Hi Peter, yes it was great to meet with you on Friday and we are so appreciative of the local support we get from the village. This is reflected by the amount of villagers who use the cafe and bistro. Yaxham Waters Holiday Park is certainly at a very exciting stage in its development and we would not be at this point without the support of the parish/village. Myself and Timm would love to attend one of the meetings in the near future. Once we have the approval for the mains connection we would very much like to invite you all down to the park to show you the next stage in the parks evolution. The approval should be obtained fairly soon and again this will be a massive step forward for the park, exciting times! Unfortunately we had to close the shop in December 2017 as you know, this was basically due to competition from the larger supermarkets in the area and the fact we do not do caravanning and camping here anymore. The shop is now closed and will not reopen in the future as a shop. The idea of a shop on the park was unsustainable unfortunately. I look forward to the villages continued support of Yaxham Waters Holiday Park and hopefully we will all meet very soon.

Thank you
Warmest regards
Neil

PS we now cook our very own pizzas from scratch in the cafe and can be picked up from the park with your own choice of toppings!!!
