked so hard in the production of the Neighbourhood Plan and the wider community for their engagement and input that has shaped and determined the Vision, Objectives and needs for the future.

Roger Atterwill
Chairman, Swanton Morley Parish Council

Executive Summary

There are going to be many changes in Swanton Morley over the coming years. Many of these changes will result from decisions taken that are beyond our control, such as the future of Robertson Barracks or the building of the Northern Distributor Road (with or without the Western Link Road to the A47).

Neighbourhood planning is not a way to stop these changes. Instead, it is a way to give our community a voice in shaping how these changes happen, and how we would like to see developments look.

By creating the Swanton Morley Neighbourhood Plan we are trying to positively influence the new developments to benefit both existing residents, and our new neighbours. The Swanton Morley Neighbourhood Plan, if approved by local residents, will become part of the Local Plan. This means that planners at

Breckland Council must take into account the policies agreed in the Neighbourhood Plan as they make planning decisions about our village in the future.

In this way local voices will be heard when decisions are taken about houses, traffic, pavements, cycle routes and all the things that affect our daily lives.

There are nineteen policies, grouped into six themes that have been created to support the Vision for Swanton Morley and the Objectives of this Neighbourhood Plan (see pages 22 and 23). Each policy has emerged from a series of consultation events and finalised by the Neighbourhood Plan Steering Group.

Breckland Council has identified and allocated growth in Swanton Morley. **Policy 1** is about keeping Swanton Morley a separate village and stopping it being swallowed up and becoming part of Dereham. **Policy 2** allows for the village to grow over the next twenty years in a thoughtful manner. **Policy 3** seeks to ensure that growth also provides defined benefits for the local community. **Policy 4** ensures Affordable Housing is made available to those with a connection to Swanton Morley first. **Policy 5** seeks to clarify support and 'local', should any exception sites come forward around the village, with **Policy 6** bringing local accountability for delivery of planning obligations.

Policy 7 and **Policy 8** provide protection for our green space and open space whilst **Policy 9** addresses the ongoing management and maintenance of any new open space.

As Swanton Morley is such a beautiful place **Policy 10** looks to protect the views loved by local residents, with **Policy 11** providing improvement in accessibility and biodiversity.

Policy 12 outlines the approach taken to enhance design of any new homes built, whilst **Policy 13** looks to stop previous mistakes being made through lack of parking provision. **Policy 14** ensures that new development does not cause flooding issues. **Policy 15** looks to address the housing mix in Swanton Morley and recognises the local needs.

Improvements in the provision of broadband speeds and mobile signal strength are supported in **Policy 16**. Whilst support for employment opportunities and local shops is given within **Policy 17**.

Policy 18 supports the provision for Swanton Morley residents of additional community facilities and services.

Many local residents see increasing traffic and its impact on road safety as an issue; **Policy 19** is focused on the mitigation and measures to reduce that impact.

The Swanton Morley Neighbourhood Plan has been written to enable the local community to have a positive effect on planning in the parish of Swanton Morley for the benefit of all residents. Its importance will become apparent over the coming years as it gives our community a voice in the complex planning process and a way of shaping future development.

It is important that local residents and stakeholders express their views on the Swanton Morley Neighbourhood Plan Pre-Submission Version through the consultation process and respond by 5pm on Friday 24th February 2017 using the form in Appendix 4.

To aid understanding a glossary of the planning terms can be found in Section 8. A list of all the various reference documents referred to in the Swanton Morley Neighbourhood Plan can be found listed in Appendix 1.

Swanton Morley Neighbourhood Plan

Pre – Submission Consultation Version [January 2017]

Section 1: Introduction and Background

1.1 Purpose

1.1.1 In April 2012 the Localism Act 2011 amended the Town and Country Planning Act 1990 introducing new rights and powers to allow local communities to shape new development in their community by preparing a Neighbourhood Development Plan, which can establish general planning policies for the development and use of land in the neighbourhood. This document is a Neighbourhood Development Plan, as defined in the Act, for Swanton Morley.

1.2 Submitting Body

1.2.1 This document, named the Swanton Morley Neighbourhood Plan, is submitted by Swanton Morley Parish Council, which is recognised as the qualifying body for Swanton Morley, as defined by the Localism Act 2011.

1.3 Neighbourhood Area

1.3.1 The Swanton Morley Neighbourhood Plan applies to the Parish of Swanton Morley in the Breckland District of Norfolk. In accordance with Regulation 6 of the Town and Country Planning, Neighbourhood Planning (General) Regulations 2012 as amended.

1.3.2 Breckland District Council, the local planning authority, publicised the application from Swanton Morley Parish Council and advertised a six-week consultation period. Breckland approved the application on 6th July 2015 and the Parish of Swanton Morley was designated as the Neighbourhood Area, as shown on Map 1.

1.3.3 Swanton Morley Parish Council confirms that the Swanton Morley Neighbourhood Plan:

- (i) relates only to the Parish of Swanton Morley and to no other Neighbourhood Areas;
- (ii) is the only Neighbourhood Development Plan in the Designated Area. No other Neighbourhood Development Plan exists nor is in development for part or all of the Designated Area; and
- (iii) does not deal with excluded development.

1.4 The Context

1.4.1 The Swanton Morley Neighbourhood Plan must comply with the following basic conditions:

- a) having regard to national policies and advice contained in guidance issued by the Secretary of State it is appropriate to make the neighbourhood plan;
- b) the making of the neighbourhood development plan contributes to the achievement of sustainable development;
- c) the making of the neighbourhood development plan is in general conformity with the strategic policies contained in the development plan for the area of the authority (or any part of that area). The local strategic context is, therefore, set by Breckland District Council's Core Strategy;
- d) the making of the neighbourhood development plan does not breach, and is otherwise compatible with, EU obligations; and
- e) prescribed conditions are met in relation to the neighbourhood development plan and prescribed matters have been complied with in connection with the proposal for the neighbourhood development plan.

1.5 Plan Period, Monitoring and Review

1.5.1 The Swanton Morley Neighbourhood Plan will have a plan period of twenty years, from 2017 to 2037. It is, however, a response to the needs and aspirations of the local community as understood today and recognised that current challenges and concerns are likely to change over the plan period.

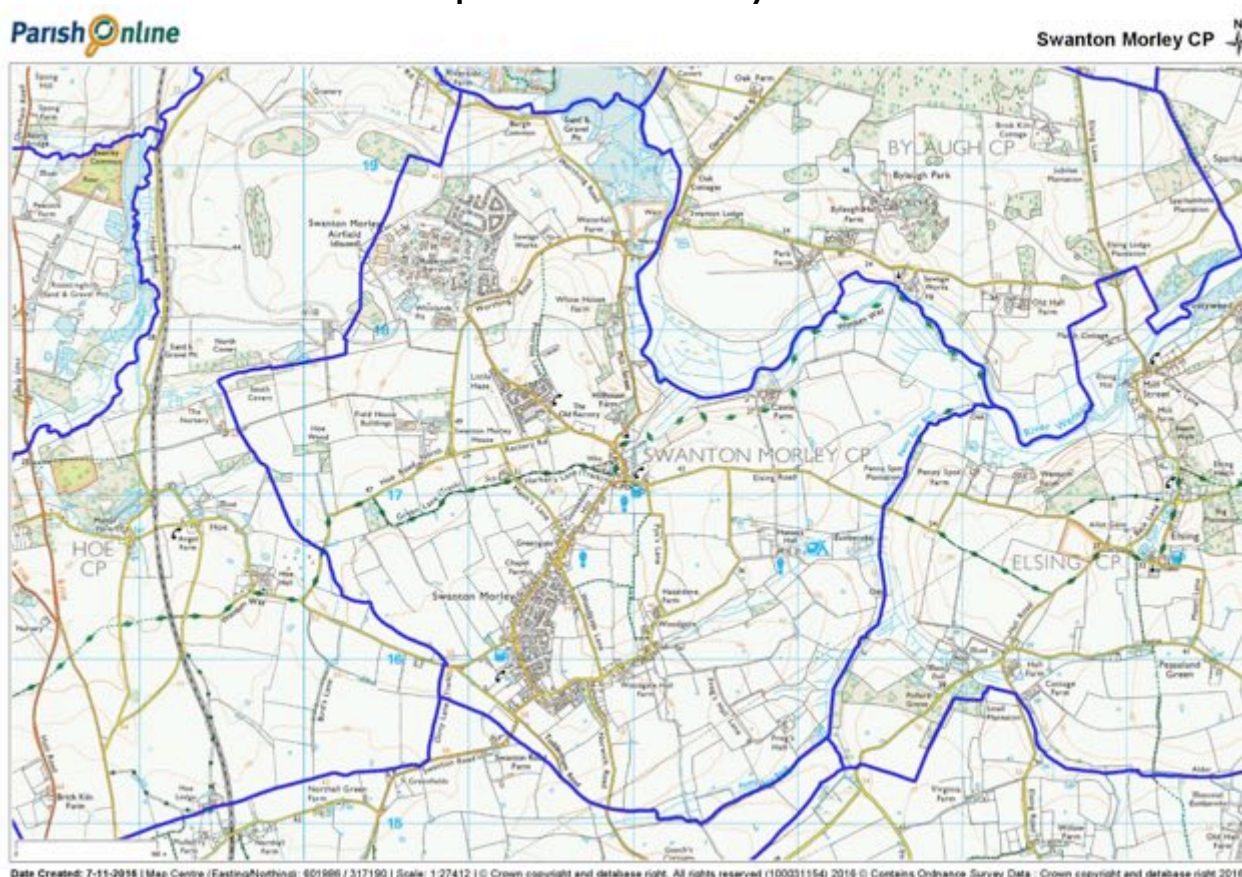

1.5.2 Swanton Morley Parish Council, as the Qualifying Body, will be responsible for maintaining and periodically revisiting the Swanton Morley Neighbourhood Plan to ensure relevance and to monitor delivery.

Section 2: About Swanton Morley

- 2.1. Situated in the heart of Norfolk and close to the geographical centre of Norfolk Swanton Morley lies to the north east of the Breckland District, positioned along the C888 (previously the B1147).
- 2.2. In terms of distance, Swanton Morley, 18 miles (29 kilometres) from the centre of Norwich and three miles (4.5 kilometres) from the market town of Dereham.

Map 2: Swanton Morley Parish

2.3. Short History of Swanton Morley

- 2.3.1. To understand the distinctiveness and diversity of Swanton Morley it is important to have an appreciation of how the village has grown and developed over time. Earliest records show there was a 9th Century Saxon hamlet, named Suanetua, in the northern part of the village near the Church.
- 2.3.2. The first part of the village's name "Swanton" is said to derive from the Old English for herdsman's enclosure. The second part, "Morley", was added to the village name in honour of the lords of the manor "the Barons de Morley" 1316 to 1475. This helps to distinguish from two other Norfolk Swantons (Abbot and Novers).

2.3.3. View from the churchyard c. 1890

2.3.4. The Old Post Office c. 1900

2.3.5. Town Street c. 1920

2.3.6. Town Street c. 1920

2.3.7. Town Street and Elsing Road Junction c. 1900

2.3.8. Town Street and Elsing Road Junction c. 1960s

2.3.9. Greengate c. 1920

2.3.10. Greengate c. 1920

2.4. Key Dates Through History

9th Century	Saxon hamlet named Suanetua – population 32 (located near the church and “green” of the Bowling Club)
Domesday Book	published in 1086AD indicates “there is a church, with 1 and a half acres worth 2 pence”!
1340	Robert de Morley (Lord of the Manor in 1341) was Admiral of the Fleet at Sluys
1360 – 1390	All Saints Church built
14th Century	Morley was added to the village name in honour of the lords of the manor “the Barons de Morley” 1316-1475. This also helped to distinguish between the two other Swanton’s: Abbot and Novers
1517	Henry Ainsworth born. Henry was a great classical scholar and a leading figure in the formation of the early Congregational Church
16th Century	The wool trade in the village began to fade. Weaving carried out in the village and a fuller’s mill erected
1615	Richard Lincoln (6x great grandfather of Abraham Lincoln, 16 th President of the United States of America) made a will in the Lincoln family “mansion farmhouse”, now the Angel Public House
1637	Richard Lincoln’s grandson Samuel emigrated as an apprentice weaver to America
Late 16th Century	The Bedingfield family were one of the leading families in the village. Sir Henry Bedingfield was Lord of the Manor and also constable of the Tower of London
18th/19th Century	Fullers Mill converted to a paper mill. Due to an abundance of rushes and the need for paper
1917	New school built on Manns Lane. Old school used as village hall
1940	RAF Swanton Morley opened
1942	29 th June, Winston Churchill and General Eisenhower visit RAF Swanton Morley to witness the departure of the first British and American joint bombing raid of WWII
1987	Farm cottages renovated to become Darby’s Public House
1995	RAF Swanton Morley closed
1996	Former RAF Camp taken over by the Army and renamed Robertson Barracks with the arrival of the 9/12 th Lancers
1996	New village hall on Manns Lane opened
2000	Light Dragoons replace 9/12 th Lancers at Robertson Barracks
2004	Village Appraisal published
2007	Old Village Hall (Former School) demolished
2008	Newly refurbished Gooseberry Hill Playing field opens
2009	Swanton Morley wins EDP Village of the Year (under 2500 population)
2009	Village celebrates the 200 th Birthday of Abraham Lincoln with an exhibition in the church opened by the American Ambassador

2009	Swanton Morley wins Calor East of England Village of the Year
2012	Tour of Britain cycle race comes to Swanton Morley
2013	New Preschool extension and play area is opened at the village hall
2015	1 st Queens Dragoon Guards replace Light Dragoons at Robertson Barracks
2015	Swanton Morley Neighbourhood Plan commences!

2.5. What Would They Think If They Could See Us Now ?

- 2.5.1. The following is an extract from "Kelly's Directory of Norfolk – 1916". It gives us a brief snapshot of our village in the early part of the twentieth century and a number of interesting facts.
- 2.5.2. *Swanton Morley is a parish and village on the south bank of the river Wensum, 3 miles from North Elmham station on the Dereham and Wells section of the Great Eastern Railway, and 4 north-east from Dereham in the mid division of the county, Launditch hundred, Mitford and Launditch petty sessional division and union, Dereham county court district, rural deanery of South Brisley, archdeaconry of Lynn and diocese of Norwich.*
- 2.5.3. *The church of All Saints, erected at the cost of William, 3rd Baron Morley, in or about 1379, is a building of flint in the Later Perpendicular style, consisting of chancel, nave, aisles, south porch, vestry (added in 1878) and a lofty embattled western tower with pinnacles containing a clock and 5 bells.*
- 2.5.4. *The ancient castle of the Lords Morley was situated on the banks of the river Wensum, opposite the present site of Bylaugh Park, but only portions of the foundations and cellars now remain. Edward Henry Evans-Lombs esq. is the principle landowner and lord of the manor. The soil is loam and clay; sub soil, clay. The chief crops are wheat, barley and turnips. The area is 2,736 acres of land and 17 of water; rateable value, £2,862; the population in 1911 was 562.*
- 2.5.5. *Post. M. O., T & Telephonic Express Delivery Office & Telephone Call Office available to places within a limited distance.*
- 2.5.6. *The Church of England School (mixed), erected in 1916 at a cost of £2,100, for 170 children;*

2.7. Today

- 2.7.1. Over the last 100 years Swanton Morley has changed dramatically. The village has grown considerably in both size and population. The estimated population for 2011 was 2,100 (source: 2011 Census).
- 2.7.2. Village life now is very different from the insular existence of our forebears. By necessity the villagers of 100 years ago had to rely on a close community spirit in order to survive. In today's seemingly high-speed existence our lifestyles increasingly take us out of the village for work and recreation. Motorised transport and digital communications are now essential components of modern 21st century life.
- 2.7.3. As a village, Swanton Morley has many services and facilities which all help to nurture the community spirit; two public houses, a local general store with off licence and post office, a garage, electrical contractor, engineering works, Nurse led medical practice, care home with recently built sheltered bungalows, an excellent butchers and delicatessen. Being such an attractive place, Swanton Morley

has numerous holiday cottages, bed & breakfasts and a privately owned conference and banqueting facility called 'Hunters Hall'.

2.7.4. As the hub of the village, Swanton Morley Village Hall, is home to a large number of regular user groups, is frequently booked by private hirers for parties and has a self contained pre-school education area for the Under 5's group to play safely. At the hall there are many indoor sports (such as badminton and table tennis, etc..) and outdoor sports (such as football and archery). The village also has a separate cricket ground and two bowls greens.

2.7.5. Swanton Morley received recognition for its community spirit and excellent range of well-run services for all ages by winning the 'East of England Village of the Year 2009'.

2.7.6. The Swanton Morley Neighbourhood Plan will help us shape the next chapter in the story of our village

2.8. Parish Church

2.8.1. The Parish Church of All Saints is a Grade I listed building, located on the top of a hill on one of the approaches into the village. It is a large church for the village and built in c.1379 to a very ambitious design in comparison to the size of the village, with an extended nave and large arches to support a substantial tower.

2.8.2. It is not the first church on this site, as one was mentioned in the Domesday Book of 1086

2.9. Robertson Barracks

2.9.1. Robertson Barracks (former RAF Swanton Morley) located on the parish boundary between Swanton Morley and Hoe.

2.9.2. RAF Swanton Morley, the former World War II RAF base, dating from 1939 had the longest grass runway in the UK and still boasts an Art Deco Control Tower (Grade II Listed) of great historical significance. The site was taken over by the Army in 1996 and renamed the Robertson Barracks (in honour of Field Marshal Sir William Robertson)

2.9.3. The Army has based a number of regiments here: -

- 1996 to 2000: 9/12th Royal Lancers (Prince of Wales's)
- 2000 to 2015: the Light Dragoons, a light cavalry regiment, were based in Swanton Morley until
- 2015 to present day: 1st The Queen's Dragoon Guards (known as the Welsh Cavalry).

Cap badge of 1st The Queen's Dragoon Guards

2.9.4. In November 2016 the Ministry of Defence announced the outcome of its comprehensive and long-term approach to what is needed from the Defence estate. This strategy is principally aimed at improving military capability, in line with the ambitious plan in the Strategic Defence and Security Review 2015 to develop Joint Force 2025.

2.9.5. Robertson Barracks has been identified within the document A Better Defence Estate as being surplus to future requirement and scheduled for disposal, although not until 2031.

2.9.6. Whilst this is within the lifetime of the Swanton Morley Neighbourhood Plan it is extremely difficult to formulate any designated use for the site after 2031 that will have any degree of likely implementation.

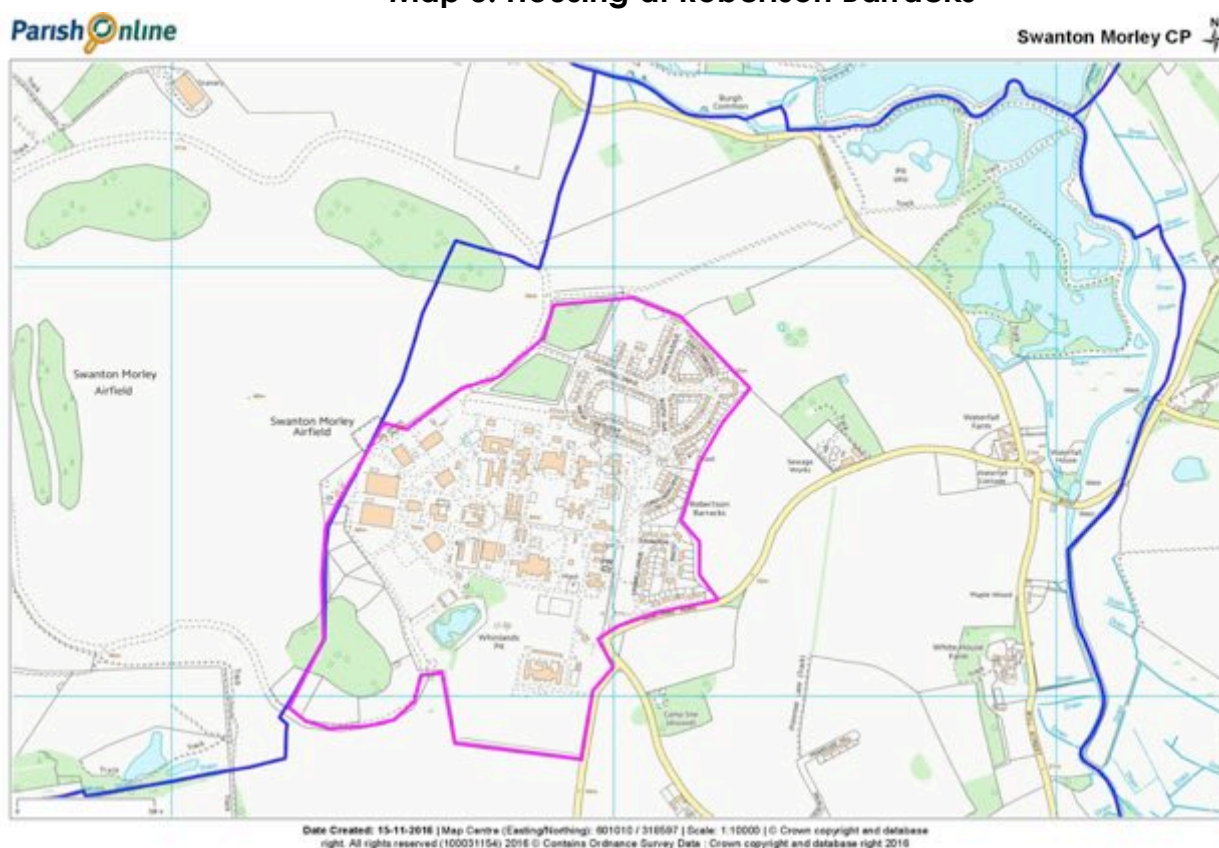

2.9.7. It is recognised that Robertson Barracks is a site of significant strategic importance to the village and the wider community as it contains 237 existing homes and a very diverse range of commercial

technical buildings, hospitality buildings, accommodation blocks and sport and recreation facilities.

- 2.9.8. It is recognised that if Robertson Barracks closes it is not desirable for the site to be 'mothballed' for any length of time, as this would have a negative impact on the sustainability of local shops, businesses, school and public transport provision in the village. With this in mind it is very important that as the date of 2031 draws nearer the local community is actively engaged in the process of deciding and planning the future of the site. To this end Swanton Morley Parish Council, with the local community, will be proactive in its dealings with Breckland Council, Norfolk County Council, Ministry of Defence and other strategic agencies to understand likely outcomes that emerge in the years prior to the scheduled closure and disposal of Robertson Barracks.
- 2.9.9. The site offers a great opportunity in terms of a good mix of housing provision for local people, with the commercial assets on the site could facilitate the creation of business and employment opportunities that will give a significant boost to the local economy. The development and retention of the existing houses and assets is to be encouraged. The future use of the Robertson Barracks site will have to comply with the requirements of the NPPF, Local Area Plan and the Swanton Morley Neighbourhood Plan whilst meeting the local community's aspirations to see such an important part of Swanton Morley enhance the village and wider area.

Map 3: Housing at Robertson Barracks

Section 3: Process and Key Steps

3.1. Swanton Morley Parish Council resolved to undertake the Swanton Morley Neighbourhood Plan on 11th May 2015. The production of the Swanton Morley Neighbourhood Plan has been led by Swanton Morley Parish Council, although the hard work and effort in guiding it through the processes has been undertaken by a Steering Group, established from members of the local community and stakeholders, with support from the Clerk of the Parish Council and consultants from ABZAG Ltd.

3.2. An initial Community Workshop was held in October 2015 to launch and introduce neighbourhood planning to the local community. As part of this consultation event local residents were asked what they liked and what they disliked about Swanton Morley, how they would want to see it change, and what things could help to improve the area.

3.3. Formation of the Neighbourhood Plan Steering Group

3.3.1. Swanton Morley Parish Council asked for volunteers to form a Neighbourhood Plan Steering Group to participate in the neighbourhood planning processes and to oversee the production of the Swanton Morley Neighbourhood Plan.

3.3.2. Local residents attending the first community event were invited to volunteer. Joining the Steering Group was advertised in 'The Mardler' [the Parish Council's newsletter] and in Edition 1 of the Swanton Morley Neighbourhood Plan newsletter that was delivered to every house and business in Swanton Morley in October 2015.

3.4. Steering Group Membership

3.4.1. The Steering Group was formed with its membership comprising three Parish Council Members, residents representing a cross-section of the community.

Mr R. Atterwill	Chairman (Swanton Morley Parish Council)
Mr L. Brooks	(Resident)
Mr G. Curran	(Resident)
Ms Y. Hendry	Vice Chair (Resident)
Mr J Keith	(Local Landowner)
Mr G. Palmer	(Church Warden and resident)
Mr J. Rodrigues	(Local Businessman and Parish Councillor)
Mr D. Sadler	(Resident)
Mr S. Taylor	(Resident)
Mr S. Westbury	(Parish Councillor)

Supported by Mrs. F. LeBon (Clerk) and Mr. S. Vincent (Consultant).

3.5. **Developing the Plan**

- 3.5.1. In the following months the Steering Group engaged with the wider community and held a number of Community Workshops to develop a better understanding of what local residents felt was important whilst gathering the evidence to support the Swanton Morley Neighbourhood Plan.
- 3.5.2. To ensure the consultation process was as inclusive as possible the Steering Group wrote to key stakeholders, published articles in the Parish Council newsletter 'The Mardler', delivered leaflets to every house in Swanton Morley and to provide information and encourage feedback have set up a dedicated page on the Parish Council's website www.swantonmorley.org.uk.
- 3.5.3. Email updates were sent to local residents, stakeholders and interested parties who had provided their details.
- 3.5.4. The Vision and Objectives were drafted and shared at a subsequent Community Workshop, with the emerging policies being discussed, tested and updated in consultation with local residents in January 2016.
- 3.5.5. The Steering Group categorised the policies into six key themes and drafted the Neighbourhood Plan to align with the desired outcomes to achieve the Vision and Objectives of local residents.
- 3.5.6. The structure of the Swanton Morley Neighbourhood Plan sets out the:
 - Vision and Objectives for the future of Swanton Morley
 - Sustainable Growth and Development including the spatial context and strategic policy
 - Policies that provide guidance and a framework for new development to contribute to the Vision and Objectives for the next twenty years.
- 3.5.7. A Sustainability Appraisal Scoping Report was prepared; this holds a range of information and statistics to help identify issues for Swanton Morley. This document has been subject to a separate consultation with the statutory bodies.

3.6. **Consultation and Submission**

- 3.6.1. The pre-submission consultation will be completed in February 2017 and the Swanton Morley Neighbourhood Plan will be updated to incorporate comments received from local residents and stakeholders, see Appendix 4 for the response form. The Swanton

Morley Neighbourhood Plan and supporting documents will then be submitted to Breckland Council before undergoing an independent examination.

3.7. Examination

3.7.1. The role of the independent examiner will be to consider whether the proposed Swanton Morley Neighbourhood Plan meets the 'Basic Conditions' as set out by law (they are not permitted to explore other considerations).

3.7.2. More specifically, the examiner's scope will be to:

- a) decide whether the Plan complies with the provisions of Sections 38A and 38B of the Planning and Compulsory Purchase Act 2004. These requirements relate primarily, but not exclusively, to the process of preparing the Plan;
- b) decide whether the Neighbourhood Development Plan meets the basic conditions contained in Schedule 4B paragraph 8(2) of the Town and Country Planning Act 1990. This element of the examination relates mainly to the contents of the Plan; and
- c) make a recommendation as to whether the Plan should be submitted to a referendum, with or without modifications, and whether the area for the referendum should extend beyond the Plan area.

3.8. Referendum and Adoption

3.8.1. Subject to a successful examination outcome the Swanton Morley Neighbourhood Plan will proceed to a local referendum in 2017 where the residents of Swanton Morley, who are registered voters, will be asked whether they want Breckland District Council to use the Swanton Morley Neighbourhood Plan when it determines planning applications in the parish of Swanton Morley (the Neighbourhood Plan Area).

3.8.2. Provided a favourable response is received the Swanton Morley Neighbourhood Plan will become part of the statutory 'development plan' for the area and, together with the Local Plan, become the starting point for determining planning applications in Swanton Morley.

Section 4: Vision for the Future of Swanton Morley

- 4.1. The community of Swanton Morley has been heavily involved in shaping the Swanton Morley Neighbourhood Plan, a summary of the process and key steps are set out in Section 3.
- 4.2. Swanton Morley is an attractive village in Norfolk and its residents are proud of its appearance, sense of community and amenities. In October 2015 a Community Workshop was held and residents were asked what they 'liked', 'disliked' and would 'change' to make Swanton Morley a better place.
- 4.3. A further Community Workshop was held in November 2015 to develop the Vision and Objectives for the Neighbourhood Plan. Following this consultation the ideas were formalised into a Vision Statement and nine Objectives.
- 4.4. In January 2016 the Vision and Objectives were shared with local residents and stakeholders at the third Community Workshop. Details of the Community Workshops are available in the Consultation Statement report.

4.5. **Vision for Swanton Morley**

Swanton Morley is, and will continue to be, a great place for our children to grow up and make their homes, with a real sense of community.

To preserve and enhance the history, rural aspect, natural environment, attractive outlook, village atmosphere and unique natural beauty, for all the community to enjoy, whilst embracing a prosperous and sustainable future as a place where people choose to live, work and visit.

4.6. Objectives

- a) To involve local people in an ongoing basis in the process of plan-making, monitoring and delivery of development.
- b) To protect the countryside and farmland surrounding our village; promoting green space, woodland and support nature conservation.
- c) To preserve the character of the village, including the spatial balance between the rural and built environment, historical assets, character and ethos whilst improving design based on local vernacular styles.
- d) To support new housing that meets the local needs, is affordable and made available to people from Swanton Morley first.
- e) To support a housing growth strategy tailored to the needs and context of Swanton Morley, where development is sensitive, in keeping whilst protecting and enriching the landscape and built setting.
- f) To promote the integration of new housing development into the social and physical fabric of the village. Ensuring infrastructure improvements are made to roads, sewage, healthcare, Broadband and mobile communications.
- g) To enhance the provision of, and protect, the existing small businesses, retail, light industrial and farming activities in and around our village.
- h) To develop and improve local community facilities and services (such as education, medical and recreation) for all age groups.
- i) To reduce the negative impact (speed, safety and volume) of traffic on all our roads and support enhanced public transport infrastructure.

Section 5: Sustainable Growth and Development

5.1. Sustainability

5.1.1. The National Planning Policy Framework is about positive growth and development that is sustainable. This is measured and tested by three dimensions that define 'sustainable' in planning terms.

- **Economic** – contribute to building a strong, responsive and competitive economy.
- **Environmental** – contribute to protecting and enhancing our natural, built and historic environment.
- **Social** – supporting strong, vibrant and healthy communities.

5.1.2. Residents of Swanton Morley feel it is a great place to live, they appreciate the special qualities it has and want to protect the village. Knowing that growth will come, there is great concern that new development could erode the very qualities that make Swanton Morley special. It is imperative that development is carefully managed in terms of its scale, design and integration.

5.1.3. The Swanton Morley Neighbourhood Plan is not anti-development and the community understands the need to accommodate housing growth. It is accepted development will come and with it new people and businesses. To achieve this Swanton Morley Parish Council will work positively with Breckland District Council Planning Officers, landowners and developers to plan how Swanton Morley would change to the benefit of the whole community.

5.1.4. The Swanton Morley Neighbourhood Plan outlines the approach and on this basis, the local community will look to positively engage with the statutory planning process to guide future development. As growth comes it must create developments of quality that contribute

to the character of Swanton Morley and provide additional local benefits. It must be more than an exercise in meeting housing supply 'numbers' through the addition of characterless estates that destroy the rural feel of Swanton Morley.

- 5.1.5. The aim, therefore, is to enable the provision of a choice of new homes to meet the needs of all sections of the community in a manner that respects the character of the parish.

5.2. Wider Spatial and Strategic Policy Context

5.2.1. The adopted Local Plan covering the Swanton Morley Neighbourhood Area currently comprises:

- Core Strategy and Development Control Policies for Breckland. (adopted 2009)
- Site Specific Policies and Proposals (January 2012)

5.2.2. Other documents as part of the 'emerging' Local Plan are:

- Breckland Local Plan Preferred Directions (December 2015)
- Breckland Local Plan Preferred Options and Settlement Boundaries (September 2016)

5.3. Core Strategy and Development Control Policies

5.3.1. The key deliveries of the Core Strategy identify the provision of at least 19,100 homes and the creation of 6,000 net new jobs across Breckland in the period 2001 to 2026.

5.3.2. Within the Core Strategy (Policy SS1) Swanton Morley is identified as being a 'Service Centre Village' with 13 other villages, which have been identified to contain adequate services and facilities to meet the day-to-day requirements of their existing residents.

- 5.3.3. The role and function of the 'Service Centre Villages' will be protected and enhanced through the protection of existing facilities, the promotion of new facilities and, where appropriate, allocations for residential growth, as defined in paragraph 2.43 of the Core Strategy and Development Control Policies Document.

5.4. **Site Specific Policies and Proposals**

- 5.4.1. The Site Specific Policies and Proposals Document identifies the areas where development is acceptable, in principle, through the definition of a "settlement limit". Under Policy SM1 specifically allocates a residential allocation of Land at Rectory Road of 2.4 hectares for 50 new dwellings, to meet the housing allocation.

5.5. **Emerging Breckland Local Plan**

- 5.5.1. Breckland Council decided in 2013 to prepare a new Local Plan. Once adopted the Local Plan will replace the existing Development Plan Documents developed under the Local Development Framework, including the Core Strategy and Development Control Policies and Site Specific Policies and Proposals documents.

- 5.5.2. The Breckland Local Plan Preferred Directions, issued for consultation in December 2015, identifies the need across the District to meet additional future housing needs in the Local Plan and to provide for no less than 14,925 new homes between 2011 and 2036. This is drawn from the Objectively Assessed Need identified in the Central Norfolk Strategic Housing Market Assessment 2015.

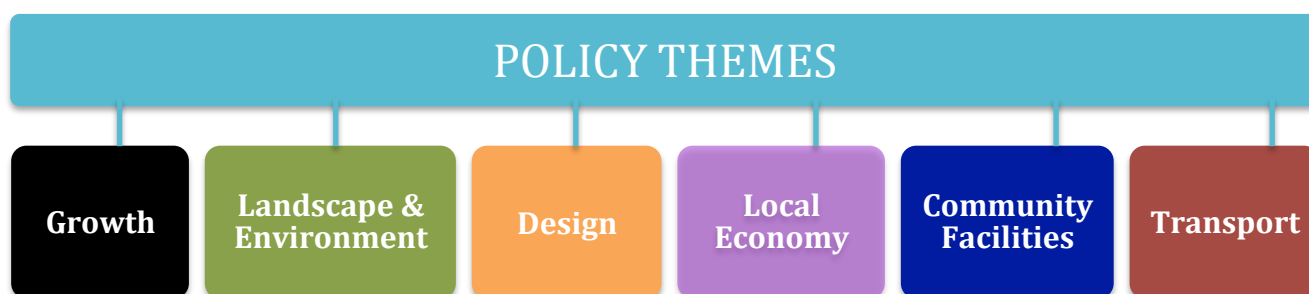

- 5.5.3. The Breckland Local Plan Preferred Site Options and Settlement Boundaries was issued for consultation in September 2016 to consider potential development sites.

Section 6: Neighbourhood Plan Policies

- 6.1. To achieve the Vision and Objectives of the Swanton Morley Neighbourhood Plan the following suite of planning policies have been drafted.
- 6.2. The policies have been designed to ensure that new development enhances the setting and character of Swanton Morley to promote a sense of community, and to provide for the social and economic needs of the residents.
- 6.3. The policies have been developed during the preparation of the Swanton Morley Neighbourhood Plan from the consultation feedback and using evidence of local issues and characteristics.

- 6.4. Decision-makers and applicants must read the policies as a **whole** when judging if any development proposal would be acceptable.
- 6.5. The policies are grouped by six themes:

- 6.6. To aid interpretation, the themes and policies are supported by contextual narrative, the local community's views on that subject together with evidence, plans and strategies that support their approach.
- 6.7. All policies have been framed in the context of the National Planning Policy Framework and the Core Strategy.
- 6.8. Whilst the Swanton Morley Neighbourhood Plan is first and foremost a land-use document, the local community has, during consultation events, identified a number of issues falling outside the remit of the planning system.

Theme 1: Growth

6.9. Remaining a Rural Village

- 6.10. There are currently 723 dwellings in the parish of Swanton Morley. Whilst relatively dispersed the development has followed the general linear pattern throughout the village.
- 6.11. The Core Strategy and Breckland District Council's emerging Local Plan sets the agenda for housing numbers and growth, with no fewer than 14,925 new homes across the Breckland District between 2011 and 2036.
- 6.12. Swanton Morley is identified within the Core Strategy, Policy SS1, as a **'Service Centre Village'**. This is defined to contain adequate services and facilities to meet the day-to-day requirements of existing residents.

- 6.13. The settlement hierarchy has been modified within the emerging Local Plan and Swanton Morley is now identified as a **'Local Service Centre'** suitable for new development as it meets the criteria by having the following services:
- Swanton Morley Primary School
 - Village shop and post office; butchers
 - Community facilities in the form of public houses Darby's and The Angel, village hall and doctors surgery
 - The village has a regular bus service to Norwich

- There are a good range of businesses and employment opportunities.

6.14. Public consultations demonstrated a very strong desire to retain Swanton Morley's village feel, which is enhanced by being surrounded by open farmland. A key part of this is to ensure no coalescence with the market town of Dereham to retain the community's sense of separate identity.

- 6.15. Swanton Morley will proactively plan to meet the local housing requirement ensuring that delivering a wide choice of high quality homes is essential to support sustainable, mixed and inclusive communities.
- 6.16. New homes must be built in accordance with the distinctive features, scale and character of the local area whilst maintaining the distinct village settlement and avoiding coalescence with the surrounding town and villages.
- 6.17. The community recognises that housing development can sometimes bring wider benefits, such as the redevelopment of brownfield sites, securing the ongoing use of a building, providing community facilities and providing much needed affordable homes. Such proposals will be supported in accordance with this policy in the Neighbourhood Plan.
- 6.18. **Ambition: This policy seeks to maintain Swanton Morley as a distinct and separate village with its own identity.**

6.19. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ 'Beautiful' walks and views across the countryside should be protected: 97% strongly agree, or agree and with 3% disagree.
- ✓ Open green spaces should be protected and biodiversity encouraged: 100% strongly agree, or agree

6.20. **The following plans, documents and strategies support Policy 1:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Breckland Local Plan Preferred Options and Settlement Boundaries (2016)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Neighbourhood Plan Emerging Policy Statement Discussion Document (March 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 1

Protecting the Identity of Swanton Morley

Development will not be supported outside of the built up area boundary (settlement limit), individually or cumulatively, if it would result in increasing the coalescence between Swanton Morley and neighbouring towns and villages (in particular Dereham) or reducing the separate identity of Swanton Morley by:

- 1) Reducing the openness and visual break between Swanton Morley and Dereham, or**
- 2) Increasing the intensification of development within existing curtilages that would lead to an increased sense of coalescence.**

6.21. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (b), (c) and (e).

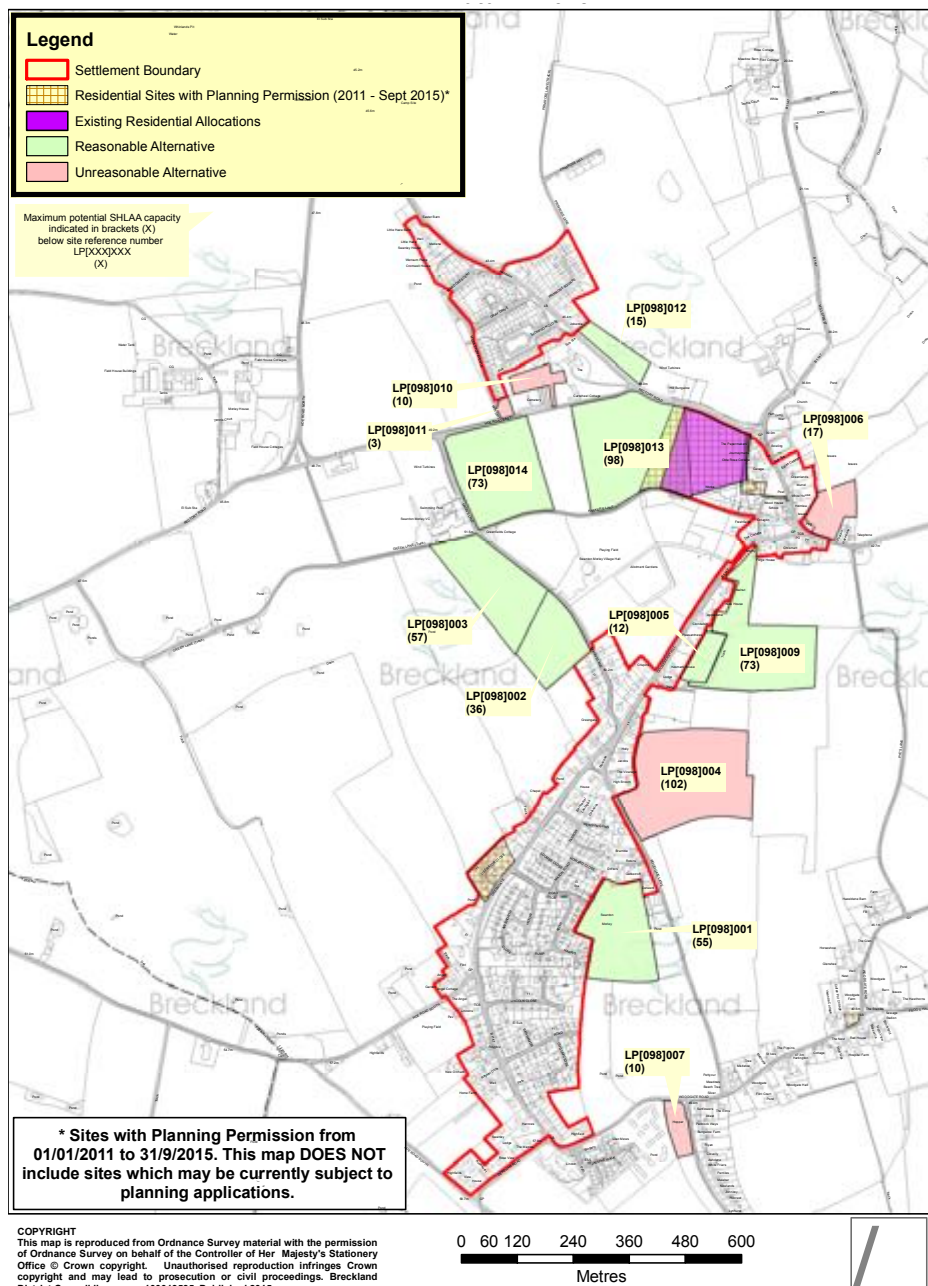

6.22. Planned Growth in the Right Places

6.23. The spatial and strategic context is outlined for Swanton Morley in Section 5 and the emerging Local Plan for Breckland has been consulted on whilst the Neighbourhood Plan has been developed.

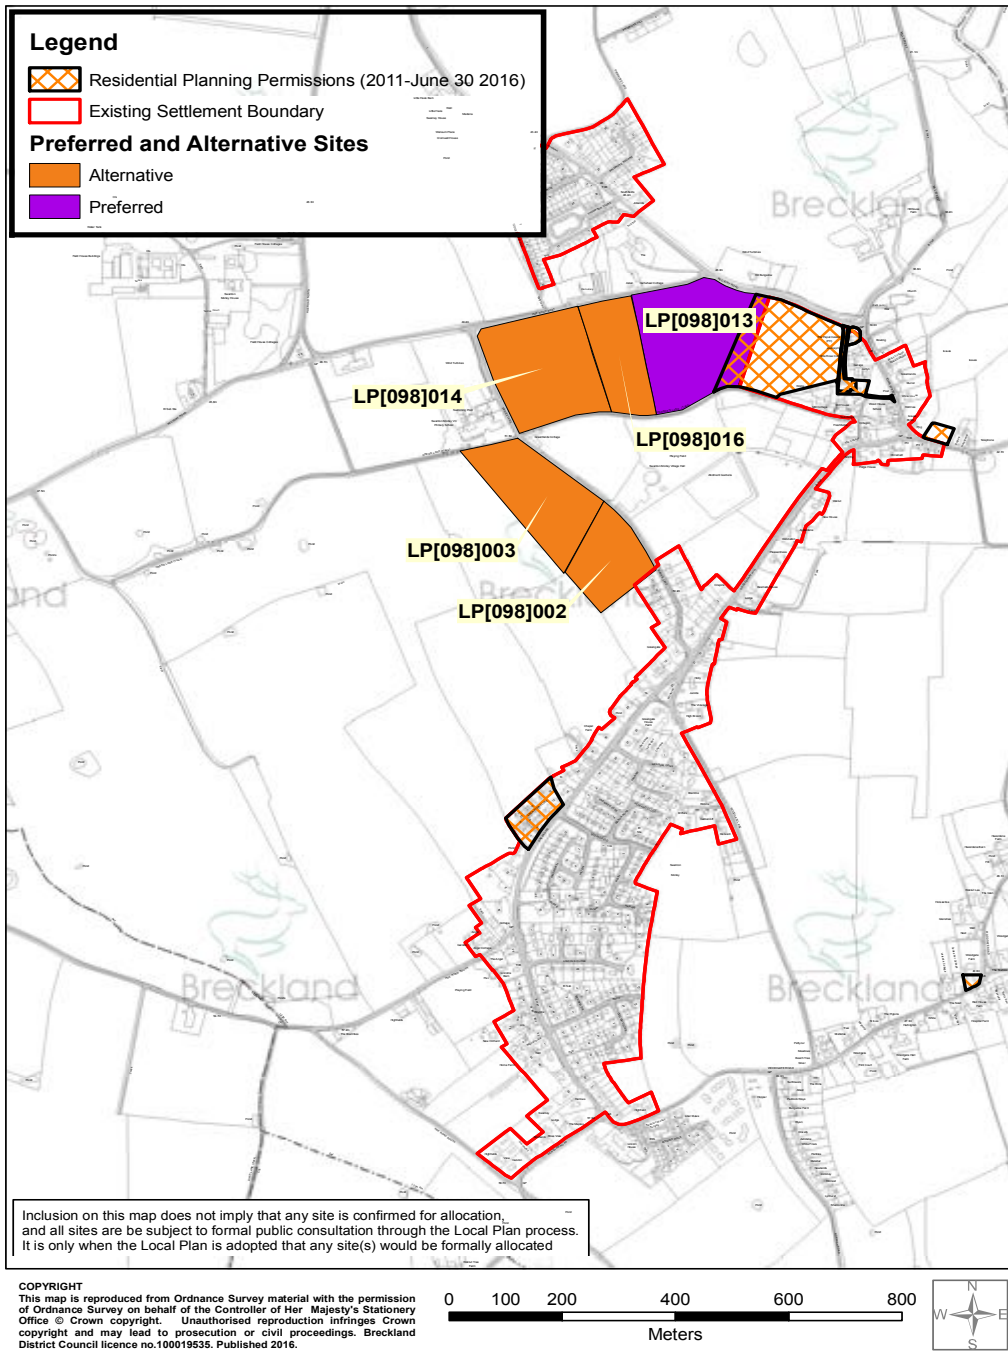

6.24. The initial Breckland Local Plan Preferred Directions identified sites which could accommodate 500 new dwellings in Swanton, see Map 4, this has resulted in a great deal of confusion, uncertainty and distress for local residents. The initial allocation for Swanton Morley was 145 dwellings. Following the initial 'call for sites', site LP(098)016 was put forward by the landowner, see Map 5 on page 33.

**Map 4: Breckland Local Plan Preferred Directions
Site Allocations Swanton Morley**

- 6.25. To assist the Parish Council and Breckland Council the Swanton Morley Neighbourhood Plan Steering Group included the Breckland Local Plan Preferred Directions proposed development sites at the public consultation community event and asked local residents which of the proposed sites they preferred and why.
- 6.26. At the public consultation local residents were mainly against any development but reluctantly accepted that new development was going to happen in Swanton Morley and set about identifying their preferred sites (based on those put forward through the Breckland Local Plan Preferred Directions process) and reasons why – both positive and negative.
- 6.27. Based on local residents reasoning and comments the outcomes were submitted to Breckland Council, by the Parish Council, as part of their consultation response, and used to develop the preferred residential sites as this policy allocation.
- 6.28. Residents of Swanton Morley expressed their view that, if Swanton Morley was to grow, it should be in a way that enables the existing village to be 'more joined up' and linked together in a better way; as parts of the village feel remote and should be better connected by paths and cycleways.
- 6.29. The supported sites, where the local community would prefer to see development, which emerged from the public consultation community event are LP(098)013 and LP(098)014.
- 6.30. Following the initial 'call for sites', site LP(098)016 was put forward by the landowner. The Swanton Morley Neighbourhood Plan Steering Group considered this new site, and concluded that as it lies between site LP(098)013 and LP(098)014 it is sensible to include site LP(098)016 in the allocation as well.
- 6.31. In September 2016 Breckland Council issued a further consultation, called Breckland Local Plan Preferred Options & Settlement Boundaries, this gives an updated view on settlement hierarchy, allocation numbers and sites. Stating that Swanton Morley continues to be identified as a Local Service Centre within the settlement hierarchy, identifies that it will grow by 10% to 2036 and allocates 166 new dwellings to 2036. With current completions (37) and commitments (44) this results in a remainder of 85 new dwellings to be allocated.
- 6.32. Breckland Local Plan Preferred Options and Settlement Boundaries supports the outcome of the views expressed by local residents by identifying site LP[098]013 as the 'preferred' site and site LP[098]014 as one of the 'alternatives', as well as sites LP[098]016, LP[098]002 and LP[098]003. See Map 5.

Map 5: Breckland Local Plan Preferred Options and Settlement Boundaries: Swanton Morley and Alternative Sites

6.33. The conclusion of the Statement of Five Year Housing Land Supply (31.03.2016) (Published July 2016) states that Breckland Council, from its calculations using either the Core Strategy target (on either methodology¹) or the Objectively Assessed Need target (on either methodology) cannot demonstrate a five-year supply of housing land for the District.

¹ There are two methods for calculation of the five-year land supply, these are known as 'Sedgefield' and 'Liverpool' Swanton Morley Draft Neighbourhood Plan

6.34. The National Planning Policy Framework sets out the need for the Local Plan to use the evidence base to ensure the Local Plan meets the assessed needs for both market and affordable housing. Work has been undertaken, by the Steering Group, within Swanton Morley to predict the likely level of housing required in the village through the Swanton Morley Neighbourhood Plan plan-period and to identify deliverable sites sufficient to achieve these numbers, including a 20% buffer². With the allocation of sufficient housing numbers to meet the likely need it is also the intent of the Swanton Morley Neighbourhood Plan to ensure, through the use of planning gain and obligations, that the required improvements to infrastructure is facilitated.

Table 1: Housing Development in Swanton Morley from 1950 to Present Day

20 year period	Place	No. of dwellings built
1950's (1940's n/a)	Thompson Close	30
	Gray Drive	28
	Ward Crescent	16
	Hannah Road	9
		105
1960's & 1970's	Primrose Square	36
	Lincoln Close	28
	Bedingfield Estate	80
	Bennett Road	17
	Cullum Close	16
		177
1980's & 1990's	Farrow Close	20
	Wensum Gardens	6
	Worthing Road	4
		30
2000's & 2010's	Raynor Drive	4
	Woodgate Park	50
	Liberator Close	20
	Rectory Road	52
	Merrifield Close	3
	Woodgate Lane	3
	Gooseberry Hill	9 *
	Elsing Road	2 *
		137

* Planning permissions granted 2016, yet to be built.

6.35. Swanton Morley has seen growth over time and Table 1 highlights how the growth in housing numbers in each 20-year tranche averages 112 new dwellings. This raises concern that the current allocation of 85 is not sufficient to allow the village to continue to grow and meet the likely housing needs over the plan period of the Swanton Morley Neighbourhood Plan. Therefore, the Swanton Morley Neighbourhood

² A requirement of the National Planning Policy Framework.
Swanton Morley Draft Neighbourhood Plan

Plan seeks to increase potential number of dwellings through the allocation of the three sites.

- 6.36. **Ambition:** This policy seeks to achieve an appropriate, needs based, growth that will guide the location of new development in Swanton Morley in a holistic manner. Enhancing the village, making it 'more joined up', providing better connectivity and access whilst enabling the infrastructure to be improved.
- 6.37. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:
- ✓ Ensure infrastructure expands with new development: 100% strongly agree, or agree.
 - ✓ New development should provide new community facilities and services: 95% strongly agree, or agree, 5% unsure and with zero% strongly disagree, or disagree
- 6.38. With the following results from the public consultation community event against each of the proposed Sites Allocation options:
- LP(098)001: 2% of residents supporting with 98% not supporting
 - LP(098)002: 22% of residents supporting with 78% not supporting
 - LP(098)003: 43% of residents supporting with 57% not supporting
 - LP(098)004: 8% of residents supporting with 92% not supporting
 - LP(098)005: 39% of residents supporting with 61% not supporting
 - LP(098)006: 22% of residents supporting with 78% not supporting
 - LP(098)007: 14% of residents supporting with 86% not supporting
 - LP(098)009: 52% of residents supporting with 48% not supporting
 - LP(098)010: 48% of residents supporting with 52% not supporting
 - LP(098)011: 29% of residents supporting with 71% not supporting
 - LP(098)012: 48% of residents supporting with 52% not supporting
 - LP(098)013: 79% of residents supporting with 21% not supporting
 - LP(098)014: 64% of residents supporting with 36% not supporting
- 6.39. Please note there was no site reference LP(098)008 included in the consultation and site LP(098)016 was put forward by the landowner for consideration as an allocated site to Breckland Council following the consultation.

6.40. **The following plans, documents and strategies support Policy 2:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland Local Plan Preferred Options and Settlement Boundaries (2016)
- Centre Norfolk Strategic Housing Market Assessment 2015 (Report Findings January 2016)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Statement of Five Year Housing Land Supply (31.03.2016) (Published July 2016)
- Strategic Housing Land Availability Assessment Review 2014
- Swanton Morley Village Appraisal Report (2004)

POLICY 2

Residential Development Sites

The primary focus of new residential development in the Swanton Morley Neighbourhood Plan area will be within the three allocated housing sites identified on the Map 5 as:

- 1) LP(098)013;
- 2) LP(098)014; and
- 3) LP(098)016

Planning applications for these three allocated housing sites will be supported where they comply with the other policies within the Swanton Morley Neighbourhood Plan and the requirements of other development plan policies.

- 6.41. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (a), (c), (d) and (e)

6.42. **Enabling Growth on Sites LP(098)014 and LP(098)016**

- 6.43. Sites LP(098)014 and LP(098)016 have the ability to cater for the future predicted growth of Swanton Morley and to deliver additional site specific community benefits whilst directly mitigating the impact of these possible developments on the village.
- 6.44. Within emerging Breckland Local Plan Preferred Options and Settlement Boundaries both sites are identified as 'alternative options', with site LP(098)016 to be developed in conjunction with sites LP[098]013 and/or LP[098]014.
- 6.45. Concerns about road safety for school children around the school has been raised by local residents through the consultation process; with parents struggling to safely stop to drop off or pick up their children at the start and end of the school day.

- 6.46. With the large number of cars sharing the same space as pedestrians and even school children trying to cycle to school (as shown in the above picture).
- 6.47. The location of site LP(098)014 has the ability to facilitate a safe place for parents to stop and drop off or pick up their children; by incorporating an off road pick up drop off forty space car park area which could then be linked to the school through a safe road crossing. Other road safety measures could also be provided on Manns Lane; 20mph speed limit, a 'road table' to aid crossing points and to reduce vehicle speeds. As illustrated on Map 6 in 'Car Park for 40no. Cars' and suggested 'X Safe Crossing Point'.

6.48. Below is an example of a safe parking facility recently installed at Wicklewood School near Wymondham.

6.49. Hoe Road East, in part, is a very narrow single width lane with neither a footpath nor cycleway. It has been recognised through Breckland Council's Local Plan consultations that it is not currently suitable for access to sites LP(098)014 and LP(098)016.

6.50. Whilst it is possible to access site LP(098)014 from Manns Lane and site LP(098)016 as a continuation of either LP(098)014 and/or LP(098)013 sites, there is a requirement to improve the road network in this area of the village.

Map 6: Hoe Road East: Lay-by Parking, Road Widening and Car Park

Date Created: 21-11-2016 | Map Centre (Easting/Northing): 601464 / 317333 | Scale: 1:2564 | © Crown copyright and database right. All rights reserved (100031154) 2016

- 6.51. Enhancements to the road network would improve connectivity of the village, enabling safe access for vehicles, cyclists and pedestrians. This could be achieved through either a continued vehicle, cycle and pedestrian access from Rectory Road through to Manns Lane within sites LP(098)14 and LP(098)016 or through the widening of Hoe Road East to enable two-way traffic, a footpath and cyclepath from Rectory Road to Manns Lane. As illustrated on Map 6 in 'pink'.
- 6.52. These enhancements should also include the provision within site LP(098)016 for a lay-by style parking facility, to accommodate at least six cars, which could be used by those attending funerals at the cemetery. This should be located opposite the cemetery. As illustrated on Map 6 in pink 'Lay-by for 6no. Cars'.
- 6.53. The northern border of site LP(098)016 should be screened from the cemetery by hedging and landscaping that provides a degree of privacy for those attending the cemetery. In addition, any new dwellings positioned along this border should be to a maximum height of 1.5 storeys.
- 6.54. If the chosen option is to undertake the widening to Hoe Road East these improvements need to be mindful to ensure the road design incorporates traffic calming measures necessary to prevent excessive speed becoming an issue on this very straight road. Suggested location illustrated on Map 6 in 'X Priority Traffic Management Gates'. Picture illustrates an example from another parish.

- 6.55. **Ambition: This policy seeks to ensure the sustainable growth of Swanton Morley whilst providing specific benefit to the local community associated with sites LP(098)14 and LP(098)16.**
- 6.56. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:
- ✓ Increase the width of Hoe Road East: 52% strongly agree, or agree and with 8% unsure and 40% strongly disagree, or disagree.

- ✓ Improve cycleways and footpaths in and around Swanton Morley: 90% strongly agree, or agree and with 10% unsure and zero% disagree.

6.57. The following plans, documents and strategies support Policy 3:

- National Planning Policy Framework
- Core Strategy and Development Control Policies (2009)
- Breckland Local Plan Preferred Options and Settlement Boundaries (2016)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 3

Enabling Growth on Sites LP(098)14 and LP(098)16

Development on sites LP(098)14 and LP(098)16 is to be in conjunction with site LP(098)13, where proposals enable:

- a. provision will be made within site LP(098)14 for a 'pick up and drop off' area with at least 40 car spaces and with a safe road crossing point located along Manns Lane as close to the school as is deemed safe by Norfolk County Council Highways Authority;
- b. provision will be made within site LP(098)016 for a lay by style parking facility, to accommodate at least six cars;
- c. the northern border of site LP(098)016 will be screened by hedging and landscaping and with any new dwellings positioned along this border being of a maximum height of 1.5 storeys;
- d. a continued vehicle, cycle and pedestrian access from Rectory Road to Manns Lane; and/or
- e. Hoe Road East is widened to include provision for two way traffic with traffic calming measures, a footpath and cyclepath from Rectory Road to Manns Lane.

- 6.58. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (a), (c), (d), (e), (f), (h) and (i).

6.59. **Housing for the Local Community**

- 6.60. A key housing issue for Swanton Morley is affordability with average house prices too high for those on average incomes resulting in an affordability ratio of over 1:6.
- 6.61. There is a requirement within the Core Strategy to provide 40% affordable houses within any new development. The Parish Council, through a 'local lettings policy', support individuals in housing need with a local connection to access these same dwellings.
- 6.62. The recent development of 52 dwellings, at Rectory Road, included 18 affordable dwellings although no local people were able to access these.

- 6.63. A Housing Need Survey was conducted by Breckland Council to identify the housing needs for Swanton Morley. In the report issued by Breckland in October 2015 the Housing Need Survey for Swanton Morley identified there is a local requirement and need for affordable housing in Swanton Morley.
- 6.64. Breckland Council has conducted a detailed study of the housing needs for Swanton Morley. This study investigated housing need and concluded there is a local requirement and need for affordable housing in Swanton Morley with 17 households being identified in need.
- 6.65. All 17 households contained someone wanting to move in the next five years and all of these had a connection to Swanton Morley; either current residents or people who had formerly lived in the village.
- 6.66. The demographics of Swanton Morley and the 'baseline data' for Swanton Morley, contained within the Sustainability Appraisal Scoping Report, supports action to be taken to enable younger people to remain within the community they have grown up in.

- 6.67. As demonstrated in the Housing Need Survey for Swanton Morley, local need supports a 'local letting' policy that will address the situation for the local community. This means that priority for some affordable housing on all new developments will be given to local people.
- 6.68. The emerging Breckland Local Plan seeks to allocate 85 new dwellings to Swanton Morley to 2036 of which 34 dwellings will be affordable housing (as per Policy DC4 of the Core Strategy and Development Policies). Whilst 17 households have been identified with a need over the next five years the number of affordable homes to be set aside under the 'Local Lettings' policy is to be up to 33% (as some of the local people may be able to meet their own need in the medium term).
- 6.69. When a property is allocated under the 'Local Lettings' policy the cascade is used to allocate the property to households on Breckland Council's housing list. Therefore, someone on the housing list who has a local connection (as defined within the cascade criteria in Policy 4) would be prioritised above someone who did not have the local connection even if their identified need was higher banded on the housing list.
- 6.70. Not all affordable housing can be allocated with a 'Local Lettings' policy because Breckland Council has a statutory duty to house some people and, therefore, needs new affordable housing to meet these duties.
- 6.71. The 'Local Lettings' policy will apply to the first let of affordable housing and subsequent lets based on local need and connection. This will be managed by Breckland Council, as they already do for affordable housing on 'exception sites'. Should there be no local need properties will be offered to meet a general district wide housing need (i.e. will be offered to the household in the highest housing need).
- 6.72. The 'Local Lettings' policy only applies to Affordable Rent Tenure (rents are set at 80% of the local market rent). The 'Local Lettings' policy will not apply to intermediate tenure options such as shared ownership (part buy and part rent) or discounted market housing (sold at a percentage of open market price). Although any developer will be encouraged to advertise these properties locally first to encourage local people to purchase.
- 6.73. **Ambition: This policy seeks to create the opportunity for Swanton Morley residents or those with connections to Swanton Morley, who are on the housing register, to have the ability to access affordable housing in Swanton Morley.**

6.74. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ More affordable housing specifically for local people and/or first time buyers: 92% strongly agree, or agree, 8% not sure and with zero% strongly disagree, or disagree.

6.75. **The following plans, documents and strategies support Policy 4:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Centre Norfolk Strategic Housing Market Assessment 2015 (Report Findings January 2016)
- Housing Need Survey Report for Swanton Morley (October 2015)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 4

Local Lettings

Any new developments that incorporate an element of affordable housing to include, within the section 106 Agreement, 33% of the affordable housing will be made available to people with a local connection to Swanton Morley, in perpetuity, using the following cascade criteria:

- a. Residents of Swanton Morley parish for the last three years.**
- b. Households who need to move to Swanton Morley parish to give or receive support from or to close family or relatives who are residents of Swanton Morley.**
- c. Former residents of Swanton Morley parish for at least 3 years of the last 6 years.**
- d. People who work in Swanton Morley parish for three years.**
- e. Other residents of Swanton Morley parish.**
- f. Residents of the adjacent parishes Bylaugh, Elsing, Hoe and Worthing.**
- g. Residents of Breckland District.**
- h. Any other person**

6.76. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (d) and (f).

6.77. **Affordable Housing on Exception Sites**

6.78. The delivery of rural exception sites is recognised as a mechanism to enable affordable housing to be delivered to reflect local needs. This view is supported by the National Planning Policy Framework (paragraph 54) which also suggests that, if necessary, it should be considered whether allowing some market housing would facilitate the provision of additional affordable housing to meet local needs.

6.79. Policy DC5 of the Core Strategy and Development Control Policies sets the requirements necessary for proposals to be brought forward across the district. Through the consultation events concern was expressed by residents that whilst they supported the concept of 'exception sites', (especially the section of the policy that identifies the "...affordable housing being exclusively for local need, in perpetuity.....'), they had reservations in the delivery and definition of 'local'. It was expected that this would be residents or people with a connection to Swanton Morley parish but expressed that there was nothing to stop 'local' potentially being expanded to include anyone in Breckland.

6.80. Concerns also related to the level of local support for potential sites that could come forward in areas of the village that the residents do not support. The Steering Group decided that it would be appropriate for the Swanton Morley Parish Council (as the recognised and elected body for Swanton Morley) to be able to assess the overall growth of the village and express their view based on the possible conflicting views and needs across the community.

6.81. **Ambition: This policy seeks to create clarity of outcome where 'exception site' development occurs in Swanton Morley; ensuring local support for such proposals is given and those with local connections to Swanton Morley (as defined in Policy 4: Local Lettings of the Swanton Morley Neighbourhood Plan), who are on the housing register, to have the ability to access affordable housing in Swanton Morley.**

6.82. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ More affordable housing specifically for local people and/or first time buyers: 92% strongly agree, or agree and with 8% unsure and zero% disagree.

6.83. **The following plans, documents and strategies support Policy 5:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (2009)
- Breckland Local Plan Preferred Options and Settlement Boundaries (2016)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Neighbourhood Plan Emerging Policy Statement Discussion Document (March 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 5

Affordable Housing on Exception Sites

Development of affordable housing on an exception site may be permitted where it satisfies the requirements of Policy DC5 of the Core Strategy and Development Control Policies and the following additional requirements:

- a. local support for the proposed site is given by the Swanton Morley Parish Council;**
- b. 100% of dwellings will be allocated to those with a connection with Swanton Morley, in perpetuity, as defined in the cascade in the Swanton Morley Neighbourhood Plan Policy 4 Local Lettings.**

6.84. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (a), (d) and (e).

6.85. **Delivery of Planning Obligations**

- 6.86. The Localism Act 2011 has at its heart the desire to enable local communities the ability to have a say and get involved in how their villages and towns are administered to deliver their future aspirations.
- 6.87. Local Planning Authorities, through planning obligations and conditions applied to the granting of planning permissions, can set requirements on a particular development to deliver with that development benefits and/or requirements to mitigate the impact of that development.
- 6.88. The delivery of the planning obligations is usually through agreement of the interested parties who give their commitment by signing a legal contract called a 'section 106 agreement'.
- 6.89. It is recognised that Breckland Council, as the Local Planning Authority, has a large number of section 106 agreements to negotiate, agree and enforce across the district. There are examples where they have entered into such agreements without a full understanding of the local situation or knowledge.
- 6.90. In recent section 106 agreements Swanton Morley Parish Council has been excluded from adding the local knowledge, negotiating the specific requirements, nor has it been 'allowed' to be a signature to the agreements.
- 6.91. Having been denied the ability to view section 106 agreements on planning applications in the Swanton Morley parish, and having been advised (incorrectly) by the Breckland Council that it is not legally allowed to be a party to section 106 agreements. This lack of transparency, and incorrect advice, has resulted in the desired infrastructure improvements, as agreed by the Breckland Council, not being delivered by the developer. The result of the actions of the Breckland Council has meant that taxpayers' money, c£32,000, has had to be used to complete the infrastructure works to the required standard as the section 106 failed to.

- 6.92. Ensuring that Swanton Morley Parish Council is a party to each section 106 agreement will ensure that the infrastructure promised within the parish of Swanton Morley will be delivered and will encourage openness and transparency between the developer, the Breckland Council and the local community.
- 6.93. As there is likely to be planning obligations identified as part of future development in Swanton Morley the Swanton Morley Parish Council would like to assist Breckland Council to deliver the best outcomes for the residents of Swanton Morley.

- 6.94. With the involvement of Swanton Morley Parish Council in any section 106 agreements it would enable a positive local approach with more detailed local knowledge being applied. It would allow easier checking to ensure the obligations are being implemented in the manner expected by all parties with any deficiencies identified early in the delivery to aid corrective steps to be taken.
- 6.95. **Ambition: This policy seeks to enable local knowledge and involvement by Swanton Morley Parish Council to deliver better outcomes for local residents of Swanton Morley through planning obligations.**
- 6.96. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:
- ✓ New developments should demonstrate how 'open space' areas are to be managed and maintained in a sustainable way: 100% strongly agree, or agree and with no one disagreeing.
 - ✓ More affordable housing specifically for local people and/or first time buyers: 92% strongly agree, or agree and with 8% unsure and zero% disagree.
 - ✓ New development should provide new community facilities and services: 95% strongly agree, or agree and with 5% unsure and zero% disagree.

- ✓ Ensure infrastructure expands with new development: 100% strongly agree.

6.97. The following plans, documents and strategies support Policy 6:

- National Planning Policy Framework
- Localism Act 2011
- Town and Country Planning Act 1990
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 6

Delivery of Planning Obligations

The Local Planning Authority and Swanton Morley Parish Council will work together on any proposed planning obligations to be committed to under a section 106 agreement; to draft heads of terms and agree specific specifications and delivery requirements.

Swanton Morley Parish Council will be a signatory to all section 106 agreements within the parish of Swanton Morley.

- 6.98. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (a), (d), (f) and (h).

Theme 2: Landscape and Environment

- 6.99. The open spaces and open countryside are of great importance in creating the character and identity of Swanton Morley. It was clear from the consultations that the community values the rural setting and village feel of Swanton Morley, having previously won 'East of England Village of the Year 2009'.

- 6.100. The Swanton Morley Parish Council is responsible for several areas of common land. Mill Common; has gained the accolade of Higher Level Stewardship from Natural England whereby local volunteers have restored this area to provide natural habitats for native species. Rare breed cattle graze on this area for three months every year.
- 6.101. Burgh Common; one of the few areas by the River Wensum that remains in public ownership, and working with the Environment Agency, glides and riffles have been installed in the river to improve breeding areas for fish. With boardwalks and disabled access fishing platforms installed so that the beautiful area can be accessible to all.
- 6.102. There are a number of open spaces, green areas together with the built and historic environment that contribute to the character enjoyed by the existing community. These provide opportunities for formal and informal recreation. In accordance with national planning guidance the community wishes to see these spaces and the historic built environment protected for future generations. Accordingly they will be afforded

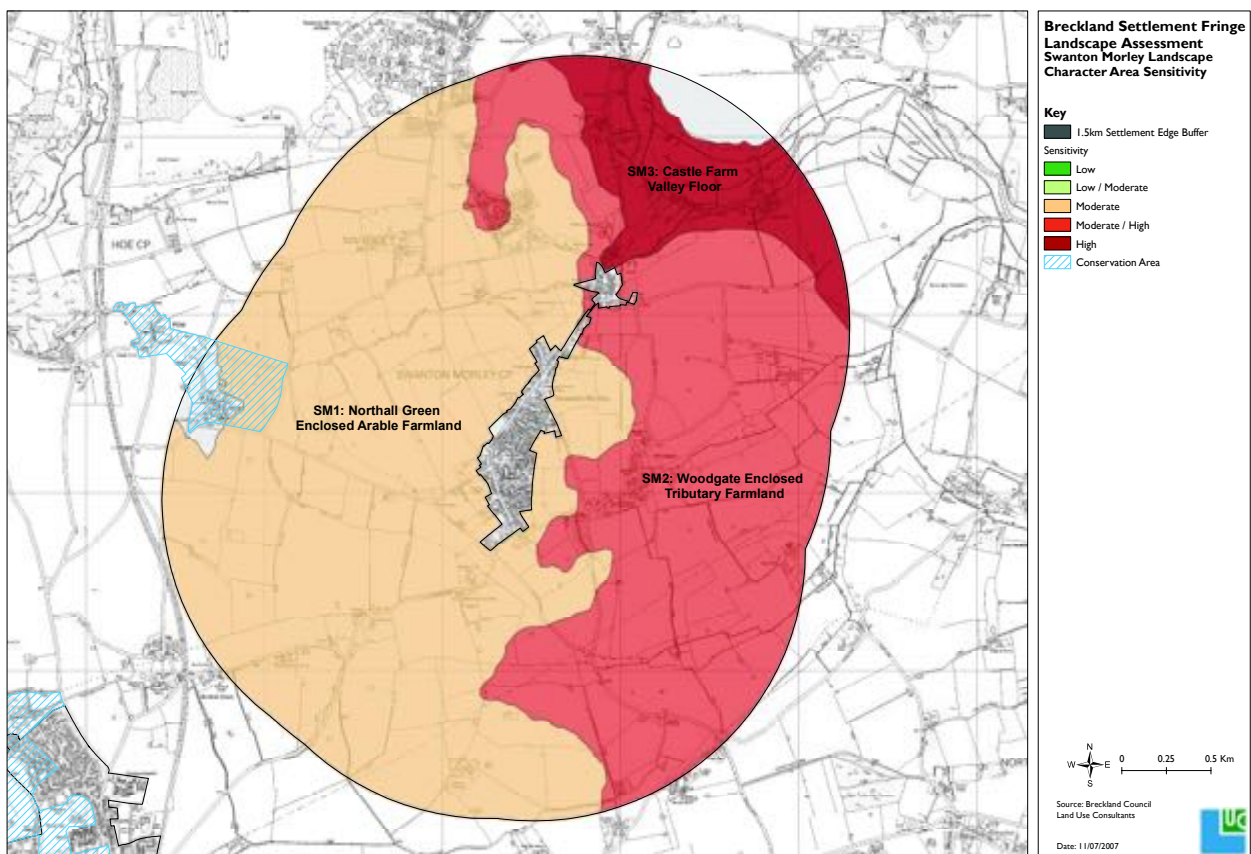

protection from new development unless this is associated or ancillary to the current use and demonstrated to be of community benefit.

6.103. The loss of any of these open spaces would be detrimental to the appearance, character and amenity value of the immediate locality. Many local residents expressed concern that, if uncontrolled, changes to open spaces could irrevocably change the special character of Swanton Morley. It was clear that any policies to come forth from the Swanton Morley Neighbourhood Plan must respect these important areas and should seek to enhance further the characteristics, which make Swanton Morley such a desirable place to live.

6.104. The Sensitivity Assessment, undertaken by Breckland Council, is an evaluation of the area around Swanton Morley, see Map 7 and identifies key aspects and character of the area against a number of criteria. Providing comments and judgments on landscape character sensitivities and visual sensitivity.

6.105. The character of the local area is considered broadly representative of the wider district character area, in view of its arable land use and the density of field boundary vegetation and farm woodland.

Map 7: Swanton Morley Landscape Character Area Sensitivity

- 6.106. Over all sensitivity to change is judged to be moderate, for area SM1: Northall Green Enclosed Arable Farmland, whilst moderate-high, for area SM2: Woodgate Enclosed Tributary Farmland and high for area SM3: Castle Farm Valley Floor.
- 6.107. For area SM1: Northall Green Enclosed Arable Farmland this is in view of the filtered character of views and the relative lack of visibility to much of the settlement edge, resulting from the relatively intact structural elements such as field boundary hedgerows and hedgerow trees.
- 6.108. For area SM2: Woodgate Enclosed Tributary Farmland this is in view of the intact landscape structure, which has also survived to much of the settlement edge.
- 6.109. For area SM3: Castle Farm Valley Floor this is in view of the local character area's role in forming the setting of the historically important parish church, and the quality of the valley floor landscape.
- 6.110. A number of 'landscape guidelines' set out a series of landscape management and design principles, both to maintain and enhance the character of this landscape and to inform future land use and for change to the settlement edge.

6.111. **Local Green Space**

- 6.112. The rural nature and aspects of the Parish and village are much valued. Individually and collectively a number of important open green spaces make a vital contribution to the character and appearance of the village.
- 6.113. The community values these recreational spaces, be it for play, resting on the seats, having a family picnic or learning about the local history etc..., as well as providing visual breaks and green lungs for the village.
- 6.114. Through the designation of these three areas, know as,
- **Gray Drive**
 - **Thompson Close**
 - **Middleton Avenue**
- 6.115. And outlined in red on Map 8 the local community is looking to protect each of these areas to ensure the amenity value is retained for the existing and future residents of Swanton Morley while providing facilities that support healthy lifestyles and general well-being.

Map 8: Local Green Space

Date Created: 9-7-2016 | Map Centre (Easting/Northing): 601440 / 317521 | Scale: 1:2490 | © Crown copyright and database right. All rights reserved (100031154) 2016

6.116. A detailed assessment and justification for the designation of the three local green spaces against the principles set out in the National Planning Policy Framework can be found in Appendix 3.

6.117. **Ambition:** This policy seeks to provide special protection for three key areas of green space through its designation as 'Local Green Space', as defined in the National Planning Policy Framework paragraph 76, 77 and 78, which the local community has identified of particular importance to them.

6.118. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ More green open space, footpaths and cycleways, which are easily accessed and safe to travel: 100% strongly agree or agree.
- ✓ Open green spaces should be protected and biodiversity encouraged: 100% strongly agree or agree.

6.119. **The following plans, documents and strategies support Policy 7:**

- National Planning Policy Framework

- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Open Space assessment (2015)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 7	<p>Local Green Spaces</p> <p>The Neighbourhood Plan designates the following locations as Local Green Spaces as shown on the proposals map.</p> <ol style="list-style-type: none"> 1) Gray Drive 2) Thompson Close 3) Middleton Avenue <p>Applications for development on the identified local green spaces, which would adversely affect their function, as open green spaces will not be permitted.</p>
-----------------	---

6.120. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (c) and (h).

6.121. **Open Spaces**

6.122. The open spaces within the built up area are of great importance in the wellbeing of the local community and help create the character and identity of Swanton Morley, whilst being enjoyed by the existing community and provide opportunities for formal and informal recreation.

6.123. Within Swanton Morley there is 4.55ha of play space against a current assessed requirement of 5.37ha, a shortfall of 0.82ha. See table 2. At the consultation events local residents were keen to see the existing shortfall made up and expressed concern at the possible loss of any of these open spaces.

6.124. The loss of any of these open spaces would be detrimental to the appearance, character and amenity value of the immediate locality. Many local residents expressed concern that, if uncontrolled, changes to open spaces could irrevocably change the 'village feel' of Swanton Morley.

Table 2: Swanton Morley Key Statistics

	Swanton Morley (actual)	NPFA standards in comparison to 2011 population	Comparison with NPFA standards
Population (2011)	2100	2100	-
Outdoor sports facilities (ha)	3.78	3.69	+0.08
Children's play space (ha)	0.77	1.68	-0.91
Total play space	4.55	5.37	-0.82
People per pitch	420	-	-
Percentage of houses in parish outside NPFA 1.2ha sports catchment	23%	-	-
Percentage of houses in parish outside NPFA, LAP, LEAP and NEAP catchments	87%	-	-

Source: Open Space Parish Schedule 2015 (99 Swanton Morley)

6.125. The community wishes to see these spaces protected for future generations and accordingly they will be afforded protection from new development unless this is associated or ancillary to the current use and demonstrated to be of community benefit.

Table 3: Areas of Important Open Space within Swanton Morley

Name	Location	Use	Approx. Area
Gooseberry Hill Playing Field	Gooseberry Hill	Children's Play Area	0.6ha
Village Green	Town Street	Recreation Ground	0.37ha
Bowling Green	Town Street	Lawn Bowls	0.14ha
Cricket Club	Hoe Road South	Cricket pitch	1.5ha
Angel Bowls Club	Hoe Road South	Lawn Bowls	0.1ha
Village Hall Playing Field	Manns Lane	Sports and Recreation	2.0ha
Youth Football Pitches	Manns Lane	Sports and Recreation	1.12ha
Allotments	Manns Lane	Gardening & Recreation	1ha
School Playing Field	Manns Lane	School Recreation	4.09ha
Davidson Park	Rectory Road	Public Recreation	0.515ha
Mill Common	Mill Street	Common Land	3.758ha
Burgh Common	Worthing Road	Common Land	0.899ha
Little Common	Mill Street	Common Land	0.215ha
North Avenue Play Area	Robertson Barracks	Children's Play Area	1.43ha
Sports Pitches	Robertson Barracks	Recreation Area & Sports Pitch	7.54ha
Edwards Close Play Area	Robertson Barracks	Children's Play Area	0.11ha

6.126. See the location maps in Appendix 3 for specific details and locations of each of the Areas of Important Open Space listed within Table 3.

6.127. **Ambition: This policy seeks to recognise the importance of these areas to the village and as areas of recreational and visual value. The policy is not seeking 'Local Green Space' designation³.**

6.128. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ More green open space, footpaths and cycleways, which are easily accessed and safe to travel: 100% strongly agree or agree.
- ✓ Open green spaces should be protected and biodiversity encouraged: 100% strongly agree or agree.

6.129. **The following plans, documents and strategies support Policy 8:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Open Space Assessment (2015)
- Open Space Parish Schedule 2015 [99 Swanton Morley]
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 8	<p>Protection of Open Space</p> <p>Proposals for development, which would result in the loss of part or all of an Area of Important Open Space, as defined in Table 3 [Areas of Important Open Space within Swanton Morley] and Location Maps in Appendix 3, will not be permitted unless it can be demonstrated that the benefit to the local community outweighs the loss.</p>
-----------------	---

6.130. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (c), (e) and (h).

³ 'Local Green Space' as per NPPF, defined in paragraph 76, 77 and 78.
Swanton Morley Draft Neighbourhood Plan

6.131. **Open Space Management**

6.132. The Swanton Morley Parish Council is keen to ensure all open space is managed appropriately and sustainably. It is preferred that the future management of open space is undertaken through the transfer of ownership of the Swanton Morley Parish Council.

6.133. Local residents raised concerns about 'management companies' having restrictive practices, failing to maintain areas correctly or shutting down after a few years, due to lack of funds, and with nobody responsible for the ongoing management of an area. This would result in the burden of management falling to local residents, the Parish Council or Breckland without future funding to cover costs.

6.134. **Ambition: This policy seeks to provide longevity for the management of open space in a sustainable way, with option (a) as the preference.**

6.135. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ New developments should demonstrate how 'open space' areas are to be managed and maintained in a sustainable way: 100% strongly agree, or agree.

6.136. **The following plans, documents and strategies support Policy 9:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Open Space assessment (2015)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 9	<p>Management of Open Space</p> <p>Where new developments provide elements of green infrastructure (such as open space, natural green space, recreational areas, allotments, community woodland and orchards) the Developer will be required to demonstrate an effective and sustainable management programme for them by having:</p> <ul style="list-style-type: none"> a) an effective transition to the Swanton Morley Parish Council ownership with suitable funding to cover projected future upkeep costs for at least the next ten years; or b) an effective transition to the Local Authority ownership; or c) an appropriate legally binding arrangement for management by an established management company with a viable and sustainable business case and operating model.
-----------------	--

6.137. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (a), (e) and (h).

6.138. **Important Views**

6.139. The natural topography of Swanton Morley provides high ground that provides opportunities to experience attractive views across the surrounding landscape.

6.140. Views from the village to the south, out across the open countryside are now almost entirely obscured by historic development or limited to

private dwellings and back gardens. However, views to the north remain and are valued by residents.

- 6.141. The Breckland District Settlement Fringe: Landscape Assessment comments about this landscape with the Castle Farm Valley Floor forming a discrete component of the wider Wensum and Blackwater Character Area and being of the highest category of landscape sensitivity. This is adjacent to the northern settlement edge of the village and the settlement lies predominantly on the more elevated land within the Northhall Green and Woodgate character areas.
- 6.142. The Castle Farm Valley Floor extends from the settlement edge approximately 1.5km and contains a range of wetland features, including willow scrub, rush pasture and a network of small scale pastoral fields defined by hedgerows and ditches draining into the River Wensum.
- 6.143. This landscape is a mosaic of diverse elements which are of a high quality and which create distinct sense of place.
- 6.144. The River Wensum is inherently sensitive in view of the nature conservation designations as a Site of Special Scientific Interest and Special Area of Conservation.
- 6.145. According to its Site of Special Scientific Interest designation status 'The Wensum has been selected as one of a national series of rivers of special interest as an example of an enriched, calcareous lowland river. With a total of over 100 species of plants, a rich invertebrate fauna and a relatively natural corridor, it is probably the best whole river of its type in nature conservation terms, although short stretches of other similar rivers may show a slightly greater diversity of species.
- 6.146. Below is detailed four key views across different aspects of this beautiful landscape. Their location is shown on Map 9 and illustrated in photographs on pages 61 and 62.
- 6.147. **View 1. Primrose Hill:** To the northwest of the village, around Primrose Hill, there are extensive and stunning views. The view from the permissive pathway at the top of Primrose Hill is the highest point in the village. The view is to the northeast, is a view across the Wensum Valley, open fields and woodland.
- 6.148. The distinctive and prominent Church of All Saints (Grade 1) dating primarily from the late 14th Century is the primary cultural element within this landscape. The church, which occupies an elevated promontory on the valley side, and forms the key gateway into the village. The 19th Century estate of Bylaugh Park lies further north and beyond the Neighbourhood Area but its wooded skyline is a prominent element in the hinterland northward views from Swanton Morley.

- 6.149. **View 2. Churchyard:** From the elevated ground within the prominent Church of All Saints (Grade 1) provides wide views to the northeast across the Wensum Valley.
- 6.150. In the foreground of the view, are the Swanton Morley War Graves, managed by the Commonwealth War Graves Commission. Here lie 16 casualties of the first and Second World War, ranging from soldiers of the Royal Norfolk Regiment, but primarily those from various air forces, as at the time the RAF operated from Robertson Barracks. Five casualties were from the Canadian Air Force, Three are from the New Zealand Air Force and two from the Australian Air Force.
- 6.151. **View 3. Bowling Green:** The view from Town Street highway to the northeast across Swanton Morley Bowling Green, is a view across an area known as 'Castle Farm Valley Floor'. The landscape is a mosaic of diverse elements which are of a high quality and which create distinct sense of place. The landscape is in a managed condition and is considered to be inherently sensitive to change.
- 6.152. **View 4. Worthing Road:** This view is from the public highway of Worthing Road facing in a northerly direction. The view is that of extensive open farmland, extending as far as the water tower at Foulsham. The Wensum Valley also forms part of this view, as does the only area of woodland in Swanton Morley.
- 6.153. **Ambition: This policy seeks to protect and retain the outstanding views enjoyed across open landscapes to the north east of Swanton Morley (see Map 9) as visual amenities.**
- 6.154. **Community Feedback:** Consultation on the emerging Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:
- ✓ 'Beautiful' walks and views across the countryside should be protected: 97% strongly agree, or agree and with 3% disagree.
 - ✓ Open green spaces should be protected and biodiversity encouraged: 100% strongly agree, or agree
- 6.155. **The following plans, documents and strategies support Policy 10:**
- National Planning Policy Framework
 - Core Strategy and Development Control Policies (Adopted 2009)
 - Breckland District Settlement Fringe: Landscape Assessment (July 2007)
 - Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
 - Swanton Morley Village Appraisal Report (2004)

POLICY 10

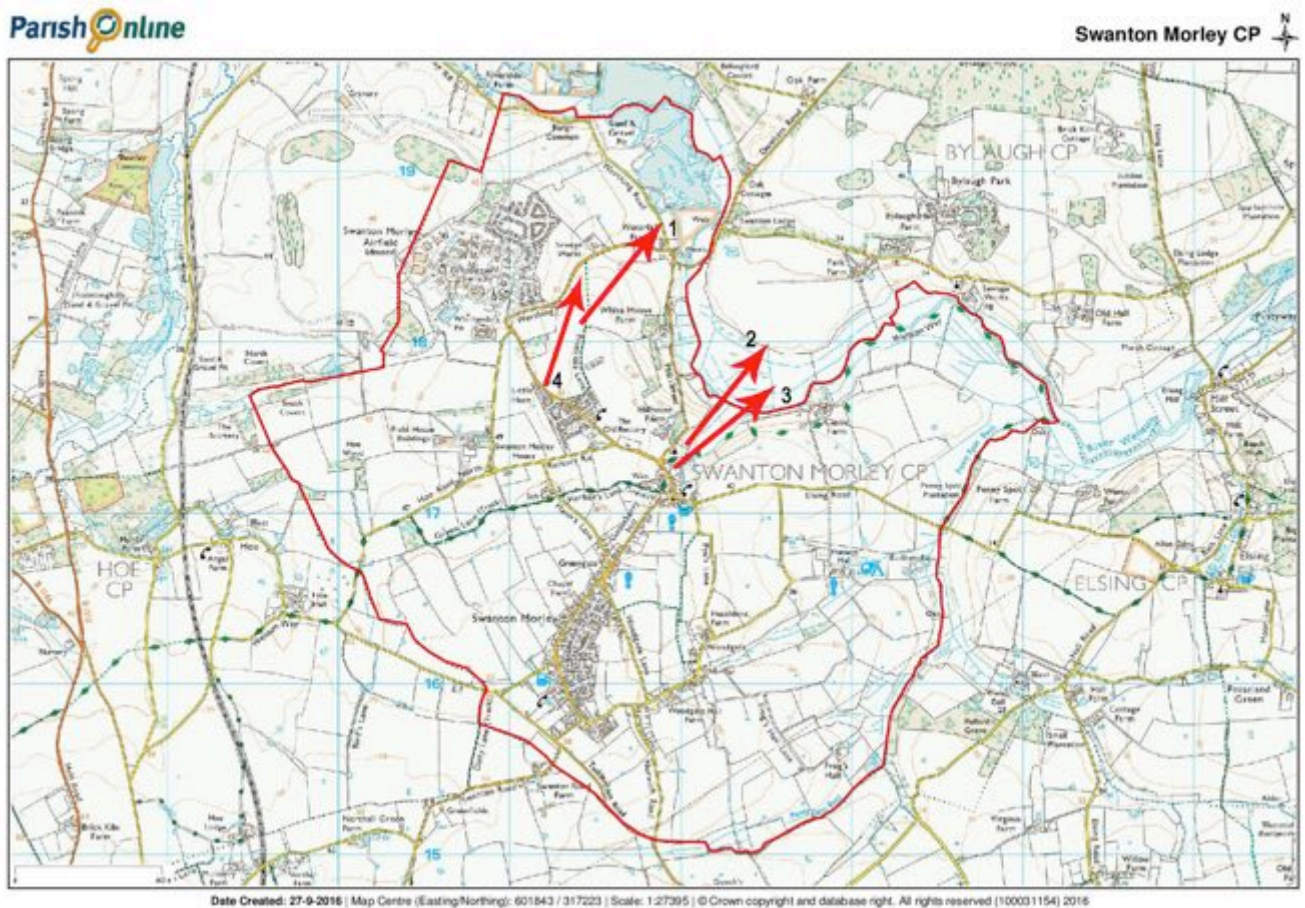

Important Views

The Neighbourhood Plan seeks to protect and enhance the views to the northeast from the top of Primrose Hill, from the Church of All Saints (Grade 1), from Town Street Bowling Green and northerly from Worthing Road as identified on Map 9.

Any development or alterations to an area within these views must ensure that key features of the view can continue to be enjoyed including areas of landscape and open agricultural countryside.

6.156. Contributes to and supports Swanton Morley Neighbourhood Plan Objectives (b), (c) and (e).

Map 9: Policy 10 Important Views

Policy 10: Important Views

1. View to the northeast from the top of Primrose Hill

2. View to the northeast across the Wensum Valley from the Churchyard

3. View from Town Street northeast across the Bowling Green

4. View in a northerly direction from Worthing Road

6.157. **Accessibility and Biodiversity**

6.158. The landscape forms an intrinsic part of the character and setting of Swanton Morley and provides both informal and formal recreational opportunities for the community and visitors alike. The NPPF states that the planning system should contribute to, and enhance, the natural and local environment by protecting and enhancing valued landscapes. Public engagement in the preparation of the Swanton Morley Neighbourhood Plan has shown that the landscape around Swanton Morley is highly valued and is identified as one of its unique characteristics.

6.159. Through the consultation events local residents expressed strong views about improving accessibility. Specifically, that any new footpath and cycleway should be linked to the existing network to aid wildlife movement and using the opportunity to enhance flora, fauna and habitat.

6.160. Linkages are seen as being important between any new development, the school, shops and other village service at the village centre. Harkers Lane, the footpath stretching between the new development on Rectory Road and Mann's Lane has recently been 'improved' to create a safe route from the new development to the school and village services, helping to avoid the need for vehicular movements.

6.161. **Ambition: This policy seeks to enhance the rural setting and provide habitats for wildlife whilst improving access to the countryside and woodland.**

6.162. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Improve cycleways and footpaths in and around Swanton Morley: 90% strongly agree, or agree, 10% not sure and with zero% strongly disagree or disagree.
- ✓ More green open space, footpaths and cycleways, which are easily accessed and safe to travel: 100% strongly agree, or agree.
- ✓ Open green spaces should be protected and biodiversity encouraged: 100% strongly agree, or agree.
- ✓ Parts of Swanton Morley feel remote and should be better connected by paths and cycleways: 87% strongly agree or agree, 13% not sure and with zero% strongly disagree, or disagree.

6.163. **The following plans, documents and strategies support Policy 11:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 11	<p>Accessibility and Biodiversity</p> <p>Where green infrastructure is provided as part of any new development it should aim to improve biodiversity and connections with existing open spaces in and around Swanton Morley.</p> <p>All new development should maximise opportunities to enhance connectivity and encourage the use of existing footpath and cycleway links to the wider parish and countryside.</p>
------------------	---

6.164. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (b) and (f).

Theme 3: Design

6.165. Design of New Development

6.166. In the context of a changing world where the pressure of global climate change and its dramatic impacts are likely to affect us all, it is essential that communities take action in their locality and wherever possible seek local solutions and implement, what may sometimes be seen as small steps to encourage developments to be more energy efficient. Making use of modern technologies and maximising opportunities to use fewer natural resources for energy and harvesting water for use.

6.167. Swanton Morley already has a rich variety of architectural styles and distinctiveness that helps to create a village feel. New development should consider carefully its form and character.

6.168. The mix and type of housing built in the future is paramount to the sustainable future and community of Swanton Morley. At the consultation events, residents have expressed concern at the difficulty in finding appropriate homes for the older generation wishing to downsize whilst being able to stay within the local community. Concern was also expressed for the younger generation seeking to rent or purchase their first homes.

6.169. Integration between new and existing communities is important and can be helped through improved connectivity.

6.170. The Implementation of high quality design that is sensitive to its surroundings and is in keeping. The appearance and location of such features should be considered early in the design process to ensure that they are well integrated into development proposals and form part of a cohesive and visually appealing environment.

6.171. **Ambition:** This policy seeks to ensure any new development is designed to a high standard and to promote a village community that is vibrant and diverse.

6.172. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ New developments should be of a density 'in keeping' with the surrounding houses to maintain a village feel: 94% strongly agree or agree and with 6% strongly disagree or disagree.
- ✓ Smaller bungalows or houses for older people: 97% strongly agree or agree and with 3% strongly disagree or disagree.
- ✓ New developments should include a mix of housing types and sizes especially suitable for the elderly and young: 92% strongly agree or agree, 5% unsure and with 3% strongly disagree or disagree.

6.173. **The following plans, documents and strategies support Policy 12:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland Local Plan Preferred Directions (December 2015)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Housing Needs Survey Report for Swanton Morley (October 2015)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 12

Design of Development

New development, including infill development and residential extensions, should preserve and enhance the village of Swanton Morley and be in accordance with all of the following criteria:

- 1) Respecting and protecting local heritage assets and their settings whilst protecting natural assets, enhancing the natural environment

and biodiversity;

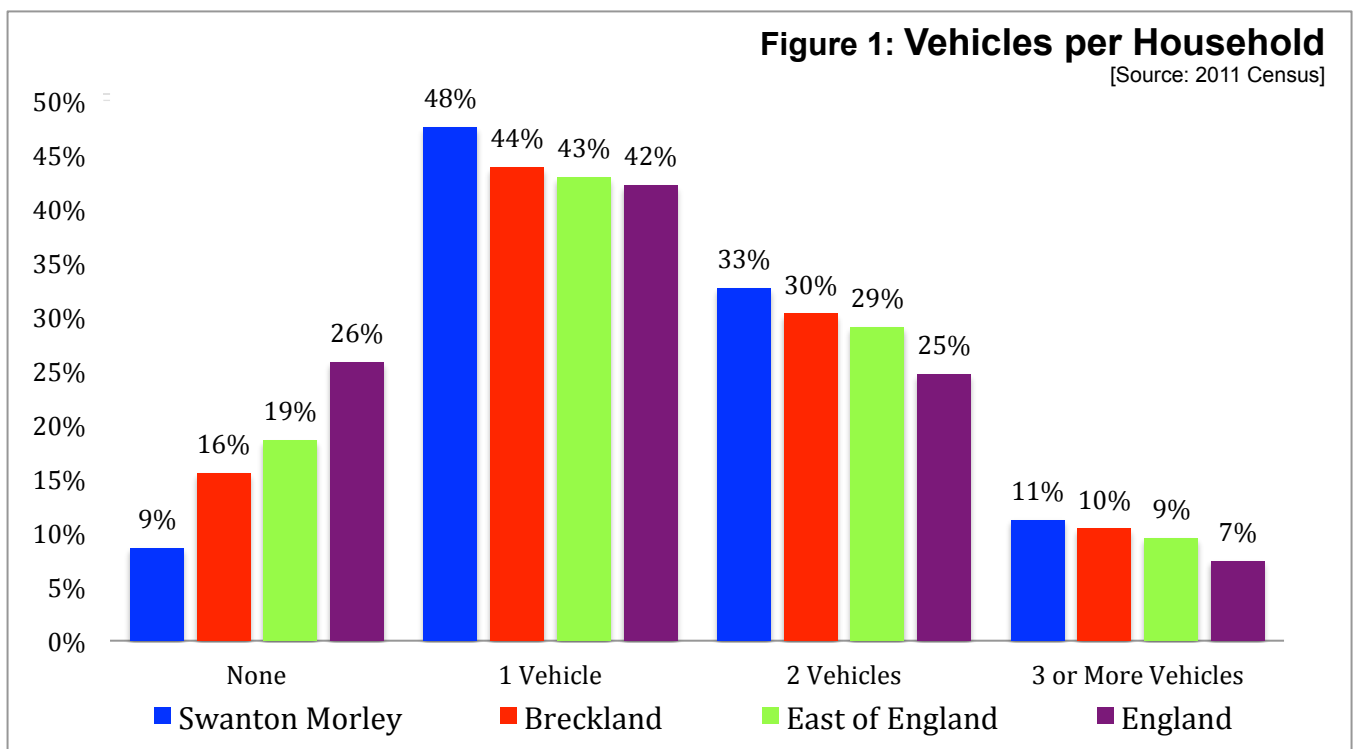

- 2) Recognising and reinforcing the distinct local character in relation to height, scale, density, spacing, layout orientation, features and materials of buildings;
- 3) Provide a mix of house types and tenures, with an emphasis on local needs; first time buyers, starter homes and good quality accommodation for elderly people;
- 4) Designing housing proposals to reflect existing residential densities in the locality of the scheme;
- 5) Design of roads and parking areas within any site should minimise the effects on pedestrians, in particular safeguarding children in areas where they walk or play, and avoid the opportunity for indiscriminate parking by residents and visitors;
- 6) Incorporating adequate landscaping to mitigate the visual impact of the development and to ensure that proposals merge into the existing rural village context and respond to the wider countryside setting;
- 7) Ensuring boundary treatments reflect the distinct local character in relation to materials, layout, height and design. In areas where there is no boundary treatment and gardens are unenclosed, new development should seek to replicate this openness;
- 8) Landscape proposals should form an integral part of the site's design, with particular trees and hedgerows retained unless their value is deemed low following surveys in accordance with established practice;
- 9) Where sites contain or abut a watercourse or land drainage ditch, provision must be made for maintenance by ensuring appropriate access for clearing silt and controlling vegetation.
- 10) Incorporation of appropriate methods of energy generation and conservation in all new builds;
- 11) New development should provide sufficient external amenity space, refuse and recycling storage facilities; and
- 12) Where street lighting is provided it should meet the configuration and standard of the parish.

6.174. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (b), (c), (d), (e) and (f).

6.175. Parking Provision (for new dwellings)

6.176. On recent developments in Swanton Morley off-road parking is an issue. House design has seen a shift towards higher densities with houses being built adjacent to highways with no or very little front gardens, no driveways and instead parking provided in the form of parking courts.

6.177. This form of development has highlighted issues of poor design that have raised concerns about safety, neighbour disputes and crime associated with parking courts. Street parking presents issues with narrow roads, parking on paths and verges which causes can cause dangers and problems for pedestrians, especially those with sight issues and also for emergency vehicle access.

6.178. Residents of Swanton Morley depend very highly on the 'car' with 91% of households having ownership of at least one car or van, this is significantly higher than across Breckland at 84%. This trend continues at all levels with a large number of households having ownership of multiple vehicles, as shown in Figure 1.

6.179. **Ambition: This policy seeks to ensure adequate off-road parking is available to residents to prevent the mistakes of a recent development and generally to reduce pavement parking.**

6.180. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ All new houses should have at least two parking spaces, with one space provided for each extra bedroom: 79% strongly agree or agree, 15% not sure and with 6% strongly disagree or disagree.

6.181. **The following plans, documents and strategies support Policy 13:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 13	<p>Parking Provision (for new dwellings)</p> <p>New residential developments must provide the following minimum number of off street car parking spaces per dwelling:</p> <table style="margin-left: auto; margin-right: auto;"> <tr> <td style="text-align: right;">1 or 2 bedrooms</td> <td style="text-align: left;">2 spaces</td> </tr> <tr> <td style="text-align: right;">3 bedrooms</td> <td style="text-align: left;">3 spaces</td> </tr> <tr> <td style="text-align: right;">4 or more bedrooms</td> <td style="text-align: left;">4 spaces</td> </tr> </table> <p>Accessible communal car parking areas of an equivalent provision will be considered as an acceptable alternative in appropriate locations.</p>	1 or 2 bedrooms	2 spaces	3 bedrooms	3 spaces	4 or more bedrooms	4 spaces
1 or 2 bedrooms	2 spaces						
3 bedrooms	3 spaces						
4 or more bedrooms	4 spaces						

6.182. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (c) and (e) (i).

6.183. **Flooding**

- 6.184. Residents raised through the policy consultation event that flooding is becoming a more frequent issue and are concerned about the impact that the new development will have in terms of increasing the flood risk. Of particular concern is surface water drainage and the impact of 'run off' caused by new development.
- 6.185. The lead Flood Authority is Norfolk County Council (NCC) who works closely with the relevant agencies, such as Anglian Water. One of their recommendations is to include policies within spatial planning documents such as Neighbourhood Plans which reflect the outputs and findings of the Surface Water Management Plan.
- 6.186. The intention of the Swanton Morley Neighbourhood Plan is to seek to contribute towards efforts to reduce the risk of surface water flooding in Swanton Morley. It seeks to promote a range of assessment and mitigation measures that will ensure any future development or redevelopment will not have a detrimental impact on flooding in the village.

- 6.187. To help to alleviate surface water flooding new development proposals will be required to demonstrate engagement with relevant agencies and incorporate appropriate mitigation measures to reduce surface water run-off, manage surface water flood risk to the development and wider area such as Sustainable Drainage Systems (SuDs). Seen as the preferred option for surface water disposal, Sustainable Drainage Systems can include permeable surfaces, rainwater harvesting and storage and green roofs and walls.
- 6.188. **Ambition: This policy seeks to ensure that new development does not cause flood related problems, especially associated with surface water run-off. There is recognition that some open land can perform many functions, such as recreation, biodiversity, wildlife and flood risk mitigation.**

6.189. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Ensure infrastructure expands with new development (school, medical, utilities, drainage): 100% strongly agree, or agree.

6.190. **The following plans, documents and strategies support Policy 14:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland Local Plan Preferred Directions (December 2015)
- Partnership of Norfolk District Councils – Strategic Flood Risk Assessment (2008)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 14	<p>Flooding</p> <p>Development proposals, which are likely to increase the risk of surface water flooding will not be permitted. Applications for planning permission for development of 9 or more dwellings must be accompanied by a flood risk assessment that considers surface water flooding and, where appropriate, mitigation measures.</p>
------------------	---

6.191. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (c), (e) and (f).

6.192. **Housing Mix**

6.193. Meeting housing needs, particularly those needs for affordable housing, is a key objective of the Swanton Morley Neighbourhood Plan. Delivery of the new housing development in the quantity and form is fundamental to the policies of the emerging Breckland Local Plan.

6.194. Whilst Swanton Morley will play its part in achieving the district's strategic objectives it also seeks, through its Neighbourhood Plan, to address the imbalance in the housing stock within Swanton Morley, see Figure 2, and create a sustainable community.

6.195. The Swanton Morley Sustainability Appraisal Scoping Report identified a number of drivers relating to housing needs in Swanton Morley:

- a) **Reducing household size;** a reduction of 8.8% in four-person households and a 4.9% increase in two-person households.
- b) **Affordability of houses;** the average house price in Swanton Morley is 6.2 times annual income.
- c) **Mix of existing housing stock** in Swanton Morley; 83% of housing is detached or semi-detached. The maisonettes flats and apartments only account for 1% of the housing stock and is significantly 5% less when compared to Breckland District overall housing stock, see Figure 2.

6.196. There does not appear to be an existing policy on housing mix for the district or one as part of the emerging Local Plan. Although Breckland Council has used a percentage mix for villages in the Breckland Community Infrastructure Levy Assessment document presented to

Breckland Cabinet on 1st July 2014 and taken from Strategic Housing Market Assessment 2013 edition. These percentages are shown in Table 4 and split between market and affordable houses.

Table 4: Breckland District Council's Housing Mix for Villages

Density /ha	No. Of Units	Site area (ha)	1 bed apt		2 bed apt		2 bed house		3 bed house		4 bed house	
			Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff
20	15	0.75	0	0	0	0	3	3	4	2	2	1
Percentage			0%	0%	0%	0%	20%	20%	26%	13%	13%	7%

6.197. In practice housing developments in Swanton Morley have not been delivering this mix of housing. In the last two developments, at Liberator Close and Rectory Road, the housing size built is significantly larger than Breckland District Council's suggested housing mix shown in Table 4. The actual breakdown for each development is shown in Table 5 and 6 respectively.

Table 5: Liberator Close (Actual)

Density /ha	No. Of Units	Site area (ha)	1 bed apt		2 bed apt		2 bed house		3 bed house		4 bed house	
			Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff
33.8	20	0.59	0	2	0	2	0	2	6	1	7	0
Percentage			0%	10%	0%	10%	0%	10%	30%	5%	35%	0%

Table 6: Rectory Road (Actual)

Density /ha	No. Of Units	Site area (ha)	1 bed apt		2 bed apt		2 bed house		3 bed house		4 bed house	
			Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff	Mkt	Aff
21.6	52	2.4	0	6	0	0	0	9	12	3	22	0
Percentage			0%	12%	0%	0%	0%	17%	23%	6%	42%	0%

6.198. These developments have not helped to address the imbalance in the Swanton Morley housing stock. The historical provision of housing clearly demonstrates a mismatch with local housing need.

6.199. The Housing Needs Survey for Swanton Morley has identified that 71% of the housing need is for two-bedroom accommodation or less (59% for two-bedroom and 12% for one-bedroom accommodation).

6.200. This emphasises the need for a greater number of smaller dwellings in Swanton Morley, not only for first-time buyers but also for older residents wishing to downsize and stay in the village. With the provision of a larger

supply of smaller dwellings this will also make entry-level housing more affordable.

- 6.201. Residents raised concern that this may not fully address the significant need for the particular type of new properties required by first-time buyers especially to prevent children from having to leave the village as they reached adulthood and started looking for their own properties. There should be more housing that was capable of addressing their needs.
- 6.202. The lowest entry level price for a two and three bedroom property in Swanton Morley is £134,000 and £147,000 respectfully. There are no one bedroom properties available on the market. The one bedroom properties on the recent developments at Liberator Close and Rectory Road are not available on the open market, see Tables 5 and 6.
- 6.203. Based on information relating to average income for an individual working in Breckland District is between £285 and £368 per week. Using the median figure of £326.50 per week equates to £16,978 per annum. Assuming a young couple that gives a household income of £33,956 p/a. Further assuming a mortgage company would lend them 2.5 x salary, that's a maximum mortgage of £84,890.

Table 7: Deposit Required to Access Property Market

	One Bedroom	Two Bedroom	Three Bedroom
Entry level house price ⁴	n/a ⁵	£134,000	£147,000
Median household income ⁶	£33,956		
Mortgage finance available ⁷	£84890		
Deposit required	n/a	£49,110	£62,110

- 6.204. Table 7 illustrates that a deposit of between c£49,100 and c£62,100 is required to be able to access the property ladder, in most instances this must be seen as unrealistic, not affordable and not sustainable.
- 6.205. A brief search on the Rightmove website shows one bedroom properties in Dereham (the Maltings Leasehold) for c£80,000 and the lowest cost freehold is c£109,000 in Toftwood. Whilst these examples may be more affordable they are not in Swanton Morley.
- 6.206. To start to address the housing stock imbalance it is therefore appropriate to consider a housing mix which is geared towards a higher proportion of smaller dwellings with fewer larger dwellings.

⁴ Lowest house prices by type from sourced from Rightmove (November 2016) sold in previous year

⁵ No one bedroom properties available in Swanton Morley

⁶ Source: Office For National Statistics - Annual Survey of Hours and Earning

⁷ Mortgage lending based on 2.5 x salary

6.207. Whilst it is recognised that it is not appropriate to apply the dwelling size ranges to very small developments. Therefore, a threshold of ten dwellings will be applied and all developments of ten or more dwellings will be expected to follow the mix of dwellings set out in Policy 15.

6.208. Where the proportion of a particular dwelling size does not reach an exact number of dwellings, e.g. 10% of 15 dwellings is 1.5 dwellings, then the developer has the choice of whether to deliver the lower 'whole dwelling' figure or the higher 'whole dwelling' figure, e.g. in the example above, either 1 or 2 dwellings.

6.209. The Woodgate Park development was a development of fifty 2-bedroom retirement bungalows. Should future development proposals seek to provide a higher percentage of 1-bedroom and 2-bedroom dwellings in lieu of 3-bedroom, 4-bedroom and larger dwellings this will be encouraged.

6.210. **Ambition: This policy seeks to address the imbalance in the existing housing stock and to enable a greater number of smaller dwellings to be built in Swanton Morley to meet local needs.**

6.211. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Smaller bungalows or houses for older people: 97% strongly agree or agree and with 3% strongly disagree or disagree.
- ✓ New developments should include a mix of housing types and sizes especially suitable for the elderly and young: 92% strongly agree or agree, 5% unsure and with 3% strongly disagree or disagree.

6.212. The following plans, documents and strategies support Policy 15:

- National Planning Policy Framework
- Core Strategy and Development Control Policies (2009)
- Breckland Local Plan Preferred Directions (December 2015)
- Breckland Community Infrastructure Levy Assessment (July 2013)
- Central Norfolk Strategic Housing Market Assessment 2015 (January 2016)
- Strategic Housing Market Assessment (2013 edition)
- Housing Needs Survey Report for Swanton Morley (October 2015)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 15	<p>Housing Mix</p> <p>Developments of ten or more dwellings must provide a mix of dwelling sizes (market and affordable) that fall within the following ranges:</p> <ul style="list-style-type: none"> ▪ 1 bedroom dwellings: range 10% to 15% of all dwellings ▪ 2 bedroom dwellings: range 25% to 30% of all dwellings ▪ 3 bedroom dwellings: range 30% to 40% of all dwellings ▪ 4 bedroom and larger dwellings: range 15% to 20% of all dwellings <p>Developments that wish to provide a higher percentage of 1 and 2 bedroom dwellings in lieu of larger (3 plus bedroom dwellings) will be seen as acceptable.</p> <p>In instances where the proportion of a particular dwelling size does not reach an exact number of dwellings, then the developer has the choice of whether to deliver the lower 'whole dwelling' figure or the higher 'whole dwelling' figure.</p>
------------------	--

6.213. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (d) and (e).

Theme 4: Local Economy

6.214. **Broadband and Mobile Communications**

- 6.215. Residents have raised issues and concerns through the consultation events that broadband internet connections are slow for much of the village, with mobile connections very poor and large parts of Swanton Morley have no mobile signal coverage. This affects the ability of residents to access information and the performance of businesses that rely on broadband as a key means of communication in a rural area.
- 6.216. High-speed broadband would help to address these issues and bring with it a range of new opportunities, such as improved home working, access to more on-line services and reduced isolation, which may also result in less car usage.
- 6.217. At a time when the internet and digital media continue to grow as an important means of communication, the provision of high-speed broadband is key to attracting new businesses into the area in addition to improving the wellbeing of its residents.
- 6.218. The ultimate goal would be the delivery of fibre optic broadband to every home and business to achieve 80 Mbps. This, however, is not realistic, as the current infrastructure from the exchanges will not deliver this.
- 6.219. The Core Strategy, through Policy DC10, highlights support for the improvement of the telecommunications infrastructure, specifically regarding technological advances. This is further supported in the Breckland Local Plan Preferred Directions, through 'Preferred Policy Direction – E 05 Telecommunications', which outlines support for increased broadband coverage and the improvement of broadband speeds across the district.
- 6.220. Norfolk County Council is leading on a project, 'Better Broadband for Norfolk (BBfN)' to bring 'superfast broadband' – 24Mbps – to c95% of homes in Norfolk by March 2018.
- 6.221. The NPPF states that neighbourhood plans should promote the retention and development of local services and community facilities in villages, such as local shops, meeting places and public houses.
- 6.222. A thriving local economy is seen as a key element to achieving a sustainable and balanced community. Swanton Morley has very few employment opportunities; mainly small retail, light commercial and farming.

6.223. Local residents raised, through the consultation events, their support for encouraging the provision of suitable spaces for small commercial businesses and to increase the range and type of local shops as being appropriate and sustainable for Swanton Morley.

6.224. **Ambition: This policy seeks to facilitate the improvement of modern communications and enable greater access to on-line services.**

6.225. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Ensure infrastructure expands with new development: 100% strongly agree or agree.
- ✓ Support developments that improve mobile phone signals and increase Broadband speeds: 97% strongly agree or agree and with 3% strongly disagree or disagree.

6.226. **The following plans, documents and strategies support Policy 16:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Interim Infrastructure Position Statement (December 2015)
- NewAnglia Local Enterprise Partnership for Norfolk and Suffolk – Strategic Economic Plan (2014)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 16

Broadband and Mobile Communications

Enhancement of mobile communications and implementation of new 'superfast broadband' infrastructure that serves the Parish will be supported.

6.227. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (f) and (g).

6.228. Employment and Local Shops

6.229. A thriving local economy is seen as a key element to achieving a sustainable and balanced community. The NPPF states that Neighbourhood plans should promote the retention and development of local services and community facilities in villages, such as local shops, meeting places and public houses.

6.230. The MOD is the largest single employer, with soldiers on the army base. There are a few village shops, the village store, butcher's, delicatessen, two pubs, garage, wedding venue, tourist accommodation, care home, medical centre, school plus the agricultural industry and a number of other small businesses and enterprises.

6.231. Local residents raised, through the consultation events, their support to encourage and increase the opportunity for local employment through the provision of suitable spaces for small businesses and commercial as being appropriate and sustainable for Swanton Morley. In addition, an increased retail offering that provided a great range of shops and goods was seen as a way of providing a wider local choice.

6.232. **Ambition:** This policy seeks to see the continuation of a thriving local community, supporting local business and employment.

6.233. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Support small-scale employment uses appropriate to a rural village provided they do not negatively impact on the character of the area or the amenity of residents: 87% strongly agree or agree, 6% not sure and with 7% strongly disagree or disagree.

6.234. **The following plans, documents and strategies support Policy 17:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland Local Plan Preferred Directions (December 2015)
- Norfolk Ambition Sustainable Community Strategy 2003 - 2023
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 17

Employment and Local Shops

The Swanton Morley Neighbourhood Plan supports planning applications that seek the creation of employment opportunities in new small commercial and office units that fit within the surroundings, which are appropriate both in scale and environmental impact and new local shops that enhances and increases the range and type of shop.

6.235. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (g).

Theme 5: Community Facilities

6.236. Additional Community Facilities

6.237. Swanton Morley has been identified as a Local Service Centre within the Core Strategy and Breckland Local Plan Preferred Directions as it is considered to contain adequate services and facilities to meet the day-to-day requirements of the existing residents. As the village grows it is imported to ensure the provision of community facilities also increases.

6.238. Proposals for high quality community facilities that encourage day-to-day social interaction or community-based events will be supported. Community facilities are an important focus for the Swanton Morley Parish Council to support healthy lifestyles, well-being and social cohesion. There are a large number of well-supported clubs and societies running across Swanton Morley that make use of the current facilities.

6.239. A reoccurring theme expressed by local residents through all the consultation events has been the concern regarding the accessibility of medical facilities and how the impact of further growth will exacerbate this issue.

6.240. Swanton Morley has a nurse led medical practice at the eastern end of the village. It has one full time doctor and c3,000 registered patients (part of the North Elmham and Swanton Morley Surgery Group which has combined registered of c9,600).

6.241. There is an extra 'unknown' figure of patients who use certain facilities in Swanton Morley surgery without being registered to the surgery (such as, ultra sound facilities). These patients come by referral from the local surgeries further afield they are registered at.

6.242. Parking at school is a problem on the narrow lanes that surround the school. Many parents have complained about road safety issues, the difficulties being able to safely stop to drop off or pick up their children at the start and end of the school day and how dangerous they feel it has become.

6.243. Located beside the Village Hall playing field there are 29 allotments, all of which are frequently used. There are currently two people registered on the waiting list.

6.244. Housing and other development will be expected to contribute towards improving local services and infrastructure (such as transport, education; library provision, fire hydrant provision, open space etc....) through planning obligations (via a section 106 agreements and/or section 278 agreements) or Community Infrastructure Levy, if implemented; or use of planning conditions.

6.245. The new or improved infrastructure will generally be funded and delivered through section 106 and/or section 278 agreements, Community Infrastructure Levy, if implemented, and/or planning conditions.

6.246. **Ambition: This policy seeks the provision of additional facilities and amenities that support village life for residents.**

6.247. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ New development should provide new community facilities and services: 95% strongly agree or agree, 5% unsure and with zero% strongly disagree or disagree

- ✓ More facilities targeted at teenagers: 92% strongly agree or agree, 8% unsure and with zero% strongly disagree or disagree

6.248. The following plans, documents and strategies support Policy 18:

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland Local Service Centre Topic Paper (May 2015)
- Open Space Parish Schedule 2015 (99 Swanton Morley)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 18

Additional Community Facilities

Planning applications relating to the provision of additional community facilities, especially parking near the school, additional recreational space, play space and sports facilities will be supported where they comply with the requirements of other development plan policies.

The Swanton Morley Neighbourhood Plan seeks to ensure that additional provision of additional local facilities meets the growing local community needs.

- 6.249. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (f) and (h).

Theme 6: Transport

6.250. Traffic Impact

6.251. Swanton Morley is a rural village positioned along the C888 (formally the B1147 before being re-classified in 2016). This road is the main link road from the A47 and large market town of Dereham through to the A1067 leading to Fakenham and North Norfolk.

6.252. Much of the current road network is of rural country lanes; very narrow and not designed to facilitate the movement of high volumes of traffic and, in places, struggle to cope with current levels. New development will bring with it more cars, which could result in an increase in congestion and issues for road safety.

6.253. Through the consultation events local residents raised concerns relating to higher volumes of traffic, increasing numbers of HGVs and speeding through the village.

6.254. The limitations on infrastructure and its improvement aligned to growth have been identified as one of the sustainability issues for Swanton Morley; with its high dependency on the car and the requirement to improve alternatives, such as, public transport, cycle and footpaths.

6.255. **Ambition: This policy seeks to maintain road safety. Where potential additional traffic levels are identified then measures are implemented to mitigate any likely impact.**

6.256. **Community Feedback:** Consultation on the emerging Swanton Morley Neighbourhood Plan revealed the following key issues in relation to this theme that the policy seeks to address:

- ✓ Developers must show how new development will not adversely affect traffic on existing roads: 100% strongly agree or agree with zero% strongly disagree or disagree

6.257. **The following plans, documents and strategies support Policy 19:**

- National Planning Policy Framework
- Core Strategy and Development Control Policies (Adopted 2009)
- Breckland District Settlement Fringe: Landscape Assessment (July 2007)
- Swanton Morley Neighbourhood Plan Sustainability Appraisal Scoping Report (July 2016)
- Swanton Morley Village Appraisal Report (2004)

POLICY 19	<p>Traffic Impact</p> <p>New development (both residential and commercial) proposals will be expected to quantify the level of traffic movements they are likely to generate and its cumulative effect with other developments in Swanton Morley and surrounding parishes.</p> <p>They will also be expected to assess the potential impact of this traffic and include measures to mitigate any negative impacts on road safety, pedestrians, safe road crossings, cyclists, parking and congestion within Swanton Morley.</p>
------------------	--

6.258. Contributes and supports Swanton Morley Neighbourhood Plan Objectives (c), (f) and (i).

6.259. Example of traffic calming measures in other parishes.

Section 7: Delivery, Implementation and Monitoring

7.1. The Swanton Morley Neighbourhood Plan covers the period 2017 to 2037 and will be delivered over a long period of time and by different stakeholders and partners. Development will take place during this time, both in Swanton Morley and in the surrounding area, which will have an impact on the community as well as on the physical fabric of the village. The Swanton Morley Parish Council will use the Swanton Morley Neighbourhood Plan to improve the quality of development over the coming years.

7.2. There will be a need for flexibility as new challenges and opportunities arise over the plan period and in this respect the Swanton Morley Neighbourhood Plan will be reviewed every five years and where appropriate (using the correct procedure) amended and revised.

7.3. The success of the Swanton Morley Neighbourhood Plan will depend on the coordinated activities of a number of statutory bodies and agencies. It is essential that necessary infrastructure be provided in a timely manner related to the needs of new development and as growth is delivered.

7.4. Housing and other development will be expected to contribute towards improving local services and infrastructure through either the payment of planning obligations (via section 106 agreements, section 278 agreements and, if implemented, Community Infrastructure Levy) or through the use of planning conditions.

7.5. Breckland District Council, as the Local Planning Authority, will determine planning applications in the Swanton Morley Neighbourhood Plan Neighbourhood Area and is responsible for monitoring delivery of the policies and proposals. Breckland District Council will report the performance of the planning policies each year in its Annual Monitoring Report.

7.6. Swanton Morley Parish Council will also monitor the delivery of policies in the Swanton Morley Neighbourhood Plan, maintaining a record of how each policy has performed to influence planning permissions and support the delivery of the

Vision and Objectives. This will provide a key input to each of the future Swanton Morley Neighbourhood Plan reviews.

7.7. In addition, the Parish Council will also focus on ensuring that the objectives and benefits for their community are achieved through considered and effective use of the planning process and related agreements.

7.8. In terms of the key action areas the approach of Swanton Morley Parish Council, in respect of each Theme within the Swanton Morley Neighbourhood Plan, to delivery and implementation is to:

7.9. **Theme 1: Growth**

7.9.1. Work methodically and plan carefully the strategic growth of Swanton Morley holistically; at a pace and manner that is seen to build a sustainable and thriving village whilst maintaining it's character and distinctiveness.

7.9.2. To set up an annual reporting mechanism with Breckland Council to receive a record of the outcome of the Local Letting Policy and its allocation to those with a 'local connection'.

7.10. **Theme 2: Landscape and Environment**

7.10.1. Provide protection to the natural and built form in and around Swanton Morley to maintain, and where possible enhance, the rural setting, wildlife and habitats.

7.10.2. Work jointly with relevant landowners to maintain and, where possible, enhance the views enjoyed across Swanton Morley.

7.11. **Theme 3: Design**

7.11.1. Proactively work with Developers and Breckland District Council to influence incremental growth that is aligned to the local community's needs and putting those needs first. Where development comes to seek higher delivery standards and quality to provide better homes and community for people to live in.

7.12. Theme 4: Local Economy

7.12.1. Encourage new and existing businesses to create and improve local employment opportunities, appropriate to Swanton Morley, to strengthen the local economy.

7.13. Theme 5: Community Facilities

7.13.1. Work with key stakeholders to guide delivery and service improvements to meet future needs and the priorities of local residents. Use the planning system to aid the delivery of new and a wider choice of facilities.

7.14. Theme 6: Transport

7.14.1. Seek practical solutions to improve road safety and reduce the negative impacts of traffic throughout Swanton Morley. Challenge those proposing to increase traffic levels to appreciate the wider impacts on the local community.

7.15. Funding in support of the delivery of the Swanton Morley Neighbourhood Plan will be sought from Breckland District Council, through a combination of funding from the payment of planning obligations (via a section 106 agreements, section 278 agreements and, if implemented, Community Infrastructure Levy) and from other sources as may be available (such as, grant funding, New Homes Bonus, precept funding, and loans [Public Works Loan Board]).

7.16. The new or improved infrastructure will generally be funded and delivered through section 106 and/or section 278 agreements, Community Infrastructure Levy, if implemented, and/or planning conditions.

Section 8: Glossary

Term	Description
Affordable Housing	Housing provided for sale, rent or shared equity at prices permanently below the current market rate. Usually provided to meet a specific housing need, which cannot be met by the housing available on the open market.
Allocated	Land, which has been identified on the Local Plan and the Proposals Map for a specific form of development. It can also be identified in the Site Allocations Development Document.
Amenity	Those qualities of life enjoyed by people, which can be influenced by the surrounding environment in which they live or work. "Residential amenity" includes, for example, a reasonable degree of privacy, freedom from noise nuisance, air pollution etc. normally expected at home.
Area Action Plan (AAP)	Should be used to provide the planning framework for areas where significant change or conservation is needed. A key feature of AAP's will be the focus on implementation.
Basic Conditions	<p>The 5 criteria that all neighbourhood plans must conform to. These are:-</p> <ul style="list-style-type: none"> • having regard to national policies and advice contained in guidance issued by the Secretary of State, it is appropriate to make the neighbourhood development plan; • the making of the neighbourhood development plan contributes to the achievement of sustainable development; • the making of the neighbourhood development plan is in general conformity with the strategic policies contained in the development plan for the area of the authority (or any part of that area); • the making of the neighbourhood development plan does not breach, and is otherwise compatible with, EU obligations, and • prescribed conditions are met in relation to the neighbourhood development plan and prescribed matters have been complied with in connection with the proposal for the neighbourhood development plan.
Biodiversity	The variety of life on earth or any given part of it.
Broadband	<p>Levels defined through speed achieved, these are:-</p> <ul style="list-style-type: none"> • Basic Broadband - speed of 2Mbps to 24Mbps • Superfast Broadband - speed of over 24Mbps • Next Generation Access (NGA) broadband infrastructure: is a 'wired' technology consisting wholly or partially of fibre optic elements
'Brownfield Land' or Previously Developed Land	Any land which is (or was) occupied by a permanent structure (excluding agricultural and forestry buildings) and associated fixed surface infrastructure, including the curtilage of (land attached to) buildings. Includes defence buildings and land used for mineral extraction or waste disposal when there is no requirement for subsequent restoration.
Built Environment	Surroundings, which are generally built up in character. The collection of buildings, spaces and links between them, which form such an area.

Term	Description
Central Norfolk Strategic Housing Market Assessment (SHMA)	Provides details, evidence and identifies the development needs across the area and Local Authority boundaries for Norfolk.
Character	A term relating to Conservation Areas or Listed Buildings, but also to the appearance of any rural or urban location in terms of its landscape or the layout of streets and open spaces, often giving places their own distinct identity.
Climate Change	Long-term changes in temperature, precipitation, wind and all other aspects of the Earth's climate. Often regarded as a result of human activity and fossil fuel consumption.
Community	(As used in this context) All of those living and working in the Parish of Swanton Morley. This includes the general public, Parish Council, businesses, community groups, voluntary organisations, developers, statutory agencies, etc....
Community Facilities	Services available to provide for health and wellbeing, social, educational, spiritual, recreational, leisure and cultural needs of the community. This includes village halls, post offices, doctors and dentists' surgeries, recycling facilities, libraries and places of worship.
Community Infrastructure Levy (CIL)	A tariff-based charge paid by developers and collected by local authorities to pay for infrastructure, (eg. roads, education, etc...). The amount charged is set locally, so varies according to local land values, and works in conjunction with fewer section 106 obligations being paid by the developer. Breckland DC is not currently operating a CIL charging schedule.
Conservation Area	Swanton Morley does not have an area identified as a Conservation Area although both Mill Common and the River Wensum are designated as Site of Special Scientific Interest (SSSI) and Special Area of Conservation (SAC).
Core Strategy (CS)	The Core Strategy and Development Control Policies document sets out the key elements of the planning framework for Breckland District Councils. It comprises of strategic objectives and a long-term spatial vision for the area, a spatial strategy, core policies and a monitoring and implementation framework. A development plan document, and one with which all other development plans documents must conform.
Curtilage	The area of land, usually enclosed, immediately surrounding a home.
Development	Defined in planning law as "the carrying out of building, engineering, mining or other operations in, on, over, or under land, or the making of a material change of use of any building or land" (see also Permitted Development) and includes both residential and commercial development.
Development Plan	The primary consideration for the District Council in determining planning applications. Comprises of the Regional Spatial Strategy and Development Plan Documents (including Minerals and Waste DPD's produced by Norfolk County Council).
Development Plan Documents (DPD)	Development Plan Documents: These are planning documents forming part of the local development framework and which have the status of

Term	Description
	being part of the development plan. In order to acquire this status they will be subject to independent scrutiny through a public examination. Certain documents within the local development framework must be DPDs, for example Core Strategy, Site Specific Allocations of land and Area Action Plans where produced. There must also be an adopted Proposals Map, which will be varied as successive DPDs are adopted.
Development Management	Policies are included as part of the Core Strategy & Development Control Policies Document (see Core Strategy) and has more detailed local policies, than those contained in the NPPF, for the management of development. These act as a guide to achieve high standards of development, which complement the valued attributes of the District.
Dwelling	A self-contained building or part of a building used as a residential accommodation. A dwelling may be a house, bungalow, flat, maisonette or converted farm building.
Examination	An independent examiner will be appointed to test the Swanton Morley Neighbourhood Plan against the Basic Conditions, as set out in the Neighbourhood Planning (General) Regulations 2012. If the examiner agrees that the Plan meets the Basic Conditions it may then proceed to a referendum.
Green Corridors	Avenues for wildlife movement, often along streams, rivers, hedgerows or other natural features, which connect green spaces together.
Green Infrastructure	Comprises green spaces and interconnecting green corridors in urban areas, the countryside in and around towns and rural settlements, and in the wide countryside. It includes natural green spaces colonised by plants and animals and dominated by natural processes and man-made green spaces such as areas used for outdoor sport and recreation including public and private open spaces, allotments, urban parks and designed historic landscapes as well as their many interconnections (footpaths, cycleways and waterways).
Greenfield Land	Land, which has not previously been built on, including land in use for agriculture or forestry and land in built up areas used for outdoor sport and recreation (including public and private open space and allotments). Does not include residential garden land.
Housing Needs Survey	Used to identify the local housing needs, current and predicted, for the Parish. Last review undertaken by Breckland in October 2015.
Infrastructure	The network of services to which it is usual for most buildings or activities to be connected. It includes physical services serving the particular development (e.g. gas, electricity and water supply, telephones, sewerage, etc...) and also includes networks of roads, public transport routes, footpaths etc.
Listed Building	A building of special architectural or historic interest. Listed buildings are graded I, II or II* with grade I being the highest. Listing includes the interior as well as the exterior of the building, and any buildings or permanent structures. English Heritage is responsible for designating buildings for listing in England. Alteration, demolition or extension of such a Listed Building requires special consent.
(The) Localism Act 2011	An Act of Parliament that became law in April 2012. The Act introduces

Term	Description
	a new right for local people to draw up 'Neighbourhood Development Plans' for their local area.
Material Consideration	A matter that should be taken into account in deciding a planning application or on an appeal against a planning decision.
National Planning Policy Framework (NPPF)	Published in March 2012, the document consolidated Government guidance on how the land-use planning system should work in England. It must be taken into account in the preparation of local and neighbourhood plans and is a material consideration in planning decision.
Nationally Significant Infrastructure Project (NSIP)	The administrative and legal process set-up by Central Government for determining planning applications to major infrastructure schemes, like roads, ports, and power stations.
Neighbourhood Plan	Introduced by the Localism Act 2011, also referred to as a Neighbourhood Development Plan. The purpose of the Neighbourhood Plan is to give local people greater ownership of the plans and policies that affect their area. It is a legal planning document against which planning applications in the Parish will be determined.
Open Space	All space of public value, including public landscaped areas, playing fields, parks and play areas. Not just land, but also areas of water such as rivers, canals, lakes and reservoirs, which can offer opportunities for sport and recreation or can also act as a visual amenity and a haven for wildlife.
Parish Plan (Village Appraisal)	Parish Council led the production of the Swanton Morley Village Appraisal 2004.
Permitted Development	Certain categories of minor development as specified in the General Permitted Development Order, which can be carried out without having to first obtain specific planning permission. This may include specified building guidelines or change of use.
Referendum	(As used in this context) A local referendum, organised by Breckland District Council, where residents of the Parish of Swanton Morley (who are on the electoral register) will be asked to vote on the Neighbourhood Plan.
Renewable Energy	In its widest definition, energy generated from sources, which are infinite or can be replenished. Includes solar power, wind energy, power generated from waste, biomass etc.
Section 106 Agreement (S106)	A legal agreement under section 106 (or S106) of the 1990 Town & Country Planning Act. Section 106 agreements are legal agreements between a planning authority and a developer, or undertakings offered unilaterally by a developer, that ensure that certain extra works related to a development are undertaken.
Section 278 Agreement (S278)	Section 278 (or S278) is a section of the Highways Act 1980 that allows developers to enter into a legal agreement with the Highways Authority to make alterations or improvements to a public highway, as part of a planning application.

Term	Description
Settlement Boundary	These are areas (which could be subject to variations through the adoption of supplementary planning guidance) where development appropriate to the settlement in question will usually be permitted.
Site Allocations DPD	Identifies or allocates areas of land for specific types of development (eg. housing, employment, community facilities, etc.) Linked to the requirements of the Core Strategy. It also includes the definition of development boundaries or 'settlement limits'.
Site of Special Scientific Interest (SSSI)	Sites of Special Scientific Interest (SSSIs) are protected by law to conserve their wildlife or geology. Identified by Natural England as requiring protection from damaging development on account of its flora, fauna, geological and/or physiological features.
Special Area of Conservation (SAC).	A Special Area of Conservation (or SAC) is a site designated and protected under the EC Habitats Directive. These sites are internationally important for threatened habitats and species.
Stakeholder	(As used in this context) Any individual or organisation that has an interest in development matters relating to part or all of the Parish of Swanton Morley.
Statutory Body	A government-appointed body set up to give advice and be consulted for comment upon development plans and planning applications affecting matters of public interest. Examples of statutory bodies include: Countryside Agency, English Nature, Environment Agency, Health & Safety Executive, Historic England, Regional Development Agency, and Sport England.
Strategic Environmental Assessment (SEA)	A requirement of Neighbourhood Planning Regulations for a neighbourhood plan. It ensures compliance with EU and UK legislation requiring Strategic Environmental Assessment.
Supplementary Planning Document (SPD)	Supplementary Planning Document: A Local Development Document, which is intended to expand on policies set out in a DPD or provide additional detail. For example: Parking Standards, Affordable Housing, Design Guides, Area development brief etc. SPDs are not statutory requirements and do not form part of the Development Plan.
Sustainability Appraisal (SA)	Sustainability Appraisal: Appraises policies to ensure they reflect sustainable development objectives (social, environmental and economic factors). Required by the Act to be undertaken for all local development documents. They ensure compliance with EU and UK legislation requiring Strategic Environmental Assessment.
Sustainable Drainage Systems (SuDS)	Efficient drainage systems which seeks to minimise wastage of water, including the use of appropriate ground cover to enable maximum penetration of clean water run-off into the ground and, where appropriate, recycling grey water within the development. Designed to minimise the impact of development on the natural water environment.

Appendix 2: Swanton Morley Local Green Space Designations

Each Local Green Space tabled below (1, 2 and 3) meets the following Local Green Space designation criteria of the National Planning Policy Framework (NPPF) paragraph 77 and is:

- in reasonable close proximity to the community it serves;
- demonstrably special to the local community and holds a particular local significance; and
- local in character and is not an extensive tract of land.

Additionally, each Local Green Space is not:

- with an extant planning permission within which the Local Green Space could not be accommodated; and
- allocated for development in the relevant Neighbourhood Plan or the Local Plan.

Natural England's Accessible Natural Greenspace Standards (ANGSt) define the likely size of a suitable Local Green Space and its distance from the local community.

Each of the green spaces tabled below (1, 2 and 3) comply with this size standard:

- A Local Green Space should normally be located within 2km (1.25 miles) of the community it serves;
- A site of 2ha (5 acres) or less should be located within 300m (325 yards) (or 5 minutes' walk) of the community it serves; and
- A site of over 20ha (50 acres) would be considered to be "an extensive tract of land" and, therefore, not suitable for designation as a Local Green Space.

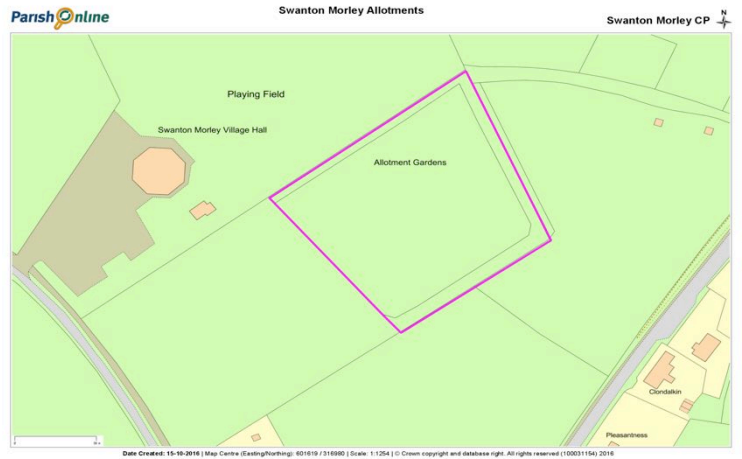

All sites are located within 2km from the village centre and all small sites are 5 minutes' walk and within the village footprint.

Table 8: Significance or rationale for designation as Local Green Space

	Name, Location & Size (ha)	Adjacent to existing properties?	Local or Community Value	Landscape Value	Historical Value	Recreational Value	Wildlife or Green Infrastructure Value
1	Gray Drive (0.13 ha)	Surrounded on all sides by houses.	Managed by the Breckland District Council	Green space for local residents to enjoy.	Used by both military and civilian children for over fifty years. Continues Swanton Morley's association with its military history.	Informal play area regularly used by children in surrounding houses to play sports (football cricket and tennis on a regular basis.	An open grass area and a link from the wider countryside to residents' gardens.
2	Thompson Close (0.10 ha)	Surrounded on all sides by houses.	Managed by the Breckland District Council	Green space for local residents to enjoy.	Used by both military and civilian children for over fifty years. Continues Swanton Morley's association with its military history.	Informal play area regularly used by children in surrounding houses to play sports.	A number of large trees and shrubs in a grassland setting providing habitat and shelter for birds and smaller animals.
3	Middleton Avenue (0.12 ha)	The land is adjacent to the Cemetery and is bounded to north by houses.	Managed by Breckland District Council	Link from Middleton Avenue to Hoe Road East	Used by both military and civilian children for over fifty years. Continues Swanton Morley's association with its military history.	Informal play space area regularly used by children.	A natural buffer between the cemetery and housing, allowing people visiting the cemetery a degree of peacefulness. A green finger for wildlife to travel between areas.
